

SYMBIOSIS INTERNATIONAL (DEEMED UNIVERSITY)

(Established under Section 3 of the UGC Act, 1956)

Re-accredited by NAAC with 'A++' Grade (3.56/4) | Awarded Category – I by UGC

PROSPECTUS

Undergraduate Studies
2026-27

Vision

- Promoting international understanding through quality education

Mission

- to inculcate the spirit of 'Vasudhaiva Kutumbakam' (the world is one family)
- to contribute towards knowledge generation and dissemination
- to promote ethical and value-based learning
- to foster the spirit of national development
- to inculcate cross cultural sensitization
- to develop global competencies amongst students
- to nurture creativity and encourage entrepreneurship
- to enhance employability and contribute to human resource development
- to promote health and wellness amongst students, staff and the community

A Foreign Affair that Founded Symbiosis

The journey of a thousand miles begins with a single step. But, it is the first step that involves deliberation and much hesitation. The Symbiosis journey however began with a surge of enthusiasm spurred on by an incident that, in itself, makes a poignant tale.

“It was an afternoon on a hot day. I was standing near the window of my house overlooking the first hostel block, of which I was the rector. A strange thing happened. A girl walked up to the window of the boys’ hostel room, quickly handed over something and disappeared. My curiosity was aroused and I kept watching the girl walking up to the window day after day and suspected, like any other rector would, that an affair was afoot. So one day, I made up my mind and walked up to the door and knocked. When the door opened, I saw a Mauritian student lying in bed. His face was pale and his eyes seemed to have sunken low. I was puzzled.” “When I turned to the boy for an explanation, he said, ‘Sir, I have an attack of jaundice & I’m feeling extremely weak. I cannot stand up, nor walk a few steps. A girl from my country brings me food. However, since ladies are not allowed to enter the boys’ hostel, she hands over the tiffin box through the window.’ I was stunned. After all, it wasn’t the type of ‘affair’ I had expected. I was very much pained & decided something had to be done about this. That was the instance, the golden moment that Symbiosis was born. “Symbiosis is a term in life science, meaning ‘living together of two different organisms, for the benefit of each other’. Dr. Mujumdar, himself a professor of botany, thought this name apt for the institution. Thus the institution was founded to alleviate the problems faced by foreign students coming to India. At the time, these problems included - accommodation, meals, medical care, guidance, coaching, information about the city, etc.

Symbiosis has come a long way since then. Today it is home to students from more than 85 different countries. These students are offered the best learning resources, industry exposure, a strong international students’ alumni network, a global recognition, and above all, a truly enriching Indian experience.

Chancellor's Message

I extend a warm welcome to all of you as you join the Symbiosis family. The University is part of the larger Symbiosis family, which is built on the core ideals of '*Vasudhaiva Kutumbakam*' - the world is one family.

You will find a wealth of opportunities as you begin your journey of higher education, which is about academics, of course, but also a lot more. It is our goal that we succeed in shaping our students to be responsible members of the global citizenry. Symbiosis is appreciative of the enormous responsibility that befalls higher education institutions. I encourage you to avail of all the wonderful teaching-learning and research possibilities that are offered. We, at Symbiosis, believe that Sports belongs to education as much as studies; therefore, we offer a whole range of first-rate choices that contribute to personal capacity building, such as those in career enhancement, extracurricular activities and recreational facilities.

You will find wonderful prospects to share this journey with students from over eighty-five countries and from all over India. We also pride on having with us an amazing pool of talent in our teaching staff, many of whom are noted academics, with substantial international experience. All in all, the educational experience at Symbiosis is designed to be wholesome and one that is authentically international. I hope that your experience at Symbiosis will afford you the opportunities to apply your talents and inspirations to the best use.

May God bless you!

Prof. (Dr.) S. B. Mujumdar

Founder and President, Symbiosis
Chancellor, Symbiosis International (Deemed University)

Pro Chancellor's Message

Symbiosis upholds its motto "*Vasudhaiva Kutumbakam*" the world is one family in all its pursuits. The diverse backgrounds of the students who come here from 85 countries from all across the world, contribute to an international environment. The wide milieu of ideas that are brought to the table through the interactions and collaborations among students both inside and outside the classroom are contributive in enhancing the students' intellectual acuity.

The classrooms at the Symbiosis campus encourage an innovative and futuristic approach for management, academia and the administrative staff. As one of the largest Universities in India, Symbiosis has strong global linkages and an educational portfolio that boasts of excellent infrastructure, well-equipped classrooms, accommodation and an environment that assists students in realising their potential while embracing diversity. The eclectic environment here enables students to think critically and emerge as responsible citizens with high moral values, ethics and good social conduct.

We aim to create globally valued graduates and have framed policies and procedures to expose students and faculty to international, intercultural and comparative aspects. This is ensured by encouraging student mobility on exchange and summer schools to international partners. The interdisciplinary studies allow students to choose from across multiple disciplines thus broadening their perspective and helping them gain knowledge of various domains, which makes them more adaptable to a global environment. The Programmes offered at Symbiosis are innovative and designed according to the needs of the industry, thus creating the needed academia-industry interface.

The Incubation Centre at Symbiosis has been created with the aim of supporting and nurturing the innovative spirit of the students and developing their entrepreneurial abilities.

On behalf of the University, I welcome you to the Symbiosis family!

I wish you success in the Programme that you have chosen to study with us.

Dr. Vidya Yeravdekar

Pro Chancellor, Symbiosis International (Deemed University)
Principal Director, Symbiosis

Vice Chancellor's Message

It gives me great pleasure to welcome you to Symbiosis International (Deemed University) for the Academic Year 2026-27.

Education, in its truest sense, extends far beyond the acquisition of knowledge. It is a transformative journey that shapes future-ready individuals - leaders who combine empathy with intellect, innovation with responsibility, and ambition with integrity. For over five decades, Symbiosis has been a vibrant academic home to students from across India and around the world. This rich diversity of cultures, perspectives, and aspirations forms the foundation of our dynamic learning community and remains one of our greatest strengths.

Our academic ecosystem is designed to inspire inquiry, nurture creativity, and encourage you to challenge conventional thinking. Through a wide range of undergraduate programmes in Law, Management, Computer Studies, Engineering, Health Sciences, Media and Communication, Humanities, and Education, we offer an interdisciplinary learning environment aligned with the vision of India's National Education Policy 2020. Our curriculum promotes flexibility, holistic development, and global relevance, while placing strong emphasis on experiential learning, research engagement, and ethical leadership. Emerging domains such as digital transformation, innovation, and entrepreneurship are thoughtfully integrated to prepare you for a rapidly evolving world.

At Symbiosis, learning extends well beyond the classroom. Our accomplished faculty, robust international collaborations, and vibrant campus life create an environment where intellectual growth is complemented by personal development. Whether your interests lie at the intersection of technology and society or in addressing global challenges, you will find the mentorship, resources, and opportunities needed to discover your purpose and realize your potential.

As you begin this important chapter, remember that you are not only preparing for a profession - you are preparing for life. We remain committed to providing an education that is rooted in values, driven by excellence, and focused on shaping responsible global citizens.

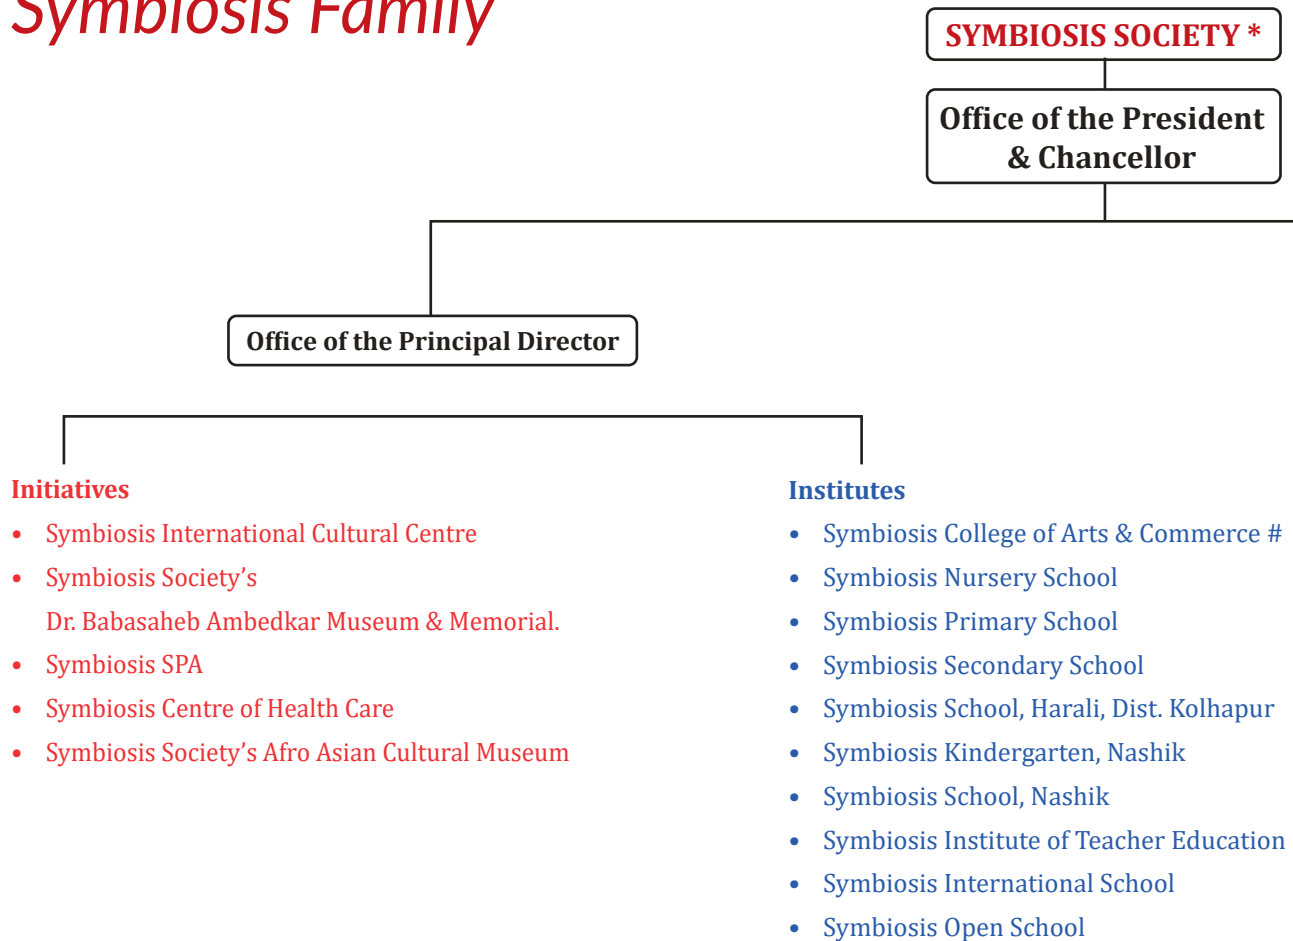

I warmly invite you to join our community, where the world truly is one family, and where your journey toward academic achievement and professional success begins.

Warm regards,

Dr. Ramakrishnan Raman

Vice Chancellor, Symbiosis International (Deemed University)

The University

Symbiosis International (Deemed University) (SIU), established in 2002, is a leading multi-disciplinary institution located on a picturesque 400+ acre campus at Lavale, Pune, India. The University's name captures the quintessence of the relationship with international students, a mutually beneficial bond between Indian and International student communities. The University has built a vibrant, inclusive academic ecosystem that brings together students from all Indian states and over 85 countries worldwide.

The University comprises 46 constituent institutes, 9 Departments of Skills and Continuing Education, 13 Research Centres, and 13 Support Departments. SIU offers a wide range of undergraduate, postgraduate, and doctoral programmes across diverse faculties including Law, Management, Computer Sciences, Health Sciences, Media & Communication, Humanities & Social Sciences, Engineering, Architecture & Design, and Education. Its dedicated faculty and strong industry engagement have resulted in nearly 100% placements, positioning SIU as a preferred destination for students from India and abroad.

Symbiosis International (Deemed University) (SIU) has consistently demonstrated strong performance in national and international rankings, underscoring its growing global academic standing. The University is ranked 24th in India in NIRF 2025 and features prominently in leading global assessments, including the Times Higher Education World University Rankings 2025 (601–800 band), THE Asia University Rankings 2025 (251–300 band), and THE Interdisciplinary Science Rankings 2026, where it is ranked 21st in India and in the 251–300 global band. SIU's commitment to sustainability is reflected in its inclusion in the UI GreenMetric World University Rankings 2025, with a rank of 37th in India and 881st globally. The University is also ranked 10th in India and 727th globally in the U.S. News Best Global Universities Rankings 2025. In the QS World University Rankings (Asia) 2026, SIU is placed 200th in Asia, 34th in Southern Asia, and 20th in India, while the QS World University Rankings 2026 position it at 696th globally, with strong indicator rankings for employer reputation, student diversity, and international faculty. Nationally, SIU has been ranked 1st among Private Multidisciplinary Universities in Western India and 3rd among Deemed Multidisciplinary Universities in India in the THE WEEK–Hansa Research Survey 2025.

Beyond rankings, SIU is recognized as a 2000-Watt Smart City, a recipient of the Asia Pacific Quality Label (APQL), and a permanent member of the Global University Network for Innovation (GUNi). Its strong research ecosystem is anchored by the Symbiosis Centre for Research and Innovation (SCRI), supporting advanced research in areas such as artificial intelligence, health sciences, climate change, sustainability, nanotechnology, and social sciences, complemented by extensive national and international collaborations.

SIU's commitment to social responsibility is evident in its Symbiosis Community Outreach Programme and Extension (SCOPE) Centre. SCOPE has adopted 35 villages, providing healthcare, sanitation, waste resource management, finance & banking, digital literacy, legal counseling, and scholarships. Family Doctor Clinics, Mobile Medical Units, and Mobile Digital Literacy Vans cater to these communities. As a Health Promoting University, SIU has established the Symbiosis Medical College for Women (SMCW), the Symbiosis University and Hospital Research Centre (SUHRC), and centers like the Symbiosis Centre for Emotional Wellbeing (SCEW). In addition to its academic and social contributions, SIU houses the Dr. Ambedkar Museum and Memorial, preserving the legacy of the architect of the Indian Constitution, and the Afro-Asian Cultural Museum, celebrating cultural diversity.

With a steadfast commitment to academic excellence, sustainability, research, internationalisation, and social responsibility, Symbiosis International (Deemed University) continues to evolve as a globally respected institution shaping future-ready leaders and contributing meaningfully to society.

Health Sciences (FoMHS)

Academic Programmes of the University

The University offers a wide range of academic programmes through its Institutes and Departments located across campuses in Pune, Nashik, Bengaluru, NOIDA, Hyderabad, and Nagpur in India, as well as in Dubai, U.A.E. Doctoral programmes are available across all faculties. The medium of instruction for all programmes is English.

UNDERGRADUATE AND POSTGRADUATE PROGRAMMES CONDUCTED BY UNIVERSITY

Faculty	Institute/ Department	Post Graduate	Under Graduate
Law	Symbiosis Law School, (SLS), Pune	Master of Laws (LL.M.)	Bachelor of Laws (LL.B.)
		-	Bachelor of Arts and Bachelor of Laws (Honours) - B.A. LL.B. (Honours)
		-	Bachelor of Business Administration and Bachelor of Laws (Honours) - B.B.A. LL.B. (Honours)
		-	Bachelor of Commerce and Bachelor of Laws (Honours) - (B.Com. LL.B.) (Honours)
	Symbiosis Law School, (SLS), NOIDA	Master of Laws (LL.M.)	Bachelor of Arts and Bachelor of Laws (B.A. LL.B.)
		-	Bachelor of Business Administration and Bachelor of Laws (B.B.A. LL.B.)
	Symbiosis Law School, (SLS), Hyderabad	Master of Laws (LL.M.)	Bachelor of Arts and Bachelor of Laws (B.A. LL.B.)
		-	Bachelor of Business Administration and Bachelor of Laws (B.B.A. LL.B.)
	Symbiosis Law School, (SLS), Nagpur	Master of Laws (LL.M.)	Bachelor of Arts and Bachelor of Laws (B.A. LL.B.)
		-	Bachelor of Business Administration and Bachelor of Laws (B.B.A. LL.B.)
Management	Symbiosis Institute of Business Management, (SIBM, Pune)	Master of Business Administration (M.B.A.)	-
		Master of Business Administration (Innovation and Entrepreneurship) - M.B.A. (Innovation and Entrepreneurship)	-
		Master of Business Administration (Executive) - M.B.A. (Executive)	-
		Master of Business Administration (General) for Officers of Indian Force - M.B.A.(General) for Officers of Indian Force	-

Faculty	Institute/ Department	Post Graduate	Under Graduate
Management	Symbiosis Centre for Management Studies, (SCMS, Pune)	-	Bachelor of Business Administration – Honours/ Honours with Research (B.B.A.) - Honours / Honours with Research
			Bachelor of Business Administration – Honours/ Honours with Research Dual Degree (B.B.A.) -Honours/ Honours with Research Dual Degree
	Symbiosis School of Banking and Finance (SSBF)	Master of Business Administration (Banking and Finance) - M.B.A. (Banking and Finance)	-
		Master of Business Administration (Banking and Finance) (Dual Degree, with Aston University, UK)	
		Master of Business Administration (Banking and Finance) (Dual Degree, with Macquarie University, Australia)	
		Master of Business Administration (Executive) M.B.A. (Executive)	
	Symbiosis Centre for Management and Human Resource Development (SCMHRD)	Master of Business Administration (M.B.A.)	-
		Master of Business Administration (Infrastructure Development and Management) - M.B.A. (Infrastructure Development and Management)	
		Master of Business Administration (Business Analytics) - M.B.A. (Business Analytics)	
		Master of Business Administration (Executive) - M.B.A. (Executive)	
	Symbiosis Institute of International Business (SIIB)	Master of Business Administration (International Business) - M.B.A. (International Business)	-
		Master of Business Administration (Agri- Business) -M.B.A. (Agri- Business)	
		Master of Business Administration (Sustainability Management) –M.B.A. (Sustainability Management)	

Faculty	Institute/ Department	Post Graduate	Under Graduate
Management	Symbiosis Institute of Digital & Telecom Management (SIDTM)	Master of Business Administration (Digital and Telecom Management) - M.B.A. (Digital and Telecom Management)	-
	Symbiosis Institute of Management Studies (SIMS)	Master of Business Administration (M.B.A.)	-
		Master of Business Administration (Executive) - M.B.A. (Executive)	-
	Symbiosis Institute of Operations Management (SIOM, Nashik)	Master of Business Administration (Operations Management) - M.B.A. (Operations Management)	-
		Master of Business Administration (Agri Operations Management) - M.B.A. (Agri Operations Management)	-
		Master of Business Administration (Operations Management) Dual Degree with Durham University Business School, United Kingdom - M.B.A. (Operations Management) Dual Degree with Durham University Business School, United Kingdom	-
	Symbiosis Institute of Business Management, (SIBM, Bengaluru)	Master of Business Administration (M.B.A.)	-
		Master of Business Administration (Business Analytics) -M.B.A. (Business Analytics)	-
		Master of Business Administration (Executive) -M.B.A. (Executive)	-
		Master of Business Administration (M.B.A.) -Dual Degree	-
	Symbiosis Centre for Management Studies, (SCMS, NOIDA)	-	Bachelor of Business Administration – Honours/ Honours with Research - (B.B.A.) - Honours/ Honours with Research
			Bachelor of Business Administration – Honours/ Honours with Research Dual Degree - (B.B.A.) - Honours/ Honours with Research Dual Degree

Faculty	Institute/ Department	Post Graduate	Under Graduate
Management	Symbiosis Institute of Business Management, (SIBM, Hyderabad)	Master of Business Administration (M.B.A.)	-
	Symbiosis Centre for Corporate Education (SCCE, Pune)	Master of Business Administration (Executive) - M.B.A. (Executive)	-
	Symbiosis Institute of Business Management, (SIBM), Nagpur	Master of Business Administration (M.B.A.)	-
		Master of Business Administration (Food and Agri Business Management) - M.B.A. (Food and Agri Business Management)	-
		Master of Business Administration (Executive) - M.B.A. (Executive)	-
	Symbiosis Centre for Management Studies, (SCMS), Nagpur	-	Bachelor of Business Administration – Honours/ Honours with Research - (B.B.A.) - Honours/ Honours with Research
	Symbiosis Centre for Management Studies, (SCMS), Bengaluru	-	Bachelor of Business Administration – Honours/ Honours with Research - (B.B.A.) - Honours/ Honours with Research
			Bachelor of Business Administration – Honours/ Honours with Research Dual Degree - (B.B.A.) - Honours/ Honours with Research Dual Degree

Faculty	Institute/ Department	Post Graduate	Under Graduate
	Symbiosis Centre for Management Studies, (SCMS), Hyderabad	-	Bachelor of Business Administration – Honours/ Honours with Research - (B.B.A.) - Honours/ Honours with Research
	Symbiosis Institute of Business Management, (SIBM), NOIDA	Master of Business Administration (M.B.A.)	-
Computer Studies	Symbiosis Institute of Computer Studies and Research (SICSR)	Master of Business Administration (Information Technology) - M.B.A. (Information Technology)	Bachelor of Computer Applications- Honours/ Honours with Research- (B.C.A)- Honours/ Honours with Research
		Master of Science (Computer Applications) - M.Sc. (Computer Applications)	Bachelor of Business Administration (Information Technology) - Honours/ Honours with Research- (B.B.A). (Information Technology)- Honours/ Honours with Research
		Master of Business Administration (Digital Transformation) - M.B.A. (Digital Transformation)	-
	Symbiosis Centre for Information Technology (SCIT)	Master of Business Administration (Information Technology Business Management) - M.B.A. (Information Technology Business Management)	-
		Master of Business Administration (Data Sciences and Data Analytics) - M.B.A. (Data Sciences and Data Analytics)	-
	Symbiosis Artificial Intelligence Institute (SAII)	-	Bachelor of Science (Artificial Intelligence) Honours / Honours with Research B.Sc. (Artificial Intelligence) -Honours / Honours with Research
			Bachelor of Business Administration (Artificial Intelligence) Honours / Honours with Research B.B.A. (Artificial Intelligence) -Honours / Honours with Research

Faculty	Institute/ Department	Post Graduate	Under Graduate
Medical and Health Sciences	Symbiosis Institute of Health Sciences (SIHS)	Master of Psychology (M.Psy)	Bachelor of Cardiovascular Technology (B.CT)
		Master of Cardiovascular Technology (M.CT)	Bachelor of Respiratory Technology (B.RT)
		Master of Medical Radiology and Imaging Technology (M.MRIT)	Bachelor of Medical Radiology and Imaging Technology (B.MRIT)
		Master of Dialysis Therapy (M.DT)	Bachelor of Dialysis Therapy Technology (B.DTT)
		Master of Anesthesia and Operation Theatre Technology (M.AOTT)	Bachelor of Medical Laboratory Sciences (B.MLS)
		Master of Respiratory Technology (M.RT)	Bachelor of Anaesthesia and Operation Theatre Technology (B.AOTT)
		Master of Medical Laboratory Sciences (M.MLS)	Bachelor of Neuroscience Technology (B.NT)
		-	Bachelor of Endoscopy and Laparoscopy Technology (B.ELT)
		-	Bachelor of Radiation Therapy Technology (B.RTT)
		-	Bachelor of Psychology (B.Psy)
	Symbiosis College of Nursing (SCON)	Master of Science (Nursing) - M.Sc. (Nursing)	Bachelor of Science (Nursing) - B.Sc. (Nursing)
		Nurse Practitioner in Critical Care Post Graduate Residency Programme - NPCCPGRP	Post Basic Bachelor of Science (Nursing) - P.B. B.Sc. (Nursing)

Faculty	Institute/ Department	Post Graduate	Under Graduate
Medical and Health Sciences	Symbiosis School of Biological Sciences (SSBS)	Master of Science (Biotechnology) - M.Sc. (Biotechnology)	-
		Master of Science (Biochemistry) - M.Sc. (Biochemistry)	-
		Master of Science (Biotechnology) Dual Degree with Aston University, United Kingdom - M.Sc. (Biotechnology) Dual Degree with Aston University, United Kingdom	-
		Master of Science (Biotechnology) Dual Degree with University of Adelaide, Australia - M.Sc. (Biotechnology) Dual Degree with University of Adelaide, Australia	-
	Symbiosis School of Sports Sciences (SSSS)	Master of Business Administration (Sports Management) - M.B.A. (Sports Management)	Bachelor of Science (Sports and Exercise Science) - Honours/ Honours with Research B.Sc. (Sports and Exercise Science)- Honours/ Honours with Research
	Symbiosis School of Culinary Arts and Nutritional Sciences (SSCANS)	Master of Science (Nutrition & Dietetics) - M.Sc. (Nutrition & Dietetics)	Bachelor of Science (Culinary Arts) - B.Sc. (Culinary Arts)
		Master of Business Administration (Food Technology and Food Enterprise Management) - M.B.A. (Food Technology and Food Enterprise Management)	-
	Symbiosis Medical College for Women (SMCW)	Doctor of Medicine – Anatomy M.D. – Anatomy	Bachelor of Medicine and Bachelor of Surgery (M.B.B.S.)
		Doctor of Medicine – Physiology M.D. – Physiology	-
		Doctor of Medicine – Bio-Chemistry M.D. – Bio-Chemistry	-
		Doctor of Medicine – Pathology M.D. – Pathology	-
		Doctor of Medicine – Microbiology M.D. – Microbiology	-
		Doctor of Medicine – Pharmacology M.D. – Pharmacology	-

Faculty	Institute/ Department	Post Graduate	Under Graduate
	Symbiosis Medical College for Women (SMCW)	Doctor of Medicine – Community Medicine M.D. – Community Medicine	-
		Doctor of Medicine – General Medicine M.D. – General Medicine	-
		Doctor of Medicine – Paediatrics M.D. – Paediatrics	-
		Doctor of Medicine – Dermatology Venereology & Leprosy M.D. – Dermatology Venereology & Leprosy	-
		Doctor of Medicine – Psychiatry M.D. – Psychiatry	-
		Master of Surgery - General Surgery M.S. - General Surgery	-
		Master of Surgery - Orthopaedics M.S. - Orthopaedics	-
		Master of Surgery - Otorhinolaryngology M.S. - Otorhinolaryngology	-
		Master of Surgery - Ophthalmology M.S. - Ophthalmology	-
		Master of Surgery - Obstetrics & Gynaecology M.S. - Obstetrics & Gynaecology	-
		Doctor of Medicine - Anaesthesiology M.D. – Anaesthesiology	-
		Doctor of Medicine - Radio Diagnosis M.D. – Radio Diagnosis	-
	Symbiosis College of Physiotherapy (SCOP)	-	Bachelor of Physiotherapy B.Sc. (Physiotherapy)
Media & Communication	Symbiosis Institute of Media & Communication (SIMC)	Master of Business Administration (Communication Management) - M.B.A. (Communication Management)	-
		Master of Arts (Journalism and Media Industries) -M.A. (Journalism and Media Industries)	-
		Master of Arts (Film, Television and Digital Production)- M.A. (Film, Television and Digital Production)	-

Faculty	Institute/ Department	Post Graduate	Under Graduate
	Symbiosis Centre for Media and Communication [SCMC]	-	Bachelor of Arts (Mass Communication) - Honours/ Honours with Research -B.A. (Mass Communication) - Honours/Honours with Research
		-	Bachelor of Business Administration (Media Management) Honours/ Honours with Research B.B.A. (Media Management)- Honours/ Honours with Research
	Symbiosis School of Visual Arts & Photography (SSVAP)	-	Bachelor of Arts (Visual Arts and Photography) - B.A. (Visual Arts and Photography)
Humanities & Social Sciences	Symbiosis School of Economics (SSE)	Master of Science (Economics) - M.Sc. (Economics)	Bachelor of Science (Economics) Honours/ Honours with Research - B.Sc. (Economics) - Honours/ Honours with Research B.Sc. (Economics) Honours / Honours with Research - Dual Degree in collaboration with University of Bristol, United Kingdom
	Symbiosis School for Liberal Arts (SSLA)	-	Bachelor of Arts (Liberal Arts)- Honours/ Honours with Research/ Bachelor of Science (Liberal Arts) -Honours - Honours/ with Research - B.A. (Liberal Arts) - Honours/ Honours with Research/ B.Sc. (Liberal Arts) - Honours/ Honours with Research

Faculty	Institute/ Department	Post Graduate	Under Graduate
Engineering	Symbiosis School for International Studies (SSIS)	Master of Arts (International Studies)- M.A. (International Studies)	-
	Symbiosis Statistical Institute (SSI)	Master of Science (Applied Statistics and Data Science) - M.Sc. (Applied Statistics and Data Science)	Bachelor of Science (Applied Statistics and Data Science)- Honours/ Honours with Research - B.Sc. (Applied Statistics and Data Science)- Honours/ Honours with Research
	Symbiosis Institute of Technology (SIT), Pune	Master of Technology (Geoinformatics) – M. Tech. (Geoinformatics)	Bachelor of Technology (Civil Engineering) – B. Tech. (Civil Engineering)
		Master of Technology (Robotics and Artificial Intelligence) – M. Tech. (Robotics and Artificial Intelligence)	Bachelor of Technology (Computer Science and Engineering) – B.Tech. (Computer Science and Engineering)
		Master of Technology (Artificial Intelligence and Machine Learning) - M. Tech. (Artificial Intelligence and Machine Learning)	Bachelor of Technology (Electronics & Telecommunication Engineering) - B.Tech. (Electronics & Telecommunication Engineering)
		Master of Technology (Engineering Design) –M. Tech. (Engineering Design) (Full Time)	Bachelor of Technology (Mechanical Engineering) – B. Tech. (Mechanical Engineering)
		Master of Technology (Engineering Design) –M. Tech. (Engineering Design) (Part Time)	Bachelor of Technology (Artificial Intelligence and Machine Learning) – B. Tech. (Artificial Intelligence and Machine Learning)
		Master of Technology (Automotive Technology) – M. Tech. (Automotive Technology)	Bachelor of Technology (Robotics and Automation) – B. Tech. (Robotics and Automation)

Faculty	Institute/ Department	Post Graduate	Under Graduate
Engineering		Master of Technology (Engineering and Management) – M. Tech. (Engineering and Management)	Bachelor of Technology (Robotics and Artificial Intelligence) – B. Tech. (Robotics and Artificial Intelligence)
		-	Bachelor of Technology (Mechanical Engineering) – B. Tech. (Mechanical Engineering) – Dual Degree
		-	Bachelor of Technology (Computer Science and Engineering) – B.Tech. (Computer Science and Engineering)- Dual Degree
		-	Bachelor of Technology (Computer Science and Engineering) – B.Tech. (Computer Science and Engineering)- Dual Degree
		-	Bachelor of Technology (Civil Engineering) – B. Tech. (Civil Engineering)- Dual Degree
	Symbiosis Institute of Geoinformatics (SIG)	Master of Science (Geoinformatics) – M.Sc. (Geoinformatics)	-
		Master of Science (Data Science & Spatial Analytics) – M.Sc. (Data Science & Spatial Analytics)	-
		Master of Science (Data Science and Spatial Analytics) – Dual Degree M.Sc. (Data Science and Spatial Analytics) Dual Degree	-
	Symbiosis Institute of Technology (SIT), Nagpur	-	Bachelor of Technology (Computer Science and Engineering) – B. Tech. (Computer Science and Engineering)
			Bachelor of Technology (Computer Science and Engineering) – B. Tech. (Computer Science and Engineering) – Dual Degree

Faculty	Institute/ Department	Post Graduate	Under Graduate
Engineering	Symbiosis Institute of Technology (SIT), Hyderabad		Bachelor of Technology (Computer Science and Engineering) – B.Tech. (Computer Science and Engineering)
			Bachelor of Technology (Computer Engineering)- B.Tech. (Computer Engineering)
			Bachelor of Technology (Computer Science and Technology) – B.Tech. (Computer Science and Technology)
			Bachelor of Technology in Computer Science and Engineering (Artificial Intelligence and Machine Learning) – B.Tech. in Computer Science and Engineering (Artificial Intelligence and Machine Learning)
			Bachelor of Technology (Computer Science and Engineering) – B.Tech. (Computer Science and Engineering)- Dual Degree
			Bachelor of Technology (Computer Science and Engineering) – B.Tech. (Computer Science and Engineering)- Dual Degree
Design	Symbiosis Institute of Design (SID), Pune	Master of Design – M. Des.	Bachelor of Design - (B. Des.)
	Symbiosis Institute of Design, (SID), Nagpur		Bachelor of Design – (B. Des.)

Faculty	Institute/ Department	Post Graduate	Under Graduate
Education	Symbiosis Institute of Education, Viman Nagar, Pune	Postgraduate Diploma in Early Childhood Education (PGD-ECE)	-

Online and Digital Learning:

Institute/ Department	Post Graduate	Under Graduate
Symbiosis School of Online and Digital Learning (SSODL)	Master of Business Administration - M.B.A.	Bachelor of Business Administration - B.B.A.
	Master of Science (Computer Applications) - M.Sc. (Computer Applications)	Bachelor of Computer Applications - B.C.A.
	Master of Science (Economics) - M.Sc. (Economics)	Bachelor of Science (Economics) Honours - B.Sc. (Economics) Honours
	Master of Science (Data Science) - M.Sc. (Data Science)	-
	Master of Arts (Mass Communication) - M.A. (Mass Communication)	-
	Master of Arts (International Studies) - M.A. (International Studies)	-
	Master of Science (Applied Statistics) - M.Sc. (Applied Statistics)	-

Symbiosis international University, Dubai, SIU, Dubai

Faculty	Post Graduate	Under Graduate
Management	Master of Business Administration- M.B.A.	Bachelor of Business Administration- B.B.A.
	-	Bachelor of Business Administration- B.B.A.- Dual Degree
	-	Bachelor of Commerce (Honours) -B.Com. (Honours)
Computer Studies	-	Bachelor of Computer Application- B.C.A.
Media & Communication	-	Bachelor of Arts (Mass Communication) – B.A. (Mass Communication)
Humanities and Social Sciences	-	Bachelor of Science (Psychology) – Honours -B.Sc. (Psychology)- Honours
Engineering	-	Bachelor of Technology (Computer Engineering)- B.Tech. (Computer Engineering)
Education	-	Bachelor of Education- B.Ed.

SYMBIOSIS CENTRE FOR RESEARCH AND INNOVATION (SCRI):

Symbiosis Centre for Research and Innovation (SCRI), a Research and Development Cell (RDC) of the Symbiosis International (Deemed University) (SIU), was established in 2009 with the objective to facilitate and enhance high standards of research at SIU that will result in quality contribution to the knowledge base in the broad disciplines of the University. The functions of SCRI are aligned with the University's commitment to stay connected with the community by the way of understanding its major issues and problems and to suggest relevant and flexible means to resolve them. In accordance with the University's endeavor to make meaningful contributions to the dialogue around the development of knowledge and policies for society, SCRI facilitates the research journey of the SIU's academic fraternity. The department provides intellectual, academic, and administrative support to the research endeavors to the members of the Faculties and students. The department acts as a nodal unit for enabling the research activities of the SIU fraternity.

SCRI's activities revolve around the Research and Development (R&D) mandate of SIU, which states the following:

- The R&D must be socially relevant, locally need-based, nationally important and globally significant.
- The focus of R&D in the University is aligned with the national priorities of the Government, reflected through various schemes and grants.
- The R&D must be applied, leading to innovation and translational.
- To create R&D hub comprising of medical facilities, diverse research centers, and constituent institutes that promotes interdisciplinary, multidisciplinary, and transdisciplinary research significant to society, and
- The University's R&D must lead to the development of the capable and responsible human resource.

SCRI is responsible for research Programme leading to the award of Doctor of Philosophy (Ph.D.) in the following Faculty of Studies: Law, Management, Computer Studies, Medical and Medical & Health Sciences, Media and Communication, Humanities and Social Sciences and Engineering in more than 25 sub-streams (subject areas). The doctoral programme is offered in accordance with UGC (Minimum Standards and Procedures for Award of Ph D Degree), 2022. The University has identified qualified supervisors, has state-of-the-art infrastructure and resources to support the doctoral students. A few postdoctoral fellowships are also offered in dedicated Research Centres: Symbiosis Centre for Nanoscience and Nanotechnology (SCNN), Symbiosis Centre for Stem Cell Research (SCSCR), Symbiosis Centre for Medical Image Analysis (SCMIA) and Symbiosis Centre for Applied Artificial Intelligence (SCAAI).

Besides research Programmes and fellowships, SCRI takes care of seed money, support for extramural funding, publications, intellectual property, and research collaborations of the researchers of the University. The department undertakes activities related to protection of intellectual property rights (IPR) and facilitates technology transfer for products and processes developed by SIU along with the collaborators. Statistical support to researchers through a dedicated statistician. This enables quality publications of non-doctrinal, social, ecological, psychosocial, organizational, experimental and observational driven empirical type of studies across all the faculties. Continuous improvement in the quality of research at SIU is facilitated by the University's research collaboration with the organizations such as the Indian Council for Medical Research (ICMR), L&T, Society for Development Studies, Lupin Research Park, Serum Institute of India Pvt. Ltd., KEM Hospital Research Centre and many more.

The collective research experience at SCRI has supported Faculty Members of SIU for attracting prestigious research grants from the Government under various schemes (such as DST-PURSE, SPARC, DST- SERB, DBT, NABARD, ICSSR) and Non-Government agencies (such as ABTL, Huvepharma SEA Belgium and India, IBM, TCS). In addition to this, internal funds (Minor Research projects and Major Research projects) are also provided to the Faculty and students by SIU. The department's support through hands-on, sensitization, and FDPs has contributed towards rapid increase in the research publications, (both quantitatively and qualitatively), patents, the registration of designs and copyrights, and new collaborative opportunities and recognitions. SIU is an empaneled research agency for conducting evaluation studies for the Government of Maharashtra. Doctoral research of SIU's 1000+ Ph.D. Scholars in different disciplines are facilitated by SCRI. With commitment, focus, and determination, SCRI is tirelessly contributing to the enhancement of research activities at SIU and strengthening its culture of good- quality research.

Please may visit <https://scri.siu.edu.in/> for details of the Doctoral Programme.

RESEARCH CENTRES

Symbiosis Centre for Nanoscience and Nanotechnology (SCNN)

The Symbiosis Centre for Nanoscience and Nanotechnology (SCNN) has been established to carry out interdisciplinary research in nanotechnology domain. The mission is to push the boundaries of nanotechnology by conducting cutting-edge research, fostering interdisciplinary collaboration, and translating scientific discoveries into practical solutions. Through a commitment to excellence, ethical practices, and societal benefit, it is aimed to pioneer breakthroughs that address critical challenges, empower industries, and contribute to sustainable development. SCNN conducts pioneering research in nanomaterials, nanodevices, and nano-systems

that advances scientific understanding and leads to practical applications. SCNN has completed 6 years of successful journey with establishment of five state-of-the-art laboratories dedicated to advanced functional nanomaterial synthesis, characterization, bioprocess, point-of-care diagnosis and photonics lab.

The leading area of SCNN includes low-cost energy production and storage, affordable healthcare and development of optical sensors. We build a collaborative ecosystem that encourages partnerships with academia, industry, and government, fostering innovation and technology transfer, raising awareness about nanotechnology and its societal implications.

Symbiosis Centre for Stem Cell Research (SCSCR)

Symbiosis Centre for Stem Cell Research (SCSCR) was established as a new initiative of Symbiosis International (Deemed University) on 29th July 2016. The centre is a unique research centre in Pune that performs research exclusively on stem cells. SCSCR was established to initiate both fundamental and translational research in various aspects of stem cell biology. The centre has initiated several research projects on hematopoietic stem cells (HSCs), mesenchymal stem/stromal cells (MSCs), human pluripotent stem cells (hESCs), endometrial organoids, and bone and cartilage specific stem cells. SCSCR has state-of-art equipment to facilitate research of internationally accepted standards.

Symbiosis Centre for Behavioural Studies (SCBS)

Keeping in mind that experimental research methods have a rich academic tradition both in psychology and marketing, Symbiosis Centre for Behavioral Studies has been established with an aim to conduct experimental research in order to publish quality research papers in reputed journals. It's allied agenda of providing consultancy to organizations has also been kept in mind while marshaling the centre amongst industry and academia.

Symbiosis Centre for Waste Resource Management (SCWRM)

Symbiosis International (Deemed University) in the year 2015, established Symbiosis Centre for Waste Resource Management (SCWRM) to be a pioneer in building knowledge, disseminating awareness and improving practices in the area of sustainable waste management. The centre promotes inter and multi-disciplinary approach for basic and need-based, applied research and efforts in bridging the gap between lab and society with respect to solid and liquid waste management. The current research at SCWRM involves novel technology and process development for solid waste and wastewater treatment, waste valorisation and resource recovery for circular economy and entrepreneurship development, microbiological and biotechnological investigations for development of value products/ formulations for industrial applications. The centre is also involved in conducting workshops, training, and awareness Programmes to promote national agenda of 'Swachh Bharat Mission', and work towards addressing key issues and challenges pertaining to waste management and sustainability. A key activity of SCWRM involves providing professional technical consultancy to various stakeholders in the field of solid waste management. SCWRM has consultancy projects with Pune Municipal Corporation (PMC), APMC Mumbai, Lonavala Municipal Corporation, district council of four districts, etc. on diverse aspects of municipal solid waste management. The centre is also an empaneled technical agency with the Government of Maharashtra to implement the national GOBAR-DHAN scheme at district and state levels under Swachh Bharat Mission (G)-II. The centre has several national and international research collaborations with a network of researchers across the globe to address various aspects of waste management, pollution remediation, resource utilization, waste valorization, climate change and sustainability.

Symbiosis Centre for Medical Image Analysis (SCMIA)

In recent years there has been an increased thrust to understand and quantify the complex information conveyed by medical images. Developing modern computational techniques that offer the potential for extracting diverse and complex information from imaging data and applying the setoaplethora of clinical studies is crucial. These techniques not only support precise quantification but also overcome the limitations of subjective visual interpretation. Furthermore, research and efforts in bridging the gap between lab and society with respect to solid and liquid waste management.

Symbiosis Centre for Applied Artificial Intelligence (SCAAI)

Symbiosis Centre for Applied AI (SCAAI) was established in May 2019. The primary aim of this centre is to spearhead the advancement and novel developments in various application areas and promotion of the advanced research and education in the field of AI. Along with this SCAAI engages in interdisciplinary research to address pertinent issues that could involve a huge spectrum such as finance and banking to healthcare.

Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR)

Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR). It has been established to facilitate advanced legal studies and research.

SCALSAR facilitates and provides:

- The means including idea architecture and resources for advanced legal studies for post graduate, including LLM students and PhD Students.
- Infrastructure and resources for advanced legal research to the faculty, researchers and post graduate students promoting and facilitating publications in SCOPUS, Web of Science and UGC recognised journals

- To collaborate with institutes under the faculty and departments within SIU, National and International Universities and Agencies for research, consultation, training and extension
- Research, training and consultancy in selected areas of 4 excellence centres aligned with SIU clusters, other research centres and contemporary areas of national and global importance
- Interdisciplinary and multidisciplinary studies and research while interlinking with SIU research clusters
- To act as a think-tank to the Government, hosts Scholars in residence, undertake interdisciplinary legal studies and research projects, train teachers and design training modules.
- Collaboration with institutes under the faculty and departments within SIU, National and International Universities and Agencies for research, consultation, training and extension
- To disseminate and ensure the outcome of research, training, advocacy and consultation to stakeholders including businesses, law makers, government and non-governmental entities, people of India and the world
- Positive and measurable impact on the society and justice system through inclusive research and training

Since 2012 SCALSAR has been organizing an Annual Research Conference. It grew drawing international participation by 2015. The conference has been drawing on Symbiosis International (Deemed University)'s new impetus to thrust areas, excellence centers and innovation and is titled as SYMROLIC representing an interdisciplinary conference in relation to Rule of Law. The conference also includes a research skills workshop. SCALSAR undertakes Minor and Major Research and Consultancy Projects. In addition to the completed projects including 2 ICSSR Impress Major Projects, there are 4 Major International Projects that are going on. SCALSAR also collaborates

with Government bodies and undertakes Law reform initiatives such as Transformation of Criminal Justice System in India submitted to Ministry of Home Affairs, Initiative with Supreme Court of India on Digital Courts Vision & Roadmap: Phase III of the E- Court project, Regional consultation on Review of Criminal law- Improvement in Status of Women organized in collaboration with National Commission for Women etc. The research agenda of SCALSAR will be further strengthened by the recently received Jean Monnet Chair on EU Climate change Law Policy and Governance as well as the Jean Monnet Module. The Community Legal Care Centre, which is a part of SCALSAR, carries out legal aid as well as community-based projects for various disadvantaged sections of society. Some of the legal aid activities are carried out in collaboration with Pune District Legal Services Authority, Yerwada Central Prison, Criminal Investigation Department Maharashtra and various NGOs. The Centre has adopted Sus village, Tal. Mulshi, Dist. Pune as a part of community outreach Programme.

Symbiosis Center for Climate Change and Sustainability (SCCCS)

SCCCS was established to develop environmental professionals with strong scientific knowledge who can provide solutions concerning the various environmental challenges that we encounter. SCCCSCS conducts innovative research and currently offers Ph.D. and post-doctoral programme in life sciences, climate change studies, and sustainable development. One important aspect of our research focuses on the role of microbes, which are often not acknowledged, in climate change mitigation and their important functions in ecosystem services. The Centre is trying to harness the potential of these tiny creatures to abate the impact of climate change and promote sustainability. SCCCSCS is involved in organizing workshops and lectures, taking up restoration projects, Park/Devrai conservations, and DST-funded projects.

SCCCS also develops educational courses in Climate Change and Sustainability Studies for UG & PG institutions. In addition to the academic responsibilities, the Centre also engages in collaborative works and conducts social outreach program involving international and local bodies such as UNICEF, and Pune Climate Warriors for issues relating to climate change, environmental health, and water conservation. Another focus of the work is nurturing the biodiversity of the campus. This work involves documenting, cataloguing and monitoring the flora and fauna species. SCCCS organises eco-tours on the University campus, recreational as well as ecosystem and environment awareness Programmes for staff and students.

Symbiosis Centre for Higher Education Research and Policy Advocacy (SCHERPA)

SCHERPA is established for conducting research in the area of international higher education. The NEP 2020 has earmarked a whole chapter on Internationalization of Higher Education. With the COVID pandemic, there have been different challenges that higher education faced, but one positive outcome has been internationalization at home. Collaborative online international learning, co-teaching and co-learning have been promoted due to online education. New concepts of international co-operation and intra-regional cooperation have emerged which enhance the internationalization of Higher Education. Knowledge diplomacy and how higher education can be a tool for development and soft power is also coming into discussion at the global level.

Symbiosis Centre for Research in Media and Creative Industries (SCRMCI)

The Symbiosis Centre for Research in Media and Creative Industries (SCRMCI) has been established under the Faculty of Media and Communication, Symbiosis International (Deemed University), Pune, India.

Objectives

- Conducting high quality and collaborative research in media and creative industries.
- Creating a network of scholars and practitioners in 38 media and creative industries research.
- Building partnerships and collaborations with academia, industry, government and other agencies and contributing to research and scholarship for the development of more diverse, equitable and inclusive media and creative industries in practice and policy.
- Disseminating research findings through publications and seminars.

Symbiosis Centre for Ambedkar Studies (SCAS)

The Centre for Ambedkar Studies has been established under the Faculty of Humanities & Social Sciences and is located at Symbiosis Ambedkar Museum and Memorial, Senapati Bapat Road, Pune to undertake studies and research with the intention to understand, assess and disseminate the ideas and thoughts of Dr. B.R. Ambedkar, particularly on subjects like Economics, Political Science, Religion, Philosophy, Constitutional Studies, Education, Social Work, Human Rights as well as other disciplines considered relevant for the attainment of our National Goal of Social Justice.

Symbiosis Centre for Research in Vaccines and Biologicals (SCRVB) in collaboration with Serum Institute of India Pvt. Ltd

The Symbiosis Centre for Research in Vaccines and Biologicals (SCRVB) in collaboration with Serum Institute of India Pvt. Ltd., under the Faculty of Medical and Health Sciences shall be established which has been approved in principle. The Symbiosis Centre for Research in Vaccines and Biologicals (SCRVB) shall be monitored by Symbiosis Center for Research and Innovation (SCRI), like all other Research Centres of SIU.

Symbiosis Center for Urban Studies (SCUS)

Symbiosis Centre for Urban Studies (SCUS) established in March 2022, drives research through an interdisciplinary framework to create sustainable, inclusive, and resilient urbanization. The research is focused on issues related to urban, which includes: urban economic development, planning, governance,

finance, development experiences, land economics, demography, infrastructure, migration, poverty, livelihood, policy, and many more areas cutting across a multidisciplinary approach. SCUS is housed at the Symbiosis School of Economics, which offers the country's first programme - M.Sc. Economics with a specialisation in Urban Development.

LEARNING RESOURCES:

LIBRARY

Symbiosis International (Deemed University) (SIU) is one of India's premier University and a renowned educational hub, comprising multiple institutions across various campuses. It offers quality higher education in diverse fields, including Management, Information Technology, Biomedical Sciences, Engineering, Liberal Arts, Health Sciences, Media and Communication, Architecture and Design, and Legal Education. Each institution has a dedicated library, serving as a vital resource center that supports students and faculty members by fostering teaching, learning, research, and innovation.

With the rapidly evolving digital landscape, e-resources have become an essential component of academic and research activities. SIU libraries are well-equipped with modern facilities and cutting-edge technology to seamlessly integrate both print and digital resources. The growing collection includes books, journals, periodicals, and databases, ensuring that the entire Symbiosis community has access to high-quality academic content.

To enhance accessibility and efficiency, Koha-ILMS Software has been implemented across all constituent libraries. Online Public Access Catalogue (OPAC) (<http://symbiosis-koha.informindia.co.in>) provides remote access <https://elibrary.siu.edu.in/home> to the book collection and other reading materials from any location.

SIU Central Library, located at the Lavale campus, is housed in a spacious, state-of-the-art building with high-quality amenities and a beautifully landscaped environment. This well-furnished facility offers a serene and inspiring atmosphere, encouraging students to learn, conduct research, and expand their knowledge. The library has embraced emerging technologies to ensure efficient information retrieval, providing seamless access to academic resources.

SIU Central Library subscribes to a diverse range of databases to support faculty members, students,

and researchers. These resources are strategically categorized to cater to various academic and research needs. The Full-Text Databases, including ScienceDirect, Springer Nature, Sage Journals, Emerald Insight, ProQuest, JSTOR, etc., provide access to a vast collection of scholarly articles and research papers. For indexing and citation tracking, Indexing & Abstracting Databases such as Scopus with AI and Web of Science are available. To assess research performance, the library offers SciVal, a powerful Research Performance Assessment Tool. Additionally, Statistical & Business Research Databases like Statista, Harvard Business Review (HBR) and Factiva provide essential data-driven insights. To maintain academic integrity, the library provides Writing & Academic Integrity Tools, including Grammarly for writing assistance and Turnitin with AI for plagiarism detection. Moreover, Remote Access is facilitated through RemoteX, enabling the SIU community to access digital resources 24/7 from anywhere, along with a dedicated SIU Library Mobile App that offers seamless access to e-resources, account management, and library services on the go.

Library is an active member of INFLIBNET, Gandhinagar, playing a key role in submitting research theses to Shodhganga. It is also a member of DELNET and the National Digital Library of India (NDLI), further strengthening its commitment to knowledge sharing and academic excellence.

SIU Library at a Glance

- Print Book Collection: 442,297+
- Ph.D. Theses: 650+
- Print Journals: 789+
- E-Journals: 70,326+
- E-Books: 3,13,361+
- Database: 180+
- CDs/DVDs: 13,773+
- Library Portal & Mobile App: Provides seamless access to e-resources 24/7 from anywhere for all members – (<https://elibrary.siu.edu.in/home/>)

With its world-class resources, cutting-edge technology, and commitment to academic excellence, SIU's libraries continue to be an integral pillar of research, learning, and innovation at the university.

SYMBIOSIS CENTRE FOR INTERNATIONAL EDUCATION (SCIE):

SCIE is a department of the University that provides leadership and support for the University's efforts to internationalize the campus and the curricula. The mandate given to Symbiosis Centre for International Education (SCIE) is to streamline the processes related to international collaborations, participation in international conferences and seminars, international student mobility, setting up of Area Study Centres, etc.

At Symbiosis, there are international students from over 85 countries who undertake undergraduate and postgraduate studies. Students and faculty are repeatedly provided with opportunities to pursue their international academic interests to the fullest, be it through academic exchanges, or exposure to international conferences, seminars, workshops, etc.

Internationalisation at Symbiosis works on multiple tracks, hence, the five divisions in the Symbiosis Centre for International Education include:

1. International Admissions and International Promotions
2. International Student Relations and Events
3. International Collaborations
4. Symbiosis Centre for European Studies (SCES)
5. Symbiosis Centre for India Australia Studies (SCIAS)
6. The Symbiosis Centre for Engagement with Africa (SCEA)

Symbiosis Centre for Higher Education Research and Policy Advocacy (SCHERPA)

1. International Admissions and International Promotions

Admissions for international students are centralized

across all the constituent institutes of Symbiosis International (Deemed University) and are routed through the Symbiosis Centre for International Education (SCIE). The procedure for applying to SCIE is designed, taking into consideration the requirements and difficulties faced by international students. The online admission process has made it accessible for every student to apply from various parts of the world and from the comfort of their homes. Students only need to come to India when they are shortlisted for a specific programme of their choice. Software has been tailor-made to suit the admission procedure. The admission process is simplified into easy steps, starting from meeting basic eligibility criteria and verifying the necessary documents to finalizing the payment and confirming the admission. Through the online admission system, students can also make all their payments online and check their admission status online.

SCIE has also taken the initiative of planning promotional campaigns in Africa and Asia. This involves participation in educational exhibitions/ fairs and visiting schools and educational counselors.

2. International Student Relations and Events

This department has the goal of ensuring student comfort at Symbiosis International (Deemed University) and also communicating with foreign students in their home countries. Understanding the importance of ensuring a fulfilling experience, both academic and social, this department focuses totally on assisting foreign students to adapt to their new home. The students are encouraged to contact this department when faced with problems – academic, administrative, and even issues that are not directly related to the University, such as dealing with formalities at the Foreigners' Registration Office (FRO).

We have "buddy" system, which refers to the practice of assigning a mentor to each international student. The "buddy" will be a domestic Indian student, who

is familiar with the city of Pune. The “buddy” will be encouraged to help the student overcome challenges big and small – that are related to the institute and the University, as well as everyday problems related to settling down in India.

The department conducts periodic meetings with international students in their individual institutes. The informal meetings are aimed at providing an opportunity to the students to share their experiences, both good and bad, giving them an opportunity to solve these by initiating changes either in policy or regular activities.

SCIE organizes a variety of activities where international students of Pune city are able to meet on a common platform and display their many talents. As a part of enriching students’ international experience, SCIE organizes the International Food Festival, the Flag Hoisting Ceremony, NGO visits, Blood Donation Camps, Tree Plantation, Iftar Dinner, Christmas Party, Diwali Celebration, Dance Competitions and Sports activities like football tournaments and many more.

SCIE also organizes the International Students’ Convocation Ceremony. The convocation ceremony is an important landmark in a student’s life. It is normally organized by universities in India during the month of December. But since most foreign students have already left India by this time, they are deprived of this wonderful memory. SCIE aims to fulfil a students’ dream of walking down the aisle with a robe and cap by organizing the International Students Convocation Ceremony.

SCIE is assisted in such activities by the International Students’ Council. The International Students’ Council is an elected body for the smooth functioning of the activities and events of international students. This department conducts need based workshops for these council members to name a few team building, financial

literacy, communication & soft skills, digital marketing, etc. which covers a diverse range of essential skills.

Working in the council provides an opportunity to showcase their leadership skills and community involvement, get the opportunity to explore a range of interests and passions that they might not have discovered otherwise, improve the self-confidence.

3. International Collaborations

At Symbiosis International (Deemed University), (SIU) our every endeavor is to look at ways to promote international understanding through quality education. The university believes that internationalisation imparts broadened knowledge and understanding of other nations, cultures, and global issues for students, strengthens research and knowledge production of faculty and staff, which assists in bringing innovative pedagogies and enhances the teaching learning process. To achieve these objectives, the university has international collaborations across the globe. Structured policies for encouraging student and faculty mobility help students to undertake these programmes for increasing and ensuring sustainability.

Student Programs:

Global Immersion Program:

Under this initiative, SIU students get an opportunity to experience semester abroad, semester exchange programs, attend summer/winter schools, and undertake internships and participate in international competitions and conferences. The university accepts the credits earned by students from partner universities towards their degree completion. Study tours, which give a glimpse about the academic and cultural offerings from a foreign country, are also encouraged to give students an international exposure. SIU encourages the collaborating universities to send their students for a semester at any of its institutes and transfers the credits earned by these students. The

students have the flexibility to choose courses across disciplines.

Collaborative Programmes: SCIE has initiated Dual Degree, Joint Degree and Pathway programme, and Progression agreements at undergraduate, postgraduate and doctoral levels with highly ranked partner Universities across various countries including Australia, the USA, the UK and Russia to name a few.

a) Dual Degree Programme are jointly designed and offered by SIU and Foreign Higher Educational Institutions in the same disciplines/subject areas and in the same level. The degrees shall be conferred by SIU and Foreign Higher Educational Institutions, separately and simultaneously, upon completion of degree requirements of both institutions.

b) Dual PhD Programme are a unique opportunity where PhD scholars will have one Supervisor at each institute and will spend at least one semester at each institute during the programmes. The student will submit only one thesis as per the framework designed by/ agreed upon by SIU and the partner HEI. The student shall be awarded two separate PhD degrees by both universities.

c) Joint Degrees are collaborative programmes where the curriculum is designed jointly by SIU and Foreign Higher Educational Institutions and, upon completion of the programmes, the Degree will be awarded by SIU and the collaborating Foreign Higher Educational Institution with a single Certificate.

d) Pathway Programmes is an arrangement where the students complete a major portion of their academic requirement of a lower degree programmes (for instance a Bachelor's degree) at SIU and then seamlessly ladder up to the partner university to complete their programmes requirement and enter into a Higher Degree (for instance a Master's degree).

e) Progression arrangements are where the students complete a degree at SIU and proceed to pursue a higher degree at partner HEI. Progression arrangements ensure merit-based scholarships and fee concessions to eligible students.

Study India Program:

SCIE offers short duration, customized programmes imparting international students an unparalleled opportunity to experience a combination of academic content and cultural activities. Students get an understanding of the socio-economic, cultural, political, technological aspects of India along with experiential learning through visits to NGO's, Cultural heritage sites, to name a few, in this programme.

Faculty Program:

SIU believes giving international exposure for students, faculty and staff to develop a global outlook. As part of Internationalization at home, SIU has many programmes where international faculty is invited on campus.

Scholar-In-Residence:

This programme encourages faculty to share best academic practices, developing in house global competencies and international links. Faculty who visit SIU on short/long term engagement, conduct guest lecturers/ workshops / Symposia, teaching, reviewing and internationalizing the curriculum, conducting faculty development programme / seminar, conceptualizing, contributing and editing research journals, joint paper presentations in international conferences.

Distinguished Visiting Professor:

Distinguished academicians/ personalities are invited to SIU for short term period to teach courses in their area of expertise, conducting special course / expert workshops, developing grant projects.

Faculty Exchange:

SIU is actively involved in sending its own faculty to foreign universities on short term. This encourages the faculty to get an opportunity to teach students at partner universities. The faculty gets an opportunity

to learn new methods of teaching, conducting joint research with faculty having similar research interests and imparting knowledge to the international students while focusing on the Indian or comparative perspectives.

Lecture Series:

SCIE organizes lectures by eminent faculty, industry experts and eminent personalities at different institutes of Symbiosis.

Symbiosis Centre for European Studies (SCES)

SCES is a multidisciplinary support department within Symbiosis Centre for International Education launched at the hands of the Prime Minister of Czech Republic, H.E. Mr. Andrej Babiš in January 2019.

SCES lays emphasis on facilitating people-to-people, organisation-to-organisation and institute-to-institute connections with Europe, bringing the best of scholarly expertise to India and encouraging Symbiosis students, faculty and staff mobility to Europe for research projects, engaging with Training & Consultancy projects with European companies and learning through partnerships. SCES is envisioned to be an umbrella support system for all academic, scholarly and research initiatives with European institutions. Its purview includes all European countries and the European Union.

SCES has actively forged partnerships with European universities through various consortiums under the Erasmus+ Programs, aiming to foster collaboration in student and faculty mobility, as well as strategic partnerships. These endeavors contribute to capacity building and the exchange of best practices in higher education. Notable collaborations include partnerships with German universities through the DAAD-DIES and DAAD-A New Passage to India programme, facilitating mobility and workshops to promote the

internationalisation of higher education.

In addition to these collaborative efforts, SCES has organised the Annual Leadership Series & Conferences, focusing on contemporary issues related to the European Union and its global relationships. Think tanks, diplomats, and ambassadors have shared valuable insights with SCES students and faculty during these forums.

SCES continues to actively engage with European partners through exchanges, E-Academies, E-Symposiums, Remote Internships, Study in India Programme, and Erasmus+ projects. SCES offers various activities and programs, including:

- 1. Internationalisation at Home Initiatives:** These initiatives aim to enhance global perspectives within the campus environment.
- 2. Exclusive Opportunities for SCES Students:**
 - **E-Academies on Internationalisation:** Weekend programs focusing on developing intercultural competencies, with students collaborating with peers from around the world.
 - **Your Gateway to Europe:** Bi-annual programs providing in-depth insights into higher education in Europe, featuring illustrious speakers and European student mentors.

Both E-Academies combine learning with cultural, language, and food exchanges, culminating in the annual release of "The World Kitchen," a culinary book featuring recipes from Indian and international students.

- **Beyond Borders Work from Home Internships:** Offering remote internships for Indian and European students in research, graphic designing, corporate relations (Europe), and social media management. SCES students gain international exposure and work on global projects. The calls are open for all SIU students. Follow this link for more information and application procedure.

3. SCES Student Think Tank: SCES students are invited to participate in the student-led think tank under the Symbiosis Centre for European Studies, also serving as the First Indian Chapter of European Horizons, a global student-led policy incubator founded at Yale University. Email us at sces@scie.ac.in to learn more.

Other initiatives include student and faculty exchanges, credit transfer arrangements, Summer and Winter Schools (Study India Programme & Bespoke), as well as E-Symposiums, webinars, master classes, and various opportunities for engagement with Europe. These diverse programmes contribute to a comprehensive and dynamic internationalisation strategy at SCES. For more information and engagement, please reach out to us at sces@scie.ac.in.

Symbiosis Centre for India Australia Studies (SCIAS)

The **Symbiosis Centre for India–Australia Studies (SCIAS)** serves as an overarching institutional umbrella for all academic, research, and collaborative activities involving students and faculty, with the objective of deepening existing partnerships and exploring new avenues of collaboration with universities in Australia. The Centre is officially inaugurated by **Mr. Peter Truswell, Consul-General, Australian Consulate in Mumbai, India, Department of Foreign Affairs and Trade (DFAT).**

SCIAS undertakes a wide range of activities, including mobility programs, faculty training programmes, and the networking of research scholars to foster academic connections that lead to joint research initiatives. The Centre prioritizes and implements proposals for joint PhD supervision, pathway programmes, joint and dual degree programmes in alignment with the mandates of the National Education Policy. With a strong multidisciplinary focus, SCIAS institutionalizes international initiatives in education and research between India and Australia.

The Centre facilitates student internships for both

Indian and Australian students through collaborative mechanisms and strengthens industry partnerships to support meaningful internship opportunities. It places a special emphasis on research in International Higher Education, with a mandate to advance internationalisation of higher education, collaborative international learning, inter-regional cooperation, and knowledge diplomacy. Additionally, SCIAS encourages the offering of electives across SIU Institutes that enable students to study Australian literature, history, society, culture, art, politics, and Indigenous studies. Objectives of SCIAS are as below:

1. To strengthen and institutionalize academic and research collaborations between Symbiosis International University and Australian universities.
2. To promote student, faculty, and researcher mobility through structured academic pathways, joint supervision, and dual degree programmes.
3. To advance research and policy discourse in international higher education, with a focus on internationalisation, knowledge diplomacy, and cross-regional cooperation.
4. To enhance experiential learning through collaborative internships and industry partnerships for Indian and Australian students.

The Symbiosis Centre For Engagement with Africa (SCEA)

Based on its strong past connection with the continent and its people, Symbiosis believes it can positively assist in the capacity building of the African nations by offering world-class education to African students. These students will be future Ambassadors of Goodwill.

Under our 'Engage with Africa initiative' we offer the following with a view to strengthening relations between India and Africa.

1. Golden Jubilee Scholarships where we are offering 80% fee concession in academic fees as well as 50% concession in the hostel and mess fees.
2. Golden Jubilee Free-ships

3. Connecting African students studying at SIU with Indian school students and staff: Positive exchange of cultures and desired change in perception
4. Capacity Building: Teacher Training and Development for African Schools.
5. Representation on International Student Bodies/ Councils.
6. Student Development Workshops

3. Symbiosis Centre for Higher Education Research and Policy Advocacy (SCHERPA)

Symbiosis Centre for Higher Education Research and Policy Advocacy (SCHERPA) was established in 2022 with the vision of producing research specifically focused on International Higher Education (IHE). Over time, it has evolved into a Think Tank dedicated to research in higher education (HE) more broadly, with a particular emphasis on IHE. The Centre's vision is to foster quality education through collaborative and multidisciplinary research in comparative higher education, driving informed and active policy advocacy. Its mission is to partner with national and international collaborators to conduct transformative research that enhances educational outcomes, promotes equity, and influences policy both nationally and globally. The Centre aims to synthesize research outputs for policy-making, assess the efficacy of current higher education policies, facilitate policy dialogues and best practices sharing.

Foreigners' Registration:

Every foreigner coming to India must have a valid Passport and Visa to enter and to continue his/her stay in India.

The foreigner should always carry identification documents, namely:

1. Passport with an endorsed visa
2. Certificate of Residence issued by the concerned authority
3. Residential Permit issued by FRRO/FRO

The foreigner is under obligation to produce the above documents to any Police Officer on demand for inspection.

Foreigners entering India on a long-term visa i.e., for a period more than 180 days, on a Student Visa, Employment Visa, Research Visa, Medical Visa and Missionary Visa are required to get themselves registered within 14 days of their arrival with the concerned FRRO/FRO. Students arriving on short term Provisional Student Visa (Valid for 180 days or less) must also register and confirm their admission within the stipulated visa period to avoid deportation. Upon confirmation of admissions, the students on short term Provisional Student Visa should approach the concerned FRRO/FRO for registration and extension.

The above rules will not be applicable to Pakistani, Bangladeshi and Afghani nationals.

- Pakistani Nationals must report within 24 hours of their arrival
- Afghan Nationals must report within 7 days of their arrival
- Bangladesh Nationals on Student Visa must report within 7 days of their arrival, and within 24 hours of their arrival for other visas

Symbiosis Centre for International Education (SCIE) – Noida

The **Symbiosis Centre for International Education (SCIE) – Noida** serves as the nodal office for internationalisation at the Noida campus of **Symbiosis International (Deemed University)**. Established to strengthen the University's global engagement and international outreach in the National Capital Region, SCIE – Noida plays a key role in connecting the campus with international partners, diplomatic missions, academic networks, and global opportunities.

The Centre works closely with academic institutes, faculty, students, international partners, and the central SCIE (Pune) to advance Symbiosis' motto of 'Vasudhaiva Kutumbakam'– the world is one family

through meaningful collaborations, international exposure, and global learning experiences.

Functions

SCIE – Noida facilitates and coordinates a wide range of international academic, strategic, and outreach initiatives, with a focus on embedding international perspectives across teaching, learning, research, and co-curricular activities at the Noida campus. The Centre's key objectives include:

- Acting as the nodal office for international initiatives at the Noida campus
- Supporting faculty and students in accessing international academic, research, and networking opportunities
- Promoting and fostering Internationalisation at Home (IaH) and supporting curriculum internationalisation initiatives
- Leading international promotion and outreach initiatives, including support for admissions-related outreach for Symbiosis International University, Dubai, in Delhi and North India

- Facilitating collaboration with international universities and institutions
- Leading and supporting the implementation of international and capacity-building projects, academic engagements, and collaborative initiatives
- Leading networking and engagement with embassies, consulates, and diplomatic missions based in Delhi
- Building closer relationships with international organisations, cultural bodies, and academic associations in Delhi and North India
- Facilitating diplomatic, policy, and practitioner interactions for students and faculty at the Noida campus
- Undertaking initiatives and programmes to strengthen internationalisation across the Noida campus and Symbiosis International (Deemed University)

Students, faculty members, academic partners, and international organisations interested in global engagement, collaborations, or international opportunities at the Noida campus are encouraged to connect with the SCIE – Noida team.

Email: global_engagement@noida.scie.ac.in

Admission Process for Indian Students:

Candidates aspiring to join any of the following:

- Bachelor of Business Administration (Honours / Honours with Research)
- Bachelor of Computer Applications (Honours / Honours with Research)
- Bachelor of Business Administration (Information Technology) - Honours / Honours with Research
- Bachelor of Arts (Mass Communication) - Honours / Honours with Research
- Bachelor of Science (Economics) - Honours / Honours with Research
- Bachelor of Science (Applied Statistics and Data Science) - Honours / Honours with Research
- Bachelor of Technology
- Bachelor of Business Administration (Media Management) - Honours/ Honours with Research
- Bachelor of Business Administration - Honours/ Honours with Research - Dual Degree in collaboration with Deakin University, Australia
- Bachelor of Science (Sport and Exercise Science) - Honours/ Honours with Research
- Bachelor of Arts (Liberal Arts) - Honours/Honours with Research / Bachelor of Science (Liberal Arts) – Honours / Honours with Research
- Bachelor of Science (Artificial Intelligence) - Honours/ Honours with Research
- Bachelor of Business Administration Artificial Intelligence) - Honours/ Honours with Research
- Bachelor of Business Administration - Honours/ Honours with Research - Global Dual Degree, in collaboration with Deakin University, Australia, comprising one year at SIU Pune (SCMS Pune), one year at SIU Dubai, and two years at Deakin University
- Bachelor of Business Administration - Honours/ Honours with Research - Global Dual Degree, in collaboration with Deakin University, Australia, comprising one year at SIU (SCMS NOIDA), one year at SIU Dubai, and two years at Deakin University
- Bachelor of Business Administration (Hospitality and Culinary Management) - Honours / Honours with Research
- B.Sc. (Economics) Honours / Honours with Research - Dual Degree in collaboration with University of Bristol, United Kingdom

programmes offered by institutes of Symbiosis International (Deemed University) have to appear for the common, mandatory Computer Based Test(s) (CBT). These are conducted in Computer Based Test (CBT) mode across various cities of India.

SIU announces the four-year degree programme with multiple entry and exit options as envisioned in the NEP 2020*. The highlights of the new programme offerings are as under

The Programme framework allows exciting options to pursue single major, double majors, minors, opportunity to pursue multidisciplinary, Ability and Skill enhancement courses.

Offers a good blend of immersive learning, research and community engagement Includes opportunities for semester exchange programmes with foreign universities Offers the following exit options

- a) A Certificate at the end of the first year of the programme with 44 credits
- b) A Diploma at the end of the first two years of the programme with 84 credits
- c) A UG Degree at the end of 3 years of the programme with 120 credits
- d) A UG Degree with Honours / Research at the end of the 4 years of the programme with 160 credits

Offers option of Re-entry within 3 years of exit and 7 years as the maximum permissible period to complete the programme.

* Not applicable for programmes under SITEEE.

A candidate needs to register for SET/SITEEE 2026 and also register for the institutes offering his/ her choice of programmes by paying separate programmes registration fees. If shortlisted / merit listed, he/she would then need to attend the further admission process conducted by each of these institutes individually.

Candidates are fully and solely responsible to provide correct information during the application process. If it is found that any information provided by the candidate at the time of filling / submitting the application form is not true, SIU has the right to cancel the application or admission, at any stage, in accordance with its rules and regulations. Any direct or indirect attempt to influence the management and employees of the Institute will lead to automatic disqualification of the candidate.

All communication with candidates will be done through the official email address (info@set-test.org and no-reply@set-test.org only). Please ensure that this email address is whitelisted in your registered email. If you do not receive the registration/payment confirmation mail, within 24 hours, please check your spam/junk folder just in case these emails got delivered there instead of your inbox.

A candidate can complete the SET/SITEEE as well as programme/s registration and payment on the same portal (set-test.org).

The structure of the Bulletin is as follows:

Section 1: SET/ SITEEE Registration

Section 2: Entrance Test (SET / SITEEE)

Section 3: Shortlisting and Admission Process

Section 4: Merit List Declaration and Admission

Section 1: SET/ SITEEE Registration

- A. SET/SITEEE test registration process
- B. SET/SITEEE test registration fee payment process
- C. Programmes (and the Institute offering them) for which SET/SITEEE Test is mandatory
- D. Programmes (and the Institute offering them) for which SET/SITEEE Test is not mandatory
- E. Programme registration fee payment process
- F. Cities where SET/SITEEE Test will be conducted
- G. Programme Eligibility
- H. Reservation Policy of SIU
- I. Reservation of seats for Nagpur Domicile (SCMS, Nagpur and SIT, Nagpur)
- J. International Candidates admission process

Section 2: SET/ SITEEE Entrance Test

- A. SET / SITEEE Test structure
- B. Important instructions regarding Admit Card
- C. Important guidelines regarding SET / SITEEE Test

Section 3: Shortlisting and Admission Process

Section 4: Merit List Declaration and Admission Process

Section 1

SET/ SITEEE Registration

A. SET/SITEE test registration process:

SET/ SITEEE 2026 will be conducted on two different dates. Please note these dates carefully:

Date of SET/ SITEEE 2026 and Time	
May 02, 2026 (Saturday) and May 10, 2026 (Sunday)	Time
SET	09.00 am to 10.00 am
SITEEE	11.30 am to 12.30 pm

- Candidates will be shortlisted for the Personal Interaction (PI) process based on his / her SET 2026 scores.
- Programme-wise ranks will be available in the candidate login portal after the final date for programme registration and fee payment. Ranks will only be displayed for programmes for which the candidate has registered and completed payment.

The registration process is as follows:

1. Click on 'Register'.
2. Read all the Instructions carefully and then click on the 'Continue' button to accept the Terms and Conditions.
3. Fill in the details requested on the page displayed.
4. Click on 'Save and Continue'. An OTP will be sent to the mobile number and email id that you have entered.
5. Enter the 'OTP' and submit.
6. After successful registration, you will get an e-mail and SMS containing your SET/SITEEE ID and password. Use this SET/SITEEE ID for all communications regarding the SET/SITEEE 2026 entrance test / admission procedure.
7. Pay the SET/SITEEE entrance test registration fee of INR 2250 per test [government taxes would be additional as and when applicable] non-transferable and non-refundable as per the instructions mentioned on the registration portal.
8. In addition to that, you are also expected to pay the non-refundable and non-transferable programme registration fee of INR 1000/- (government taxes would be additional as and when applicable) for each programme that you wish to apply for.
9. Please note that payment of only the SET/SITEEE entrance test registration fee will not make you eligible for short listing/merit listing in any programme, regardless of your SET/SITEEE score. Both fees must be paid as per the instructions provided on the registration portal. Failure to pay the programme registration fee will result in

- your application not being considered for that programme. No communication will be entertained in this regard.
10. If you have any queries, please log in to your SET/SITEEE ID and click on “Raise A Query” and generate a ticket. Generating a ticket is essential to resolve your query.
 11. The modes of payment for the programme(s) registration fee is same as that for SET/SITEEE.
 12. Candidate must declare and maintain a valid and unique email account and a mobile phone number throughout the admission process.
 13. A candidate is required to fill in the correct information in the online registration form which corresponds to her/his credentials.
 14. Register online on the website www.set-test.org (upto April 15, 2026 (Wednesday))
Note: No changes shall be permitted after the registration under any circumstances.
 15. A candidate can appear for SET/SITEEE on both the dates May 02, 2026 (Saturday) and May 10, 2026 (Sunday). A candidate can appear for upto two tests for SET and/or SITEEE 2026. If a candidate appears for more than one test, the higher score will be considered. Programme-wise ranks will be available in the candidate login portal after the final date for programme registration and fee payment. Ranks will only be displayed for programmes for which the candidate has registered and completed payment.
 16. Please also note that if any information provided by a candidate is found to be incorrect, the University shall have right to cancel the candidature of that candidate.

General Terms and Conditions:

1. Upload your latest scanned colour passport size photo at the time of Online Registration. (Your photograph should not be more than 06 months old).
2. Ensure that the information you have filled is accurate. No changes shall be permitted after the registration under any circumstances. Candidates are fully and solely responsible to provide correct information during the application process. If it is found that any information provided by the candidate at the time of filling / submitting the application form is not true, SIU has the right to cancel the application or admission, at any stage, in accordance with its rules and regulations. Any direct or indirect attempt to influence the management and employees of the Institute will lead to automatic disqualification of the candidate.
3. All communication with candidates will be done through the official email address (no-reply@set-test.org / info@set-test.org) only. Please ensure that this email address is whitelisted in your registered email. If you do not receive the registration/payment confirmation mail, within 24 hours, please check your spam/junk folder just in case these emails got delivered there instead of your inbox.
4. Candidate should note that SET/SITEEE 2026 is only the first step. Each Symbiosis institute has its subsequent independent admission process post shortlisting / merit listing.
5. SET/SITEEE Test registration fee and programme registration fee of the Institute is non-refundable and non-transferable.
6. For Engineering, if a candidate applies to seek admission on the basis of test other than SITEEE, he/she need not register for SITEEE; rather he/she may apply directly to the concerned institute through the institute website (<https://www.sitpune.edu.in/> , <https://sitnagpur.edu.in/> and <https://sithyd.siu.edu.in/>)

B. SET/SITEEE test registration fee payment process:

Candidates may pay through –

- i. Billdesk Payment Gateway**
- ii. Easebuzz Payment Gateway**
- iii. Demand Draft.**

Pay the SET/SITEEE Test registration fee of INR 2250 per test (government taxes would be additional as and when applicable) (non-refundable and non-transferable) upto April 15,2026 (Wednesday) as per the instructions mentioned on the website (www.set-test.org) for Payment of SET/SITEEE Test registration fee.

In addition to that, you are also expected to pay the non-refundable and non-transferable programme registration fee of INR 1000/- (government taxes would be additional as and when applicable) for each programme that you wish to apply for.

Please note that payment of only the SET/SITEEE entrance test registration fee will not make you eligible for shortlisting

/merit listing in any programme, regardless of your SET/SITEEE score. Both fees must be paid as per the instructions provided on the registration portal. Failure to pay the programme registration fee will result in your application not being considered for that programme. No communication will be entertained in this regard.

Note: SET/SITEEE Test registration fee and programme registration fee of the Institute is non-refundable and non-transferable.

Payment Through Demand Draft:

Submit a Demand Draft (DD) of INR 2250 per test (government taxes would be additional as and when applicable) from any Nationalized Bank in favour of “Symbiosis Test Secretariat” payable at Pune.

Choose the mode of Payment as ‘DD Payment’ in ‘Make Payment’ Tab. Take a print of the payment advice form, fill in the DD Details, sign and send it along with the DD to the Symbiosis Test Secretariat only at,

Symbiosis Test Secretariat

Symbiosis International (Deemed University) Gram: Lavale, Tal: Mulshi, Dist: Pune - 412115 Phone Number: 020-61936226/7

The DD should reach Symbiosis Test Secretariat (STS) by 3:00 pm on April 15,2026 (Wednesday). If the DD reaches after this, it will not be considered and will be returned to the candidate. STS will not be responsible for non-delivery or any delay on the part of courier / postal services.

The Symbiosis Test Secretariat (STS) will authenticate the details of the Demand Draft and will send you an email confirming the payment. Only after the realisation of payment, would you be able to view your Admit Card.

All communication with candidates will be done through the official email address (no-reply@set-test.org / info@set-test.org) only. Please ensure that this email address is whitelisted in your registered email. If you do not receive the registration/payment confirmation mail, within 24 hours, please check your spam/junk folder just in case these emails got delivered there instead of your inbox.

Candidates must declare and maintain a valid and unique email account and a mobile phone number throughout the admission process.

The earlier you pay, the higher are your chances to obtain a test date and test city of your choice.

Instructions:

1. It is also mandatory to complete the payment process of desired institute for desired programme(s) before the closing date of payment of the respective programme. Payment towards the programme(s) also needs to be done through the website only (www.set-test.org).
2. For disputes between the candidate and the Symbiosis Test Secretariat, the candidate should first send an email to registrar@siu.edu.in with details about his/her grievance. If the candidate is not satisfied with the decision of the Registrar, he/she can appeal to the Ombudsman of the University. Information regarding the same is available in <https://www.siu.edu.in/about-us/why-us/student-wellbeing>. All disputes between the candidate and Symbiosis Test Secretariat in this regard are subject to the legal jurisdiction of Pune.
3. Any attempt to impersonate or indulge in any malpractice, identified at any stage of the admission process would disqualify the candidate from the admission processes to all UG programmes of Symbiosis International (Deemed University) and may also lead to appropriate legal action as deemed fit.
4. Engaging in any form of malpractice or unfair means will lead to immediate disqualification from the SIU admission process. Providing false information or breaching the prescribed procedures at any stage will result in cancellation of the candidature and disqualification from all future SIU entrance tests. If such misconduct is identified after admission or during the course of study, the disqualification will be enforced retrospectively. Furthermore, tampering with the registration form, admit card, or scorecard, or submitting incorrect information, will be considered a serious offense. In such cases, SIU reserves the right to cancel the candidature and take legal action in accordance with applicable laws.
5. A candidate can appear for upto two tests for SET/SITEEE 2026. If a candidate appears for more than one test, the higher score will be considered for the final percentile calculation and there will be no normalization. Programme-wise ranks will be available in the candidate login portal after the final date for programme registration and fee payment. Ranks will only be displayed for programmes for which the candidate has registered and completed payment.
6. SET/SITEEE 2026 Score will be valid only for admission to selected programmes of Symbiosis International (Deemed University) (SIU) for the academic year 2026-27. Admissions to the select programmes at SIU are strictly based on merit, assessment of individual performance in the respective Entrance Test for Undergraduate Studies and other processes prescribed by the University.
7. SET/SITEEE 2026 Result will be declared on May 20, 2026 (Wednesday), on www.set-test.org and will be available up till June 19, 2026 (Friday).

C. Programmes (and the Institute offering them) for which SET/SITEEE Test is mandatory:

Sr. No	Name of the Institute	Name of the Programmes
1	Symbiosis Institute of Computer Studies and Research (SICSR) www.sicsr.ac.in	Bachelor of Computer Applications (Honours / Honours with Research)
		Bachelor of Business Administration (Information Technology) - Honours / Honours with Research
2	Symbiosis Centre for Management Studies (SCMS), Pune www.scmspune.ac.in	Bachelor of Business Administration (Honours / Honours with Research)
		Bachelor of Business Administration (Honours / Honours with Research) - Global Dual Degree, in collaboration with Deakin University, Australia, comprising one year at SIU Pune (SCMS Pune), one year at SIU Dubai, and two years at Deakin University
3	Symbiosis Centre for Media and Communication (SCMC) www.scmc.edu.in	Bachelor of Arts (Mass Communication) -Honours / Honours with Research
		Bachelor of Business Administration (Media Management) - Honours/ Honours with Research
4	Symbiosis School of Economics (SSE) www.sse.ac.in	Bachelor of Science (Economics) -Honours / Honours with Research B.Sc. (Economics) Honours / Honours with Research - Dual Degree in collaboration with University of Bristol, United Kingdom
		Bachelor of Science (Economics) -Honours / Honours with Research
5	Symbiosis Centre for Management Studies (SCMS), Noida www.scmsnoida.ac.in	Bachelor of Business Administration (Honours / Honours with Research)
		Bachelor of Business Administration (Honours / Honours with Research)- Global Dual Degree, in collaboration with Deakin University, Australia, comprising one year at SIU (SCMS NOIDA), one year at SIU Dubai, and two years at Deakin University
6	Symbiosis Centre for Management Studies (SCMS), Nagpur www.scmsnagpur.edu.in	Bachelor of Business Administration (Honours / Honours with Research)
7	Symbiosis Institute of Technology (SIT), Pune www.sitpune.edu.in	Bachelor of Technology (Artificial Intelligence and Machine Learning)
		Bachelor of Technology (Civil Engineering)
		Bachelor of Technology (Computer Science and Engineering)
		Bachelor of Technology (Electronics and Telecommunication Engineering)
		Bachelor of Technology (Mechanical Engineering)
		Bachelor of Technology (Robotics and Automation)
		Bachelor of Technology (Robotics and Artificial Intelligence)

8	Symbiosis Centre for Management Studies- (SCMS), Bengaluru www.scmsbengaluru.edu.in	Bachelor of Business Administration - Honours / Honours with Research
		Bachelor of Business Administration - Honours / Honours with Research - Dual Degree in collaboration with Deakin University, Australia
9	Symbiosis Institute of Technology (SIT), Nagpur www.sitnagpur.edu.in	Bachelor of Technology (Computer Science and Engineering)

11	Symbiosis Statistical Institute (SSI) www.ssi.edu.in	Bachelor of Science (Applied Statistics and Data Science) - Honours / Honours with Research
12	Symbiosis Institute of Technology (SIT), Hyderabad www.sithyd.edu.in	Bachelor of Technology (Computer Science and Engineering)
		Bachelor of Technology (Computer Science and Technology)
		Bachelor of Technology in Computer Science and Engineering (Artificial Intelligence and Machine Learning)
13	Symbiosis School of Sports Sciences (SSSS) www.www.ssss.edu.in	Bachelor of Science (Sport and Exercise Science) Honours/ Honours with Research
14	Symbiosis School for Liberal Arts (SSLA) https://www.ssla.edu.in/	Bachelor of Arts (Liberal Arts) Honours/Honours with Research/ Bachelor of Science (Liberal Arts) Honours/ Honours with Research
15	Symbiosis Artificial Intelligence Institute (SAII), Pune www.saii.siu.edu.in	Bachelor of Science (Artificial Intelligence) - Honours/Honours with Research
		Bachelor of Business Administration (Artificial Intelligence) - Honours/ Honours with Research
	Symbiosis School of Culinary Arts and Nutritional Sciences (SSCANS) www.www.ssca.edu.in	Bachelor of Business Administration (Hospitality and Culinary Management) - Honours / Honours with Research

Disclaimer: The candidate is advised to check the eligibility criteria for the desired programme(s). SIU / Institute will not be responsible, if the candidate applies for programme(s) for which s/he is not eligible.

D. Programmes (and the Institute offering them) for which SET/SITEEE Test is not mandatory:

Sr. No	Name of the Institute	Name of the Programmes
1	Symbiosis Institute of Health Sciences (SIHS)	Bachelor of Cardiovascular Technology
		Bachelor of Respiratory Technology
		Bachelor of Medical Radiology and Imaging Technology
		Bachelor of Dialysis Therapy Technology
		Bachelor of Medical Laboratory Sciences
		Bachelor of Anaesthesia and Operation Theatre Technology
		Bachelor of Neuroscience Technology
		Bachelor of Endoscopy and Laparoscopy Technology
		Bachelor of Radiation Therapy Technology
		Bachelor of Psychology
2	Symbiosis College of Nursing (SCON)	Bachelor of Science (Nursing)
3	Symbiosis School of Visual Arts and Photography (SSVAP) (Formerly Symbiosis School of Photography (SSP))	Bachelor of Arts (Visual Arts and Photography)
4	Symbiosis Institute of Design, Pune (SID)	Bachelor of Design
5	Symbiosis Institute of Design, Nagpur (SID)	Bachelor of Design
6	Symbiosis School of Culinary Arts and Nutritional Sciences (SSCANS)	Bachelor of Science (Culinary Arts)
		Bachelor of Nutrition and Dietetics

Note: Symbiosis Institute of Health Sciences (SIHS), Symbiosis School of Nursing (SCON), Symbiosis School of Visual Arts and Photography (SSVAP) (Formerly Symbiosis School of Photography (SSP)), Symbiosis Institute of Design, Pune (SID), Symbiosis Institute of Design, Nagpur (ID, Nagpur), Symbiosis School of Culinary Arts and Nutritional Sciences (SSCANS) for should visit the respective institute website for further details.

*The Symbiosis Institute of Technology (SIT) (Pune, Nagpur and Hyderabad) also admit students through JEE (Main)/Any State Government Engineering Entrance Examination (ASGEEE).

Sr. No	Name of the Institute	Name of the Programmes
1	Symbiosis Institute of Technology (SIT)*, (Pune)	Bachelor of Technology (Artificial Intelligence and Machine Learning)
		Bachelor of Technology (Civil Engineering)
		Bachelor of Technology (Computer Science and Engineering)
		Bachelor of Technology (Electronics and Telecommunication Engineering)
		Bachelor of Technology (Mechanical Engineering)
		Bachelor of Technology (Robotics and Automation)
		Bachelor of Technology (Robotics and Artificial Intelligence)
2	Symbiosis Institute of Technology (SIT)*, (Nagpur)	Bachelor of Technology (Computer Science and Engineering)
	Symbiosis Institute of Technology (SIT)*, (Hyderabad)	Bachelor of Technology (Computer Engineering)
		Bachelor of Technology (Computer Science and Engineering)
		Bachelor of Technology (Computer Science and Technology)
		Bachelor of Technology in Computer Science and Engineering (Artificial Intelligence and Machine Learning)

E. Programme registration fee payment process:

A candidate desirous to submit his candidature to select UG programmes, is also required to complete the payment process of desired programme before the closing date of payment of the same. Payment towards the programmes must be made through the website only (www.set-test.org). After making the payment for SET/SITEEE, proceed to complete the online registration form (Part II) for Programme (s) registration and the respective institute(s). A candidate is required to make separate non-refundable and non-transferable payment of INR 1000/- (government taxes would be additional as and when applicable) per programme per institute at this stage.

Please note that payment of only the SET/SITEEE entrance test registration fee will not make you eligible for shortlisting

/merit listing in any programme, regardless of your SET/SITEEE score. Both fees must be paid as per the instructions provided on the registration portal. Failure to pay the programme registration fee will result in your application not being considered for that programme. No communication will be entertained in this regard.

If candidates want to pay programme payment through Demand Draft, make Demand Draft of INR 1000/- (government taxes would be additional as and when applicable) for each programme in the name of “Symbiosis Test Secretariat”.

Even after closing of the payment for SET/SITEEE 2026, a candidate may still pay through website till the last date of payment for the programme(s). An institute may offer more than one programme. A candidate should ensure that the preferred programme(s) is / are selected and paid before the last date.

Indian nationals and NRI candidates shall have to apply under SET/SITEEE 2026 to seek admission to the select Undergraduate programmes of Symbiosis International (Deemed University).

After the declaration of the SET/SITEEE result, the institute (offering the programme(s) for which you have paid) will conduct further admission processes for short-listed / merit listed candidates. The schedule for the same will be published on the website of the respective institute(s).

F. Cities where SET/SITEEE Test will be conducted:

SET/ SITEEE 2026 will be conducted in CBT mode across 68 cities all over India. A candidate may choose three preferences of test cities of the following:

Sr. No	City	State	Sr. No	City	State
1	Agra	Uttar Pradesh	36	Kolkata	West Bengal
2	Ahmedabad - Gandhinagar	Gujarat	37	Kota	Rajasthan
3	Ajmer	Rajasthan	38	Kottayam	Kerala
4	Ambala	Haryana	39	Kozhikode	Kerala
5	Amravati	Maharashtra	40	Lucknow	Uttar Pradesh
6	Amritsar	Punjab	41	Ludhiana	Punjab
7	Asansol	West Bengal	42	Madgaon - Mapusa	Goa
8	Bareilly	Uttar Pradesh	43	Meerut	Uttar Pradesh
9	Bengaluru	Karnataka	44	Mumbai	Maharashtra
10	Bhilai Nagar	Chhattisgarh	45	Nagpur	Maharashtra
11	Bhopal	Madhya Pradesh	46	Nashik	Maharashtra
12	Bhubaneswar	Odisha	47	New Delhi - Gurugram	Delhi NCR
13	Bilaspur	Chhattisgarh	48	Noida - Greater Noida - Ghaziabad	Delhi NCR
14	Chandigarh - Mohali	Punjab	49	Patiala	Punjab
15	Chennai	Tamil Nadu	50	Patna	Bihar
16	Chhatrapati Sambhaji Nagar (Aurangabad)	Maharashtra	51	Port Blair	Andaman & Nicobar
17	Coimbatore	Tamil Nadu	52	Prayagraj	Uttar Pradesh

18	Dehradun	Uttarakhand	53	Pune	Maharashtra
19	Dhanbad	Jharkhand	54	Raipur	Chhattisgarh
20	Dibrugarh	Assam	55	Rajkot	Gujarat
21	Ernakulam	Kerala	56	Ranchi	Jharkhand
22	Faridabad	Delhi NCR	57	Roorkee	Uttarakhand
23	Gangtok	Sikkim	58	Shillong	Meghalaya
24	Guwahati	Assam	59	Shimla	Himachal Pradesh
25	Gwalior	Madhya Pradesh	60	Siliguri	West Bengal
26	Hyderabad	Telangana	61	Surat	Gujarat
27	Indore	Madhya Pradesh	62	Thiruvananthapuram	Kerala
28	Jabalpur	Madhya Pradesh	63	Thrissur	Kerala
29	Jaipur	Rajasthan	64	Udaipur	Rajasthan
30	Jalandhar	Punjab	65	Vadodara	Gujarat
31	Jammu Kashmir	Jammu and	66	Varanasi	Uttar Pradesh
32	Jamshedpur	Jharkhand	67	Vijayawada	Andhra Pradesh
33	Jodhpur	Rajasthan	68	Visakhapatnam	Andhra Pradesh
34	Kanpur	Uttar Pradesh			
35	Kolhapur	Maharashtra			

***SIU reserves the right to add/delete/change the test cities due to unavoidable circumstances without prior intimation.**

No request for a change of test date or test city will be entertained once a candidate has paid the SET/SITEEE Test registration fee. Test City and Test Date are allocated on a first come, first serve basis. **The earlier you pay, the higher are your chances to obtain a test date and test city of your choice.** The Test Timing, Test Centre and its address will be printed on the Admit Card. (The Admit Card will be live on the SET/SITEEE website www.set-test.org).

It is advisable that candidate decides prior to registration, which test(s) he/she wants to appear for as in a computer-based test, the test Centre capacities are limited. SIU reserves the right to change or allot a city other than the one requested by the candidate if the requested city is not available for any reason.

While all efforts will be made to ensure that a candidate gets a test city as per her/his preferences, however, in some exceptional circumstances, a different test city in a nearby area may be allotted. Computer-based testing is a proven and reliable process administered to tens of millions of people yearly. As with paper and pencil testing, or virtually every other human endeavour, many problems could occur that might prevent a test from being delivered and/or a result from being generated. In the unlikely event this does occur, every effort will be made to correct the problem, up to and including the administration of another test.

G Programme Eligibility:

Sr. No.	Name of the Institute	Name of the Programme	Eligibility Criteria
1	Symbiosis Centre for Management Studies SCMS, Pune	B.B.A. - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).
			Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
2	Symbiosis Centre for Management Studies-NOIDA SCMS, NOIDA	B.B.A. - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).
			Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
3	Symbiosis Centre for Management Studies-Nagpur SCMS, Nagpur	B.B.A. - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).
			Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
4	Symbiosis Institute of Computer Studies and Research SICSR	B.B.A. (Information Technology) - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).
			Students who wish to opt for Honours with Research must earn 7.5 CGPA and above at the end of Semester- 6 Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
		B.C.A. - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent government approved Diploma in Engineering/ Technology from any recognised Board with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes).

			Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
5	Symbiosis Centre for Media and Communication SCMC	B.A. (Mass Communication) - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).
			Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
		B.B.A. (Media Management) Honours/ Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).
			Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
6	Symbiosis School of Economics SSE	B.Sc. (Economics) - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/ Scheduled Tribes).
			Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
		B.Sc. (Economics) Honours / Honours with Research - Dual Degree in collaboration with University of Bristol, United Kingdom	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). In addition to the above, for progression to the Dual Degree program at the University of Bristol, United Kingdom, the following terms for eligibility apply: For progression to Dual Degree Those students who complete the first two years (4 semesters) at SSE with a CGPA 7.0, will be eligible to go for the Bachelor of Science in Economics and Econometrics. Official transcript from SSE reporting all modules with grades for Year-1 and 2 in SSE. No disciplinary other cases shall be impending on the student and no active backlogs.

7	Symbiosis Institute of Technology, Pune SIT, Pune	B. Tech (Artificial Intelligence and Machine Learning) B. Tech (Computer Science and Engineering) B. Tech (Electronics and Telecommunication Engineering)	Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/ Computer Science/Electronics/ Information Technology/Biology/ Informatics Practices/ Biotechnology/Technical Vocational subject/ Agriculture/ Engineering Graphics/Business Studies / Entrepreneurship. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR
			Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme).
		B. Tech (Civil Engineering) B. Tech (Mechanical Engineering) B. Tech (Robotics and Automation) B. Tech (Robotics and Artificial Intelligence)	Passed 10+2 examination with Physics, Chemistry and Mathematics as compulsory subjects. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for the students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme).
8	Symbiosis Centre for Management Studies- Bengaluru SCMS, Bengaluru	B.B.A. - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).
		B.B.A. - Honours / Honours with Research - Dual Degree in collaboration with Deakin University, Australia	Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes. Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). The conditions to transition to Deakin University, Australia are: a) Students successfully completing the first two years at SCMS, Bengaluru with a WAM of 55 (CGPA of 6.25) IELTS minimum score of 6.

9	Symbiosis Institute of Technology, Nagpur SIT, Nagpur	B. Tech (Computer Science and Engineering)	Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/ Computer Science/Electronics/ Information Technology/Biology/ Informatics Practices/ Biotechnology/Technical Vocational subject/ Agriculture/Engineering Graphics/Business Studies /Entrepreneurship. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR
			Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for the students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme).
10	Symbiosis Centre for Management Studies- Hyderabad SCMS, Hyderabad	B.B.A. - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
11	Symbiosis Statistical Institute (SSI) SSI, Pune	B.Sc. (Applied Statistics and Data Science) - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes) with Mathematics as one of the subjects. Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
12	Symbiosis Institute of Technology, Hyderabad SIT, Hyderabad	B. Tech (Computer Engineering)	Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/Computer Science/ Electronics/ Information Technology/ Biology/ Informatics Practices/ Biotechnology/Technical Vocational subject/Agriculture/Engineering Graphics/Business Studies / Entrepreneurship. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for the students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme).

		B. Tech (Computer Science and Engineering)	Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/ Computer Science/Electronics/ Information Technology/Biology/ Informatics Practices/ Biotechnology/Technical Vocational subject/ Agriculture/Engineering Graphics/Business Studies /Entrepreneurship. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for the students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme).
		B. Tech (Computer Science and Technology)	Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/Computer Science/Electronics/ Information Technology/ Biology/ Informatics Practices/ Biotechnology/ Technical Vocational subject/Agriculture/Engineering Graphics/ Business Studies / Entrepreneurship. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for the students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme).

		B. Tech in Computer Science and Engineering (Artificial Intelligence and Machine Learning)	Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/ Computer Science/Electronics/ Information Technology/Biology/Informatics Practices/ Biotechnology/ Technical Vocational subject/ Agriculture/Engineering Graphics/ Business Studies /Entrepreneurship Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for the students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme).
13	Symbiosis School of Sports Sciences (SSSS)	B.Sc. (Sport and Exercise Science) Honours/ Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognized Board with a minimum of 50% marks of equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes). Participation in sports at the International/National/State/ District level (in games recognized by School Games Federation of India- SGFI) desirable. Students who wish to opt for Honours with Research must earn 7.5 CGPA and above at the end of Semester-6 Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
14	Symbiosis School for Liberal Arts (SSLA)*	B.A. (Liberal Arts) Honours/ Honours with Research/ B. Sc (Liberal Arts) Honours/ Honours with Research	Passed standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes) Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules fo FYUG Programmes.
15	Symbiosis Artificial Intelligence Institute (SAII), Pune	B. Sc (Artificial Intelligence) - Honours/ Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.

		B.B.A (Artificial Intelligence) - Honours/ Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
16	Symbiosis Centre for Management Studies SCMS, Pune**	B.B.A - Honours/ Honours with Research - Global Dual Degree, in collaboration with Deakin University, Australia, comprising one year at SIU Pune (SCMS Pune), one year at SIU Dubai, and two years at Deakin University	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes). * * -The conditions to transition to Deakin University, Australia are: a) Students successfully completing the first two years at SCMS-Pune/Noida and DoM, SIU, Dubai with a Weighted Average Marks (WAM) of 55 (CGPA of 6.25) b) IELTS minimum score of 6

OR

GCE/IGCSE/GCSE:

H. Reservation Policy of SIU:

As per the UGC guideline 2006, the reservation policy for all the institutes under the University is as follows:

a. Within Sanctioned Intake:

Caste	Reservation in Percentage
Scheduled Caste (SC)	15 %
Scheduled Tribes (ST)	7.5 %
Persons with Disabilities (PwD)#	3 %
Children/wards of Defence Personnel*	5 % {for SICSR}

Note:

- Candidates applying for any of the above-mentioned categories will be required to upload their relevant supporting documents at the time of registration and the same will be verified at the time of PI.
- Candidates applying under the category "Children/wards of Defence Personnel" in SICSR will be considered as candidates in OPEN Category for other institutes for which they have applied.

***The definition for Children / Wards of Defence Personnel is:**

The term Defence Personnel would mean only those serving / retired Defence personnel from Army, Navy, Air Force. Retired defence personnel are those who fall in the category of ex-servicemen as laid down in Ministry of Defence letter no 36035/5/85- Esstt (SCT) dated 14 April 1987. It includes children of defence personnel who died while in service or after retirement.

The University also provides 5 % reservation within the sanctioned intake for Children/Wards of Defence Personnel in Institutes as listed below: -

- Bachelor of Computer Applications - Honours / Honours with Research programme conducted by Symbiosis Institute of Computer Studies and Research (SICSR), Pune
- Bachelor of Business Administration (Information Technology) - Honours / Honours with Research programme conducted by Symbiosis Institute of Computer Studies and Research (SICSR), Pune

b. Over and Above Intake:

Kashmiri Migrants and Kashmiri Pandits / Kashmiri Hindu Families living in Kashmiri Valley (Non-Migrants)	2 seats per programme
International Candidates	a maximum of 20%

For SIT Pune:

I. Within the Sanctioned Intake	a) SC (In Percentage)	b) ST (In Percentage)	c) Persons with Disabilities (PwD) (In Percentage)	d) NRI (In Percentage)
	15	7.5	3	5

II. Over and above the sanctioned intake	a) Kashmiri Migrants (In Seats with a maximum of 10 seats in the Institute)	b) Foreign National /Overseas Citizen of India /children of the Indian Workers in the Gulf countries. (In percentage per course)
	2	15

Persons with Disabilities (PwD) at SIU: (3% of seats within the sanctioned intake):

In compliance to Government directives on disability guidelines issued by the office of the Chief Commissioner for Persons with Disabilities vide Ministry of Social Justice & Empowerment, New Delhi notification no. 16-18/97 dated 01st June 2001 and University Grants Commission Notification No. F.6-1/2006 (CPP-II/SCT) dated 30/09/2009, SIU has made provision of reserving 3% seats for Persons with Disabilities (PwD) candidates in all the programmes offered by all the Institutes of SIU.

The types of disabilities covered are: -

Physical Disability

- Locomotor Disability
- Leprosy Cured Person
- Cerebral Palsy
- Dwarfism
- Muscular Dystrophy
- Acid Attack Victims
- Visual Impairment
- Blindness
- Low Vision
- Hearing Impairment
- Deaf
- Hard of Hearing
- Speech and Language Disability

Intellectual Disability

- Specific Learning Disabilities
- Autism Spectrum Disorder

Mental Behaviour (Mental Illness)

Disability caused due to -

- Chronic Neurological Conditions such as:
 - o Multiple Sclerosis
 - o Parkinson's Disease
- Blood Disorder:
 - o Haemophilia
 - o Thalassemia
 - o Sickle Cell Disease

***Persons with Disabilities (PwD)** candidate means a candidate having any of the disabilities in accordance with the Persons with Disabilities Act – 1995 and as per revised Gazette of India Registered no: DL – (N)04/0007/2003-16 dated December 28, 2016.

Process to be followed for Persons with Disabilities (PwD):

- The candidate applying for the entrance tests/admission in the Persons with Disabilities (PwD), selects the type of disability available in the PwD options on the portal.
- A Persons with Disabilities (PwD) candidate is required to upload his/her copy of Disability Certificate issued by Competent Government Medical Authority and Unique Disability ID (UD ID) Card at the time of registration for entrance/admission of SIU to ascertain percentage and the type of the disability.
- The Medical Superintendent, SUHRC through Medical Board shall ascertain the genuineness of the said documents. Once the documents are found authentic and correct by the Medical Board, SUHRC, his/her eligibility will be certified under the PwD category.

Note – If a candidate selects a Persons with Disabilities (PwD) in the Registration form and s/he requires scribe/writer facility please note SIU will not be providing scribe/writer. The candidate has to make her/his own arrangement for scribe/writer. The qualification of scribe/writer should be a maximum 9th standard candidate or a maximum 9th standard passed candidate (Or Appearing 10th Standard). The scribe should not have completed studies beyond the 9th standard. Candidate should send the request to info@set-test.org, on or before April 15, 2026 (Wednesday) in case scribe/writer is required.

As per SIU norms, a Persons with Disabilities (PwD) is provided with 20 minutes of compensatory time for every 60 minutes of test.

1. A candidate applying under any of the reserved category (Scheduled Caste/ Scheduled Tribes/ Person with Disabilities (PwD)/ Kashmiri Migrants/ Children/wards of Defence Personnel) are mandatorily required to upload and submit relevant document issued by competent authority. Any participation at any stage of admission process by such candidate is purely provisional and always subject to verification and authentication of such relevant document.
2. In case a candidate falls under more than one of the above categories (e.g. Scheduled Caste as well as Persons with Disabilities (PwD) or any other combination), S/he would need to select any one Category (i.e. Either Scheduled Caste OR Persons with Disabilities (PwD) in the case of example mentioned above) at the time of filling up the registration form. The category selected by the candidate at the time of filling the registration form will be considered to be his category for the entire admission process and his benefits and entitlements shall be according to such selected category. S/he will not be able to claim benefit under the other category/s at any stage of admission on any account whatsoever.
3. Please also note that if any information provided by the candidate in respect of his category is found to be incorrect, the University shall have right to cancel the candidature of such candidate.

I. Reservation of seats for Nagpur Domicile (SCMS, Nagpur and SIT, Nagpur):

Reservation of seats for Nagpur Domicile (SCMS, Nagpur and SIT Nagpur) (25% of seats within the sanctioned intake- Only in case of Constituents at Off-Campus center, Nagpur)

In accordance with Clause A of Schedule C of the Lease Deed signed between Nagpur Municipal Corporation, Nagpur and Symbiosis, Pune on 4th September, 2017, the University has reserved 25% seats against the approved intake in each programme offered at the Off-campus Centre of the University at Nagpur for Nagpur Domiciled candidates.

The definition for Nagpur Domicile is:

Nagpur Domiciled' means candidates, who are domiciled in Nagpur for a period of 5(five) years as on the date of commencement of the academic year and who (a) are or will be graduates or students of Nagpur University, and/ or (b) are recipients of school certificates from the Maharashtra State Board of Secondary and Higher Secondary Education, the Council of Indian School Certificate Examinations, and/ or the Central Board of Secondary Education (CBSE)/ ICSE Board.

While giving admission under the Nagpur domicile category-

- **Residence Criterion:** Resident of Nagpur Urban (five continuous or intermittent years) is mandatory,
- **Educational Criterion:** The candidate should fulfil one of the following criteria

(a) graduate or pursuing graduation from Nagpur University

- OR -

(b) school certificates (10th and 12th) from (i) Maharashtra Board, (ii) CISCE (iii) CBSE, (iv) ICSE (It simply means 10th and 12th passed certificates from other State Boards and foreign school boards are NOT accepted)

Please bring/keep the following documents with you for the Personal Interview (PI) if you are shortlisted. Kindly note that candidates who fail to present both documents will not be permitted to participate in the PI process and will be deemed ineligible for admission. No correspondence on this matter will be entertained.

J. Process for International Candidates:

The Symbiosis Centre for International Education (SCIE)

Admissions of international students are centralized for all the constituent institutes of Symbiosis International Deemed University and are routed through the Symbiosis Centre for International Education (SCIE).

SCIE earmarks 20% of the total intake of the respective program for international students which include, Foreign Nationals (FN), Person of Indian Origin (PIO) Card Holders, Overseas Citizens of India (OCI) Card Holders, and Non- Resident Indians (NRI).

Foreign National (FN):

A student is eligible to apply as a Foreign National (FN) if he/she is a citizen of any country other than India and holds a foreign passport.

Person of Indian Origin (PIO):

As per the Government of India notification dated 9th January 2015, all the existing Persons of Indian Origin cardholders registered as such shall be deemed to be Overseas Citizens of India cardholders.

Overseas Citizen of India (OCI):

A student is eligible to apply as OCI if he/she is granted with Overseas Citizenship of India and has an OCI card.

Non-Resident Indian (NRI):

A student is eligible to apply as a Non-Resident Indian (NRI) if he/she has appeared for either 10th or 10+2 (equivalent to the Indian 10th or 12th) examination outside India. It is mandatory for one of the two qualifying examinations to be given outside India. Please refer www.scie.ac.in for more details.

To assist candidates with their application to Symbiosis International (Deemed University) a detailed stepwise procedure is available on www.scie.ac.in interested candidates can apply online through the user-friendly online application portal. For more information, please write to intadmissions@symbiosis.ac.in/ admissionsoffice@symbiosis.ac.in

NRI applying under International category entrance exam is not mandatory

OCI/ PIO/ Foreign Nationals are exempted from appearing for SET/SITEEE 2026 and have to apply through Symbiosis Centre for International Education (www.scie.ac.in).

For more details please visit www.scie.ac.in Symbiosis Centre for International Education (SCIE) Senapati Bapat Road, Pune - 410 004, India

Every candidate is urged to note that no donation or capitation fee is required to be paid for admission to any of the Symbiosis institutes. Parents and students are cautioned against falling prey to any such assurance/offer by any individual or outside agency.

Section 2

Entrance Test 2026*

A. Entrance Test Structure:

Nature of Question Paper / Topics and Marks Allotted

Structure of SET 2026

Session	Entrance Test	Pattern	No of Questions	Marks
May 02,2026 (Saturday) and May 10, 2026 (Sunday) 09.00 am to 10.00 am	Symbiosis Entrance Test (SET)	General English	16	16
		Quantitative	16	16
		General Awareness	16	16
		Analytical and Logical Reasoning	12	12
		Total	60	60

• Structure of SITEEE 2026

Session	Entrance Test	Pattern	No of Questions	Marks
May 02,2026 (Saturday) and May 10, 2026 (Sunday) 09.00 am to 10.00 am	SIT Engineering Entrance Exam (SITEEE)	Physics	15	30
		Chemistry	15	30
		Mathematics	30	60
		Total	60	120

***Note:** Depending on any unavoidable circumstances, the schedules as well as the nature/structure of the test can change, and all tests can be conducted entirely online or entirely offline or in a combination of both modes at the discretion of SIU.

Note: -

- ✓ Please note that the SET/ SITEEE 2026 will be conducted in Computer Based Test (CBT) mode.
- ✓ The duration of each test is of 60 minutes.
- ✓ Dates:

Date of SET / SITEEE 2026 and Time		Time
May 02,2026 (Saturday) and May 10,2026 (Sunday)	SET	09.00 am to 10.00 am
	SITEEE	11.30 am to 12.30 pm

- ✓ There is no negative marking for wrong answers.
- ✓ All sections are mandatory.
- ✓ Utmost care is taken to prepare an error free question paper. However, if an error is detected in the question paper, the Scrutiny Committee shall take an appropriate decision after the test, which shall be final.
- ✓ A candidate can appear for SET/SITEEE on both the dates May 02, 2026 (Saturday) and May 10, 2026 (Sunday). A candidate can appear for upto two tests for SET and/or SITEEE 2026. If a candidate appears for more than one test, the higher score will be considered. Programme-wise ranks will be available in the candidate login portal after the final date for programme registration and fee payment. Ranks will only be displayed for programmes for which the candidate has registered and completed payment.

B. Important Instruction regarding Test Day / Admit Card

1. The SET/SITEEE Test Admit Card must be downloaded and printed from the official SET website [www.set-test.org]. Admit Cards will be available from **April 24, 2026 (Friday)** for SET/SITEEE Test 01 and from **April 30, 2026 (Thursday)** for SET/SITEEE Test 02. Black and white printouts will not be accepted.
2. Please ensure that your latest passport size, colour photograph is pasted on the Admit Card at the place provided for before appearing for the test (Your photograph should not be more than 06 months old).
3. Admit Card along with **Original** Photo Identity proof should be carried to the Test Centre at the time of the test. An acceptable photo identity is any one of the following:
 - **Passport.**
 - **Driving license.**
 - **Voter ID Card.**
 - **Pan Card**
 - **AADHAR Card (UID)**
 - **College ID Card**

Note: Soft copy of identity proof will not be accepted.

4. An authorized person will verify and authenticate your Admit Card against the photo-id on the day of the test. Please preserve this authenticated Admit Card for further PI processes.
5. Candidates should note that an authenticated Admit Card is an important document without which the candidate will not be permitted to appear for further admission processes of SIU. If the Authenticated Admit card is lost, a duplicate Authenticated Admit Card will not be issued. It should be retained till the admission process is over.
6. Cell phones, calculators, watch calculators, alarm clocks, digital watches with built-in calculators/memory, or any electronic gadgets—including smart devices such as smartwatches, fitness bands, Meta Glass, or similar wearable technology—will not be allowed in the test hall.
7. Candidates will not be allowed to leave the test hall till the test is completed. After submission of the test, candidate will not be allowed to re-enter the test hall.

- 
8. Candidates are advised to locate allocated test Centre at least a day in advance to avoid any issue on the day of the test. Candidates who reach the test centre late due to any reason, will not be allowed to enter the same under any circumstances after the gates are closed.
 9. Travel and staying (if applicable) arrangements will need to be done by the candidate.
 10. The scores published by the SIU shall be final and shall not be subject to any appeal or revaluation.
 11. Persons with Disabilities (PwD) / Scheduled Caste/ Scheduled Tribes / Kashmiri Migrants and Kashmiri Pandits/Kashmiri Hindu Families (Non-Migrants) living in Kashmiri Valley category candidates are requested to upload their relevant document (s) while registering for the SET/SITEEE. Candidates failing to do this will be considered under the Open Category.
 12. Any attempt to impersonate or indulge in any malpractice, identified at any stage of the admission process would disqualify the candidate from the admission processes to all undergraduate programmes of Symbiosis International (Deemed University) and may also lead to appropriate legal action as deemed fit.
 13. If it is discovered that you have consumed any prohibited substances, entry to the test center will be denied.

Engaging in any form of malpractice or unfair means will lead to immediate disqualification from the SIU admission process. Providing false information or breaching the prescribed procedures at any stage will result in cancellation of the candidature and disqualification from all future SIU entrance tests. If such misconduct is identified after admission or during the course of study, the disqualification will be enforced retrospectively. Furthermore, tampering with the registration form, admit card, or scorecard, or submitting incorrect information, will be considered a serious offense. In such cases, SIU reserves the right to cancel the candidature and take legal action in accordance with applicable laws

C. Important guidelines regarding SET/SITEEE Test:

1. The candidate must report to the test centre two hours before the test begins to complete security procedures and verification of the admit card and ID proof.
2. Candidates will not be allowed to enter the test centre premises after the start of the test.
3. Duration of the test is 60 minutes. (excluding Persons with Disabilities (PwD), compensatory time is 20 minutes per hour).
4. The Test Invigilator will check your Admit Card and Original ID proof and authenticate the same.
5. The candidate may attempt any section in any order.
6. The candidate found using any unfair means will forfeit her/his chance of being considered for admission and will be debarred from receiving SET/SITEEE Test scores.
7. On the day of the test, your digital fingerprint and or photograph scan will be captured candidates whose finger prints cannot be digitally scanned due to any reasons will not be permitted to take the SET/SITEEE test. It is strongly recommended that you avoid applying Mehndi / colour on your hands (palm side) for at least 5 days prior to the test.
8. Only candidates who have taken the SET/SITEEE Test 2026 are entitled to receive the SET/SITEEE Test 2026 score card. Candidates are advised to take printout of this score card which shall be candidate's official result. A candidate should note that the SET/SITEEE Test 2026 score card is an important document, without which the candidate will not be permitted to appear for the further selection process of institute(s). The score card should be retained until the completion of the programme, if admitted.

Section 3

Shortlisting and Admission Process

Shortlisting:

Candidates will be shortlisted for the Personal Interaction (PI) process based on their respective Entrance Test marks. Please check the respective institute website for information and dates of Personal Interaction (PI).

The further admission process is conducted separately for each programme by each Institute. The cut-off for shortlisting is also calculated separately for each programme. Based on her/his overall SET score, a particular candidate may get shortlisted for more than one programme. In such a scenario the candidate is expected to participate in the PI for each programme separately. Programme-wise ranks will be available in the candidate login portal after the final date for programme registration and fee payment. Ranks will only be displayed for programmes for which the candidate has registered and completed payment.

Please note that institutes shortlist candidates who have appeared for the entrance test and paid for the programme for the subsequent process based on their own criteria, which may be independent of each other. The process may include any or all of the following, Writing Ability Test (WAT), Group Discussion (GD), Studio Test (ST) and Personal Interview (PI). Performance in SET/SITEEE is an important component in the admission process. Institutes may additionally use other factors such as but not limited to the previous academic performance of the candidates, relevant work experience, gender and academic diversity and other similar inputs in their merit listing process. Weightages allocated to these parameters may vary across institutes/programmes.

****Disclaimer:**

It is mandatory to attend all components / tests of Personal Interaction (PI) to be eligible for admission to any UG programmes. Only candidates who attend all components / tests of selection process (Personal Interaction (PI)) shall be considered as eligible for generation of merit / wait / reject list. Candidates who remain absent for any one of the component / tests will be considered as ineligible for selection process of UG degree programmes of SIU.

Section 4

Merit List Declaration and Admission

Merit list will be based on the following parameters for programmes under SET **:

Sr. No	Institute	Entrance Test Applicable	Entrance Test (60 marks)		
			Scaled up to 70 marks	Personal Interaction (PI)	Total
1	SCMS, Pune	SET	70	30	100
	B.B.A. - Honours / Honours with Research				
	B.B.A - Honours/ Honours with Research				
	-Global Dual Degree, in collaboration with Deakin University, Australia, comprising one year at SIU Pune (SCMS Pune), one year at SIU Dubai, and two years at Deakin University				
2	SCMS-NOIDA	SET	70	30	100
	B.B.A. - Honours / Honours with Research				
	B.B.A - Honours/ Honours with Research				
	-Global Dual Degree, in collaboration with Deakin University, Australia, comprising one year at SIU (SCMS NOIDA), one year at SIU Dubai, and two years at Deakin University				
3	SCMS, Nagpur	SET	70	30	100
	B.B.A. - Honours / Honours with Research				
4	SSE	SET	70	30	100
	B.Sc. (Economics) Honours / Honours with Research - Dual Degree in collaboration with University of Bristol, United Kingdom				
	B.Sc. (Economics) -Honours / Honours with Research				
5	SICSR	SET	70	30	100
	B.B.A (Information Technology) - Honours / Honours with Research				
	B.C.A - Honours / Honours with Research				
6	SCMS, Bengaluru	SET	70	30	100
	B.B.A. - Honours / Honours with Research				
	B.B.A. - Honours/ Honours with Research - Dual Degree in collaboration with Deakin University, Australia				

7	SCMS, Hyderabad	SET	70	30	100
	B.B.A. - Honours / Honours with Research				
8	SSI, Pune	SET	70	30	100
	B.Sc. (Applied Statistics and Data Science) - Honours / Honours with Research				
9	SCMC	SET	70	30	100
	B.A. (Mass Communication) - Honours / Honours with Research				
	B.B.A (Media Management) Honours/ Honours with Research				
10	SSSS	SET	70	30	100
	B.Sc. (Sport and Exercise Science) - Honours/ Honours with Research				
11	SSLA	SET	70	30	100
	B.A. (Liberal Arts) Honours/Honours with Research/ B.Sc. (Liberal Arts) Honours/ Honours with Research				
12	SAIL, Pune	SET	70	30	100
	B.Sc. (Artificial Intelligence) - Honours/ Honours with Research				
	B.B.A (Artificial Intelligence) - Honours/ Honours with Research				
13	SSCANS	SET	70	30	100
	B.B.A (Hospitality and Culinary Management) - Honours / Honours with Research				

Merit list will be based on the following parameters for programmes under SITEEE:**

Sr. No	Institute and Programme	Entrance Test Applicable	Remarks
14	SIT Pune	SITEEE	• Branch will be allocated based on SITEEE percentile, branch preferences, and availability of seats. • Emails will be sent to merit-listed candidates with links to download the offer letter.
	B. Tech (Artificial Intelligence and Machine Learning)		
	B. Tech (Civil Engineering)		
	B. Tech (Computer Science and Engineering)		
	B. Tech (Electronics and Telecommunication Engineering)		
	B. Tech (Mechanical Engineering)		
	B. Tech (Robotics and Automation)		
	B. Tech (Robotics and Artificial Intelligence)		
15	SIT Nagpur	SITEEE	
	B. Tech (Computer Science and Engineering)		
16	SIT Hyderabad	SITEEE	
	B. Tech (Computer Engineering)		
	B. Tech (Computer Science and Engineering)		
	B. Tech (Computer Science and Technology)		
	B. Tech in Computer Science and Engineering (Artificial Intelligence and Machine Learning)		

****Subject to change**

Category-wise cut off for Merit List and Wait List will be displayed on the website of the respective institutes. Wait list movement will depend upon the vacant seats available.

SET/SITEEE Test 2026 Score will be valid only for admission to selected programmes of SIU for the academic year 2026-27.

Please note that all admissions are provisional and will be confirmed on payment of fees on or before the due date and subject to fulfilment of eligibility conditions of the respective programme(s) and in accordance with the rules of the Symbiosis International (Deemed University).

Eligibility for Different Programmes:

Sr. No.	Name of the Institute	Name of the Programme	Eligibility Criteria
1	Symbiosis Law School, Pune- SLS, Pune	LL.B.	Graduate from any recognized University or Institution of National Importance with a minimum of 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

		B.B.A. LL. B (Hons.)	
		B.Com. LL. B (Hons.)	
2	Symbiosis Law School, Noida- SLS, NOIDA	B.A. LL. B	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
		B.B.A. LL. B	
3	Symbiosis Law School, Hyderabad- SLS, Hyderabad	B.A. LL. B	
		B.B.A. LL. B	
4	Symbiosis Law School, Nagpur SLS, Nagpur	B.A. LL.B	Passed Standard XII (10+2) or equivalent examination from any recognized Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). The conditions to transition to Deakin University, Australia are: a) Students successfully completing the first two years at SCMS-Pune and Department of Management, SIU, Dubai with a Weighted Average Marks (WAM) of 55 (CGPA of 6.25) b) IELTS minimum score of 6.
		B.A. LL.B	
5	Symbiosis Centre for Management Studies- SCMS, Pune	B.B.A. - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). The conditions to transition to Deakin University, Australia are: a) Students successfully completing the first two years at SCMS-Pune and Department of Management, SIU, Dubai with a Weighted Average Marks (WAM) of 55 (CGPA of 6.25) b) IELTS minimum score of 6.
		B.B.A. -Honours/ Honours with Research Dual Degree	

6	Symbiosis Centre for Management Studies-NOIDA SCMS, NOIDA	B.B.A. - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
		B.B.A. -Honours/ Honours with Research Dual Degree	Passed Standard XII (10+2) or equivalent examination from any recognized Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). The conditions to transition to Deakin University, Australia are: a) Students successfully completing the first two years at SCMS-NOIDA and Department of Management, SIU, Dubai with a Weighted Average Marks (WAM) of 55 (CGPA of 6.25) b) IELTS minimum score of 6.
7	Symbiosis Centre for Management Studies-Nagpur SCMS, Nagpur	B.B.A. - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
8	Symbiosis Institute of Computer Studies and Research-SICSR	B.B.A. (Information Technology) - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes). Students who wish to opt for Honours with Research must earn 7.5 CGPA and above at the end of Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
		B.C.A. - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent government approved Diploma in Engineering/ Technology from any recognised Board with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes). Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.

9	Symbiosis Artificial Intelligence Institute -SAII	B.Sc. (Artificial Intelligence) -Honours / Honours with Research	Passed Std. XII (10+2) or equivalent examination from any recognized board with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for SC/ ST). Open to students from all streams (Science, Commerce, Arts) who have passed. Students who wish to opt for Honours with Research must earn 7.5 CGPA and above at the end of Semester VI. Eligibility Criteria for multiple entries will be as per University's Lateral Entry Rules for FYUG programmes.
		B.B.A. (Artificial Intelligence) -Honours / Honours with Research	Passed Std. XII (10+2) or equivalent examination from any recognized board with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for SC/ ST). Open to students from all streams (Science, Commerce, Arts) who have passed. Students who wish to opt for Honours with Research must earn 7.5 CGPA and above at the end of Semester VI. Eligibility Criteria for multiple entries will be as per University's Lateral Entry Rules for FYUG programmes.
10	Symbiosis Institute of Health Sciences- SIHS	Bachelor of Cardiovascular Technology	Passed Standard XII (10+2) or equivalent examination from any recognised Board with any two of the following subjects: Physics, Chemistry, Biology, Botany, Zoology, Biochemistry, Microbiology, Mathematics OR equivalent as decided by competent authority, with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/Scheduled Tribes).
		Bachelor of Respiratory Technology	According to the National Commission for Allied and Healthcare Profession (NCAHP) Council: 1. Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology subjects. 2. He/ she has completed 17 years of age at the time of admission or will complete that age on or before 31 December of the year of his/her admission to the first year of the Undergraduate Allied and Healthcare Course. 3. Medical fitness certificate is mandatory to submit and it is to be endorsed by Government medical officer: i. Foreign national students intending to study UG program in India, shall have to take equivalence certificate of eligibility certificate from respective State Allied and Healthcare Council. ii. For Under Graduate admission of foreign national students, merit list will be based on University Entrance Exam. iii. Verification of Valid Visa and valid Visa duration of foreign national students, to be verified by respective institution University before enrolling students for program. 4. The admission criteria shall be updated by the Commission from time to time. 5. Admission process shall be conducted by State/Union Territory/ University.

Symbiosis Institute of Health Sciences- SIHS	Bachelor of Medical Radiology and Imaging Technology	According to the National Commission for Allied and Healthcare Profession (NCAHP) Council: 1. Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology subjects. 2. Lateral Entry to the candidates in second year (3rd semester) who have passed Diploma in same discipline. 3. He/she must have completed 17 years of age at the time of admission or must complete this age on or before 31 December of the year of admission to the first year of the Undergraduate Allied and Healthcare Course. 4. A medical fitness certificate is mandatory, and must be endorsed by a Government Medical Officer. Admission to Undergraduate programmes under the reservation policy shall be as per the State/Centre Government norms. Foreign students' admission process for Undergraduate (UG) programmes: i. Foreign national students intending to study the UG programme in India shall have to take an equivalence certificate of eligibility from the respective State Allied and Healthcare Council. ii. Admission of foreign national students to the UG programmes shall be based on merit, as determined by the University entrance examination. iii. Verification of a valid visa and its duration for foreign national students shall be verified by the respective institution and the University before enrolment in the programme. 5. The admission criteria shall be updated by the Commission from time to time. 6. Admission process shall be conducted by State/Union Territory/ University.
	Bachelor of Dialysis Therapy Technology	According to the National Commission for Allied and Healthcare Profession (NCAHP) Council: 1. Candidates must have passed Senior Secondary along with 50% or equivalent grade (45% marks or equivalent grade for Scheduled Caste/Scheduled Tribes) in 10+2 Science (Biology and/or Mathematics as per the requirement of the professions) or University/State entrance examination for admissions in the allied and healthcare programs. 2. Students from other boards without English as a compulsory subject may be encouraged to pick English as an elective from available resources on Swayam and similar platforms. The completion of the course will not lead to any university course credit (non-university course). 3. Lateral entry to the candidates in second year (3rd semester) who have passed Diploma in DT (D.DT) from recognised university

	Symbiosis Institute of Health Sciences- SIHS	Bachelor of Medical Laboratory Sciences	According to the National Commission for Allied and Healthcare Professions (NCAHP) Council: 1. Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry, and Biology (Botany + Zoology) subjects. 2. Lateral Entry into the second year (3rd semester) is permitted for candidates who have passed the Diploma in Medical Laboratory Technology (D.MLT) with a minimum of 50% Marks. 3. He/she must have completed 17 years of age at the time of admission or must complete this age on or before 31 December of the year of admission to the first year of the Undergraduate Allied and Healthcare Course. 4. A medical fitness certificate is mandatory, and must be endorsed by a Government Medical Officer. Admission to Undergraduate programmes under the reservation policy shall be as per the State/Centre Government norms. Foreign students' admission process for Undergraduate (UG) programmes: i. Foreign national students intending to study the UG programme in India shall have to take an equivalence certificate of eligibility from the respective State Allied and Healthcare Council. ii. Admission of foreign national students to the UG programmes shall be based on merit, as determined by the University entrance examination. iii. Verification of a valid visa and its duration for foreign national students shall be verified by the respective institution and the University before enrolment in the programme. 5. The admission criteria shall be updated by the Commission from time to time. 6. Admission process shall be conducted by State/Union Territory/ University.

	Symbiosis Institute of Health Sciences-SIHS	Bachelor of Anaesthesia and Operation Theatre Technology	1. Candidates must have passed senior secondary (10+2) or equivalent with Physics, Chemistry & Biology/ Mathematics subjects. 2. Lateral Entry to the candidates in the second year (3rd semester) who have passed Diploma in AOTT from a recognised University. 3. He/she must have completed 17 years of age at the time of admission or must complete this age on or before 31 December of the year of admission to the first year of the Undergraduate Allied and Healthcare Course. 4. A medical fitness certificate is mandatory, and must be endorsed by a Government Medical Officer. Admission to Undergraduate programmes under the reservation policy shall be as per the State/Centre Government norms. Foreign students' admission process for Undergraduate (UG) programmes: i. Foreign national students intending to study the UG programme in India shall have to take an equivalence certificate of eligibility from the respective State Allied and Healthcare Council. ii. Admission of foreign national students to the UG programmes shall be based on merit, as determined by the University entrance examination. iii. Verification of a valid visa and its duration for foreign national students shall be verified by the respective institution and the University before enrolment in the programme. 5. The admission criteria shall be updated by the Commission from time to time. 6. Admission process shall be conducted by State/Union Territory/ University.

	Symbiosis Institute of Health Sciences- SIHS	Bachelor of Neuroscience Technology	1. Passed Senior Secondary (10+2) or equivalent with Physics, Chemistry, and Biology. 2. Lateral Entry to the candidates in second year (3rd semester) who have passed Diploma in the same discipline.
		Bachelor of Endoscopy and Laparoscopy Technology	1. Passed senior secondary (10+2) or equivalent with Physics, Chemistry & Biology/ Mathematics subjects. 2. Lateral Entry to the candidates in the second year (3rd semester) who have passed Diploma in Endoscopy and Laparoscopy Technology from a recognised University.
		Bachelor of Radiation Therapy Technology	Bachelor of Radiation Therapy Technology According to the National Commission for Allied and Healthcare Profession (NCAHP) Council: 1. Candidate must have passed Senior Secondary (10 +2) or equivalent with Physics, Chemistry & Biology subjects. 2. Lateral Entry to the candidates in second year (3rd semester) who have passed Diploma of Radiotherapy Technology (D.RT) from recognized university. 3. He/she must have completed 17 years of age at the time of admission or must complete this age on or before 31 December of the year of admission to the first year of the Undergraduate Allied and Healthcare Course. 4. A medical fitness certificate is mandatory, and must be endorsed by a Government Medical Officer. Admission to Undergraduate programmes under the reservation policy shall be as per the State/Centre Government norms. Foreign students' admission process for Undergraduate (UG) programmes: i. Foreign national students intending to study the UG programme in India shall have to take an equivalence certificate of eligibility from the respective State Allied and Healthcare Council. ii. Admission of foreign national students to the UG programmes shall be based on merit, as determined by the University entrance examination. iii. Verification of a valid visa and its duration for foreign national students shall be verified by the respective institution and the University before enrolment in the programme. 5. The admission criteria shall be updated by the Commission from time to time. 6. Admission process shall be conducted by State/Union Territory/ University.

	Symbiosis Institute of Health Sciences- SIHS	Bachelor of Psychology	Candidate must have passed Senior Secondary (10+2) or equivalent with Science/Arts/Psychology with 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes) He/she has completed 17 years of age at the time of admission or will complete that age on or before 31 December of the year of his/her admission to the first year of the Undergraduate Allied and Healthcare Course. Reservation policy for admission in diploma/under graduate/ post graduate/ Ph D programs shall be as per the State/ Centre Government norms. However, admission criteria norms of National Commission for Allied and Healthcare Professions (NCAHP) shall be adopted as prescribed. Up to 10% seats shall be considered for lateral entry admission in Under Graduate programme, wherever in respective program is permitted. Medical fitness certificate is mandatory to submit and it is to be endorsed by Government medical officer. Foreign students' admission process in Under Graduate (UG): - Foreign national students intending to study UG program in India, shall have to take equivalence certificate of eligibility certificate from respective State Allied and Healthcare Council. - Verification of Valid Visa and valid Visa duration of foreign national students, to be verified by respective institution & University before enrolling students for program.

11	Symbiosis College of Nursing (SCON)	B.Sc. (Nursing)	1. The minimum age for admission shall be 17 years on 31st December of the year in which admission is sought. The maximum age limit for admission shall be 35 years. 2. Minimum Educational Qualification a) Candidate with Science who have passed the qualifying 12th Standard examination (10+2) and must have obtained a minimum of 45% marks in Physics, Chemistry and Biology taken together and passed in English individually. b) Candidates are also eligible from State Open School recognized by State Government and National Institute of Open School (NIOS) recognized by Central Government having Science subjects and English only. c) English is a compulsory subject in 10+2 for being eligible admission to B.Sc. (Nursing). for 3. Colour blind candidates are eligible provided that colour corrective contact lens and spectacles are worn by such Candidates. 4. Candidate shall be medically fit. 5. Married candidates are also eligible for admission. 6. Students shall be admitted once in a year. 7. In respect of candidates belonging to SC/ST the marks obtained in 3 core subjects shall be 40% instead of 45% for General category candidates.
		P.B. B.Sc. (Nursing)	1) Passed the Higher Secondary or Senior Secondary or Intermediate or 10+2 or on equivalent examination recognised by the university for this purpose. Those who have done 10+1 in or before 1986 will be eligible for admission. 2) Obtained a certificate in General nursing and Midwifery and registered as R.N.R.M. with the State Nurses Registration Council. A male nurse, trained before the implementation of the new integrated course shall produce evidence of training approved by Indian Nursing Council for a similar duration in lieu of midwifery in any one of the following areas: O. T. Techniques, Ophthalmic Nursing, Leprosy Nursing, T.B Nursing, Psychiatric Nursing, Neurological and Neuro surgical Nursing, Community Health Nursing, Cancer Nursing, Orthopedic Nursing. 3) Candidates shall be medically fit.
12	Symbiosis School of Culinary Arts and Nutritional Sciences (SSCANS)	Bachelor of Science (Culinary Arts) - B.Sc. (Culinary Arts)	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste /Scheduled Tribes).

	Symbiosis School of Culinary Arts and Nutritional Sciences (SSCANS)	Bachelor of Nutrition and Dietetics	Candidate must have Passed Senior Secondary (10+2) or equivalent with Physics, Chemistry, Biology with 50% & English. (Eligibility as per NCAHP Act). Foreign students' admission process in Under-Graduation (UG): i. Foreign national students intending to study UG program in India, shall have to take equivalence certificate of eligibility certificate from respective State Allied and Healthcare Council. ii. Verification of Valid Visa and valid Visa duration of foreign national students, to be verified by respective institution & University before enrolling students for program. He/she has completed 17 years of age at the time of admission or will complete that age on or before 31 December of the year of his/her admission to the first year of the Undergraduate Allied and Healthcare Course.
13	Symbiosis Medical College for Women (SMCW)	Bachelor of Medicine and Bachelor of Surgery (M.B.B.S.)	Candidate must have passed in Physics, Chemistry, Biology/ Biotechnology and English individually and must have obtained a minimum of 50% marks taken together in Physics, Chemistry, Biology/Biotechnology at the qualifying examination as mentioned in the Regulations of NMC and DCI"
14	Symbiosis Centre for Media and Communication-SCMC	B.A. (Mass Communication) - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
		B.B.A. (Media Management) Honours/ Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
15	Symbiosis School of Visual Arts & Photography -SSVAP	B.A. (Visual Arts and Photography)	Passed Standard XII (10+2) or equivalent examination from any recognized Board.

16	Symbiosis School of Economics-SSE	B.Sc. (Economics) -Honours / Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/ Scheduled Tribes). Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
		B.Sc. (Economics) Honours / Honours with Research - Dual Degree in collaboration with University of Bristol, United Kingdom	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). In addition to the above, for progression to the Dual Degree program at the University of Bristol, United Kingdom, the following terms for eligibility apply: For progression to Dual Degree Those students who complete the first two years (4 semesters) at SSE with a CGPA 7.0, will be eligible to go for the Bachelor of Science in Economics and Econometrics. Official transcript from SSE reporting all modules with grades for Year-1 and 2 in SSE. No disciplinary other cases shall be impending on the student and no active backlogs.

17	Symbiosis Institute of Technology, Pune- SIT, Pune	B. Tech (Artificial Intelligence and Machine Learning) B. Tech (Computer Science and Engineering) B. Tech (Electronics and Telecommunication) B. Tech (Robotics and Artificial Intelligence)	Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/ Computer Science/Electronics/ Information Technology/Biology/ Informatics Practices/ Biotechnology/Technical Vocational subject/ Agriculture/ Engineering Graphics/Business Studies /Entrepreneurship. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme).
		B. Tech (Civil Engineering) B. Tech (Mechanical Engineering) B. Tech (Robotics and Automation)	Passed 10+2 examination with Physics, Chemistry and Mathematics as compulsory subjects. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for the students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme).

		Symbiosis Statistical Institute, [B.Sc.] (Applied Statistics and Data Science) - Honours/ Honours with Research	Passed Std. XII (10 + 2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes), with Mathematics as one of the subjects. Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programme.
		B. Tech. (Mechanical Engineering) – Dual Degree	Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/ Computer Science/ Electronics/ Information Technology/Biology/ Informatics Practices/ Biotechnology/Technical Vocational subject / Agriculture / Engineering Graphics/Business Studies /Entrepreneurship. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. In addition to the above, for progression to the Dual Degree program at the University of East Anglia, Norwich, UK ,the following terms for eligibility apply: Those students who complete the first two years (4 semesters) at SIT with a minimum "B" grade (55 % or CGPA of 5.5), will be eligible to go for the B. Eng. (Hons) Mechanical Engineering at UEA. a) Official transcript from SIT reporting all modules with grades for Year-1 and 2 in SIT b) No disciplinary other cases shall be impending on the student and no active backlogs c) IELTS: 6.0 overall (minimum 5.5 in all components).

		B.Tech. (Computer Science and Engineering)- Dual Degree	Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/ Computer Science/ Electronics/ Information Technology/Biology/ Informatics Practices/ Biotechnology/Technical Vocational subject / Agriculture / Engineering Graphics/Business Studies /Entrepreneurship Overall score of at least 65% in 12th grade (Physics and Maths compulsory), plus a qualifying score in Symbiosis Entrance Exam / equivalent entrance examination. In addition to the above, for progression to the Dual Degree program at Deakin University, Australia, the following terms for eligibility apply: For progression to Dual Degree- Those students who complete the first two years (4 semesters) at SIT with a minimum “B” grade (55 % or CGPA of 5.5) will be eligible to go for Bachelor of Data Science (Honours). Official transcript from SIT reporting all modules with grades for Year-1 and 2 in SIT. No disciplinary other cases shall be impending on the student and no active backlogs. IELTS:6.0 overall (with no band score less than 6.0).
		B.Tech. (Computer Science and Engineering)- Dual Degree	Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/ Computer Science/ Electronics/ Information Technology/Biology/ Informatics Practices/ Biotechnology /Technical Vocational subject / Agriculture /Engineering Graphics/Business Studies /Entrepreneurship Overall score of at least 65% in 12th grade (Physics and Maths compulsory), plus a qualifying score in symbiosis entrance exam / equivalent entrance examination. In addition to the above, for progression to the Dual Degree program at Deakin University, Australia, the following terms for eligibility apply: For progression to Dual Degree- Those students who complete the first two years (4 semesters) at SIT with a minimum “B” grade (55 % or CGPA of 5.5), will be eligible to go for Bachelor of Data Science (Honours). Official transcript from SIT reporting all modules with grades for Year -1 and 2 in SIT. No disciplinary other cases shall be impending on the student and no active backlogs. IELTS:6.0 overall (with no band score less than 6.0).

		B. Tech. (Civil Engineering)- Dual Degree	Passed 10+2 examination with Physics, Chemistry and Mathematics as compulsory subjects. Overall score of at least 60% in 12 th grade (Physics and Maths compulsory), plus a qualifying score in Symbiosis entrance exam/ equivalent entrance examination. In addition to the above, for progression to the Dual Degree program at the Deakin University, Australia, the following terms for eligibility apply: For progression to Dual Degree Those students who complete the first two years (4 semesters) at SIT with a minimum "B" grade (55 % or CGPA of 5.5), will be eligible to go for Bachelor of Civil Engineering Official transcript from SIT reporting all modules with grades for Year-1 and 2 in SIT No disciplinary other cases shall be impending on the student and no active backlogs IELTS:6.0 overall (minimum 6.0 in all components)
18	Symbiosis Centre for Management Studies- Bengaluru SCMS, Bengaluru	B.B.A. - Honours / Honours with Research	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.
		B.B.A. (Dual Degree, Honours/ Honours with Research)	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). The conditions to transition to Deakin University, Australia are: a) Students successfully completing the first two years at SCMS, Bengaluru with a Weighted Average Mark of 55 (CGPA of 6.25) b) IELTS minimum score of 6.

		B.B.A. (Dual Degree, Honours/ Honours with Research)	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes). The conditions to transition to Deakin University, Australia are: a) Students successfully completing the first two years at SCMS, Bengaluru with a Weighted Average Mark of 55 (CGPA of 6.25) b) IELTS minimum score of 6.
19	Symbiosis Institute of Technology, Nagpur SIT, Nagpur	B. Tech (Computer Science and Engineering)	Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/ Computer Science/Electronics/ Information Technology/Biology/ Informatics Practices/ Biotechnology/Technical Vocational subject/ Agriculture/Engineering Graphics/Business Studies / Entrepreneurship. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for the students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme).
		B. Tech. (Computer Science and Engineering) – Dual Degree	Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/ Computer Science/ Electronics/ Information Technology/Biology/ Informatics Practices/ Biotechnology/Technical Vocational subject/ Agriculture/Engineering Graphics/Business Studies / Entrepreneurship Overall score of at least 65% in 12th grade (Physics and Maths compulsory), plus a qualifying score in symbiosis entrance exam / equivalent entrance examination. In addition to the above, for progression to the Dual Degree program at Deakin University, Australia, the following terms for eligibility apply: For progression to Dual Degree Those students who complete the first two years (4 semesters) at SIT with a minimum “B” grade (55 % or CGPA of 5.5), will be eligible to go for Bachelor of Data Science ● Official transcript from SIT reporting all modules with grades for Year-1 and 2 in SIT ● No disciplinary other cases shall be impending on the student and no active backlogs ● IELTS: 6.0 overall (with no band score less than 6.0)

Candidates are advised to check the eligibility criteria for the programme(s) which they are desirous to pursue. SIU / Institute will not be responsible, if the candidate applies for programme(s) for which he/she is not eligible.

Every candidate is urged to note that no donation or capitation fee is required to be paid for admission to any of the Symbiosis institutes. Parents and students are cautioned against falling prey to any such assurance/ offer by any individual or outside agency.

J. Process for International Candidates:

Admissions of international students are centralized for all the constituent institutes of Symbiosis International Deemed University and are routed through the Symbiosis Centre for International Education (SCIE).

SCIE earmarks 20% of the total intake of the respective program for international students which include, Foreign Nationals (FN), Person of Indian Origin (PIO) Card Holders, Overseas Citizens of India (OCI) Card Holders, and Non-Resident Indians (NRI).

Foreign National (FN):

A Foreign National shall mean citizens of all countries other than India, who are not of Indian origin as defined under the expression PIO/OCI. Such Foreign Nationals are eligible to apply as Foreign Nationals.

Provided that any subsequent changes in the definition as may be notified by the Govt. of India shall have the same latest meaning respectively assigned to them. The other expressions not defined herein shall have the meaning as may be assigned any subsequent notification of Govt. of India.

Person of Indian Origin (PIO):

A student is eligible to apply as a Person of Indian Origin (PIO) if he/she has a PIO card, and is a citizen of a country other than India.

Overseas Citizenship of India (OCI):

A student is eligible to apply as an Overseas Citizenship of India (OCI) if he/she has an OCI card, and is a citizen of a country other than India.

Non-Resident Indian (NRI):

A student is eligible to apply as a Non-Resident Indian (NRI) if he/she is an Indian National and has appeared for either 10th or 10+2 (equivalent to the Indian 10th or 12th) examination outside India. It is mandatory for one of the two qualifying examinations to be given outside India.

Please refer www.scie.ac.in for more details.

To assist candidates with their application to Symbiosis International (Deemed University) a detailed stepwise procedure is available on www.scie.ac.in. Interested candidates can apply online through their user-friendly online application facility. For more information, please write to intadmissions@symbiosis.ac.in

Admission Process for International Students

To assist students with their application to Symbiosis International (Deemed University), a detailed stepwise procedure is available on www.scie.ac.in where students can avail the user-friendly online application process.

Category

- **Foreign National (FN):**

Foreign National shall mean citizens of all countries other than India, who are not of Indian origin as defined under the expression PIO/OCI. Such students are eligible to apply as Foreign Nationals.

Provided that any subsequent changes in the definition as may be notified by the Govt. of India shall have the same latest meaning respectively assigned to them. The other expressions not defined herein shall have the meaning as may be assigned any subsequent notification of Govt. of India.

- **Overseas Citizenship of India (OCI):**

A student is eligible to apply as OCI if he/she is granted with Overseas Citizenship of India and has an OCI card.

- **Person of Indian Origin (PIO):**

A student is eligible to apply as a Person of Indian Origin (PIO) if he/she has a PIO card, and is a citizen of a country other than India.

[As per the Government of India Notification dated 9th January 2015, the existing Persons of Indian Origin card holder registered as such shall be deemed to be Overseas Citizens of India card holders (OCI).]

English Proficiency Test is mandatory for the foreign nationals / OCI / PIO students. Student has an option to either appear for IELTS (conducted by British Council) or IELEA (conducted by Symbiosis). The minimum score required for IELTS is 6 and for IELEA band 4.

- **Non-Resident Indian (NRI):**

A Non-Resident Indian (NRI) shall mean an Indian citizen (with Indian passport) who has not been in India for a period of 730 days or more during the preceding seven years. A student is eligible to apply as a Non-Resident Indian (NRI) if he/she is an Indian National and has appeared for the 10th examination (equivalent to the Indian 10th) or 12th examination (equivalent to the Indian 12th) from outside India. It is mandatory for one of the two qualifying examinations to be given outside India.

Recognition of Board and University

Admissions are in conformity with the guidelines set by the Association of Indian Universities and the Statutory Bodies of India like the Indian Nursing Council, All India Council for Technical Education, Bar Council of India, etc. Only candidates who have the requisite qualification from foreign universities or Boards of Higher Education accredited and recognized by the Association of Indian Universities (AIU), Govt. of India, New Delhi are eligible to apply at Symbiosis institutes for admission. If required, candidates will be asked to obtain the 'eligibility

Certificate / equivalency certificate' from the Equivalence branch, Association of Indian Universities (AIU), New Delhi on the given below address:

Association of Indian Universities

AIU House, 16 Kotla Marg, New Delhi - 110 002

Tel No: +91 - 11 - 23230059

Fax No: +91 - 11 - 23232131

Email: info@aiuweb.org Website: <http://www.aiuweb.org>

Eligibility

Prospective students must have completed 10+2 or equivalent examination from recognized Board/ University.

Students who have appeared for their 10+2 or equivalent examination and awaiting their final results are also eligible to apply subject to their passing before commencement of the programme.

Note:

- Students having compartments in their final results are not eligible for admission.
- Each programme has specific eligibility criteria; please check the respective institute information for the same on the website.
- The admission to the programme is subject to fulfillment of the specific eligibility criteria.
- It is the responsibility of the student to ascertain whether they possess the requisite qualifications for admission.
- Having completed the application and paid the application fee does not mean acceptance of eligibility.
- Final eligibility for admission will be decided by Symbiosis International (Deemed University) after submission of all the required documents.

Documents to upload at the time of online application

- 10th or equivalent marksheet
- 10+2 or equivalent Mark sheet
- Predicted Score or Pre-Board Marks (if waiting for 12th Final results)
- Nepali students should submit 11th standard final marksheet and pre-board marksheet.
- Design portfolio (applicable only for students applying to Bachelor of Design programme)
- Photocopy of valid passport
- Statement of purpose
- 2 Letters of Recommendation in soft copy
- IELTS Score Card / Proof of IELTS registration (applicable for FN/OCI/PIO students only)

Selection Process

Admission is based on merit and the eligibility norms of the programmes. The Admissions Committee carefully reviews each application and the supporting documents.

Once all documents are upload and application is submitted along with the application fee, SCIE will verify the applications and the uploaded documents and check the requisite qualifications for admission. If eligible, the application will be forwarded to the Admission Committee (Composition of ACM) for Evaluation. The Admission Committee will shortlist the applications based on the previous academic track record, statement of purpose, letters of recommendation, curriculum vitae and English proficiency test (if applicable).

Weightage for admission for NRI Students:

- 10+2 marksheet - 90%
- Statement of Purpose - 5%
- Two Letters of Recommendation - 5%

Students applying under the NRI category are NOT required to appear for the English Proficiency Test (IELA/IELTS Examination).

Weightage for admission for FN/PIO/OCI Students:

- 10+2 marksheet - 90%
- Statement of Purpose - 5%
- Two Letters of Recommendation - 5%

Students applying as FN/PIO/OCI are required to appear for the English Proficiency Test (IELTS/IELA examination)

A final verification of original documents will be done at the time of joining.

Please Note:

Foreign National students will pay the application fee along with the administrative fee after the receipt of pre-offer letter.

Merit List

After evaluation of the application by the Admission Committee, SCIE will send an email informing about the status of the admission.

Offer letter will be sent if the Admissions Committee has short-listed the application for admission to the program at Symbiosis International University.

Waitlist letter will be sent if the Admissions Committee has kept the application on hold.

Regret letter will be sent if the application is not suitable/eligible for admission to Symbiosis International University.

On receipt of the offer letter, the student needs to confirm the intention of joining the said program by paying the administrative fee and part payment of annual academic fee within stipulated period mentioned in the offer letter.

Administrative & Part Payment of Annual Academic Fee:

Fees for NRI /PIO/ OCI students

USD 550 towards administrative fee (Non-refundable). This includes eligibility, medical, insurance, administrative and processing charges.

USD 540 towards part payment of annual academic fee
USD 275 towards institute deposit (Refundable)

Fees for Foreign National students

USD 275 towards administrative fee (Non-refundable). This includes eligibility, medical, insurance, admin and processing charges.

USD 815 towards part payment of annual academic fee
USD 275 towards institute deposit (Refundable)

To make this payment, log on to <https://scieaccounts.ishinfo.com / UGStudentAdmission / Login.aspx> with the 'SCIE ID' and 'Password'. Accordingly follow Payment instructions mentioned in the link.

Kindly ensure that the payment is to be made within the stipulated date mentioned in the offer letter. The balance payment of annual academic fee is to be paid

on or before the date of reporting. Applicants who fail to make the payment within stipulated date will not be able to secure a provisional admission to 'Symbiosis International (Deemed University)' and their seat will be offered to the next applicant in the waitlist.

Provisional Admission Letter

SCIE will issue a "Provisional Admission Letter" to the foreign national students who require Student Visa, only after receipt of administrative and part payment of academic fee. Applicant can use this letter as a supporting document while applying for his/her student visa at the Indian Mission in his/her country.

Note:

- The Visa should be a 'Student Visa' and should mention the name of "Symbiosis International (Deemed University)". Any other type of visa is invalid and final admission will not be granted to students who do not have a valid visa.
- For the interview at the Indian Embassy make sure that you carry relevant documents to prove how you intend to finance your education in India.

Reporting Mail

On confirmation of the receipt of administrative fee and part payment of academic fee, applicant will be considered as 'Provisionally Admitted' to Symbiosis International (Deemed University). Subsequently, SCIE will send a reporting email regarding the formalities to be completed at the time of reporting.

The student provisionally admitted to Pune campus have to report to SCIE and the student provisionally admitted to out of Pune campus will have to report to their respective institutes on the dates mentioned in the prospectus or on the institute website to complete the reporting formalities. Kindly check the respective institute information in the prospectus or SCIE website for specific reporting date to SCIE and the respective institute.

Reporting Formalities

1. Medical Test

International students will have to undergo a medical examination. Medical check-up will be conducted at Symbiosis Centre for Health Care (SCHC) within the Campus.

2. Payment Confirmation

Take the confirmation of Fee details from Accounts Department. Pay the balance amount or short fall if any.

3. Eligibility Formalities

The clearance of the eligibility is an essential factor for admission to any programmes of Symbiosis International (Deemed University) (SIU). The admission will be provisional till the clearance of the same. The student is liable to fill the online eligibility form and submit all the necessary documents mentioned above as per the category. Few documents which are not possible to be submitted at the time of reporting must reach at SCIE latest by 31st August. Students who fail to submit the documents within the stipulated date will not be allowed to appear for the semester I examination. They may have to forfeit the academic fee and may lose an academic year or face cancellation of admission (as per SIU rules)

4. Submission & Verification of all the required documents with originals

The students are advised to carry all original documents along with 2 sets of self-attested photocopies.

Documents required from Foreign Nationals/ PIO/ OCI:

- Mark sheet of 10th Std./equivalent
- Mark sheet of 12th Std./equivalent
- Passing/ Provisional Certificate of the board
- English Proficiency Test Result (IELA/IELTS)
- Migration certificate in original (in case 10+2 from an Indian board)
- Transfer certificate in original (in case 10+2 from an

Indian board)

- Change of Name Certificate by Govt. Gazette (if applicable)
- Equivalence Certificate (if applicable)
- Passport
- PIO card (only for PIO students)
- OCI Card (only for OCI students)
- Citizen card (only in case of Nepali and Bhutanese nationals)
- Valid VISA (applicable for Foreign National except Nepal & Bhutan students)
- Valid Residential Permit (applicable for Foreign National except Nepal & Bhutan students)
- Gap certificate (applicable for students with the gap of one year or more) *
- Medical Undertaking*
- Anti-Ragging Affidavit by Student*
- Anti-Ragging Affidavit by Parent*
- Indemnification Undertaking by Student*
- Indemnification Undertaking by Parent*
- SIU-Eligibility Form* (This should be on 500-rupee stamp paper)

(Note: *download documents from payment login link <https://scieaccounts.ishinfo.com/UGStudentAdmission/Login.aspx>)

Documents required from NRI:

- Mark sheet of 10th Std./equivalent
- Mark sheet of 12th Std./equivalent
- Passing/ Provisional Certificate of the board
- Migration certificate in original (in case 10+2 from an Indian board)
- Transfer certificate in original (in case 10+2 from an Indian board)
- Change of Name Certificate by Govt. Gazette (if applicable)
- Equivalence Certificate (if applicable)
- Passport
- Gap certificate (applicable for students with the gap of one year or more)*

- Medical Undertaking*
- Anti-Ragging Affidavit by Student*
- Anti-Ragging Affidavit by Parent*
- Indemnification Undertaking by Student*
- Indemnification Undertaking by Parent*
- SIU-Eligibility Form* (This should be on 500-rupee stamp paper)

(Note: *download documents from payment login link
<https://scieaccounts.ishinfo.com/UGStudentAdmission/Login.aspx>)

Please ensure you carry all original documents for verification including passport

5. Joining Letter to respective institutes (Applicable to Pune Campus)

Before you proceed to your respective institute ensure that you have collected the Joining Letter duly signed and stamped. Submit your 'Joining Letter' to the International Students' Coordinator of your institute and complete the remaining formalities at the institute like payment of hostel fee, mess fee, uniform fee, etc. which are not included in annual academic fee.

Payment Information Important Points to be noted

- Except students from Nepal and Bhutan, it is mandatory for all the students to make all the transactions in USD currency.
- No cash payments will be accepted.
- Authentication of all the payments will be made only after its realization in SCIE account.
- Incomplete details of the payment (either through SWIFT/ RTGS/ NEFT) will not be entertained.
- The application fee, IELA fee and administrative fee are not refundable.
- Kindly note that currency exchange rate for all the transactions will be at actuals and student will have to bear all applicable transaction charges or card payment charges.
- Update the SWIFT/NEFT/RTGS Transfer details in the SWIFT/NEFT/RTGS Transfer window and send the scan of the transaction to intfees@symbiosis.ac.in

- The bank details are available in the payment window of online registration portal.

For more information about payment, you can contact us on +91 020-25925327 or write to intfees@symbiosis.ac.in

- Application Fee (Non-Refundable):
- Foreign National (FN): USD 65 (As per SIU internationalization mission)
- Non-Resident Indian (NRI): USD 120
- Overseas Citizen of India (OCI): USD 120
- Person of Indian Origin (PIO): USD 120
- International English Language Assessment (IELA) Examination:

USD 50 (Non-Refundable)-Students enrolling for the 'International English Language Assessment' exam will have to pay the 'IELA examination fee'. During the Online Application, the system will prompt you about IELA details and accordingly, at the time of payment this fee will be added along with your 'Application fee'. Note - Your application will be considered and authenticated only after SCIE receives full payment.

- 1st Installment (Administrative and part payment of Annual Academic fee):

* USD 550 towards the Administrative fees (Non-refundable) and USD 540 towards the part payment of annual academic fee

*50% concession has been given to the Foreign National Students on Administrative Fees

- After assessing and evaluating the application, SCIE will send an offer letter to selected candidates. Once the candidate receives the offer letter, he/she will need to confirm his/her intention of joining the said programmes by making a payment of 1st installment (Administrative and part payment of Annual Academic fees). In case of Foreign National students, SCIE will issue a Provisional Admission Letter (PAL) only after receiving this payment to enable candidates to apply for a visa.

Please Note – Pre-Induction Charges (if any) and 'Administrative fee' are non-refundable.

Modes of payment:

Once the online application is completed, the system will prompt to select the mode of payment and accordingly it will guide through the procedure.

1. Online Payment:

Students can make the payment by using an International Credit / Debit Card.

2. Offline Payment:**A. NEFT/RTGS Transfer:** (Only for Nepalese and Bhutanese Students)

B. Swift Transfer: (Applicable to All Students, Except Nepalese and Bhutanese)

Students who wish to make any of their payments through Swift transfer must approach a bank in their home country and request for a Swift transfer. Please mention Student's name and SCIE ID while making the transaction. Students to ensure that they upload the bank transaction copy and fill the transaction details in the payment window of online registration portal.

SIU scholarship:

The Chancellor of SIU, Dr. S.B. Mujumdar believes that education is the only way of bringing about international peace and understanding. Set up in 1971, 'Symbiosis' was created to offer a home away from home for foreign students from Africa, Asia and the Middle East.

Symbiosis is keen to offer scholarships to foreign students to give them the opportunity to take advantage of the educational programmes available at Symbiosis. The scholarships are offered preferably in conjunction with the education ministries / embassies of participating countries. Close cooperation with these foreign governments will assist in ensuring that scholarships are awarded to the most deserving candidates.

The Symbiosis International Scholarships are funded by the Symbiosis Society Foundation and are offered to deserving and meritorious foreign students from various African, Asian and Middle Eastern countries. All scholarships are administered by the Symbiosis Centre for International Education (SCIE) Office in conjunction with the office of the Symbiosis Society Foundation. The Scholarship Committee shall endeavor to maintain gender balance and include students from diverse backgrounds while selecting candidates.

Symbiosis has announced the Golden Jubilee Scholarship in celebration of 50 glorious years of offering quality education to International students. This scholarship covers only the academic fee and it is applicable only for Foreign Nationals from academic year 2023-24 onwards.

The fees applicable under this scholarship

- **All Undergraduate Programmes (Except MBBS) - USD \$ 1300 per year**
- **All MBA Programmes - USD \$ 2600 per year**
- **All Other Post Graduate programmes: USD \$ 1950 Per year**

All other fees are payable by students:

One-time Application fees USD \$ 65

Symbiosis English Test Fees (if Applicable) USD \$ 50

One-time Administrative fees USD \$ 275

Annual Hostel Fees USD \$850 per year (if applicable)

Annual Meal Plan USD \$ 560 per year (if applicable)

Applicant Eligibility:

International Scholarships are only for Foreign Nationals.

Applicant Must:

- Hold a valid foreign passport.
- Have obtained more than 50% as a qualifying grade 10+2 (in case of Undergraduate programmes).
- Have appeared for an English Proficiency Test conducted by British Council (IELTS) with a minimum score of 6 or the IELEA Test with a minimum band of 3.
- Fulfill the specific eligibility criteria (if any) of the desired programmes. (Please log on to <https://www.scie.ac.in/admissions/post-graduate/PG-basic-eligibility>)

Exceptions:

This policy does not cover the following categories:

- Indian, NRI, OCI and PIO students
- International Students on short term programmes
- Doctoral programmes
- Part time programmes

Selection criteria:

The following criteria will be applicable for evaluating applications:

- 10+2 or equivalent grade.
- Letter of Recommendation from the Ministry of Higher Education of the respective Country/ The Embassy/High Commission of the Country in India
- Statement of Purpose
- Specific Eligibility Criteria: Students must verify and satisfy the specific eligibility for a programmes for which he/she is applying including English language requirement.

Symbiosis Center for International Education Senapati Bapat Road, Pune – 411 004 www.scie.ac.in

Please write to intadmissions@symbiosis.ac.in for any admission related queries. You can also reach us through WhatsApp +91 7720858521.

Examination and Evaluation Pattern of The University ...

Programme: The programme conducted by the University follows semester/ annual pattern. A programme means a set of pre-defined courses selected from the Course Catalogue and approved by the Academic Council of the University. Successful completion of the courses will lead to the award of a Degree or Diploma e.g. Master of Business Administration.

Dual Degree programme: 'Dual Degree programme' means a programme jointly designed and offered by SIU and a foreign partner HEI in the same disciplines/ subject areas, and at the same level. The degrees for such a programme shall be conferred by SIU and the foreign partner separately and simultaneously upon completion of the degree requirements of both the institutions. This shall not in any way be construed as two-degree programme in separate disciplines/ subject areas/ or levels being pursued simultaneously.

Joint Degree programme: 'Joint Degree programme' means a programme where the curriculum shall be designed jointly by the SIU and the collaborating foreign partner HEI. Upon completion of the programme, the degree shall be awarded by SIU and the collaborating partner HEI jointly with a single degree certificate. This degree certificate shall have both SIU and partner HEI names and logos.

Pathway programme: An arrangement is where students complete a major portion of their academic requirements of a lower degree programme at SIU, then proceed to the partner university to complete their programmes requirements and enter into a higher degree. The credits earned will be integrated into SIU's lower-level degree through Credit Transfer towards completion and award of the degree certificate.

Credit Recognition and Transfer: "Credit Recognition and Transfer" shall mean 'Credit' conferred by

a Foreign Higher Educational Institution to be recognised, quantified and included towards the credit requirements for a programme delivered by the University solely or jointly with a Foreign Higher Educational Institution and vice versa.

Programme Outcome: Programme outcome represents broad statements that incorporate many areas of inter-related knowledge and skills developed over the duration of the programme through a wide range of courses and experiences.

Course Catalogue: A set of approved courses that includes the course objectives, syllabi, pedagogy and assessment approaches.

Course: A course means an individual subject that would be included from the course catalogue to become a part of the pre-defined courses of a programme e.g. Marketing Management.

Audit Course: Audit courses are the courses which are offered as additional/ optional learning opportunities over and above the programme requirements. They shall not exceed 10% of the semester credits in which it is offered and will be reflected as 'Pass' grade courses (only if, completed successfully) and would not contribute to the GPA/ CGPA.

Course Outcome: Course outcomes are statements clearly describing the meaningful, observable and measurable knowledge, skills and/ or dispositions that students will learn in the course.

Term: A term in semester pattern means one semester and in annual pattern means one year.

Semester: A semester consists of a minimum of 90 days of teaching-learning and requires about five months to complete. Any programme of 2 years duration will have 4 semesters, any programme of 3 years duration will

have 6 semesters, any programme of 4 years duration will have 8 semesters and the programme of 5 years duration will have 10 semesters.

Credit: A credit is defined as follows:

- a) 1 Credit = 12 hours of face to face contact sessions including continuous assessment as per SIU norms: not exceeding 2 hours + 3 hours for continuous assessment linked to experiential learning.
- b) 1 Credit = 30 hours of Laboratory or Studio or practical hours
- c) 1 Credit = 60 hours of Internship/ Project/ Dissertation
- d) For courses which employ combination of practical and theory, the practical hour be converted to contact hours in the ratio of 1:2 meaning 1 face to face contact hour = 2 hours of practical (Lab and/ or Studio hours)

Assessment: The assessment includes continuous, practical (if applicable) and term-end assessment. Continuous assessment in general, is formative while the term-end assessment is summative in nature.

Continuous Assessment: The University has adopted the policy of continuous assessment, which shall be carried out by the respective constituents in accordance with the rules and regulations of the University. Continuous assessment aims at multilevel assessment and may include components like class room/ online test, surprise tests, open book test, research essay, assignments, quizzes, case studies, practical, presentations, viva and others as approved by the Board of Studies of the respective Faculty. All the components of assessment should be spread across the term.

Term-End Assessment: At the end of every term the University shall conduct 'Term-end' examination, under its supervision and jurisdiction.

Examination: The examination is the entire process of assessment carried out at the Constituent and

University level which includes both continuous and term-end assessment.

Examination Season: Each academic year is divided into two examination seasons. The October and April season is renamed as “ODD” and “EVEN” Semesters respectively. All examinations conducted for ODD Semesters will be considered as held in ODD Season. All examinations held for EVEN Semesters will be considered as held in EVEN Season. All annual Pattern exams shall be conducted in EVEN Season.

Term Not Granted/Course Not Granted (TNG/ CNG):

A minimum of 75% aggregate attendance is mandatory for all students to be eligible to appear for the term end examination. If a student’s aggregate attendance is below 75%, then the student will be termed as ‘Term Not Granted’ (TNG).

For all TNG students, course-wise attendance shall be checked. If a student has less than 75% in any course, then the CNG rule is applied and such courses are termed as ‘Course Not Granted (CNG). Students who are awarded TNG-CNG shall appear for the respective courses during the examinations in the upcoming season as backlog(s). The student will have to pay backlog examination fees for the immediate and any/all subsequent attempts.

Allowed To Keep Terms (ATKT)

ATKT Rules for 3 Year to 5 Year Programme

A student will attend classes of all the years with his/her batch. The following rule will be applicable as per the total number of semesters in a programme:

He/ she cannot appear for Term End Examination of Semester-5 if he/ she has CGPA less than 4.00 up to Semester-2.

He/ she cannot appear for Term End Examination of Semester-6 if he/ she has CGPA less than 4.00 up to Semester-3.

He/ she cannot appear for Term End Examination of Semester-7 if he/ she has CGPA less than 4.00 up to Semester-4.

He/ she cannot appear for Term End Examination of Semester-8 if he/ she has CGPA less than 4.00 up to Semester-5.

He/ she cannot appear for Term End Examination of Semester-9 if he/ she has CGPA less than 4.00 up to Semester-6.

He/ she cannot appear for Term End Examination of Semester - 10 if he/ she has CGPA less than 4.00 up to Semester-7.

Validity of Terms for Under Graduate Degree Programme

Students admitted to the under graduate degree programme of the University are allowed to keep term for a period of two years from the date of admission beyond the normal period of the programme, i.e. a student joining three years programme must complete the programme in five years from the date of admission.

Expiry of Validity: Students who are not able to complete their programme within the stipulated period will have to take fresh admission to the programme as per the prevalent rules and his/ her performance at the examinations and the terms kept earlier will be treated as null and void.

Global Immersion Programme (GIP): GIP is a special feature of SIU wherein student gets an opportunity to study abroad for a semester at the University of their choice. Students go to the partner Universities and study some courses. Courses offered by foreign partner Universities are studied carefully and adapted into SIU curriculum in such a way that a student can choose the courses of his/ her choice which are equivalent to the regular courses at SIU.

To be eligible for GIP the student should have obtained more than 7 CGPA/ GPA out of 10 in the previous semester or as an average across all previous semesters, with good conduct. The student should not have any backlog or Terms Not Granted (TNG) in any semester (they must have 75% attendance in each semester).

Re-evaluation: It is a mechanism which facilitates the students to get the answer scripts reassessed by a different examiner.

Credit Point System for Under Graduate Programme :

- UG Programme will be conducted on semester / annual pattern over a period of three/ four/ five years consisting of six/ eight/ ten semesters.
- Credits for UG Programme shall not exceed a total of 50 per year.
- Each credit is assessed for 25 marks at the UG level, unless otherwise explicitly mentioned by the respective statutory councils.

Choice Based Credit System (CBCS): Cumulative Grade Point Average (CGPA) System for Academic Programme.

- All programmes of University shall follow the total credits as recommended by Board of Studies and approved by the Academic Council and will adhere to the distribution of continuous assessment and term end examination prescribed in the approved programme structure.
- Over and above, the Health and Wellness modules shall be the value-added courses (VAC) offered, as mandatory, non -credit, with pass/ fail grade, to all full-time undergraduate students.

The Health and Wellness modules shall be conducted as:

(a) Health and Wellness – Module I

(b) Health and Wellness – Module II

- There is no provision to appear in exam to improve marks or grades.

Relative Grading: The grading of students will be done based on the relative performance of the students compared to the class. The students will be awarded letter grades.

Calculation of Grade Points corresponding to nine grades based on relative grading:

Letter Grade	Proportion	Grade Point
O (Outstanding)	Top 3%	10
A+ (Excellent)	12%	9
A (Very Good)	21%	8
B+ (Good)	28%	7
B (Above Average)	21%	6
C (Average)	12%	5
P (Pass)	Bottom 3%	4
F (Fail)		0
AB (Absent)		0

Absolute Grading: Under the absolute grading, the marks are converted to grades based on pre-determined class intervals.

- **Courses based on absolute grading:** The absolute grading system is applicable to Projects/ Dissertations/ Thesis/ Internships Courses under all Faculties from the October 2020 season, as per the requirement of assessment.
- Absolute grading system shall also be applicable for all the courses where the student number is 15 or less.
- Absolute grading system courses shall be marked with a symbol (~) on the grade sheets.

Calculation of Grade Points corresponding to grades based on absolute grading:

Percentage	Grade	Grade point
90% and above	O	10
80% to 89.99%	A+	9
70% to 79.99%	A	8
60% to 69.99%	B+	7
50% to 59.99%	B	6
45% to 49.99%	C	5
40% to 44.99%	P	4
Below 40%	F	0

Time slot for Term End Examinations:

Term End Marks	Duration of Examination	Compensatory Time in case of Writer
less than 40	1 hour	20 min.
40 to less than 60	1 hour and 30 minutes	30 min.
60 to less than 80	2 hour and 30 minutes	50 min.
80 and more than 80	3 hours	60 min

Examination Schedule and Registration

The University shall declare term end examination schedule one month prior to commencement of examination. Maximum fifteen days will be allotted to students without late fees to fill online examination forms for regular and backlog attempts. Additional one week (maximum) will be given to fill forms with late fee after the declared last date of late fees; a super late fees per day will be applicable.

Award of Degree: A student will be awarded the degree only if he/ she has a CGPA of minimum 4.00 on the completion of programme the student has to clear courses which are mandatory for award of degree such as Health and Wellness Modules I & II and Vasudhaiva Kutumbakam.

Four-Year Undergraduate Programme (FYUGP) as per NEP 2020

- The exiting students will intimate about their exit before registering for the EVEN semester University examinations.
- The student who does not have a backlog and fulfils the condition for the award of Certificate/ Diploma/ Degree, can exit only after the EVEN semesters.
- Additional attempt in the consecutive exam season shall be given to the students exiting with the Certificate / Diploma for the award of the Certificate / Diploma. (Original attempts, Summer Exam season and immediate odd exam season)
- Re-entry in the FYUGP will be permitted at the beginning of the academic year as per the Lateral Entry Policy of the University.

Marking System / Grading System & Award of Class for Symbiosis College of Nursing (SCON):

As per the requirement of Nursing Council, the following rules shall apply –

- A student must have minimum of 80% attendance (irrespective of the kind of absence) in theory and practical in each course for appearing in the University examination.
- A student must have 100% attendance in each of the practical areas before the award of degree.
- Minimum pass marks shall be 50% in each of the theory and practical examination separately.
- Time duration for the external examination shall be as per INC Guidelines.
- A candidate can take maximum three attempts per course inclusive of first attempt with a condition that he/ she completes the course successfully within the maximum period allowed.
- The maximum period to complete the programme successfully should not exceed 8 years for 4 years programme and 4 years for 2 years programme.
- If a student fails in either theory or practical paper he/ she has to re-appear for both the papers (Theory and practical).

- The candidate, in spite of failing in more than two courses he/she can be promoted to next year except for the final year. To get promoted into the final year the student has to pass in all courses of previous years.
- Minimum pass marks shall be 40% for English only for B.Sc. (Nursing)
- A candidate has to secure minimum of 33% in qualifying subject (English) for passing in P.B. B.Sc. (Nursing).
- Internal and External assessment ratio is 25:75.

Award of Class as per INC Rules & Regulations:

Percentage Range	Division
50%	Pass in each of the head (Theory & Practical)
50.01 to 59.99%	Second Division
60.00 to 74.99%	First Division
75% and above	Distinction

CGPA System for B. Sc. (Nursing) programme of Symbiosis College of Nursing (SCON):

- Bachelor of Science (Nursing) degree will be awarded after taking into consideration, the performance of candidates in all 8 semesters taken together. The degree will be awarded only to those who have completed 100% attendance in the clinical field.
- The student has to pass in all mandatory modules placed within courses and the pass mark for each module is 50% (C Grade). The allotted percentage of marks will be included in the internal assessment of College/University Examination.
- If the student has failed in only one subject and has passed in all the other subjects of a particular semester and Grace marks of up to 5 marks to theory marks can be added for one course/subject only, provided that by such an addition the student passes the semester examination.

- The candidate shall appear for exams in each semester.
- The candidate shall have cleared all the previous examinations before appearing for fifth semester examination. However, the candidates shall be permitted to attend the consecutive semesters.
- The candidate shall have cleared all the previous examinations before appearing for seventh semester examination. However, the candidates shall be permitted to attend the consecutive semesters.
- The candidate has to pass separately in internal and external examination

Award of Class for B. Sc. (Nursing) programme as per INC Rules & Regulations:

Letter Grade	Grade point	Percentage
O (Outstanding)	10	85% & Above
A+ (Excellent)	9	80-84.99%
A (Very Good)	8	75-79.99%
B+ (Good)	7	65-74.99%
B (Above Average)	6	60-64.99%
C (Average)	5	50-59.99%
P (Pass)	-	50% & Above
F (Fail)	0	<50%
AB (Absent)	0	0

- For Nursing Courses and all other courses – pass is at C Grade (5 grade point) 50% and above
- For English and electives – Pass is at P grade (4 grade point) 40% and above

Standard of Passing for B. Sc. (Nursing) programme of SCON

- First Class with Distinction – CGPA of 7.5 and above
- First Class – CGPA of 6.00 – 7.49
- Second Class – CGPA of 5.00 – 5.99

STUDENT WELFARE

The Department of Student Welfare acts as a bridge between the University and the students. With an intention to create a home away from home, the DSW works with a holistic approach towards students' concerns. The Department of Student Welfare provides services and support to students. It extends all possible help to students in order to create a conducive environment, imbuing values, ethics and morals. The rules are framed in consonance with the University Grants Commission (Redressal of Grievances of Students) Regulations, 2025.

The Department of Student Welfare facilitates the orientation program during the induction of the new batches of students. It is responsible for processing various scholarships. It leads in organizing the cultural fest for freshers at the Lavale campus and the organization of cultural events at other constituents. It facilitates study tours/ excursions arranged by constituents. The department is responsible for dealing with disciplinary matters related to students of all constituents of SIU. The Head of the Department of Student welfare disseminates awareness about the Code of Conduct applicable to the students of the university.

The Code of Conduct helps the University to maintain an appropriate sense of order that allows the pursuit of the University's objectives in a safe and free environment.

Code of Conduct

Preamble

Every University strives to deliver its academic programmes in an environment that is conducive to learning, critical inquiry, development of scientific temper, sensitivity towards community and respect for diversity. These have been enshrined within the mission statements of the Symbiosis International (Deemed University) [SIU]. Students being *raison d'être* for any Institution, a lot of effort goes into ensuring an enriching student experience. Discipline

is an important ingredient to not only foster effective teaching-learning process, but also to ensure the safety and security of all the stakeholders including students. Any disturbance on account of student indiscipline impacts the harmony on the premises of the institute which is why institutes formulate Code of Conduct and lay down just and fair policies to inquire and decide with violation of Code of Conduct by students on its premises. It is binding upon any student, who seeks admission, to comply with the requirements of the Code of Conduct.

The Code of Conduct under these rules has been framed to foster and protect the core missions of the University, the scholarly and civic development of the students in a safe and secure learning environment, and to protect people, properties and processes that support the University and its missions. The establishment and maintenance of a community where there is freedom to teach and to learn is dependent on maintaining an appropriate sense of order that allows for the pursuit of objectives of the University in an environment that is both safe and free of invidious disruption.

Towards this end, the purpose of the Code of Conduct is to define limits of acceptable student conduct and defining violations thereof, as misconducts. Further, it lays down the disciplinary proceedings at the University within the applicable laws of the land ensuring that the actions taken are in pursuance of the same. However, the Code reserves the right of the University to take necessary disciplinary actions against the alleged delinquent in the event of him/ her having been found guilty or convicted by the appropriate authority under the law to which s/he is subjected.

Hence, rules are necessary to mark the boundaries of this needed order in the form of this Code of Conduct.

Applicability

The Code of Conduct is applicable to all students, admitted to the programmes at all Constituents of the University at its main campus/ off-campus/ off-shore campus, pursuing degree/ diploma/ certificate

programmes through full-time/part-time/ distance/ open and online learning mode(s) and includes all on-campus and outside campus activities. The outside campus activities shall include internship(s), training(s), outbound activities, study visits, excursions, field visits, international exchange programs, representation or participation in sports and other co-curricular and extra-curricular activities or festivities or any other, as prescribed by the University from time to time.

Jurisdiction

For students who feel aggrieved with the action taken by the competent authorities of the University for any breach of the Code of Conduct and who wish to avail legal recourse, the Judicial Jurisdiction shall be Pune.

Responsibilities of Students

Students are members of the University community and citizens of the state. As citizens, students are responsible to the community of which they are a part, and also, they are responsible towards the academic community of the University.

Disciplinary Misconduct (DMC)

The students are expected to maintain absolute integrity at all times, observing courtesy and consideration towards one another and acting in the best interest of the university. However, in the event of any misconduct being reported by any person against any student of the university, measures may be taken by the competent authority depending upon whether the misconduct is of major or minor nature. Students found to have committed or to have attempted to commit the following misconduct are subject to appropriate disciplinary action under this Code of Conduct. The instances of misconduct are not to be interpreted as all-inclusive of situations in which disciplinary action will be invoked. These instances are illustrative, and the University reserves the right to initiate disciplinary action in appropriate circumstances not set out in this article.

DMC1: Academic Misconducts: Academic Misconducts means misconducts which include (a) unfair means used in examinations/ evaluations and or (b) plagiarism as defined in respective Rules/ Regulations.

DMC 1 (a): Unfair means: 'Unfair means denote any unethical means and malpractices adopted by students using examination or in submission of any assignments leading to internal and/or external evaluation; OR unfair means adopted by students under semester exchange programme, twinning programme, credit transfer arrangement like fabricating/ forging/ altering of Grade sheets/ marksheets given by other Indian / foreign university/ institution under multiple entry/ exit options or any exchange related programme, twinning programme, credit transfer arrangement, etc. and noticed by the University

DMC 1 (b): Plagiarism: 'Plagiarism' means the practice of taking someone else's work or idea and passing them as one's own.

DMC 2: Disruptive Conduct:

Disruptive Conduct means a conduct that intentionally or substantially obstructs or disrupts teaching or freedom of movement or other lawful activities including workshops/ seminars/ conventions/ moot courts/ student gatherings/ functions etc. on University premises or in connection with any University-sponsored event or activity,

Rude/ unruly behavior and or use of foul language towards staff/ faculty/ campus administration staff, fellow students.

Rash driving, over speeding, breaching traffic rules, wrong parking, honking of horns on campus

DMC 3: Discrimination:

3.1 'Discrimination' means engaging in verbal or physical behavior directed at an individual or group based on origin, race, creed, gender, religious beliefs, or sexual orientation that, according to a person

of reasonable sensibilities, is likely to create an intimidating or demeaning environment that impedes the access of other students, faculty and staff to the educational benefits available to them.

3.2 It also includes wearing articles of clothing with derogatory, racist, discriminatory, patently offensive, profane, sexually explicit, or graphic messages either in words or pictures, which demonstrate bias or discrimination against any individual or group within the University.

DMC 4: Falsification: 'Falsification' means willfully providing false, misleading, or incomplete information, whether oral or in writing or in the form of document(s) with the intention of concealing the material facts; to Institutes/ Sections/ Departments/ University offices or officials;

DMC 1 (b) Forging or altering official University records or documents or conspiring with or inducing others to forge or alter University records or documents.

Fabrication/ forging of degree certificates of the University (SIU/ other Indian/ Foreign)

DMC 5: Refusal to Identify or Impersonation: Refusal to show/ provide Identity Card to University staff when demanded or falsely identify oneself when requested by an authorized University Official or impersonating.

DMC 6: Illegal or Unauthorized Possession or Use of Weapons:

Illegal or unauthorized possession or use of weapons means possessing or using weapons or articles or substances usable as weapons, including, but not limited to, firearms, incendiary devices, explosives, and dangerous biological or chemical agents.

Not informing the concerned authorities in spite of knowing presence of weapons, including, but not limited to, firearms, incendiary devices, explosives, and dangerous biological or chemical agents

DMC 7: Illegal or Unauthorized Possession, Distribution or Use of Drugs or electronic cigarettes: Symbiosis strongly advocates Drug Free Campuses and has zero tolerance towards any such practice. It is the strict policy of Symbiosis that no student shall possess on their person, personal belongings (such

as bags, room, vehicle, wardrobe, desks, beds etc.) or use, distribute or sell, illegal drugs, or controlled substance, or e- cigarettes on its premises. Possession of paraphernalia associated with the illegal distribution, sale, use, possession, or manufacture of a controlled substance or electronic cigarettes is also strictly prohibited. It is incumbent on the student to prove that the banned substance is not theirs if found on their person/ personal belongings.

Students having knowledge of this misconduct shall report the same to Director/ Administrative Officer of the concerned Institute immediately. If students fail to report despite knowledge they shall be liable for breaching this rule and shall be subjected to disciplinary action under the Code of Conduct.

DMC 8 (a): Possession, consumption, distribution, and or sale of tobacco:

Possession, consumption, distribution, sale of cigarettes and or tobacco, is strictly prohibited on the premises of the University and its Constituents. Any such behaviour shall amount to violation of the Code of Conduct.

DMC 8 (b): Possession, consumption, distribution, sale of Alcohol/ Alcoholic Beverages:

It is a strict policy of Symbiosis that students shall not possess, consume, distribute or sell alcohol or alcoholic beverages on premises of the University and its constituents. Any such behaviour shall amount to violation of the Code of Conduct.

Students having knowledge of occurrence of this misconduct shall report the same to Director/ Administrative Officer of the concerned Institute immediately. If students fail to report despite knowledge, they shall be liable for breaching this rule and shall be subjected to disciplinary action under the Code of Conduct.

DMC 9: Unauthorized Access and Use of Property & Facilities:

Unauthorized access means accessing without authorization University property, facilities, services, or information systems, or obtaining or providing to another person the means of such unauthorized access,

including, but not limited to, using or providing without authorization keys, access cards, or access codes.

DMC 10: Act of Violence, Threatening, Harassing, or Assaultive Conduct:

Act of Violence, Threatening, abusing, harassing, or assaultive conduct means engaging in conduct that has caused injury to/ death of other person/ students of the campus, a conduct that endangers or threatens to endanger the health, safety, or welfare of another person, including, but not limited to, threatening, harassing, fighting or assaultive behaviour, disturbing academic and administrative environment on the campus. Being a part of the actual act or accompanying the main defaulter in the act.

DMC 11: Theft, Property Damage, and Vandalism:

Theft, property damage, and vandalism include theft or embezzlement of, damage to, destruction of, unauthorized possession of, or wrongful sale or gift of property belonging to University/ residents/ students/ or any other person on the campus.

Misuse of/ damage to property/ facilities like hostel, gym, gym equipment, swimming pool, playground, mess and cafe facilities and not abiding by the basic guidelines of using the facilities.

DMC 12: Recording of Images without Knowledge/ Altering of a Photograph of a Student(s)/ Person(s):

Using electronic or other means to make a video or photographic record of any person in a location where there is a reasonable expectation of privacy without the person's prior knowledge, or altering/ enhancing/ distorting/ photograph of a student/ person, which photograph may/ may not have been taken with consent, when such a recording/ altering/ enhancing/ distorting is likely to cause injury, distress, or damage to reputation of such student/ person. This includes, but is not limited to, taking video or photographic images in shower/ locker rooms, residence hall rooms, and restrooms. The storing, sharing, and/ or distributing of such unauthorized records by any means is also prohibited.

DMC 13: Causing Disrepute to other students/ faculty:

Engaging or inciting other students to engage by any means whatsoever and performing or attempting to perform an act, which bring disrepute to other students/ faculty of the University. Students shall also not engage in filing a complaint on behalf of another student without the consent of such a student.

DMC 14: Ragging:

Any act which amounts to ragging in any form as defined under UGC Regulations, 2009 on 'Curbing the Menace of Ragging in Higher Educational Institutions' and subsequent amendments thereto from time to time.

DMC 15: Sexual Harassment:

Any conduct or act which amounts to sexual harassment in any form as defined under University Grants Commission (Prevention, Prohibition and Redressal of Sexual Harassment of Women Employees and Students in Higher Educational Institutions) Regulations, 2015, the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and subsequent amendments from time to time.

In case of misuse of the provision of the act; OR in case of a false or malicious complaint OR in case the complainant or respondent do not appear for the hearing despite at least three reminders; OR do not submit mandatory documents despite at least three reminders.

DMC 16: Unauthorized Agreements/ Contracts:

Students are prohibited from entering into verbal or written agreements or contracts with third parties that purport to bind, obligate, or create liability of any kind for the University. The University will hold all such students individually liable for any financial or legal consequences or damages that may result from such unauthorized actions.

DMC 17: Abuse of Electronic Communication:

Using University or personal telecommunications, data communication networks for illegal or improper purposes or in violation of University regulations and policies, or related laws. Using social media platforms to malign the image, bring disrepute to the University, its officials, staff and other students, or make them

subject of ridicule by the members of the community or society.

DMC 18: Media Contact:

Speaking on behalf of or for the University with any media organization or publication, or from inviting the same to any University-owned or operated property, facility, or event, without the express prior written permission of the University is treated as a serious misconduct.

DMC 19: Organization and Event Registration:

A Student or group of Students shall not form any organization, society or organize any event or collect any fund or subscription without the specific written permission of the University.

DMC 20: Presenting False Testimony:

Knowingly making false statements regarding a disciplinary matter before, during or after the disciplinary adjudication process.

DMC 21: Denial/ Failure to comply with the directives of the University or any other authority: Denial/ Failure to comply with legitimate directives of authorized University officials, law enforcement agency in the performance of their duties or violation of the terms of a disciplinary code and rules of the University.

DMC 22: Misuse of Learning Resources:

Misuse of Learning Resources including theft, tearing pages, damage to e-resources, not returning books in time, any purposeful activity with respect to learning resources which is harmful to other students, staff and faculty.

DMC 23: Causing Harm/ Disrepute while involved in External Activities (Sports/ Internship/ Excursions/ Study Tours/ Cultural Events):

Any behavior causing damage/ harm/ disrepute to the University and its employees/ students and persons of the visiting place for external activity shall amount to violation of Code of Conduct

Students or persons from other Universities/ Institutions visiting our University/ Constituent for event and cause damage/ harm/ disrepute to the University and its employees/ students shall be liable for action under this Code.

DMC 24: Violation of Hostel Rules: Any misconduct in the Hostel shall amount to violation of Code of Conduct.

DMC 25: Violation of Examination Rules:

Any conduct adversely affecting sanctity of the examination in any form as mentioned in the examination rule book as notified from time to time shall amount to violation of Code of Conduct. SIU has notified a separate Examination Rules, viz. Examination Rules Any conduct of student against the Examination rules not defined herein will also amount to misconduct under these rules.

DMC 26: Violation of University Rules:

Violation of all other University policies, or rules, or violations of law, or UGC Regulations. These University policies or rules include, but are not limited to, those rules, that regulate dress code (any violation of dress code specified by the Constituent Institutes while students are in the academic area and or functions organized by the Constituent/ University), that regulate submission of assignments, which regulate examinations, that prohibit the misuse of library, misuse of computing resources, misuse of laboratory, that regulate acts which amount to sexual harassment, rules for student and hostel rules and regulations.

DMC 27: Public display of affection:

Any conduct involving objectionable physical display of affection of any form, adversely affecting the sanctity of the University premises (academic blocks, hostel premises, mess, gym, or any other place inside the University campus) shall amount to violation of the Code of Conduct.

DMC 28: Non-Cooperation in inquiry process:

Exhibiting a conduct indicating non-compliance with the direction of any inquiry committee, this shall also include not extending the required/ obvious assistance and cooperation in conducting any inquiry/ appeal

Note: The quantum of punishment to be given to the student who has violated the Code of Conduct is as far as possible in proportion to the gravity of the misconduct. However, the respective Disciplinary Authority after taking considered view, can take appropriate decision

as it deems fit.

It may be noted that, this list though elaborate is not exhaustive. Any type of misconduct not covered herein, may still be construed as misconduct and may be inquired and decided with under the Code and any other penalty or punishment as deemed fit may be imposed by the competent authority on case to case basis. Further, punishment and penalty may be in combination and concurrent on case to case basis.

Campus Student Grievance Redressal Committee:

Every Institute/Department shall constitute a Grievance Redressal Committee to address grievances of students. The students should be informed about the existence of such a committee, the members and the procedure of submitting grievances. Constitution of Grievance Redressal Committee: The committee shall be constituted by the Vice Chancellor and shall have following members:

1. Preamble

Symbiosis International (Deemed University) is committed to provide and maintain a conducive learning environment that is unprejudiced, productive and respectful to all. The University has laid down a policy and procedure to redress grievances of students in consonance with University Grants Commission (Redressal of Grievances of Students) Regulations, 2023.

2. Short Title, Applicability and Commencement

i) Short Title: These Rules shall be called Symbiosis International (Deemed University) [Redressal of Grievances of Students] Rules, 2023.

ii) Applicability: These Rules shall apply to all students who are pursuing a programme of study either through regular mode or online mode, including short-term training programmes in university or seeking admission to be enrolled in any Constituent/ Continuing Education Departments of the University.

iii) Commencement: The Symbiosis International (Deemed University) [Redressal of Grievances of Students] Rules, 2025, shall come into force with effect from the date of notification and shall supersede Symbiosis International (Deemed University) [Redressal of Grievances of Students] Rules, 2023/ Guidelines/ Policies issued in this regard.

3. Objectives

- i) To provide opportunities for redressal of certain grievances of students, defined under these rules, who are enrolled in the University and also to those who are seeking admission in the University, through a transparent, just and fair mechanism.
- ii) To facilitate speedy redressal of grievances of students;

4. Definitions

In these Rules, unless the context otherwise requires

- i) 'Act' means, the University Grants Commission Act, 1956 (3 of 1956);
- ii) 'Academic Year' means the period from the commencement of the programme in any course of study in the Constituent up to the completion of the academic requirements for that particular year;
- iii) 'Aggrieved student' means a student, who is pursuing a programme of study either through regular mode or online mode, including short-term training programmes in University or seeking admission to be enrolled in any Constituent/ Continuing Education Departments of the University and who has any complaint in the matters relating to or connected with the grievances defined under these rules;
- iv) 'Campus' means and includes the Main Campus, Off-Campuses and Off-shore campus(es) of the University.
- v) 'Campus Student Grievance Redressal Committee (CSGRC)' means a committee constituted under these rules, at the level of campus;
- vi) 'Constituent' means Institute/ School/ College/ Centre/ Department operating under the

administrative, academic and financial control of the University and declared as such under the Notification, issued from time to time and includes Institute/ School/ College/Centre/ Department established and notified by University, thereafter, from time to time.

- vii) 'Commission' means the University Grants Commission;
- viii) 'Declared admission policy' means such policy, including the process there under, for admission to a programme as may be offered by the University by publication on the website/ e-prospectus/ Admission Brochure of the University.
- ix) 'Grievance' means, and includes, complaint(s) made by an aggrieved student in respect of the following, namely:
 - i. admission contrary to merit determined in accordance with the declared admission policy of the University;
 - ii. irregularity in the process under the declared admission policy of the University;
 - iii. refusal to admit in accordance with the declared admission policy of the University;
 - iv. non-publication of prospectus/ e-prospectus by the University, in accordance with the provisions of these rules;
 - v. publication by the University of any information in the prospectus/ e-prospectus, which is false or misleading, and not based on facts;
 - vi. withholding of, or refusal to return, any document in the form of certificates of degree, diploma or any other award or other document deposited by a student for the purpose of seeking admission in the University, with a view to induce or compel such students to pay any fee or fees in respect of any course or programme of study which such students do not intend to pursue;
 - vii. demand of money in excess of that specified to be charged in the declared admission policy of the University;
 - viii. violation, by the University of any law applicable for the time being in force in regard to reservation of seats in admission to different category of students;
 - ix. non-payment or delay in payment of scholarships or financial aid admissible and payable to any student under the declared admission policy of the University and so agreed by the University, or under the conditions, if any, prescribed by the Commission;
 - x. delay by the University in the conduct of examinations, or declaration of results, beyond the schedule specified in the academic calendar of the University;
 - xi. failure by the University to provide student amenities as set out in the prospectus/e- prospectus, or is required to be extended by the University under any provisions of applicable law/rules for the time being in force;
 - xii. non-transparent or unfair practices adopted by the University for the evaluation of students;
 - xiii. delay in, or denial of the refund of fees due to a student who withdraws admission within the time mentioned in the prospectus/ refund rules of the University, or as may be, notified by the Commission;
 - xiv. complaints of alleged discrimination of students from the Scheduled Castes, the Scheduled Tribes, women, minorities or persons with disabilities categories;
 - xv. denial of quality education as promised at the time of admission or required to be provided;
 - xvi. harassment or victimization of a student, other than cases of harassment, which are to be proceeded against under the penal provisions of any law for the time being in force;
 - xvii. any action initiated/ taken contrary to the statutes, ordinances, rules, regulations, or guidelines of the University; and
 - xviii. any action initiated/ taken contrary to the regulations and/ or guidelines made/issued by the Commission and/ or the regulatory body concerned.
- x) 'Institution Deemed to be University' means Symbiosis International (Deemed University) so declared, on the advice of the Commission, by the Central Government under Section 3 of the UGC Act 1956;

- xi) 'Main Campus' means Campus of the University at its headquarters, wherein its major facilities, faculty, staff, students and its' academic departments, i.e., Pune, Maharashtra, India and includes all the campuses situated in the same territorial jurisdiction;
- xii) 'Nodal Officer' means the officer appointed/ nominated by the University to scrutinize the grievances received from aggrieved students and forward the same to Campus Student Grievance Redressal Committee/ University; Provided that the Head-Student Welfare/ Deputy Registrar, as the case maybe, shall be the Ex-Officio.
- xiii) 'Off-Campus Centre' means a Centre of the University, approved/ permitted by the Government and situated beyond its main Campus within India;
- xiv) 'Off-shore Campus' means a Centre of the University approved by the Government and situated beyond its campus, outside India;
- xv) 'Ombudsperson' means the Ombudsperson appointed by the University;
- xvi) 'Prospectus' means and includes any publication, in electronic form, issued for providing fair and transparent information, relating to the University, to the general public (including to those seeking admission in the University) by the University or any authority or person authorized by University to do so;
- xvii) 'Rules' means Symbiosis International (Deemed University) [Redressal of Grievances of Students] Rules, 2023 and other Rules of the University;
- xviii) 'Student' means a person duly admitted and on roll pursuing a programme of study either through regular mode or online mode, including short-term training programmes in University or seeking admission to be enrolled in any Constituent / Department/ Centre for studies of the University;
- xix) 'University Student Grievance Redressal Committee (USGRC)' means a committee constituted at the level of University to hear appeals from an aggrieved student against the decisions

of the Campus Student Grievance Redressal Committee (CSGRC); Words and expressions not defined in these rules shall have the same meaning as appearing in the Regulations or in any other manual/ handbook/ guideline notified by the University Grants Commission/ University.

5. Mandatory Publication of Prospectus/ e-prospectus, its Contents and Pricing

5.1 The University, shall publish and/ or upload on its website, before expiry of at least sixty days prior to the date of the commencement of the admission to any of its programme, a prospectus containing the following for the information of persons intending to seek admission to Constituent/ University and the general public, namely:

- a) the list of programmes of study offered along with the broad outlines of the syllabus specified by the Authorities of the University; as the case may be, for every programme of study, including teaching hours, practical sessions and other assignments;
- b) the number of seats approved by the Authorities of the University in respect of each programme for the academic year for which admission is proposed to be made;
- c) the conditions of educational qualifications and eligibility including the minimum and maximum age limit of persons for admission as a student in a particular programme of study, specified by the University;
- d) the process of selection of eligible candidates applying for such admission, including all relevant information in regard to the details of test or examination for selecting such candidates for admission to each programme and the amount of fee prescribed for the admission test;
- e) academic fee, deposits and other charges payable by the students admitted to the University for pursuing a programme, and the other terms and conditions of such payment;
- f) rules/ regulations for imposition and collection of any

- finer in specified heads or categories, minimum and maximum fine may be imposed;
- g) the percentage of academic fee and other charges refundable to a student admitted in the University for the particular programme in case such student withdraws before or after completion of programme and the time within and the manner in which such refund shall be made to that student;
 - h) details of the teaching faculty, including their educational qualifications, along with their type of appointment (regular/visiting/guest) and teaching experience of every member thereof;
 - i) information with regard to physical and academic infrastructure and other facilities including hostel accommodation and its fee, library, hospital or industry wherein the practical training is to be imparted to the students and in particular the amenities accessible by students on being admitted to the Constituent/ University;
 - j) all relevant instructions in regard to maintaining the discipline by students within or outside the campus of the University, and, in particular such discipline relating to the prohibition of ragging of any student or students and the consequences thereof and for violating the provisions of any regulation in this behalf made by the relevant statutory regulatory authority; and
 - k) Any other information as may be specified by the Commission: Provided that the University shall publish/upload information referred to in clauses (a) to (k) of these rules, on its website, and the attention of prospective students and the general public shall be drawn to such publication being on the website through advertisements/ e advertisement displayed prominently in different newspapers and through other media.
- 5.2 The University shall publish the e-prospectus, however, if the prospectus is to be published in print form then the University shall fix the price of each printed copy of the prospectus, being not more than the reasonable cost of its publication and distribution and no profit be made out of the

publication, distribution or sale of prospectus.

6. Student Grievance Redressal Committees

6.1 The University shall constitute the following Grievance Redressal Committees:

6.1.1 Campus Student Grievance Redressal Committee (CSGRC) at each campus/ location

6.1.2 University Student Grievance Redressal Committee (USGRC)

i. The Composition of the Campus Student Grievance Redressal Committee (CSGRC) at each campus/ location shall be as follows:

- i) A Professor to be nominated by the Vice Chancellor – Chairperson
- ii) Four Professors/ Senior Faculties from amongst Constituents on the campus, by rotation, to be nominated by the Vice Chancellor - Members
- iii) A representative from among students of the Constituents in the campus, by rotation, to be nominated by the Vice Chancellor based on academic merit/ excellence in sports/ performance in cocurricular activities - Special Invitee
- iv) Administrative Officer from amongst Constituents located in the campus by rotation, to be nominated by the Vice Chancellor (based on seniority) – Member Secretary

Note – (i) At least one member or the Chairperson shall be a woman; and

(ii) At least one member or the Chairperson shall be from SC/ST/OBC category.

In case the Chairperson is not available, then the Vice Chancellor shall appoint any other Director from the campus as the Chairperson for conduct of that particular grievance matter.

Provided that if the University is not able to fulfil the criteria laid down in the note mentioned above then the University may make suitable replacements.

- i. The term of the Chairperson and members of the Committee shall be of two years.
- ii. The term of the special invitee shall be of one year.
- iii. A member shall cease to be a member of the Campus Student Grievance Redressal Committee (CSGRC)

as soon as he ceases to belong to the category from which he/she became the member of the Committee.

- iv. The quorum for the meeting of the Committee, including the Chairperson, but excluding the special invitee, shall be three.
- v. In considering the grievances before it, the Campus Student Grievance Redressal Committee (CSGRC) shall follow principles of natural justice.
- vi. The CSGRC shall send its report with recommendations, if any, to the Department of Student Welfare of the University, preferably within a period of fifteen (15) working days, from the date of receipt of the complaint. The Department of Student Welfare shall communicate the decision taken on the recommendations to the student and a copy thereof to the CSGRC and the Director of the Constituent to which the aggrieved student belongs to, preferably within a period of three (03) working days, from the date of receipt of the recommendations.
- vii. Any student aggrieved by the decision of the Campus Student Grievance Redressal Committee (CSGRC) may prefer an appeal to the University Student Grievance Redressal Committee (USGRC), within a period of ten (10) working days from the date of receipt of such decision.

If the grievance is still not resolved, the student may prefer an appeal to the Ombudsperson, within a period of fifteen (15) working days from the date of receipt of decision of the University Student Grievance Redressal Committee (USGRC).

b. Functioning of the Campus Student Grievance Redressal Committee (CSGRC) at each campus/ location:

- i) The Campus Student Grievance Redressal Committee (CSGRC) shall consider grievances in respect of the following, namely:
 - a) admission contrary to merit determined in accordance with the declared admission policy of the University;
 - b) irregularity in the process under the declared admission policy of the University;
 - c) refusal to admit in accordance with the declared admission policy of the University;
 - d) non-publication of prospectus/ e-prospectus by the University, in accordance with the provisions of these rules;
 - e) publication by the University of any information in the prospectus/ e-prospectus, which is false or misleading, and not based on facts;
 - f) withholding of, or refusal to return, any document in the form of certificates of degree, diploma or any other award or other document deposited by a student for the purpose of seeking admission in the University, with a view to induce or compel such students to pay any fee or fees in respect of any course or programme of study which such students do not intend to pursue;
 - g) demand of money in excess of that specified to be charged in the declared admission policy of the University;
 - h) violation, by the University of any law applicable for the time being in force in regard to reservation of seats in admission to different category of students;
 - i) non-payment or delay in payment of scholarships or financial aid admissible and payable to any student under the declared admission policy of the University and so agreed by the University, or under the conditions, if any, prescribed by the Commission;
 - j) delay by the University in the conduct of examinations, or declaration of results, beyond the schedule specified in the academic calendar of the University;
 - k) failure by the University to provide student amenities as set out in the prospectus/e- prospectus, or is required to be extended by the University under any provisions of applicable law/rules for the time being in force;
 - l) non-transparent or unfair practices adopted by the University for the evaluation of students;
 - m) delay in, or denial of the refund of fees due to a student who withdraws admission within the time mentioned in the prospectus/ refund rules of the University, or as may be, notified by the Commission;

- n) complaints of alleged discrimination of students from the Scheduled Castes, the Scheduled Tribes, women, minorities or persons with disabilities categories;
 - o) denial of quality education as promised at the time of admission or required to be provided;
 - p) harassment or victimization of a student, other than cases of harassment, which are to be proceeded against under the penal provisions of any law for the time being in force;
 - q) any action initiated/ taken contrary to the statutes, ordinances, rules, regulations, or guidelines of the University; and
 - r) any action initiated/ taken contrary to the regulations and/ or guidelines made/issued by the Commission and/ or the regulatory body concerned.
- ii) A student aggrieved by a grievance(s) defined in the Rules shall submit his/ her grievance through the online Grievance Redressal Portal of the University only. The Nodal Officer shall refer the complaint to the appropriate Campus Student Grievance Redressal Committee (CSGRC) along with his/her comments within three (3) working days of receipt of the online complaint.
 - iii) On receipt of an online grievance (complaint) from the Nodal officer, the Chairperson of the Campus Student Grievance Redressal Committee (CSGRC), as the case may be, shall fix a date of hearing the complaint and issue a Notice of Meeting with the copy of the complaint to the aggrieved student, Director of the Constituent/Head of the Department/Centre for studies to which the aggrieved student belongs or seeking admission to; and to the members of the Committee, within three (3) working days.
 - iv) The aggrieved student may appear in person or otherwise authorize a representative to present the case. No person shall have the right to legal representation during the proceedings.
 - v) The Committee shall follow a fair and transparent procedure and principles of natural justice in the inquiry of the grievance. The Committee shall give adequate and fair opportunity to the aggrieved student, Director/ Head of the Constituent/

- Department/Centre for Studies, and other concerned person(s) to place the facts, documents and views concerning the grievance(s) before it;
- vi) The Committee shall investigate the case thoroughly and take written statements from the concerned parties. The Committee through its proceedings shall record finding(s) and pass appropriate recommendation(s).
 - vii) The CSGRC shall ensure that the grievance redressal procedure is completed preferably within a period of thirteen (13) working days, from the date of receipt of the complaint and send the report with recommendations, if any, to the Department of Student Welfare of the University.
 - viii) The Head-Student Welfare shall communicate the decision to the aggrieved student within three (3) working days with a copy to the Chairperson of the CSGRC and the Director of the Constituent to which the aggrieved student belongs to.
 - ix) The aggrieved student may prefer an appeal against the decision of the CSGRC to the Head-Student Welfare with a copy to the Chairperson, USGRC within a period of ten (10) working days from the date of receipt of such decision.
 - x) If the aggrieved student does not prefer an appeal then the Head-Student Welfare shall inform the Director of the Constituent to act on the decision.
 - xi) The Director shall send the Action Taken Report to the Head-Student Welfare with a copy to the Chairperson of the Campus Student Grievance Redressal Committee (CSGRC) within a period of seven (7) working days. The Chairperson shall forward a quarterly report of the functioning of Campus Student Grievance Redressal Committee (CSGRC) in the prescribed format, to the Head-Student Welfare, SIU.

The University has created an additional mechanism to facilitate grievance redressal in case a student is aggrieved by the decision of the Campus Student Grievance Redressal Committee.

6.1.2 University Student Grievance Redressal Committee (USGRC)

i.) The Composition of the University Student Grievance Redressal Committee (USGRC) shall be as follows:

- i) Director of a Constituent, a Professor, by rotation, to be nominated by the Vice Chancellor Chairperson
- ii) Two Professors to be nominated by the Vice Chancellor Members
- iii) Head-Student Welfare Secretary
 - a. At least one member or the Chairperson shall be a woman.
 - b. The term of the Chairperson and members of the Committee shall be of two years.
 - c. A member shall cease to be a member of the University Student Grievance Redressal Committee (USGRC) as soon as he ceases to belong to the category from which he became the member of the Committee.
 - d. The quorum for the meeting of the Committee, including the Chairperson shall be three.
 - e. The University Student Grievance Redressal Committee (USGRC) shall function as an Appeals Committee which shall follow the principles of natural justice.

7. The Procedure for Appeal:

- i) Any student aggrieved by the decision of the Campus Student Grievance Redressal Committee (CSGRC), may prefer an appeal to the University Student Grievance Redressal Committee (USGRC) within a period of 10 working days from the date of receipt of such a decision.
- ii) The procedure and timelines regarding the conduct of the meetings of the University Student Grievance Redressal Committee (USGRC) will be similar to the Campus Student Grievance Redressal Committee (CSGRC).
- iii) Any student aggrieved by the decision of the University Student Grievance Redressal Committee (USGRC), they may prefer an appeal to the Ombudsperson by writing to the Head- Student

Welfare, within a period of 15 working days from the date of receipt of such decision(s) of the USGRC.

8. Appointment, Tenure, Removal and Conditions of Services of Ombudsperson:

- i) The University shall appoint an Ombudsperson for redressal of grievances in the form of appeals preferred by the aggrieved students which are not redressed at the level of University Student Grievance Redressal Committee (USGRC);
- ii) The Ombudsperson shall be a retired Vice-Chancellor or a retired Professor (who has worked as Dean/ HOD) and has 10 years' experience as a Professor at State/ Central Universities/ Institutions of National Importance/ Deemed to be Universities or a former District Judge.
- iii) The Ombudsperson shall not, at the time of appointment, during one year before appointment, or in the course of his/her tenure as Ombudsperson, be in conflict of interest with the University where his/her personal relationship, professional affiliations or financial interest may compromise or reasonably appear to compromise, the independence of judgment towards the University.
- iv) The Ombudsperson shall be appointed for a period of three years or until he/she attains the age of 70 years, whichever is earlier, from the date of assuming office, and shall be eligible for reappointment for another one term. For conducting the hearings, the Ombudsperson shall be paid a sitting fee, per diem, in accordance with the norms fixed by the university and shall, in addition, be eligible for reimbursement of the expenditure incurred on conveyance.
- v) The University may remove the Ombudsperson from office, on charges of proven misconduct or misbehavior.
- vi) No order of removal of Ombudsperson shall be made except after an inquiry made in this regard by a person, not below the rank of a retired judge of the High Court in which a reasonable opportunity of being heard is given to the Ombudsperson.

vii) Nothing mentioned herein above in these Rules shall affect the continuance in office, during the currency of the term, of an incumbent Ombudsperson appointed under the provisions of the UGC (Grievance Redressal) Regulations, 2019; where after, the appointment of Ombudsperson shall be made as per University Grants Commission (Redressal of Grievances of Students) Regulations, 2023 University Rules.

8.1 Functions of the Ombudsperson:

- i) The Ombudsperson shall hear appeals from the aggrieved student, only after the student has availed all other remedies provided under these Rules.
- ii) While issues of malpractices in the conduct of examination or in the process of evaluation may be referred to the Ombudsperson, no appeal or application for revaluation or re-totaling of answer sheets from an examination shall be entertained by the Ombudsperson unless specific irregularity materially affecting the outcome of specific instance of discrimination is indicated.
- iii) The Ombudsperson may avail assistance of any person, as amicus curiae, for hearing complaints of alleged discrimination;
- iv) The Ombudsperson shall make all efforts to resolve the grievances within a period of 30 (thirty) working days of receiving the appeal from the aggrieved student(s).

8.2 Procedure for Grievance Redressal by the Ombudsperson:

- i) Any student not satisfied by the decision of the University Student Grievance Redressal Committee (USGRC) may prefer an appeal to the Ombudsperson within a period of 15 (fifteen) working days through the Student Welfare Department.
- ii) The University shall extend co-operation to the Ombudsperson in early redressal of grievances; and failure to do so may be reported by the Ombudsperson to the Commission, which shall act

in accordance with the provisions of the University Grants Commission (Redress of Grievances of Students) Regulations, 2023.

- iii) The Ombudsperson, as the case may be, shall fix a date for the hearing of the appeal which shall be communicated by the Head, Student Welfare to the concerned Constituent/Sections/ Support Departments and the appellant.
- iv) The Ombudsperson shall, after giving reasonable opportunities of being heard to the parties, on the conclusion of proceedings, pass such order, with reasons thereof, as may be deemed fit to redress the grievance and provide such relief as may be appropriate to the aggrieved student.
- v) The University, as well as the aggrieved student, shall be provided with copies of the order under the signature of the Ombudsperson.
- vi) The University shall comply with the recommendations/ order of the Ombudsperson;
- vii) The Ombudsperson may recommend appropriate action against the complainant, where a complaint is found to be false or frivolous.

9. Information Regarding Ombudsperson and Student Grievance Redressal Committees:

The University shall furnish, prominently, on its website and in its prospectus, all relevant information in respect of the Campus Student Grievance Redressal Committee(s) (CSGRC) and the University Student Grievance Redressal Committee (USGRC), under its purview, and the Ombudsperson for the purpose of appeals.

10. Validation of Certain Actions and Decisions:

No Act or proceedings of the Campus Student Grievance Redressal Committee(s) (CSGRC) and the University Student Grievance Redressal Committee (USGRC), and Appeal under these rules shall be invalid merely by reason of:

- i) Any vacancy there or any defect in constitution thereof;

- ii) Any defect in the nomination of appointment of a person acting as a member thereof;
- iii) Any irregularity in its procedure not affecting the merits of the subject matter.

These Rules have been necessarily modified considering the structure of Symbiosis International (Deemed University), however the modifications are in no manner inconsistent with the principal University Grants Commission (Redressal of Grievances of Students) Regulations, 2023.

Anti-ragging Mechanism:

To maintain the physical and psychological health of its students, Symbiosis International (Deemed University) has set an anti-ragging mechanism as per UGC guidelines. It includes dealing with undisciplined acts that cause or are likely to cause annoyance, hardship, psychological harm, and fear or apprehension in any fresher or any other student (s). University Monitoring Cell, Campus wise Anti Ragging Committee, Campus wise Anti-Ragging Squad, Mentoring Cells are constituted by all the constituent Institutes of the University at the end of each academic year.

The Anti-Ragging Committee may punish a student found guilty of ragging one or more of the following punishments:

- Suspension from attending classes and academic privileges
- Withholding/withdrawing scholarship / fellowship and other benefits
- Debarring from appearing in any test/ examination or other evaluation process
- Withholding results
- Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.

The Anti-ragging helpline of the University is +919552525725

Zero -Tolerance For Ragging And Sexual Harassment

MECHANISM TO STOP RAGGING

SIU takes an uncompromising stand against ragging, in line with UGC and AICTE regulations. All students and parents must submit mandatory anti-ragging affidavits. The university has dedicated Anti-Ragging Committees, Squads, and a Monitoring Committee to ensure vigilance and swift action against any reported incidents. Anti-ragging billboards with helpline details and consequences of violations are prominently displayed across campuses. Surprise inspections, CCTV surveillance, and restricted hostel access further reinforce a safe environment. Students are urged to report any concerns through SIU's online complaint portal. The contact details in this regard are mentioned in each SIU campus spread across its 42 campuses.

MECHANISM TO STOP SEXUAL HARASSMENT

SIU ensures a strict stance against sexual harassment, adhering to UGC regulations and the POSH Act, 2013. The University has a dedicated Internal Committees (IC) at each Campus for complaint redressal, along with a Gender Sensitization Cell, the Samvedana Committee, a comprehensive Gender Policy, and a structured Gender Sensitization Action Plan. Awareness programs, workshops, CCTV surveillance, and restricted access measures ensure a safe campus environment. SIU also provides an Online Grievance Redressal System on its website for easy and confidential reporting, reaffirming its commitment to gender equity and a harassment-free campus. The contact details in this regard are mentioned in the SIU campuses.

HEALTH, RECREATION AND WELLNESS

Symbiosis Centre for Health Care (SCHC)

The Symbiosis Centre of Health Care (SCHC) was established on 14th June 1997 as an 'In-house Health Care Unit' of Symbiosis. Under the Health Promoting University (HPU) initiative of the Symbiosis International (Deemed University), SCHC undertakes a host of preventive, promotive & curative healthcare services for the students and staff of the Symbiosis family. The vision of SCHC is 'Envisioning a state of positive health in the community' and its mission statement is 'To promote health & wellness amongst students, staff, and community.'

It is operational at all the campuses of Symbiosis across India.

Promotive health care facilities:

1. Health Promotion Programmes: With an aim to spread health awareness and promote positive health amongst students, interactive sessions are organized by subject experts on various healthcare-related issues.
2. Advice on best practices for Environmental Assessment & Modification to ensure creation & maintenance of environments that promote good health through
 - a. Inspection of Campus
 - b. Inspection of eating establishments thrice a year-of Canteen, Mess & Food counters (e.g. coffee shops, juice centers, ice cream parlors)
 - c. Guidance for water testing for the availability of potable water on campus

Preventive health care facilities:

1. Annual Health Checkup (AHC) of the students/ staff of Symbiosis is conducted and health records are maintained electronically. The comprehensive health check-up comprises clinical examination from different disciplines (Physician, Ophthalmologist, ENT specialist & Dentist) & basic Lab investigations (Haemogram, Blood group & Urine examination).
2. Pre-employment Health Check-up: Before joining Symbiosis, every prospective candidate is required to complete the process of Pre-Employment health check-up at the Symbiosis Centre of Health Care.
3. Health Check-up of food handlers working at catering establishments of Symbiosis is conducted annually and before joining the catering establishments.

Curative health care facilities:

1. Out Patient Department (OPD): Primary care is provided by medical officers. Patients/ students/ staff can be referred to a specialist/ consultant for treatment as per their condition.
2. Campus Medical Officer is available on call 24 X 7. Patients are also referred to multi-specialty hospitals if required. Contact numbers of campus medical officers are:

DEPARTMENT OF SPORTS AND RECREATION AND WELLNESS (DSRW)

Sports and Games are essential components of human resource development, helping to promote good health, comradeship and the spirit of healthy competition. This in turn has positive impact on the holistic development of personality of the youth who is the potential source of energy, enthusiasm and inspiration for development, progress and prosperity of a Nation. Symbiosis International (Deemed University) established its University Sports Board in 2010 and the Department of Sports, Recreation & Wellness (DSRW) was established in 2019. The DSRW particularly is responsible for the development of sports infrastructure, participation in sports at grass-root level, fitness testing for students and staff as well as excelling in National Sports Tournaments. The emphasis is on Physical Literacy of the students, faculty and staff for lifelong improvement in their quality of life. The Department provides access to state of art playfields and Gymnasiums at all campuses, fitness and wellness programs, multiple group classes, sports competitions and counselling.

Objectives of the University Sports Board

- To promote and provide extensive opportunities for participation in Inter Institute and Inter University sports competitions.
- To provide equal opportunities and encouragement to all students for participation in sports at all levels
- To strive for Regional, National and International excellence and prominence in Sports
- Offer a range of programs to advocate and promote Health and Wellbeing among all stakeholders
- To develop maintain and optimally utilize sporting infrastructure and gymnasiums across all campuses
- To recognize, felicitate and award individuals excelling in sports.

Activities at the Department of Sports, Recreation & Wellness

Infrastructure and facilities

On campus sports and recreation facilities are some of the best and offer many outdoor recreation options for all. We boast of 13 indoor and outdoor fitness centers, Tennis Courts, Basketball courts, Volleyball Courts, Futsal Courts, Football Field, Cricket Field, Indoor Badminton Hall, Squash Courts, Gymnasiums, Swimming Pools, Yoga and Aerobic studios, meditation center and offer many group classes, Coaching facilities, Yoga for rejuvenation and stress management and options to participate in outbound programs and competitions at all levels.

Inter Institute Championships and Participation in Inter Varsity Competitions

Inter Institute Competitions are conducted in 19 sport disciplines and from amongst them teams are selected and coaching imparted so as to represent Symbiosis International University at the Inter Varsity Competitions. Tournaments for staff are also organized annually.

Assessment of Physical Fitness

Standard Fitness tests are conducted every year to have a base level understanding of Physical Fitness standards of all students, faculty and staff, analyze data, suggest interventions and offer free counselling and personal training

Mass Sporting and Physical Activity events

Emphasis is given to large scale one-of its kind Mass Sporting and Physical Activity events which are Live events, highly visual and very inspiring. These are accessible and welcoming for all ages, shapes and paces. They work towards personal wellness rather than fitness and build confidence rather than competitiveness. Some examples are Happy Healthy campus (a 3 hour activity taking you back to school, Rhythmic activity, fitness challenges and adventure sport with 500 to 1200 participants), International day of Yoga (at all 13 campuses), Symbi- Fit (Competition

to showcase your fitness with 400-500 participants) Institutional Social Responsibility (Fitness challenge for children from underprivileged schools), Fitness for Freedom Run (a run to celebrate the Independence day) and several Fitness challenges that are held at our gyms located in every campus.

Innovative activities:

These activities provide the variation and challenge that everyone is looking for and include - Sports dating (Exercising with a person of your choice), Activity breaks (Short Rhythmic activities 5-7mins in academic meetings, conferences in offices etc.), Yoga Pop ups on the screen, Stair Snacking (using the stairs to improve fitness), 10,000 steps challenge and the 108 days Yoga challenge.

Symbithon

Symbithon is a run/walk event organized to raise public awareness of NCDs, with particular emphasis on exercise and fitness as a component of preventing and managing these diseases. It aims to create healthy working, learning and living environments for students, staff and the community at large, encourage, inspire and motivate youth from varied backgrounds to improve their health through running and exercise. Symbithon had participation of more than 5700 students and staff in each of its five editions covering 21 countries.

Credit Courses

Courses in Physical fitness, Wellness are offered as floating credit courses and value-added courses in the existing Post Graduate and Under Graduate programs. Health & Wellness – Module II: Sports, Fitness & Yoga course is a 30 hours mandatory course for full-time Undergraduate / Postgraduates students to be completed once in the academic life cycle of their program.

SYMBIOSIS CENTRE FOR EMOTIONAL WELLBEING (SCEW)

Mental health encompasses our emotional, social and psychological wellbeing and is an essential part of ensuring overall health and wellness. It has a widespread impact on the different facets of one's life. Recognizing the importance of good mental health, the Symbiosis Centre for Emotional Well-being (SCEW) was established in August 2018. SCEW aims to provide promotive, preventive, and curative mental health care services within the Symbiosis community and emphasizes a model of collaborative care.

Our team comprises of diverse and skilled Mental Health Professionals, deputed to various campuses of SIU and led by their Head, Dr. Girija Mahale, and Deputy Head, Dr. Rahul Bagale. We offer counselling, psychotherapy, and psychiatric consultation services to students, staff, and faculty members across SIU while emphasizing privacy, confidentiality, comfort, and a sense of security for our clients. To ensure extensive outreach and impact, the team undertakes various initiatives and conducts awareness drives, workshops, training programs, and webinars for all stakeholders. Under the aegis of SIHS, a full-time Undergraduate Degree Program, B.Sc. in Mental Health is been recently launched by SCEW with due consideration to bringing mental health into education and reducing the stigma.

Refund Rules of the University

- (i) The university has been adhering to the provisions outlined in the UGC Notification on Refund of Fees & Non-Retention of Original Certificates, 2018, and Fee Refund Policies/ Guidelines issued from time to time. In accordance with these provisions, the university has been refunding the fees to students who cancelled their admissions.
- (ii) Due to the COVID-19 pandemic, starting from the Academic Year 2020-21, the UGC issued annual guidelines/ circulars regarding full refund of fees within specific timelines, while the other rules from the 2018 notification remained unchanged.
- (iii) The University Grants Commission (UGC) has issued a policy regarding the Fee Refund for the Academic year 2024-25 on June 12, 2024, vide letter D.O.No.F.2-71/2022(CPP-II) (C-114546), outlining the procedures for the refund of fees due to cancellations of admissions/ migration of students for the Academic Year 2024-25.
- (iv) In line with the above mentioned UGC policy, the University issued Circular 6 of 2024 dated June 26, 2024 regarding Fee Refund Policy for the Academic Year 2024-25.
- (v) The University has now revised the refund policy by consolidating clauses of Circular 6 of 2024 and the other rules from the 2018 notification. On the basis of the UGC letter dated 12th June, 2024, and UGC letter dated 27th October, 2025, these refund rules have remained in force for the Academic Year 2026-27 and shall continue to remain in force for subsequent academic years until UGC issues a revised refund policy/ guideline.

PROCEDURE:

CANCELLATION/ WITHDRAWAL OF ADMISSION:

- i) A student shall apply for cancellation of admission in the prescribed format to the Constituent / Department.
- ii) The Constituent/ Department after following due procedure will cancel the admission of the applicant

and shall refund fees to the student within 15 days from the date of his / her application.

- iii) The Constituent/ Department shall cancel the admission of the student in the following situations: -
 - a) Non-payment of fees for more than 1 semester.
 - b) Non-reporting to the institute for more than 30 days, - without prior intimation in writing to the concern authority.

PART A:

REFUND OF FEES (ACADEMIC AND NON-TUITION INCLUDING HOSTEL AND MESS):

A1: The University will refund fees according to the provisions stated in the UGC refund policy dated 12th June, 2024 from the Academic Year 2024-25 onwards until the issuance of a revised policy by the UGC as mentioned below:

Sr. No.	Particulars	Deduction	Refund
1	Cancellation of admission up to 30th September	No deduction of fees	100% refund of academic fees and refundable deposits*
2	Cancellation of admission from 01st October to 31st October.	Rs. 1000/- for Processing Charges	Refund of academic and refundable deposits after deduction of Rs. 1,000/-*
3	Cancellation of admission from 01st November onwards	100% deduction as per UGC Notification issued in Oct 018	No Refund of academic fees only refundable deposits will be paid.

*NOTE:

- a) The University will refund the amount after a proportionate deduction of hostel and mess fees for the duration of the hostel and mess facilities

availed by the student till the date of cancellation of admission or 31st October, whichever is earlier. After 1st November, no refund will be made on account of hostel and mess fees.

- b) Deduction of the insurance premium will be made from the refund amount if applicable since the University has paid an insurance premium on behalf of the student to a third-party insurance company. This amount is non-refundable. However, students can avail themselves of the benefits of the insurance scheme until the end of the valid period.
- c) Deduction of the non-refundable portion of fees, i.e. Administrative Fees for International students (Symbiosis Centre for International Education) and Registration Fee for the Ph.D. programme (Symbiosis Centre for Research & Innovation).
- d) The refund will be transferred to the same bank account that was provided during the online application for admission cancellation. The University is not liable for any delays or errors due to inaccurate information provided by the student.

A2: For any admission schedule extending/commencing beyond/after 31st October, the provisions contained in the UGC Notification issued in October 2018 on Refund of Fees and Non-Retention of Original certificates shall apply (reproduced below for ready reference)

S. No.	Percentage of Refund of fees #	Point of time when notice of withdrawal of admission is received in the HEI
(1)	100%	15 days or more before the formally-notified last date of admission
(2)	90%	Less than 15 days before the formally-notified last date of admission
(3)	80%	15 days or less after the formally- notified last date of admission
(4)	50%	30 days or less, but more than 15 days, after formally-notified last date of admission
(5)	00%	More than 30 days after formally-notified last date of admission

NOTE: #

- i) In case of (1) in the table above, the University shall deduct an amount not more than 5% of the fees paid by the student, subject to a maximum of Rs. 5,000/- as processing charges from the refundable amount.
- ii) Fees shall be refunded by the University to an eligible student within fifteen days from the date of receiving a written application from him/her in this regard.

LAST DATE OF ADMISSION:

For the purpose of refund of Fees, the last date of admission will be considered as one day prior to the date of commencement of the programme.

MEDICAL INSURANCE:

Medical Insurance premium of the student is deposited to the Insurance Company, immediately after the student obtains provisional admission. Hence, this amount is NON-REFUNDABLE.

In case the student's admission is cancelled for reasons what so ever, he/she will continue to draw all benefits under the said insurance scheme for the period insured (policy year). Students may contact Symbiosis Centre of Health Care (SCHC) at 9552525015 (24 X 7) for any query/ assistance.

REFUND OF DEPOSIT:

- i) Refund of Institution deposits shall be subject to such deductions as may be necessary on account of any damage to the property of the Institution concerned such as breakages to laboratory equipment, assets such as computers, gadgets etc., loss of library books for which the student would be responsible.
- ii) Refund of the Hostel deposit shall be subject to such deductions as may be necessary on account of any damage to the property of the Institution concerned such as fans, cupboards, glass panes, tables, chairs etc. for which the student would be responsible.

REFUND OF FEES IN OTHER CASES:

- i) In case, admission of student is cancelled on account of disciplinary action or violation of Anti Ragging Regulations or Substance Abuse or breach of Code of Conduct or any other Rules & Regulations of the University, No Refund of fees is permissible. Only the respective deposits would be refunded to the student.

- ii) In case admission of a student is cancelled on account of ineligibility, the refund of fees will be as per the table in Part A. However, after 1st November, refunds of fees (Academic and Non-Tuition including hostel and mess) will be on a pro-rata basis.

- iii) In any other case which is not covered in these rules, the decision would be taken by the Vice Chancellor.

PART B:**NON REFUNDABLE FEES**

- Insurance Premium
- International English Language Assessment (IELA) Test fees (Applicable to Foreign Nationals only)
- Registration/ Administrative Fees

GRIEVANCE REDRESSAL MECHANISM (GRM):

- i) The Constituents / Departments shall follow "Symbiosis International (Deemed University) [Redressal of Grievances of Students] Rules, 2023 prepared in accordance to University Grants Commission (Redressal of Grievances of Students) Regulations, 2023, as amended from time to time, to address and effectively resolve complaints, representations and grievances related to any of the issues mentioned in this Notification.
- ii) The GRM shall be available on university website.
- iii) The University shall ensure that all grievances received are addressed as deemed fit within 30 days.

RULES OF THE UNIVERSITY FOR TRANSFER OF ADMISSION

Transfer of Fees in Case of Transfer of Admission to another Constituent/ Department of SIU:

- i) In case student applies for transfer of admission from one constituent of SIU to another constituent of SIU, the transfer application shall be processed and if approved by the University; the transfer of fees shall be as under:
 - a) If the student applies for transfer of admission to another Constituent/ Department of the University

before commencement of the programme, then 100% fees shall be transferred to the other Constituent Institute/ Department. In case, the programme fees are different, then the student will have to pay the difference in the fees or else the amount will be adjusted in the next instalment/ refunded to the student.

- b) If a student applies for transfer of admission to another Constituent Institute/Department of the University after commencement of the programme, the proportionate amount of academic, hostel, and mess fees for the period attended shall be deducted by the transferor Institute/Department. The balance amount, after such deductions, shall be transferred to the recipient Constituent Institute/Department. The receiving Institute/Department shall charge the proportionate academic, hostel, and mess fees for the period from the date of joining until the last date of the respective semester in which the transfer is effected. The fees applicable shall be as per the fee structure of the Institute/Department to which the student is transferred. In case of any difference in the fees, the same shall be payable by the student or, as applicable, adjusted against the next instalment or refunded to the student.

- ii) If the student applies for transfer of admission to another constituent of the University and his/her transfer is approved by the University then the first constituent from where the student has been transferred will hand over certificates/ documents to the student, to enable him/ her to submit the documents /certificates in the other constituent.

MISCELLANEOUS:

- i) The students shall not be insisted to purchase the institutional prospectus any time during the programme of study, as purchasing prospectus shall be the personal choice of the student. Student can access information from institutional website, if he/ she so desires. It shall be mandatory for all Constituents / Departments to update their website covering all details.
- ii) Constituents / Departments shall charge fees in advance only for the semester/ year in which a student is to engage in academic activities. Collecting advance fees for entire programme of study or for more than one semester/ year in which a student is enrolled is restricted.

SLS Pune is ranked 6th by MDRA Best Law Colleges Ranking 2025. The BW Legal World Law School Ranking has placed SLS Pune as the Best Private Law College in the West Zone. Symbiosis Law School Pune was conferred the Gold Star Award by the Bar Council of India in 2013.

1. Significant Projects/ Courses

SLS, Pune has several impressive active international collaborations across prestigious international universities such as Berlin School of Economics and Law, Leibniz University, Hannover, Germany Brunswick European Law School, Ostfalia University of Applied Sciences, Germany, University College Cork, Ireland, NUI Galway, Ireland, University College Dublin, Ireland, Sofia University, Bulgaria, Jagiellonian University, Poland, Masaryk University, Czech Republic, Penn State University, USA, UNH School of Law, USA, Deakin University, Australia, University of Johannesburg, South Africa, National University of Singapore, Stockholm University, Sweden, the University of Milan, Italy and many others. SLS Pune has proactively engaged with Arizona University, New Hampshire University, Washburn University, Seattle University, Pepperdine University, Waikato University, Bristol University, Vienna University of Economics and Business, and Shastri-Indo-Canadian Institute. The collaboration has facilitated student-faculty mobility, participation in summer schools, and organization of conferences, guest sessions, webinars, and research projects. SLS Pune has showcased a strong research culture along with an internationalisation agenda that has resulted in successful project applications under the Erasmus+ program of the EU. SLS, Pune's foray into EU grants can be traced to 2008, when it became the only Indian partner in the Erasmus Mundus Global Consortium of Law Schools. SLS, Pune has been the recipient of four Erasmus+ CBHE KA2 projects of the EU, namely EURASIA, 21 Teach Skills Training, Climate Change Policy and Law, and International Law and Forced Migration Studies. SLS, Pune is also a recipient of 2 Jean Monnet Grants – JM Module on Legal Environment of Doing Business in India and Jean Monnet Chair for EU Climate Justice Law, Governance, Management and Policy.

Under the EURASIA project, SLS Pune developed 28 courses related to EU studies, which have been incorporated into programme structures of B.A.LL.B. /B.B.A. LL.B. (Hons.) Three-Year LL.B. as electives. The project was instrumental in starting a new LL.M. specialisation in EU Law and International Law.

SLS, Pune, is a consortium partner of the '21st Century Teach Skills Project', which is related to the 'Teacher's Training with specialisation on Life and IT Skills.' As a part of this project, SLS Pune has developed a 10-credit

certificate programme on 21st Century Skills. SLS Pune, under the aegis of SIU, has also been a part of DAAD, a New Passage to India with the Berlin School of Economics and Law, Leibniz University Hannover, and Ostfalia University, Brunswick, Germany, which facilitates faculty and student exchange. The institution is also a project partner in the 'Digital Economy Taxation Network' led by Vienna University of Economics and Business. It has institutional memberships of some of the best international bodies recognized globally, such as the membership of IALS (International Association of Law Schools), ASLI (Asian Law Institute), IUCN, and GAJE.

On the National front, SLS Pune has a SPARC grant of Rs. 1 Crore by the Ministry of Education and has also undertaken the following projects under the Indian Council of Social Science Research related to 'Law Trafficking and Disasters-tracing the interlinkages' & 'Law Gender and Disasters- A case study of Bundelkhand'. SLS Pune has been instrumental in influencing the new transformations in Criminal Justice Systems in India by submitting recommendations to the Ministry of Home Affairs under the Government of India. SLS Pune is also involved in research consultancy for Dr. Veerappa Moily, former Member of Parliament, India. SLS, Pune, under the Nyaya Bandhu Scheme (PRO BONO CLUB) of the Department of Justice, Government of India, was given the grant. Adding to its initiatives with the Government of India and the National Commission for Women, SLS Pune organized the "Regional Consultation on Review of Criminal Law- Improvement in Status of Women" in February 2022 and submitted a detailed report to the National Commission for Women.

1.2 SCALSAR

SLS-P has established the Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR). It is a centre for cutting-edge research, quality publications, government interface, hosting scholars in residence, undertaking interdisciplinary legal studies and research projects, training teachers, and designing training modules.

SCALSAR was informally established in 2007 and was formalised and recognised as an excellence centre in 2013. SCALSAR envisions Ideas of architecture, infrastructure, and resources for advanced legal studies and research. It promotes research, training, and consultancy in excellence centres aligned with SIU clusters, having national and global importance in interdisciplinary and multidisciplinary areas.

It has 3 research clusters: Science, Technology, and Innovation Law, Rule of Law in Context, and Comparative Law. Every year, SCALSAR organizes an International Research Conference, which has become popular as SYMROLIC, representing the Rule of Law with Indian and Global perspectives, aligning it with the SIU's vision of an interdisciplinary engagement by connecting to different fields such as those of Innovation, Science, Technology, Human Behaviour, Global Policy, and Governance.

The purpose of SCALSAR under the Faculty of Law, SIU, Symbiosis Law School Pune, is to promote centre-stage research, encourage quality publications, act as a think-tank to the government, host scholars in residence, undertake interdisciplinary legal studies and research projects, train teachers, and design training modules. SCALSAR contributes through three verticals—Science, Technology and Innovation Law; Rule of Law in Context; and International and Comparative Law, and operates under four centres: the Symbiosis Centre for Alternative Dispute Resolution (SCADR), the Symbiosis Centre for International and Comparative Child Rights (SCICCR), the Symbiosis Centre for Climate Change Policy and Law (SCCCPL), and the Symbiosis Legal Skills Centre (SLSC), along with two labs—the 21st Century Teaching Skills Lab and the Symbiosis Culture, Language, Law and Justice Lab.

In the last year, the Centre has published more than 140 research papers in SCOPUS and WoS-indexed journals,

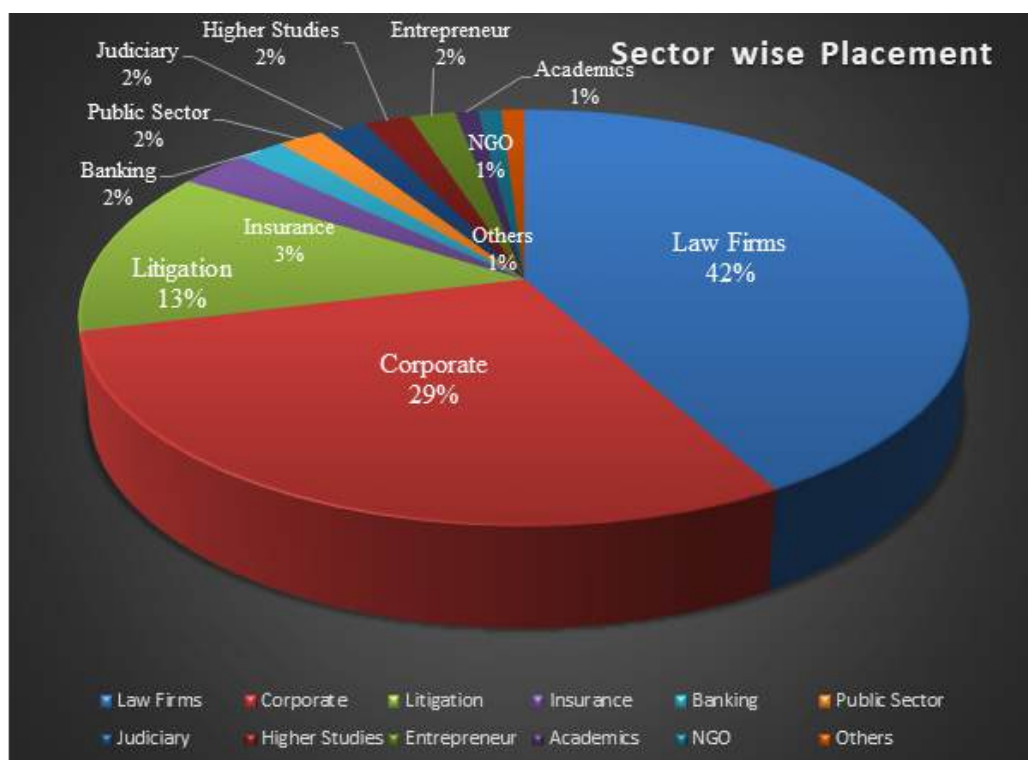

now totalling up to 931 such publications. Balancing the social agenda, the Community Legal Care Centre of SLS Pune is engaged in the Prison Advocacy Programme of Mumbai High Court through Prison Clinic, it collaborates with District Legal Aid Services Authority, and has clinics in villages and the inner city.

1.3 The Career and Professional Development Cell

The Career & Professional Development Cell functions as the primary facilitatory body for the process of professional development and constructive employment for our students. The broad objectives of the cell are campus recruitment, training and development, and internship opportunities. The Cell works throughout the year to implement and execute the processes of Campus Recruitments, Internships, Training and Development, Industry & Alumni Relations, and Entrepreneurial Development. With years of experience, the cell has developed a wide array of networks ranging from litigation firms, corporate firms, solicitors, private practitioners, to governmental commissions and agencies. The Career & Professional Development Cell has been tirelessly facilitating the professional development of our students and has been successful in attaining the aforementioned goals by providing our students with the best opportunities.

The LL.M. students are also provided with intensive training and guidance for JAG, NET, Civil Services, Judiciary Examination, etc.

LL.M. students secured reputed placements with high CTC in firms/companies like Cummins India Limited, JM Financial Limited, Indusind Bank, Mercedes Benz, Bajaj Allianz, Indiabulls, Ernst & Young LLP, PwC, Phoenix Mills Limited, Mthree (A Wiley Company), Piaggio Vehicles Pvt Ltd., Integreon, Juris Arena, Legasis, Tech Mahindra, Stakeholders Empowerment Services, AAN Legal, Magma HDI, Atkins Realis, IMC Limited, DWF Legal, Poonawala Housing Finance Limited, and Kotak Mahindra Insurance, and many more in other sectors.

1.4 The Alumni Cell

The Alumni Cell of Symbiosis Law School, Pune is a student-led initiative working under the esteemed guidance of the Director, Symbiosis Law School, Pune, and the Dean, Faculty of Law, Symbiosis International (Deemed University). The Cell continuously undertakes to strengthen the relations of the alumni of SLS Pune and promote the culture of alumni acting as mentors and providing other help to SLS Pune students. It has been instrumental in organizing the Annual Alumni Meet, regular guest lectures by distinguished alumni on the campus, and publishing the annual yearbook 'Alumni Nexus'.

Symbiosis Law School, Pune, takes immense pride in its distinguished alumni of the institution, who have since excelled in diverse fields across the legal landscape. The institution is the proud alma mater to esteemed alumni such as Justice Revati Mohite-Dere, Judge, Bombay High Court along with other law firm and corporate firm leaders, Senior Advocates and Advocates-on-Record. ONLY Foreign National Students taking Admission in the year 2026-27 for the Batch 2031, will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

- (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.
- (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).
- (3) Concessional Hostel fees are applicable to Foreign National students @ 650\$ per annum.
- (4) Concessional Mess fees are applicable to Foreign National students @560\$ as mentioned above."

**Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@Hostel and Mess fees can be increased up to 15% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure :

Bachelor of Arts and Bachelor of Laws (Honours) (B.A. LL.B. Hons.)

Semester: 1

Generic Core Courses

- Law of Contracts
- English
- History I: History of Law and Legal Institutions in Ancient and Medieval India
- Sociology
- AI, Data Analytics, and Legal Technology
- Law of Torts including MV Accident and Consumer Protection Laws I
- Indian Legal System and Legal Methods
- Legal Research Writing
- Foundation of Ethics

Semester: 2

Generic Core Courses

- Constitutional Law I
- Special Contract
- English (Advanced)
- History II: History of Law and Legal Institutions in Medieval and Modern India
- Political Science I
- Environmental Law
- AI, Data Analytics and Legal Technology-Application
- Law of Torts including MV Accident and Consumer Protection Laws II
- Vasudhaiva Kutumbakam *
- Health and Wellness Module I #

Semester: 3

Generic Core Courses

- Law of Crimes Paper I: Bharatiya Nyaya Sanhita (Including Indian Penal Code)
- Constitutional Law II
- Family Law I
- Economics
- Political Science II
- Civil Procedure Code and Limitation Act I
- Service Internship
- Contemplative Lawyering (Yoga, Meditation, Self-Healing, Justice and Healing)
- Health and Wellness Module II #

Generic Elective Courses Group (Choose Any One Course)

- Basic Spanish I
- Basic Hindi I
- Basic Marathi I
- Basic German I
- Basic Sanskrit I
- Basic French I

Semester: 4

Generic Core Courses

- Family Law II
- Property Law
- Political Science III
- Public Law Skills
- Civil Law Practice
- Civil Procedure Code and Limitation Act II
- Developmental Lawyering Practice
- Jurisprudence (Legal Theory)

- Law of Crimes Paper II: Bharatiya Nagarik Suraksha Sanhita I (Including Criminal Procedure Code)

Generic Elective Courses Group - I (Choose Any One Course)

- Basic Hindi II
- Basic Marathi II
- Basic Sanskrit II
- Basic German II
- Basic French II
- Basic Spanish II

Generic Elective Courses Group - II (Choose Any Two Courses)

- Right to Information law
- Introduction to Intellectual Property Law
- Comparative Climate Justice
- Gender Justice and Feminist Jurisprudence
- Life and Messages of Mahatma Gandhi towards Global peace and Conflict Resolution
- Prevention of Sexual Harrassment at Workplace: Law and Practice

Semester: 5

Generic Core Courses

- Administrative Law
- Bharatiya Sakshya Adhiniyam (Law of Evidence)
- Company Law I
- Criminal Law Practice
- Law of Crimes Paper III: Bharatiya Nagarik Suraksha Sanhita II (Including Criminal

- Procedure Code)
- Health Law

Generic Elective Courses Group

– I (Choose Any One Course)

- Creative Writing
- International Relations
- Introduction to Philosophy
- Psychology
- Self-Management I

Generic Elective Courses Group

– II (Choose Any Two Courses)

- Banking Law
- Retail Business and Law
- Food Safety Law
- Human Rights Law and Practice
- National Security Law
- Patent Law and Practice
- Comparative Constitution
- Penology and Victimology
- E-Commerce Law

Specialisation Core Courses: International Relations

- Issues in World Politics

Specialisation Core Courses: Political Science

- India's Political Economy and Development

Semester: 6

Generic Core Courses

- Public International Law
- Public Administration
- Company Law II
- Corporate Law Practice
- Forensic Science
- Judicial Process and Interpretation of Statutes

- Judicial process and Judicial Services
- Well for Life

Generic Elective Courses Group (Choose Any Two Courses)

- Business and Human Rights
- Media and Entertainment law
- International Banking and Finance
- Law of Carriage and Multimodal Transport Law
- Insurance Law
- Comparative Criminal Procedure
- Telecommunication Laws
- Military Law

Specialisation Core Courses: International Relations

- India's Foreign Policy

Specialisation Core Courses: Political Science

- Public Policy in India

Semester: 7

Generic Core Courses

- Principles of Taxation Law
- Labour and Industrial law I
- Information Technology Law

Generic Elective Courses Group (Choose Any Three Courses)

- International Organisation
- International Trade and Economics
- Maritime and Shipping Law
- Private International Law
- Competition Law
- Financial and Systemic Fraud

- Investment Law
- Manufacturing Law
- Merger and Acquisitions
- Energy Law
- Trademark Law
- Aviation Law

Semester: 8

Generic Core Courses

- Alternative Dispute Resolution (Clinical Course II)
- Mediation and Conciliation and Arbitration
- Labour and Industrial law II

Generic Elective Courses Group (Choose Any Five Courses)

- Cross Border Investment Law
- General Agreement on Tariff and Trade
- Humanitarian and Refugee Law
- Trade and Services in Emigration
- UNCITRAL Model Codes
- Bankruptcy and Insolvency Law
- Goods and Services (GST) Law
- Law of Infrastructure Development
- Startup and Entrepreneurship Law
- Law of Injunction
- Prevention of Corruption Laws
- Trade in Intellectual Property
- Biotechnology Law
- International Taxation and Transfer Pricing
- International Arbitration
- Securities Law and Regulation

Semester: 9**Generic Core Courses**

- Drafting, Pleading and Conveyance (Clinical Course I)
- Moot Court Exercise and Internship (Clinical Course IV)

- Legal Practice Course
- Health and Wellness *

Semester: 10**Generic Core Courses**

- Internship

- Professional Ethics and Professional Accounting System (Clinical Course III)
- Projects and Presentation

Bachelor of Business Administration and Bachelor of Law (Honours) (B.B.A. LL.B. Hons.)**Semester: 1****Generic Core Courses**

- Law of Contracts
- English
- Business Studies
- Business Accounting
- AI, Data Analytics, and Legal Technology
- Law of Torts including MV Accident and Consumer Protection Laws I
- Indian Legal System and Legal Methods
- Legal Research Writing
- Foundation of Ethics

The background of the slide features a photograph of the Symbiosis Law School, NOIDA building. The building is a multi-story structure with a modern architectural style, characterized by large windows and a mix of white and reddish-brown facade panels. A prominent entrance is visible on the left side of the building. The sky is clear and blue. Overlaid on the image are several geometric shapes: a large blue triangle in the top left corner, a white triangle pointing right towards the center, and a large teal triangle in the top right corner that contains the text.

Dr. Chandrashekhar Jayvantrao Rawandale

Director

DIRECTOR'S PROFILE:

Academic journey in law began with an LL.B. from the University of Pune. Driven by a passion for International Law and Human Rights, he pursued an LL.M from Pune in 1997, followed by a second LL.M in Commercial Law from Cardiff University in the UK in 2003. Dr. Rawandale's dedication to academic excellence continued with a Ph.D. from Symbiosis International University, Pune, in 2010, focusing his research on copyright and patent paradigms for computer programs. His scholarly pursuits laid a solid foundation for a career distinguished by both depth and breadth in the field of legal education.

Dr. Rawandale's professional journey is equally remarkable, starting as a research associate at I.L.S. Law College, where he also taught the Law of Torts. He then joined Bharati Vidyapeeth's New Law College as a lecturer, before moving to Symbiosis Law School, Pune, in 2000 as an Assistant Professor. His dedication and leadership led to his promotion to Deputy Director, Symbiosis Law School, Pune in 2007, and in July 2010, he assumed the role of Director at Symbiosis Law School, NOIDA, a position he holds to this day. Dr. Rawandale's expertise has been recognized globally, and he has held prestigious visiting fellowships at Cardiff Law School, Wales-UK, Leibniz University Hannover, Germany and Jagiellonian University in Krakow, Poland. These experiences underscore his dedication to fostering legal knowledge across diverse cultural and academic landscapes.

Beyond academia, Dr. Rawandale has contributed significantly to various high-profile initiatives. He served on the 'Project Review and Steering Group (PRSG)' for the Department of Information Technology, Government of India, where he played a pivotal role in the Cyber Security Grant-in-Aid Programme. He was also a member of the Thomson Reuters Council for Legal Information and Innovation, contributing to advancements in legal information. A distinguished speaker, Dr. Rawandale has chaired conferences across Australia, Bhutan, Germany, India, Indonesia, Malaysia, Poland, Russia, Thailand, UAE, Georgia and the UK. Recognizing his contributions to legal education, the Indian National Bar Association awarded him the 'Law Professor of the Year' in 2016, solidifying his standing as a respected figure in legal academia and beyond. He was selected and felicitated by the Corporate Counsel Association of India (CCAI) with the 'Distinguished Professor in Imparting Innovative Legal Education' award on November 20, 2021.

Institute Profile:

In just fifteen years, Symbiosis Law School, NOIDA (SLS-NOIDA) has swiftly established itself as a premier institution for legal education, celebrated for its unwavering commitment to academic excellence, intellectual rigor, and leadership in the legal profession. As a constituent of Symbiosis International (Deemed University), SLS-NOIDA

extends the distinguished Symbiosis legacy to the nation's capital region. The school provides a holistic educational experience, blending theoretical learning with practical application to cultivate well-rounded legal professionals. We are delighted to share that BW Business World and BW Legal World, in their 'Law School Rankings 2024', have recognized Symbiosis Law School, NOIDA among the 'Top 10 Private Law Colleges in India' and 'Top 5 in North Zone India'!

SLS-NOIDA emphasises the all-round development of its learners through a variety of specialized cells and societies, including the Research & Publication Cell, Moot Court Society, Legal Aid Center, Pro Bono Club, Training & Placement Cell, Debate and Quiz Society, Cultural Committee, Sports Committee, Literary Society, and others. These dynamic student-driven initiatives foster leadership and provide abundant opportunities for growth across curricular, co-curricular, and extra-curricular activities. SLS-NOIDA's innovative and interdisciplinary approach to legal education promotes a collaborative environment where faculty and students work in synergy to advance and share knowledge, employing pedagogies designed to maximize each student's potential.

Upholding its mission of 'International Understanding through Quality Education,' SLS-NOIDA regularly hosts national and international workshops, seminars, conferences, and moot courts in collaboration with esteemed academic and professional partners. Weekly seminars featuring multidisciplinary experts, legal luminaries, and industry leaders equip students with insights into real-world challenges and career readiness. The institution also emphasizes research excellence, enabling students to thrive through research projects and scholarly publications. Through hands-on activities like moot courts, mock trials, and client counselling, SLS-NOIDA cultivates skilled advocates who are well-versed in courtroom decorum.

We are delighted to announce a remarkable achievement that sets SLS-NOIDA apart as a reckoning force in global legal education! Mr. Huzaifa Hassan, from the Batch of 2021-26 (B.B.A. LL.B.), has been selected as a finalist from India for the prestigious 2023-24 Global Undergraduate Exchange Program (Global UGRAD), hosted by the U.S. Department of State in partnership with World Learning. He will embark on a transformative semester in the United States in January 2024.

This accolade adds to our tradition of excellence, as our learners have achieved this honor consistently over the past three years. Mr. Pravar Dennison, from the Batch of 2020-25 (B.A. LL.B.), completed a semester in the U.S. as a 2022-23 Global UGRAD finalist, while Ms. Yashassvi Periwal, from the Batch of 2019-24, represented India in the 2021-22 Global UGRAD Program. We are immensely proud of these outstanding students who continue to bring global recognition to Symbiosis Law School, NOIDA, showcasing the exceptional talent and leadership of our learners on an international platform.

Programme Profile:

SLS-NOIDA offers two five-year integrated undergraduate programmes, namely, BA. LL.B. (Bachelor of Arts and Bachelor of Laws) and B.B.A. LL.B. (Bachelor of Business Administration and Bachelor of Laws).

- **Bachelor of Arts and Bachelor of Laws (B.A. LL.B.)**

The close connection between social sciences and law hardly needs to be articulated. A lawyer needs to be conscious of the intricate and complex problems of the society. Our integrated Bachelor of Arts and Bachelor of Law programme provides a deep insight into the historical perspective of development of law, political factors

influencing policies culminating into law and the intricate relationship between legislations and social problems. This Programme aims at creating socially sensitive sentinels of justice.

- **Bachelor of Business Administration and Bachelor of Law (B.B.A. LL.B.)**

The use of word 'multi' is indeed multiplying in today's world, multi-nationals, multi-tasking, multi-dimensional, and why not multi-disciplinary'. The sweeping changes in the global economic scenario have necessitated a strong demand for a breed of youngsters with the potential knowledge of law coupled with the core essentials of management and business to enhance productivity. Our integrated Bachelor of Business Administration and Bachelor of Law degree programme (B.B.A. LL.B.) comprehensively caters to this demand unfolding before the students, and enables them to explore these vistas of opportunities that lie ahead. Here, we impart exhaustive knowledge to the students not only to survive but also to excel in the increasingly competitive world.

Duration of the Programme:

- **Bachelor of Arts and Bachelor of Laws (B.A. LL.B.)** : 5 Years, Full Time, Non-Residential programme
- **Bachelor of Business Administration and Bachelor of Law (B.B.A. LL.B.)** : 5 Years, Full Time, Non-Residential programme

Intake:

- **Bachelor of Arts and Bachelor of Laws (B.A. LL.B.)** : 120 Students
- **Bachelor of Business Administration and Bachelor of Law (B.B.A. LL.B.)** : 180 Students

Eligibility:

- **Bachelor of Arts and Bachelor of Laws (B.A. LL.B.)**

Passed standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 45% marks or equivalent grade (40% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes)

- **Bachelor of Business Administration and Bachelor of Law (B.B.A. LL.B.)**

Passed standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 45% marks or equivalent grade (40% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes)

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

Candidate needs to register for Symbiosis Law Admission Test (SLAT) 2026 & also register for SLS-NOIDA offering their choice of programme(s) by paying separate programme-wise registration fee. If shortlisted, he/she would then need to attend the further admission process conducted by SLS-NOIDA.

Selection is done in two phases: Candidates will be short-listed on the basis of the SLAT score & the short-listed candidates, will be invited for Personal Interview (PI). Final Merit list, for each programme, shall be drawn on the basis of SLAT Score (70%) and Personal Interaction (PI) performance (30%). In other words, it will be based on the cumulative marks scored on the scale of 100 marks wherein SLAT score will be scaled up to 70 marks i.e., 70% weight age and the remaining 30% weightage will be assigned as follows: Personal Interaction (PI) - 30 marks i.e., 30%.

- Orientation and Pedagogy:

SLS-NOIDA is introducing a new era of innovative learning, inter-disciplinary knowledge and industrious environment with unique orientation and methodology of legal pedagogy in place. Classes are highly interactive, delivered not only by the best academicians but also by the legal luminaries of the field. It strongly believes that law students should stick not only to theoretical teaching but also inculcate and improve the court room etiquettes (environment), research experience and advocacy skills through court room and related exercises such as moot court, mock trials, trial advocacy, pre-trial preparation, drafting of pleadings and client counseling. Research is an integral part of studies including interdisciplinary research involving collaboration between academic fraternity, students, and industry. SLS, NOIDA's efforts are shared by the contribution of members of the bar and bench, corporate sector and international experts (agencies).

The Cumulative Grade Point Assessment (CGPA) method of assessment is followed. In addition to the constant internal assessments, term-end examination is conducted at the end of each semester. Internal continuous evaluation is characterized by one project and minimum two of the following: Tutorial, Case Analysis, Cases and Open Problems, Essays, Seminar Presentations, Viva-Voce, Quiz, Drafting, Moot Court, Mock Trial, Learning Logs/ Diaries, Computer Based Assessment, Simulated Interviews, and Objective Structured Clinical Examinations. Internal Continuous Evaluation involves Open Book Examination, which aims at evaluating understanding of the subject than the recalling and memorization.

Dr. Sunil George

Director

Director Profile

Dr. Sunil George, Director at Symbiosis Law School, Hyderabad, has a distinguished career spanning over 28 years in both academia and administration.

Dr. George's corporate experience spans 14 years in administration and legal departments at notable organizations, including Aker Powergas Private Limited, Capita Offshore Services, TCG Software Services, Bharti Airtel, and Indiatel.com. He later transitioned to academia, dedicating the last 14 years to shaping future legal professionals. His expertise encompasses Business Law, Company Law, Contract Law, Corporate Finance, Mergers & Acquisitions, Property Law, Criminal Law, and Constitutional Law.

Dr. George has presented papers in National & International Conferences & Seminars and has published papers in various journals of National & International repute.

Beyond academics, Dr. George is passionate about environmental conservation, actively engaging in efforts to protect rivers, water bodies, mangroves, and natural habitats, particularly in the Charkop area of Mumbai.

Institute Profile

Symbiosis Law School (SLS) Hyderabad was established in 2014 inheriting splendid novelty, dynamism and excellence in education of Symbiosis International (Deemed University), Pune. Symbiosis Law School Hyderabad is founded on pillars of expertise, justice and Service and is committed to impart quality legal education confirming to acclaimed International standards.

SLS, Hyderabad is cocooned in the upcoming educational zone with state of art infrastructure catering impending needs of student community. It is located in the Modallaguda village Rangareddy district, of Telangana near Hyderabad.

It has expertise in imparting quality legal education through competent and well qualified teaching staff, techno-driven research culture, Internationalization, centers of excellence, training and skill enhancement programmes, moot courts and the like. It is committed to contribute to the justice mission of the state by initiating pro-bono activities to help poor and marginalized people through community lawyering, legal aid camps and permanent legal aid clinics. It endeavors to create value conscious skilled lawyers with par excellence serving dynamic needs of the community through Bar and Bench.

The curricular enrichment is ensured with the involvement of judges, eminent lawyers, International jurists, industry experts etc and best practices are reflected in teaching-learning pedagogy. SLS, Hyderabad believes in holistic development of nascent legal minds and ensures learning beyond classroom by planning field visits and workshops in collaboration with various stake holder and NGOs. It provides conducive and competitive learning

environment by encouraging students to take part in national and International competitions.

Symbiosis Law School Hyderabad is committed to hone professional skills of students to be recruited in preeminent law firms, corporate houses, Judiciary, Civil Services, banks, insurance companies, NGO's and the like. The value of Symbiosis Law School lies in its legacy, quality and excellence with well-defined personal care and progress strategy.

Programme Profile:

• Bachelor of Arts and Bachelor of Laws (B.A. LL.B.)

The close connection between social sciences and law hardly needs to be articulated. A Lawyer needs to be conscious of society's intricate and complex problems. Our Integrated Bachelor of Arts and Bachelor of Law programme (B.A. LL.B.) provides a deep insight into the historical perspective of the development of law, political factors influencing policies culminating into law, and the intricate relationship between Legislation and social problems. This programme aims to create socially sensitive sentences of justice.

• Bachelor of Business Administration and Bachelor of Law (B.B.A. LL.B.)

The sweeping changes in the global economic scenario have necessitated a strong demand for a breed of youngsters with the potential law knowledge coupled with the core essentials of management and business to enhance productivity. With this objective to cater to the demand unfolding before the students, and to enable them to explore these opportunities, an integrated Bachelor of Business Administration and Bachelor of Law Programme (B.B.A. LL.B.) has been commenced. Here, we impart exhaustive knowledge to the students to survive and excel in the increasingly competitive world.

Duration of the Programme:

• Bachelor of Arts and Bachelor of Laws (B.A. LL.B.)	: 5 Years, Full Time, Residential programme
• Bachelor of Business Administration and Bachelor of Law (B.B.A. LL.B.)	: 5 Years, Full Time, Residential programme

Intake:

• Bachelor of Arts and Bachelor of Laws (B.A. LL.B.)	: 180 Students
• Bachelor of Business Administration and Bachelor of Law (B.B.A. LL.B.)	: 180 Students

Eligibility:

• Bachelor of Arts and Bachelor of Laws (B.A. LL.B.)

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste / Scheduled Tribes)

• **Bachelor of Business Administration and Bachelor of Law (B.B.A. LL.B.)**

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste / Scheduled Tribes)

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

Step 1: Apply online

Candidate applying to Symbiosis Law School, Hyderabad (SLS, Hyderabad) should complete the following procedure:

- Candidates must complete the online registration process of the SLAT (Symbiosis Law Admission Test).
- Candidate must pay Rs. 2250/- as SLAT Registration Fees.
- It is mandatory to appear for SLAT (Symbiosis Law Admission Test).
- Candidate must also complete the SLS, Hyderabad payment of Rs. 1000/- per programme (i.e. B.A. LL.B or/and BB.A. LL.B) while filling out the SLAT registration form.
- Shortlisted candidates will be called for Personal Interaction (PI)

Note: It is mandatory to Register & Pay for both SLAT & SLS Hyderabad. A candidate registered for SLAT and not for SLS, Hyderabad by paying the aforementioned fees will not be eligible for the next phase of PI at SLS, Hyderabad.

- For SLAT Registration and other information please visit www.slat-test.org
- For SLS Hyderabad, please visit: www.slsh.edu.in

Step 2: Symbiosis Law Admission Test (SLAT 2026) - Centre Based Test

Admission to 5 years of BALLB & BBA LLB is offered through the Symbiosis Law Admission Test (SLAT), which consists of:

SLAT (Centre-Based Test): This comprises multiple-choice questions to assess General Knowledge, Logical Reasoning, Analytical Reasoning, Basic English and Basic Legal Reasoning. There will be a time limit to answer the questions. Once the time limit is crossed, the candidate will lose the opportunity to answer the questions. The candidate must ensure the answer is recorded within the stipulated time limit.

Date for SLAT (Centre Based Test): SLAT 2026 will be conducted on two different dates. Candidates can appear for the dates, i.e. SLAT 01: December 11, 2025 (Thursday), SLAT 02: December 18, 2025 (Thursday). After declaring the SLAT result, SLS Hyderabad will publish the list of shortlisted candidates eligible for the PI (Personal Interaction) process.

Note: The candidate's name will appear in the list of shortlisted candidates for PI only if he/she has registered and paid (programme-wise fee @ Rs.1000/- for each programme) to SLS, Hyderabad, while filling out the SLAT registration form.

Step 3: Online Personal Interaction (PI):

Personal Interaction will be conducted only for the candidates, who appeared and qualified for SLAT Test. Personal Interaction is intended to test the Personal Attributes, inclination toward law as a career, overall personality and communication skills, Extracurricular and Co-curricular activities, and elementary knowledge of the law of a candidate.

a) Schedule of Online PI: PI will be conducted online on different dates for SLS Hyderabad, SLS Pune, SLS NOIDA and SLS Nagpur. Shortlisted candidates will receive a link and instructions 30 minutes prior to the schedule of the online PI.

b) Schedule for SLS Hyderabad Online PI (Personal Interaction): SLS Hyderabad will conduct Online PI (Personal Interaction as updated on the website. PI will be conducted on different dates. Kindly refer to the 'Important Dates' section on the website.

The candidate shall book a slot for PI at SLS, Hyderabad. The slot booking link for shortlisted candidates will be available on our website, www.slsh.edu.in. If the candidate does not book a slot within the stipulated date and time, a forceful allotment will be made. The candidate needs to check the SLS Hyderabad website for status (shortlisted or not) and to book the slot for PI. The candidate can download the call letter for personal interaction from the SLS Hyderabad website using their login credentials. For the PI of other institutes, please visit their respective websites.

Arrangement for PC/Laptop and internet connectivity for the Online PI:

Candidates are required to make necessary arrangements for PC/Laptop along with camera and internet connectivity on their own. SLS Hyderabad will not be responsible for any technical issues/glitches at the end of the candidate.

Negative marking: There will be no negative marking for SLAT and PI.

Verification of Educational Qualification Documents and Eligibility: The candidates shortlisted for online PI should submit educational qualification documents as per the directions of SLS Hyderabad, SIU. If the candidate fails to submit any document at the time of the verification and for eligibility purposes, the claim for admission shall not be entertained.

Orientation and Pedagogy:

The methodology is essentially learner-centered and research-oriented, strengthening students in reflective and critical thinking skills along with value orientation. Predominantly, the seminar method is used in a convergent manner, along with the lecture method. These include the Class Room Presentations, Group Discussions, Seminars, Case Studies, Socratic Method, Project-Based Method, Computer Assisted Learning and Experiential Learning through an internship.

The curriculum and pedagogy are designed around the latest quality initiatives in legal education. These efforts are reciprocated by the participation of all the stakeholders including the members of the bar and bench, corporate sector, govt. and international experts.

Dr. Sukhvinder Singh Dari

Director

Director Profile:

Prof. (Dr.) Sukhvinder Badan Singh Dari is the Director of Symbiosis Law School, Nagpur, and has been a dedicated member of the Symbiosis family More than a decade. He has been with Symbiosis Law School, Pune, since 2009, and has also served at Symbiosis Law School, NOIDA (since its inception in 2010), Symbiosis Law School, Hyderabad (since its inception in 2014), and Symbiosis Law School, Nagpur (since its inception in 2019). At Symbiosis Law School, Hyderabad, he served as Deputy Director and later as Officiating Director, contributing significantly to the institution's academic and administrative development. His extensive experience across these institutions has provided him with a rich and diverse perspective on legal education, enabling him to make valuable contributions to the development of each institution.

Prof. Dari holds a Ph.D. in Corporate Laws from Symbiosis International University, Pune, and an LL.M. in Business Law from Symbiosis Law School, Pune. He has further enhanced his expertise with diplomas in Human Resource Management & Labour Laws and Corporate Mergers and Acquisitions, broadening his legal knowledge across multiple domains.

Prof. Dari has been a resource person at various national law schools, government departments, police academy, UGC HRDC (University of Hyderabad), and other distinguished forums. His academic contributions extend to his active membership in the Board of Studies, Academic Council, Internal Committee for Differently Abled, Library Committee, and the Board of Examination at Symbiosis International University, Pune.

He teaches a wide range of subjects including Corporate and Commercial Laws, Constitutional Law, Contract Law, Jurisprudence, and Labour Laws, while also guiding Ph.D. scholars and supervising research at both undergraduate and postgraduate levels. Prof. Singh has completed various funded and non-funded research projects at national and international levels. He has chaired and attended numerous national and international conferences, with a special focus on company law and corporate governance. His research interests are widely reflected in his publications, with several national and international papers and articles in leading journals and books.

Prof. (Dr.) Sukhvinder Badan Singh Dari's dedication to academia is matched by his contributions to social advocacy. He was awarded a Certificate of Appreciation by the Disability Rights Advocacy Group (DRAG) for his tireless efforts towards the rights of persons with disabilities. He has also been honored with the "Academic Excellence" award at the Legal Desire Summit & Awards and a Certificate of Excellence for his involvement in the International Paris Summit on Climate Change, organized by the Centre for United Nations.

Prof. Dari is deeply committed to providing students with a transformative legal education that blends academic rigor with real-world skills, preparing them to excel in their careers and become responsible leaders in the legal field. He is committed to fostering an environment where law students are encouraged to think critically, act ethically, and make positive, meaningful contributions to society, shaping them into responsible and impactful legal professionals.

Institute Profile:

Symbiosis Law School (SLS), Nagpur, is a premier institution of legal education, inspired by the visionary leadership of Dr. S.B. Mujumdar, Chancellor of Symbiosis International (Deemed University), Pune. Upholding the ancient Vedic principle of Vasudhaiva Kutumbakam – “The World is One Family” – SLS Nagpur is dedicated to developing globally competent, socially responsible, and ethically-driven legal professionals who will thrive in an increasingly complex world.

Our flagship programs – the B.A. LL.B. (Bachelor of Arts and Bachelor of Laws), B.B.A. LL.B. (Bachelor of Business Administration and Bachelor of Laws), and the Master of Laws (LL.M.) with various specializations – are designed to equip students with a comprehensive understanding of the law, blending rigorous academic theory with practical legal skills. The B.A. LL.B. and B.B.A. LL.B. programs lay a strong foundation in legal education, while the LL.M. offers advanced legal knowledge and expertise in a range of specialized fields. These programs are delivered by a team of highly qualified and passionate faculty members who bring a wealth of experience, ensuring that our students receive an education that is both innovative and industry-relevant, preparing them for successful careers in law.

SLS Nagpur’s state-of-the-art campus is designed to foster holistic development, offering modern academic, sports, and cultural facilities. The institution’s commitment to academic excellence is complemented by its cutting-edge research culture, where technology and global collaborations enhance the learning experience. Students have access to resources that empower them to excel in both theoretical knowledge and practical application.

Beyond the classroom, SLS Nagpur emphasizes experiential learning through moot court competitions, internships, workshops, and interactions with legal professionals, judges, and international jurists. These hands-on experiences allow students to apply their learning in real-world settings. Community engagement is at the heart of SLS Nagpur’s mission. Through legal aid clinics, community lawyering, and social justice initiatives, students gain invaluable experience while contributing to society. These initiatives underscore the institution’s commitment to fostering socially responsible legal professionals.

At SLS Nagpur, we encourage participation in national and international legal competitions, creating a stimulating environment where students are motivated to push their boundaries and achieve excellence. By providing a platform for competitive learning, we aim to nurture well-rounded, value-conscious lawyers who are equipped to meet the challenges of a dynamic and evolving legal landscape.

Symbiosis Law School, Nagpur, is not just a place of learning but a community where innovation, excellence, and social responsibility converge. With our strategic location, strong industry connections, and commitment to student development, SLS Nagpur is the ideal destination for those who aspire to make a meaningful impact in the legal field.

Programme Profile:

- **Bachelor of Arts and Bachelor of Laws (B.A. LL.B.)**
- **Bachelor of Business Administration and Bachelor of Law (B.B.A. LL.B.)**

SLS Nagpur offers two integrated undergraduate Five-year law courses in Bachelor of Arts and Bachelor of Laws (BA. LL. B) and Bachelor of Business Administration and Bachelor of Laws (BBA. LL. B) to cater to diverse needs of the legal profession. These are imparted through well qualified, experienced and enthusiastic faculty, techno-driven research culture, Internationalization, centres of excellence, training and skill enhancement programmes, moot courts etc. The curricular enrichment is ensured with the involvement of learned judges, eminent lawyers, International jurists, academicians, industry experts etc. and best practices are reflected in teaching learning pedagogy. SLS, Nagpur believes in holistic development of young legal minds and ensures learning beyond the classroom through activities focused on experiential learning.

It provides a conducive and competitive learning environment by encouraging students to take part in National and International competitions. It is committed to contribute to the justice mission of the state by initiating pro-bono activities to help poor and marginalized people through community lawyering, legal aid camps and permanent legal aid clinics. Further, it endeavours to create value conscious skilled lawyers with par excellence serving dynamic needs of the community through Bar and Bench.

Orientation and Pedagogy:

The medium of instruction is English. The pedagogy and curriculum at Symbiosis Law School, Nagpur (SLS Nagpur) are designed to provide a comprehensive legal education that equips students with the necessary knowledge, skills, and ethical values to excel in the legal profession.

Curriculum

The curriculum at SLS Nagpur is thoughtfully structured to guide students through the foundational aspects of law, preparing them for a successful career in the legal domain. The undergraduate B.A.LL. B/B.B.A.LL.B. course is crafted not only to offer core legal knowledge but also to incorporate value-added courses in emerging areas of law, such as cyber law, intellectual property rights, and international business law. The curriculum is designed to foster critical thinking, analytical skills, and a deep understanding of the legal system, ensuring that students are equipped to become effective legal professionals.

Faculty

SLS Nagpur boasts a highly qualified, experienced, and multi-talented faculty. Drawing from both academic expertise and practical experience, the faculty members are dedicated to mentoring students and helping them unlock their full potential. In addition to its core faculty, SLS Nagpur also invites expert guest faculty from various industries and professional domains. These guest lecturers bring invaluable insights into current market trends, ensuring that students are well-equipped with the knowledge and skills required to meet industry demands.

Pedagogical Methodologies

At SLS Nagpur, a diverse range of pedagogical methodologies is employed to enhance the learning experience. These include interactive classroom discussions, case studies, simulations, and problem-solving exercises. The focus is on a student-centric approach that promotes active learning and engagement. The institution also integrates innovative learning tools such as e-learning platforms and collaborative online learning, ensuring students gain exposure to both traditional and modern educational methods. To further enrich the learning experience, SLS Nagpur regularly hosts guest lectures and seminars by esteemed judges, practicing lawyers, and legal scholars. SLS Nagpur has strong industry connections that play a key role in providing practical exposure to students. The school maintains collaborations with law firms, courts, governmental bodies, and other legal institutions, offering students opportunities for internships, workshops, and industry placements.

Assessment

SLS Nagpur employs a variety of assessment techniques, focusing on both theoretical and practical aspects of legal education.

Symbiosis Law School, Nagpur, offers an exceptional platform for aspiring legal professionals. The well-structured curriculum, expert faculty, innovative pedagogical methodologies, and strong industry ties combine to provide a comprehensive and dynamic legal education. With its commitment to academic excellence and professional growth, SLS Nagpur is emerging as one of the leading institutions for pursuing a career in law.

Winners of International Med-Arb Competition 2025 SLS, Nagpur

*Felicitation of Hon'ble Shri Justice Jitendra Kumar Maheshwari Hon. Judge, Supreme Court of India

Dr. Adya Sharma
Director- SCMS, Pune

Director's Profile:

Dr. Adya Sharma is a dedicated professional with more than 25 years of experience. She brings with her rich practical experience from the corporate world that perfectly blends with theory and enhances academics. She has also been connected to the industry as a corporate trainer in companies like Goldman Sachs Women Entrepreneurship program, Tata Motors Development Centre, Amdocs, McDonald's, Wipro, Coca Cola, CPHR Services Pvt Ltd, Konnet Solutions Pvt Ltd, Yazaki, Sigatul Mazaraat Al Vazaratus Saifiyah and Zocdoc, among others. She brings with her a missionary zeal to keep the learning environment vibrant and energized. An avid researcher, she has written research papers in reputed journals including Scopus and Web of Science indexed journals, and has authored chapters in books. She is also the editor of the book titled Marketing Techniques for Financial Inclusion and Development, indexed in Scopus.

Dr. Sharma has actively participated in international academic collaborations and mobility programs. She has visited universities in the A4+ Consortium in Spain through the University of Pompeu Fabra (UPF) mobility program under the Erasmus grant. She has also travelled to Universities in the UK to strengthen international relations. Under her leadership, SCMS Pune has been awarded the Shastri Conference and Lecture Series Grant (SCLSG), grant for conducting ATAL FDP by AICTE Training and learning academy.

She has introduced Collaborative Online International Learning (COIL) to provide students with international exposure, which serves as a sustainable solution to encourage inclusive education focusing on technology-driven teaching-learning practices. Demonstrating her commitment to global academic advancement, she introduced a pioneering Dual Degree Programme- Global BBA in collaboration with Deakin University, Australia.

Dr. Sharma also contributed to designing the course "Microeconomics for Beginners" launched on the SWAYAM Portal, which is an initiative by the Government of India to provide learning opportunities to individuals from all societal backgrounds. Notably, under her leadership, SCMS Pune participated in the world's largest adolescent health awareness lesson on menstrual health and hygiene—a milestone recognized by the Guinness World Records. She has also been conferred with the prestigious Hall of Fame Award for Excellence in Teaching by Symbiosis International (Deemed University).

In line with the National Education Policy (NEP) 2020, Dr. Sharma successfully implemented a four-year BBA programme from AY 2023-24. She has also been the second supervisor for Master thesis of students conducted under Berlin School of Economics and Law, Germany. She is also a recognised Ph.D. supervisor, mentoring Ph.D. scholars in their academic pursuits.

Her qualifications include a PhD, NET qualified, double Post Graduate and an alumnus of St Stephen's College.

Institute Profile:

Symbiosis Centre for Management Studies, Pune, was set up in the year 2004 and is a constituent of Symbiosis International (Deemed University). The Bachelor of Business Administration (BBA) Honours/ Honours with Research program at SCMS Pune, in line with NEP 2020, offers a full-time, four-year graduation program spread over eight semesters that aims at transforming a student into a socially responsible global corporate citizen.

Keeping pace with the evolving global business environment and the aspirations of today's learners, SCMS Pune has also introduced a Global BBA – Dual Degree Programme, catering to the growing demand for internationally benchmarked undergraduate management education.

The learning experience is further enriched by the diversity of students from different parts of India and the world. SCMS Pune has a multitude of clubs, which are all managed by the students and cater to the collective need for individual expression of creativity and well-being.

SCMS Pune also provides opportunities for International Exposure through the University's Global Immersion Programme (GIP). SCMS, Pune, was one of the first Institutes to initiate the process of COIL (Collaborative Online International Learning) in SIU. The track record for placements has been rising over the years. Students can choose from Multinational Companies to Start-ups. SCMS Pune has a dedicated Placement Division, which hand-holds the students right from the start to the final selection process. The progression agreement with Massey University, New Zealand and Aston University, U.K., University of Birmingham UK, Loughborough University also provides an opportunity to students for higher education.

SCMS Pune, with its intensive and updated syllabus, skill-building, research orientation, and a wide range of additional modules, enables the students to take the next career step of their choice.

Students at SCMS, Pune are not just academically brilliant but also develop sensitivity and respect for the community around them. The social internship is an integral part of programme structure. The Institute also offers the students opportunities for research. We provide our students the bridge that helps them cross over from school to either the Corporate World or to Higher Education in prestigious institutions.

Some of the renowned personalities who addressed the students in 2025 were:

- Mr. Matt Wallaert, CXO, Oceans Founder, Be.Sci.io

Social Initiatives

Commemoration of 150 Years of Vande Mataram

As per the directives of the Government of India to commemorate 150 years of the National Song "Vande Mataram" through year-long activities across Higher Education Institutions (HEIs), SCMS Pune organized the following activities:

- a. Live Telecast Arrangements - Arrangements were made across the institute, including classrooms and common areas, for students, faculty, and staff to view the live telecast of the inauguration programme, where the Hon'ble Prime Minister Shri Narendra Modi launched the year-long commemoration of Vande Mataram - the ceremony that featured leading artists, youth representatives, and prominent personalities from diverse fields and a special commemorative coin and postage stamp were also released during the event.
- b. Musical Performance by Encore – The Music Club of SCMS Pune - A group of students from 'Encore', the Music Club of SCMS Pune, presented a coordinated musical performance of "Vande Mataram". The rendition included vocal harmony and instrumental accompaniment, showcasing the patriotic spirit and artistic talent of the students

As part of Youth Engagement and Water Stewardship under Green Rising Maharashtra Initiative, our students could save 375000 Litre water through various activities.

Institute Achievements

1. SCMS, Pune's Ranking in Times BBA Ranking

SCMS Pune has been ranked #1 in West Zone and #2 in the Country by Times BBA School ranking survey 2025
<https://www.timesbschoolsurvey.org/bba/index.php>

2. ATAL FDP by SCMS, Pune

SCMS, Pune conducted a one-week AICTE Training and Learning (ATAL) Academy-sponsored Faculty Development Program (FDP). The theme of the FDP was Frugal Innovation and Social Entrepreneurship: A Strategic Approach to SDGs.

Date: 15 – 20 September 2025

This FDP was designed for academicians, researchers, industry professionals, entrepreneurs, and development sector practitioners interested in cost-effective, sustainable, and impactful business models aligned with the UN Sustainable Development Goals (SDGs).

3. Fostering Internationalization

One of the key objectives at SCMS, Pune is to prepare students to be responsible global citizens, which aligns with the SIU vision of 'Vasudhaiva Kutumbakam'. SCMS-Pune is home to students from various cultures. Our campus and classrooms embrace diversity, with students from 27 countries. The SCMS Buddy Committee has been established to assist overseas students in adjusting to their new environment. We are proud to highlight a few

4. Global Immersion Programme:

SCMS Pune provides opportunities for International Exposure through the University's Global Immersion Programme (GIP). In 2026-27, we had 6 incoming students from IESEG School of Management, France & 10 students from SCMS, Pune were selected for outgoing exchange at various partner universities at IESEG, France, Die Duale Hochschule Baden-Württemberg (DHBW), Germany, Berlin School of Economics & Law, Germany and Mainz University, Germany.

- COIL: SCMS, Pune, was one of the first Institutes to initiate COIL (Collaborative Online International Learning) in 2019. A process of virtual exchange where students work on live projects in different time zones with students of different universities in Brazil, Germany, and the Philippines. UK and the USA, as of 2026-27, more than 2000 students have benefited from COIL.
- Progression Agreement: The progression agreement with Massey University, New Zealand, Aston University, University of Birmingham and Loughborough University, U.K. also provides an opportunity to students for higher education.
- Faculty visits at foreign universities

Dr. Adya Sharma, Director, SCMS Pune, visited the United Kingdom in the month of July to engage with partner universities and strengthen international collaborations. The visit focused on exploring opportunities for Academic partnerships, Student and faculty exchange programs, Collaborative research and Curriculum development. During her visit, Dr. Sharma interacted with representatives from Leeds Beckett University, Loughborough University, University of Birmingham, De Montfort University, and Durham University to foster stronger academic linkages and global learning opportunities.

1. Course on Microeconomics for Beginners on Swayam Portal

Course on Micro Economics for Beginners by SCMS, Pune was launched on Swayam platform.

After two successful runs, it was granted a 3rd and a 4th re run in 2026.

2. Student Research Conclave 3.0

SCMS Pune successfully hosted its 3rd edition of the Student Research Conclave on 5 December 2025

Focusing on the theme "The Algorithmic Age: How AI, Data and Automation Are Reshaping Society," the conclave highlighted new developments in artificial intelligence and their impact across different sectors. Students from Brazil, Georgia, India, the Maldives, Russia, the UAE, the UK, the USA, and Singapore presented their research papers, contributing fresh perspectives to the global conversation on AI.

While academic research forums usually focus on opportunities for faculty and scholars, the SCMS Pune Conclave is a unique initiative that empowers students to showcase and discuss their work on an international stage.

3. TEDx SCMS, Pune – 19 September 2025

SCMS, Pune hosted a TED event under the name TEDxSCMS, Pune. The theme of the event was "Unscripted," a celebration of authenticity, unpredictability, and real, unfiltered stories. The event featured a diverse lineup of speakers sharing their unique insights.

Alumni Achievements

Orientation and Pedagogy:

Learning at SCMS Pune happens both inside and outside the classroom. The medium of instruction for all the courses (except foreign languages) is English. The curriculum is designed to ensure that classroom learning is interspersed with Case Studies, Project work, Role Plays, Simulation, Presentation, Article Reviews, Assignments, Experiential learning, Asynchronous classes, Business Games, and field trips, wherever necessary. MOOCs from other premier bodies are an integral part of classroom certifications and hence are woven in the curriculum. All this ensures that by the end of the course the students get a strong theoretical base and the ability to link theoretical concepts with prevalent Management Practices.

Dr Nidhi Phutela

Director

Director's Profile:

Dr. Nidhi Phutela is a University Position holder in her MBA from Punjab Technical University, Jalandhar, Punjab and has been playing a key role in the domain of research, training and teaching in the discipline of Marketing for more than two decades. She is working as the Director with Symbiosis Centre for Management Studies, NOIDA, a constituent of Symbiosis International (Deemed University), Pune, where she oversees overall administration and has contributed significantly to the design and implementation of innovative teaching pedagogies. She has conducted several corporate training programs and workshops at universities of repute. She has also been invited as a guest on a programme at Doordarshan.

Apart from her academic and administrative responsibilities, Dr. Phutela is also passionately working in the domain of sensitizing social responsibility amongst students by designing and implementing empowerment projects for the underprivileged. She has spearheaded 'Project Utthan' – Financial Literary Project; 'Project Parivartan'– Soft Skills Education Project, 'Project Sahyog' – Women Empowerment Project and 'Project Udaan' – Empowerment of Acid attack survivors, to enhance the confidence and belief of the students along with several Plantation drives. She has been appreciated for her active role and participation in the projects by the NGOs - Parimal Pathshala, Vrikshit Foundation, Incentive Foundation, Chhanv Foundation to name a few.

Institute Profile

Symbiosis Centre for Management Studies, NOIDA, a constituent of Symbiosis International (Deemed University), Pune commenced its operations in December 2010. Based in the National Capital Region, we impart quality management education at the undergraduate level. With a strong focus on the holistic development of the students, the institute has reached the milestone of being one of the best BBA colleges in Delhi National Capital Region. Students at SCMS NOIDA come from diverse cultures and backgrounds, hailing from various states in India as well as abroad. This diverse cohort of learners' exchange ideas and thoughts leading to greater understanding and appreciation of cross-cultural aspects. In the quest for excellence, the programme offers a well-designed curriculum which is well complemented by internships and projects that meet the industry requirements. The curriculum is designed to provide students with a global exposure, incorporating international case studies, collaborations with institutions abroad, and opportunities for exchange programs to broaden their academic horizons.

SCMS NOIDA nurtures academic excellence along with the holistic development of its students. The BBA Honours/ Honours with research program focuses on developing competencies beyond the classroom, including leadership,

creativity, communication, and teamwork, to make students industry-ready. The adoption of innovative teaching pedagogy makes the learning experiential and application-based. Learning by doing is the core pedagogy adopted by the highly qualified and experienced faculty members. Experiential learning, internships, and practical projects are emphasized to ensure that the students gain real-world skills and knowledge that they can apply directly in their careers.

Collaboration with industry leaders and regular interactions with professionals ensure that the students are well-acquainted with the latest trends and practices in the corporate world. This corporate exposure enhances their employability and prepares them for the demands of the corporate world. The students are instilled with a sense of social consciousness so that they contribute positively to society. Through community service initiatives, social entrepreneurship projects, and awareness campaigns related to sustainability, students are fostered with a spirit of empathy with an aim to make them responsible citizens.

Considering the importance of physical and mental health, there are comprehensive support systems to address the physical, mental and emotional wellbeing of our students. Counselling services, wellness centre and stress management workshops are knitted in the student's campus life to ensure that they thrive both academically and personally. By combining these elements, students get a transformative educational experience that equips them with the requisite knowledge and skills along with the values and attitudes needed to become responsible global citizens and ethical business leaders. Apart from the curriculum, the institute also encourages the students to pursue their passion and participate in co-curricular activities like cultural activities, sports, and inter-business school business competitions.

Programme Profile:

• Bachelor of Business Administration (BBA) Honours/ Honours with Research

While pursuing BBA Honours/Honours with Research at SCMS NOIDA students will gain business knowledge along with relevant skills, which facilitates their holistic development. This would enable the students to take up the challenges of the professional environment and also become responsible citizens of the world. BBA Honours/ Honours with Research programme, the four-year degree programme with multiple entry and exit options as envisioned in the NEP 2020, offers:

- Students to select Major from the first Semester
- Multidisciplinary, Ability enhancement and Skill enhancement courses
- A good blend of immersive learning through community engagement
- Opportunities for semester exchange programmes with foreign universities
- The following exit options
 - o A Certificate at the end of the first year of the programme with 40 credits
 - o A Diploma at the end of the first two years of the programme with 82 credits
 - o A UG Degree at the end of 3 years of the programme with 126 credits
 - o A UG Degree with Honours / Research at the end of the 4 years of the programme with 166 credits
- An option of Re-entry within 3 years of exit and 7 years as the maximum permissible period to complete the programme.

As one of the best BBA programmes in India, the specializations offered are: Marketing, Finance, International Business, Human Resource and Business Analytics. Apart from this, the curriculum also integrates a corporate internship, service learning and a Global Immersion Programme (GIP) where students are given the opportunity to pursue a semester abroad.

- **Bachelor of Business Administration - Honours / Honours with Research - Dual Degree in collaboration with Deakin University, Australia {Global BBA – Dual Degree (India, Dubai, Australia)}**

Rooted in the philosophy of “Vasudhaiva Kutumbakam”—The World is One Family— Symbiosis is dedicated to fostering international understanding through high-quality education. The Global BBA program exemplifies this commitment by offering students a unique opportunity to gain diverse academic and cultural experiences across multiple geographies. Learners begin their journey by completing Semesters 1 and 2 at Symbiosis campus in India (Noida), followed by Semesters 3 and 4 at the Symbiosis Dubai campus. The final leg of the program—Semesters 5 to 8—is completed at Deakin University, Australia. This pathway exposes students to different academic ecosystems and equips them with a global perspective. The Global BBA is designed to integrate the strengths of existing programs across campuses and present them on international platforms, ensuring learners receive a world-class, future-ready business education.

Objectives of the Global BBA

- To prepare students to thrive in an interconnected world by blending core business fundamentals with international exposure and real-world learning.
- To offer the best courses and faculty across Symbiosis India (Pune & Noida), Symbiosis Dubai, and Deakin University.
- To provide global avenues for learners to gain employer-ready skills.
- To create a global presence by going beyond traditional geographic boundaries.

The Symbiosis Global BBA program aims to:

- Create future-ready global professionals
- Provide graduates with global career opportunities
- Build sustainable business professionals
- Earn a dual degree — BBA (Honours) from Symbiosis International (Deemed University) and a Bachelor’s in Business Analytics from Deakin University, Australia.

Duration:

- **Bachelor of Business Administration (BBA) Honours/ Honours with Research** : 4 Years, Full Time, Non-Residential programme
- **Bachelor of Business Administration - Honours / Honours with Research - Dual Degree in collaboration with Deakin University, Australia {Global BBA – Dual Degree (India, Dubai, Australia)}** : 4 Years, Full Time, Non-Residential programme

(Hostels provided only for Girls)

Intake:

- **Bachelor of Business Administration (BBA) Honours/ Honours with Research** : 300 Students
- **Bachelor of Business Administration - Honours / Honours with Research - Dual Degree in collaboration with Deakin University, Australia {Global BBA – Dual Degree (India, Dubai, Australia)}** : 15 Students

Eligibility:

- **Bachelor of Business Administration (BBA) Honours/ Honours with Research**

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of Semester- 6.

Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.

- **Bachelor of Business Administration - Honours / Honours with Research - Dual Degree in collaboration with Deakin University, Australia {Global BBA – Dual Degree (India, Dubai, Australia)}**

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

* The conditions to transition to Deakin University, Australia are: a) Students successfully completing the first two years at SCMS-Noida and DoM, SIU, Dubai with a Weighted Average Marks (WAM) of 55 (CGPA of 6.25) b) IELTS minimum score of 6.

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

Candidates aspiring to join the BBA programme offered by Symbiosis Centre for Management Studies, Noida (SCMS NOIDA) must appear for the Symbiosis Entrance Test (SET – General). Being a national-level test, SET will simultaneously be conducted in the CBT (Computer-Based Test) mode across 80 cities all over India.

Step I: Fill up the online registration form (common for SET and the institute you have selected) (www.set-test.org)

Step II: Pay for SET and for the institute (SCMS NOIDA)

Online Payment for SCMS NOIDA – Through Net Banking, account details are available on the application form. Offline Payment for SCMS NOIDA – Through Demand Draft in favour of “Symbiosis Centre for Management Studies” payable at NOIDA to the Institute. If payment is made by Demand Draft, please mention your name and the SET ID number on the back of the Demand Draft.

Step III: Print Admit Card to appear in SET

Step IV: Appear for SET Exam.

Step V: SET Results are declared.

Step VI: Shortlisting is based on merit. If shortlisted by SCMS NOIDA, the candidate needs to attend the Personal Interaction (PI) process conducted by the institute.

Disclaimer: It is mandatory to attend all components/tests to be eligible for admission to the programme. Only candidates who attend all components/tests of the selection process shall be considered as eligible for the generation of merit / wait / reject list. Candidates who remain absent for any one of the component /tests will be considered as ineligible for selection process of the UG degree programme of SIU.

Step VII: Appear for the PI process on the date and time mentioned in the call letter. The candidate is required to be available with the documents as specified in the call letter.

Step VIII: Final result is declared on the basis of SET and PI scores, uploaded on the website.

Orientation and Pedagogy:

At SCMS NOIDA, future business leaders are exposed to a number of academic and extracurricular activities for holistic development. BBA (Honours/ Honours with research) programme is delivered as per the Choice Based Credit System (CBCS), which provides flexibility to the students in exercising their choice for courses offered in various specializations. The institute has a strong faculty with a unique academic and industry blend. With an optimum faculty-to-student ratio and adoption of various student-centric pedagogies in an experiential learning setup, the engagement among the students is effective. Continuous evaluation during the course ensures that students are abreast of relevant and contemporary business practices, which is in line with the prescribed curriculum. Projects, assignments, live projects and market research are blended with the regular classroom sessions for robust learning. Students are encouraged to take up additional value-added courses which complement their learning.

Emphasis is laid on introducing the culture of entrepreneurship and social responsibility, the curriculum focuses on these areas to drive young leaders to think along the lines of being self-reliant and, at the same time, take socially conscious business decisions.

Initiatives in internationalization of education provide global exposure to the students. International Exchange Programs, Global Immersion and Summer Schools at Universities like Deakin University, London School of Economics, Dauphine University, Arizona State University, University of British Columbia help the students to enhance their global competencies.

Infrastructure / Facilities:

SCMS NOIDA is located amidst the IT and knowledge hub and has proximity to Delhi International Airport. The Institute has a sprawling campus at NOIDA with easy connectivity to all the major cities. The Wi-Fi campus has spacious air-conditioned classrooms equipped with audio-visual aids. The seminar hall, conference halls, library and reading room, computer laboratory, auditorium, cafeteria, fully equipped gymnasium and facilities for outdoor / indoor games truly makes the campus a sought-after learning hub by national and international students. It is a place where progressive management thoughts evolve, witnessing a few business ideas transforming into successful startups.

Hostel Facility:

Hostel facility is provided for female students. The hostel has been planned to meet the requirements of young graduates and make their stay comfortable.

Computer Laboratory:

Two computer labs with a total capacity of 140 systems cater to the needs of the students in learning, knowledge dissemination, evaluations and official communication. The labs are equipped with internet connectivity, LCD projector, scanner cum printer and power backup.

Knowledge Resource Centre:

The library, a knowledge resource centre, possesses a vast collection of learning resource materials like books, periodicals, journals, and e-databases from all areas of management. The library, with its resources and innovative information services, fills an essential requisite in the intellectual pursuits for the students, faculty and research scholars. The library is automated with integrated library management software KOHA. The Online Public Access Catalog (OPAC) allows e-resources and other reading materials to be accessed anywhere and anytime.

Medical Facilities at Symbiosis Centre for Health Care:

Medical care is provided by an in-house Health Care Centre to the staff and students of the Institute. The medical centre has a team of doctors who conduct an annual (compulsory) check-up. The students are provided primary medical care whenever required. Health awareness is also conducted by organizing seminars & health education workshops. Each student is insured under the Medical claim and Traffic Accident policy.

Recreational and Wellness Facility:

Recreation is a vital component in a student's daily life, for fitness enthusiasts, the college has a Recreation and Wellness Centre (RWC) with a well-equipped gymnasium, aerobics and yoga hall and primary health care facilities are available on campus. The fitness enthusiasts are guided by trained coaches.

Cafeteria and Mess:

A multi-cuisine cafeteria, a Nescafe canteen, and a mess cater to the requirements of the students with a variety of tasty food and snack items at reasonable prices in a clean and hygienic environment. The diversity in food served satisfies the appetite of students coming from diverse cultures.

Parking:

The Campus has a multi-level parking facility for students and staff, which is well-maintained and manned by security guards throughout the day.

Reprography Centre:

The institute has a reprography centre for the convenience of the students. It also houses a stationery outlet where the students' requirements are met.

Indoor Games Lounge:

For the recreation of the students, this lounge is equipped with various indoor and board games like table tennis carom board, scrabble, chess, monopoly, etc. Students effectively use the lounge to organize tournaments and enthusiastic students participate in large numbers.

Seminar Hall:

The Seminar Hall is equipped with all modern technical aids for guest lectures, screening of films, presentations, and workshops etc.

Auditorium:

The world class auditorium features a high-definition screen with LED display, an in-built audio system, high-end speakers and a special sound system, making it one of a kind facility, capable of enhancing every performance. An opulent seating capacity of 480 people, the auditorium is used for various activities and celebrations like Induction Day, Republic Day, Independence Day, Farewell Functions and other Cultural Functions. Student Interaction Lounge: The student interaction lounge is not only a place where students freely interact or relax but also witnesses brainstorming sessions and informal get-togethers.

Dr. Sameer Pingle

Director

DIRECTOR'S PROFILE:

Dr. Sameer Pingle has over two decades of experience in corporate and management education. He has worked with institutes of repute, such as NMIMS, Indore Campus, and Nirma University, Ahmedabad, in the past. He has been a visiting professor at IIT Gandhinagar, IIM Nagpur, Ahmedabad Management Association, and many others. He visited the Hof University of Applied Sciences, Hof, Germany, three times and received the ERASMUS Fellowship in 2017 as part of the International Teaching Week.

There are many awards to his credit from reputed associations such as AIMS, ISTD, HEF, NIPM, KRDWG, ULektz, Jagranjosh, B-School Affairs, Lexicon Group of Institutes, MTC Global, DKRF, and Nirma University for research, teaching, and administration, as well as an international award from Hof University for teaching excellence.

He has guided six doctoral scholars and conducted management development programmes for reputed organizations in India and abroad. He has undertaken consulting assignments with organizations such as the Shriram Group, the Government of Gujarat, Kalapur Commercial Co-operative Bank Ltd., Nirlife, and others.

Dr. Pingle has conducted training programmes for executives from reputed organizations such as ONGC, HPCL, IOCL, GSFC, Cadila Pharmaceuticals, Torrent Pharmaceuticals, Kalpataru Power Transmission, Ultratech, VANAMATI, GVK-EMRI, Ford India, Bank of Baroda, and many others. He has conducted several Faculty Development Programmes on Case Teaching Pedagogy and Innovative Pedagogy. Dr. Pingle is a certified POSH trainer and a certified Yoga teacher.

His research interests include employer branding, HR practices in MSMEs, employee engagement, and management education. His teaching interests include performance management, International HRM, talent acquisition, and others.

Institute Profile:

Symbiosis Centre for Management Studies, Nagpur is a part of a 55-year-old legacy called 'Symbiosis'. Symbiosis International (Deemed University), headquartered in Pune is a multi-disciplinary university offering its students and faculty a vibrant learning ecosystem designed around its multi-cultural and innovative ethos. The university is based on the Vedic thought of - "Vasudhaiva Kutumbakam" meaning 'The World is one Family'. Established in 1971 by Prof. Dr. S.B. Mujumdar, Symbiosis is a 'home away from home' for international students of more than 85 countries.

SCMS, Nagpur is a constituent of Symbiosis International University (SIU), Pune and was established in 2019 in the city of Nagpur. The SCMS Nagpur campus is situated in a sprawling 75-acre in Wathoda area within the Nagpur City limits. Nagpur is situated almost at the geographical centre of the country called the 'Zero Mile'. It is also called as the 'Orange City'. Nagpur is surrounded by some of the well-known forests ranges and wild life reserve. It is prominently known as the 'Tiger capital of India'.

SCMS, Nagpur offers a 4 year BBA programme (3+1) which is in attuned with NEP 2020. We have a strong team of research-oriented faculty members who impart theoretical as well as application-oriented education. The institution adopts a wide-ranging teaching pedagogy including experiential learning, class-room activities, debates, group discussions, group tasks, field visits, life-long learning, and life skills.

The programme framework allows options to pursue major, minor courses as also provides choice to pursue multidisciplinary, ability and skill enhancement courses. By providing wider options through multidisciplinary courses like film appreciation, photography, law, and design, the students get to choose subjects of their personal interests. Apart from this, the institution has an increased focus on employability skills, entrepreneurial skills with a greater emphasis on research.

BBA at SCMS, Nagpur also provides opportunities for semester exchange programmes with foreign universities like Hoshchule University, Germany, HWR University, Germany, IESEG University, France, LBU, UK to name a few.

Our students are trained to meet the "Graduate Attributes" defined by SIU. We attempt to align with those "Graduate Attributes" through a variety of innovative teaching- learning techniques and activities like presentations, seminars, workshops, conferences, fests, contests, etc. Our cells, clubs and committees are students driven which give them first-hand experience on planning, organising, directing and controlling.

Life at SCMS, Nagpur strikes the right balance between academics, experiential learning, and vibrant campus life.

Programme Profile:

- **Bachelor of Business Administration (BBA) Honours/ Honours with Research**

SCMS, Nagpur offers a Four-year Under-graduate Programme, Bachelor of Business Administration - Honours / Honours with Research (B.B.A -Honours / Honours with Research)

SCMS, Nagpur has adopted the New Education Policy, 2020 which is a crucial step towards transforming the education system in India. SCMS, Nagpur has begun the process of implementation of the new framework and through a new curriculum and teaching methods to align with the objectives of NEP 2020. The same has been implemented since the academic year 2023-24.

The programme has adopted multidisciplinary approach to ensure that a student is exposed to a wide range of courses outside their major field of study by integrating courses from multiple disciplines such as economics, psychology, data analytics, and more. The curriculum is more focused on practical and experiential learning, which intends to move from the traditional teaching methods to a hands-on approach. As a result, BBA students will have more opportunity to apply their acquired knowledge to practical contexts and field work.

The programme uses instructional strategies that inspire students to consider multiple viewpoints and understand challenging business issues. This will help prepare outstanding professionals who are industry-ready and equipped

with talents and skills that will meet the demands of modern business organizations on graduation. The use of digital technologies and platforms will assist the students to learn more by facilitating their access to online study, databases, e-learning material etc. The programme will focus on peer collaboration, and participation in hands-on learning activities with ease of access. The students' overall growth and development will be achieved through focus on fundamental knowledge, vocational education, skill development, ability enhancement courses, language studies as well as opportunities to study internationally through the institution's unique Global Immersion Programme.

SCMS, Nagpur aims to significantly help its graduates by providing them with greater flexibility, expanding their skill set, and enhancing their employability while providing them with entry and exit options as envisaged in the NEP 2020.

Duration of the Programme:

- **Bachelor of Business Administration (BBA) Honours/ Honours with Research : 4 Years, Full Time, Residential programme**
(the programme is residential for all first-year students except those admitted under the Nagpur domicile category)

Intake:

- **Bachelor of Business Administration (BBA) Honours/ Honours with Research : 180 Students**

Eligibility:

- **Bachelor of Business Administration (BBA) Honours/ Honours with Research**

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

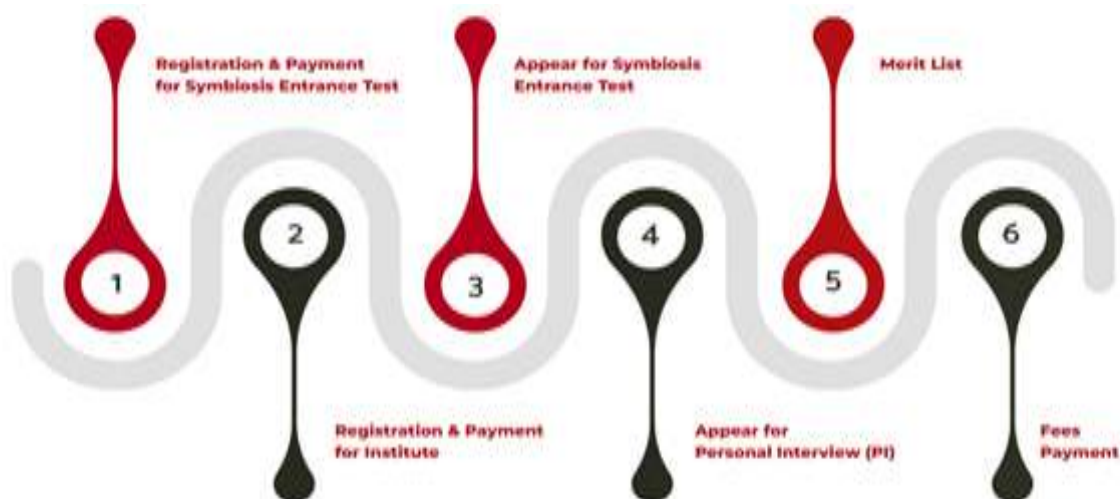

Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6.

Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

SET Scores are mandatory for admission to SCMS Nagpur. A Shortlist will be declared based on SET Scores, and shortlisted candidates will be invited for the next round, which is the PI (Personal Interaction) process. Merit Lists will be declared on the basis of overall scores with SET scores getting 70 % weightage and PI scores getting 30 % weightage in the overall score.

Dr. Aarti Mehta Sharma
Director

Director Profile

Dr. Aarti Mehta Sharma is a passionate academician who firmly believes that quality education has the power to enrich lives. With experience spanning both industry and academia at various levels, she strongly advocates that a future-ready student is one who possesses strong domain knowledge along with robust analytical skills. She brings over 15 years of teaching experience at the Doctoral, Post-Graduate and undergraduate levels and has spent more than 8 years in the field of research, including working with reputed organizations such as MODE Market Research and FORE. Dr. Sharma has also been actively involved in corporate training as a senior faculty, conducting workshops for organizations such as Wipro, Infosys, and John Distillers. Her sessions have catered to multiple management levels and covered diverse topics including Market Research, Data Visualization, Analytics and Statistics.

Institute Profile:

Symbiosis Centre for Management Studies, Bengaluru (SCMS-B) is a constituent of Symbiosis International (Deemed University), Pune, and commenced its operations in November 2021. Located in Electronic City, the IT hub of Bengaluru, the institute adopts a vibrant and contemporary academic approach that allows learners to explore topics across diverse functional areas.

SCMS-B offers a unique curriculum that seamlessly integrates business studies with data sciences and analytics, with the objective of transforming students into skills-driven and industry-ready business managers.

Programme Profile:

- **Bachelor of Business Administration (BBA) Honours/ Honours with Research**

The Bachelor of Business Administration Honours / BBA Honours with Research programme is a four-year undergraduate course designed in alignment with the NEP 2020 guidelines. The programme features a comprehensive and contemporary curriculum along with a wide range of elective modules, enabling students to pursue advanced studies at leading business schools in India and abroad or to enter the corporate world with strong professional competencies.

- **Bachelor of Business Administration - Honours / Honours with Research - Dual Degree in collaboration with Deakin University, Australia**

The Bachelor of Business Administration (Dual Degree in collaboration with Deakin University Australia). Students complete the first two years in India and the final two years in Australia. Upon successful completion, they are awarded degrees from both Symbiosis International (Deemed University) and Deakin University. The Australian component places a strong emphasis on Analytics, addressing the growing global demand for data-driven business professionals.

Duration of the Programme:

- **Bachelor of Business Administration (BBA) Honours/ Honours with Research : 4 Years, Full Time, Non-Residential programme (Hostel facilities are available on request)**
- **Bachelor of Business Administration - Honours / Honours with Research - Dual Degree in collaboration with Deakin University, Australia : 4 Years, Full Time, Non-Residential programme (Hostel facilities are available on request)**

Intake:

- **Bachelor of Business Administration (BBA) Honours/ Honours with Research : 120 Students**
- **Bachelor of Business Administration - Honours / Honours with Research - Dual Degree in collaboration with Deakin University, Australia : 15 Students**

Eligibility:

- **Bachelor of Business Administration (BBA) Honours/ Honours with Research**

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of Semester-6.

Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.

- **Bachelor of Business Administration - Honours / Honours with Research - Dual Degree in collaboration with Deakin University, Australia**

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

The conditions to transition to Deakin University, Australia are:

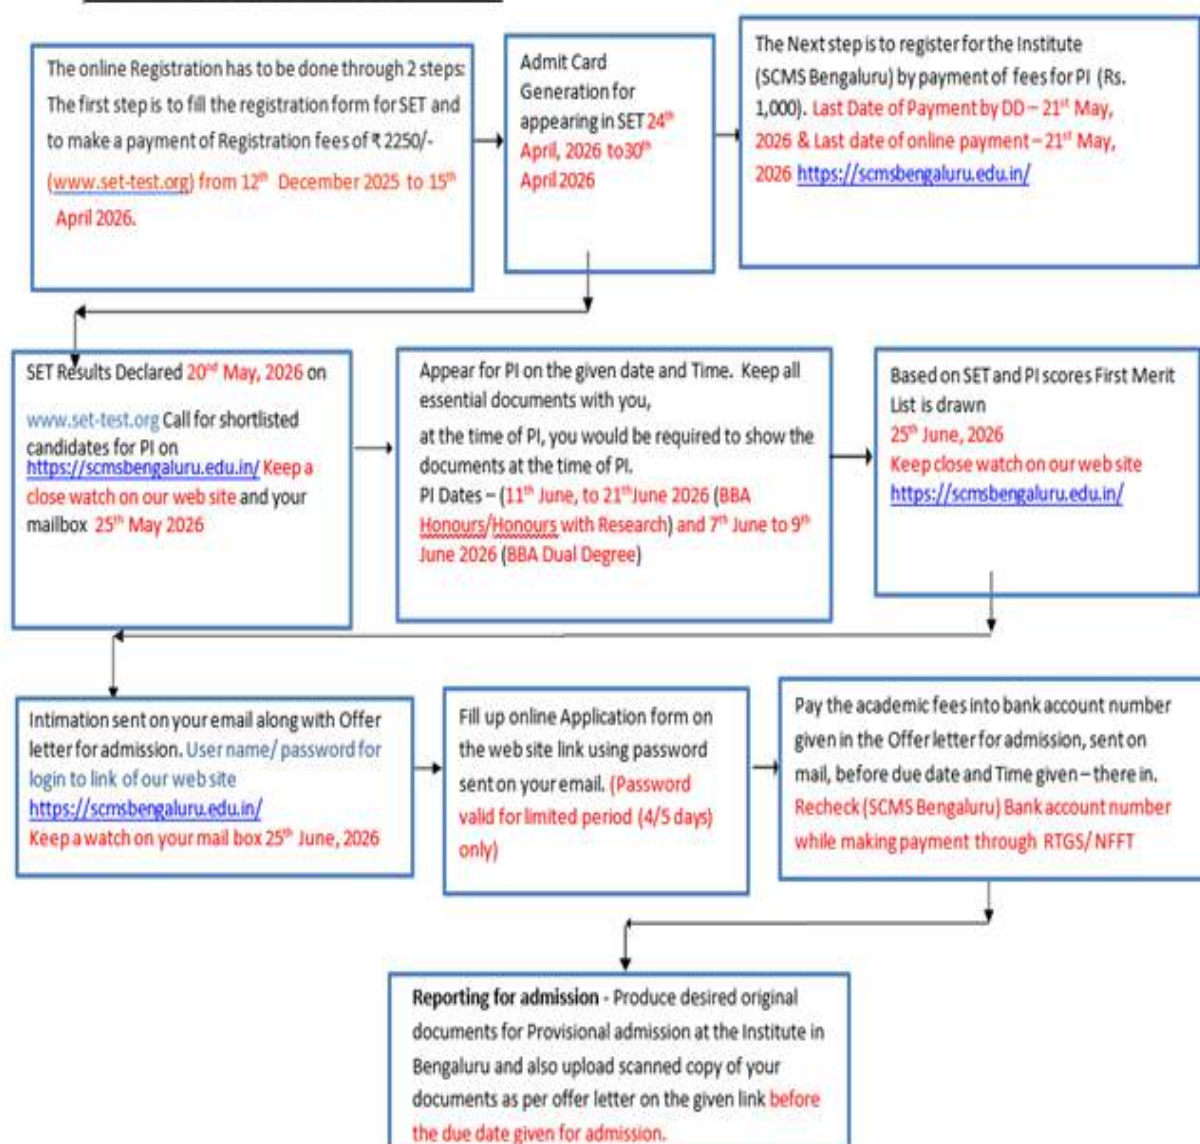

- a) Students successfully completing the first two years at SCMS B with a Weighted Average Mark of 55 (CGPA of 6.25)
- b) IELTS minimum score of 6

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Orientation and Pedagogy:

- **Bachelor of Business Administration (Honours/ Honours with Research)**

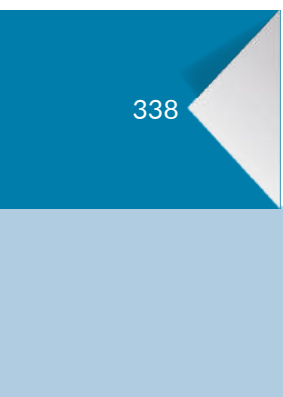

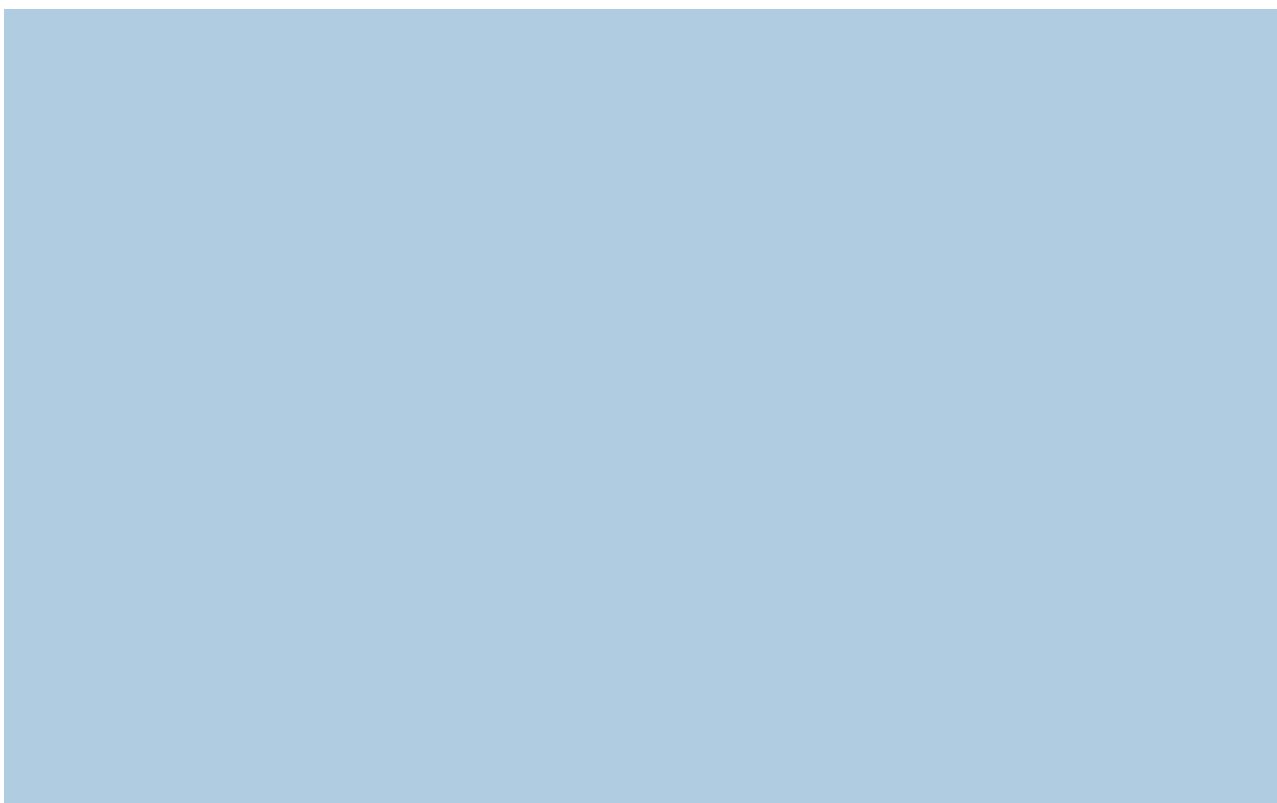

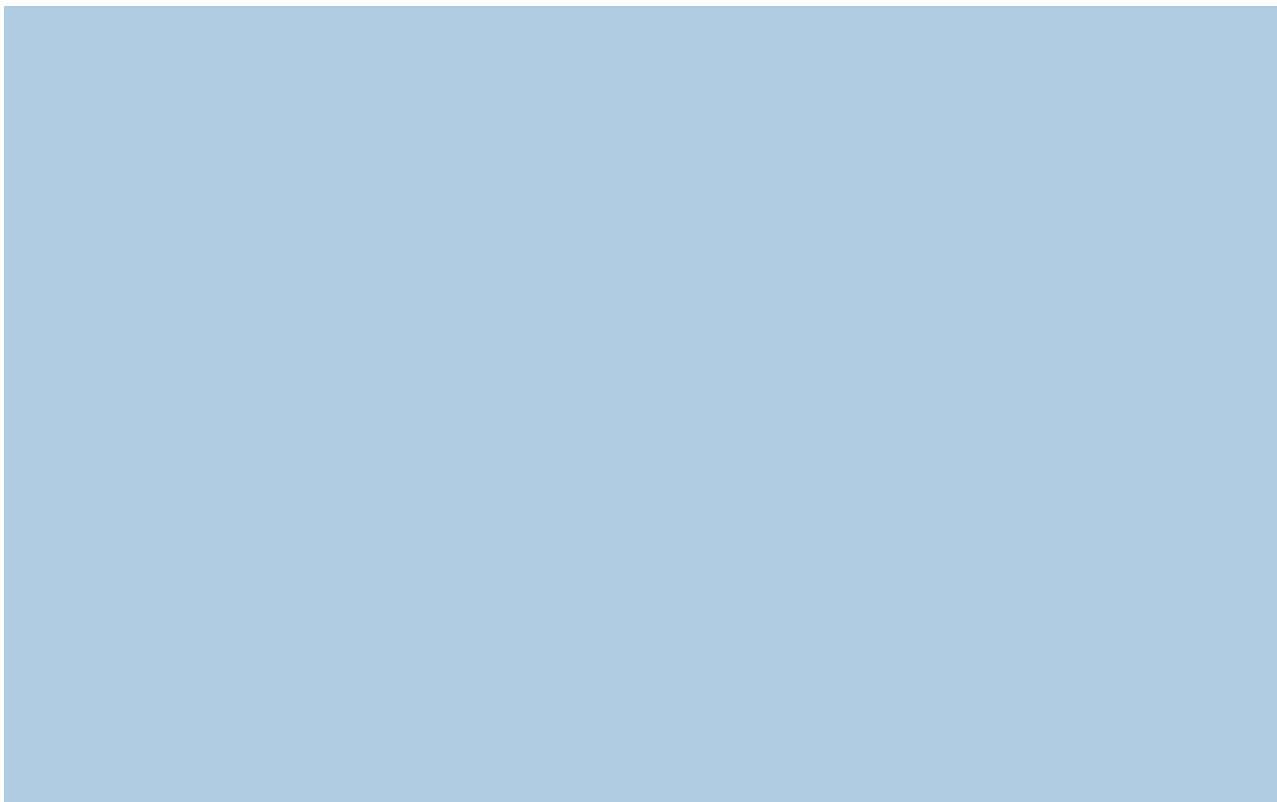

Aligned with NEP 2020, the programme is offered as a four-year BBA Honours with exit options at the end of each year. Students can choose from the following specializations:

Marketing, Finance, Human Resources, and Business Analytics.

- **Bachelor of Business Administration (Dual Degree in collaboration with Deakin University Australia)**

The 2+2 Dual Degree Programme enables students to earn a Bachelors in Business Administration degree from SCMS-B and a Bachelor of Business Analytics degree from Deakin University, Australia. At SCMS-B, students can pursue majors, minors, multidisciplinary courses, and skill enhancement modules in Marketing, Finance, and Human Resources.

During the final two years at Deakin University, students are immersed in an analytics-focused curriculum with a wide range of core and elective units. The programme also offers opportunities for a four-year post-study work visa in Australia (subject to Australian Government policies), paving the way for global career prospects.

Dr. K P Venugopala Rao

Officiating Director

DIRECTOR'S PROFILE:

Dr. K P Venugopala Rao is an academician with a wealth of experience in teaching, research, and academic administration. He holds a Doctorate in Commerce from Osmania University and has degrees in Law and Education. His thesis, which explored the area of Commodity Derivatives in India, reflects his deep understanding of the subject matter.

With over two decades of experience in the field, Dr. Venugopala Rao has held various academic and administrative positions in renowned educational institutions. Dr. Venugopala Rao is an accomplished researcher with several publications in various national and international peer-reviewed journals. His interests are mainly in Accounting, Taxation, and Capital Markets.

Dr. Rao actively promotes innovative teaching pedagogy to make learning more effective and engaging for students. He is a member of BoS in Banking and Finance at Symbiosis International (Deemed University). As the director for Symbiosis Centre for Management Studies, Hyderabad, he is committed to nurturing the next generation of business leaders and managers with a focus on innovative teaching pedagogy, research, and academic excellence.

Institute Profile:-

Established in 2022, Symbiosis Centre for Management Studies (SCMS), Hyderabad is committed to providing holistic, multidisciplinary, and value-based education. Guided by the philosophy World is One family Promoted by its Honorable Chancellor, Prof. (Dr.) S. B. Mujumdar, the institute focuses on nurturing socially responsible, ethically grounded, and future-ready management professionals.

SCMS Hyderabad emphasizes experiential learning, global exposure, and inclusivity, supported by qualified faculty and industry engagement. Internationalisation is integral to the academic ecosystem, with inbound international students, exchange and immersion programmes, and cross-cultural learning experiences.

Located on a 40-acre fully residential campus at Mammidipally, Hyderabad, the institute offers a safe, technology-enabled, and learner-centric environment that supports academic excellence and overall personality development.

Programme Profile:

- **Bachelor of Business Administration (BBA) Honours/ Honours with Research**

B.B.A -Honours / Honours with Research is a four-year undergraduate programme structured in accordance with the National Education Policy (NEP) 2020, offering multiple entry and exit options and a flexible, student-centric, multidisciplinary curriculum.

The programme provides a strong foundation in core business and management disciplines, with opportunities to pursue major and minor specializations (in Finance/ Marketing/ Human Resource/ Business Analytics/ Data Science), complemented by skill-based courses, internships, value-added modules, and experiential learning components. Emphasis is placed on critical thinking, analytical competence, ethical decision-making, communication skills, and problem-solving abilities.

Duration of the Programme:

- **Bachelor of Business Administration (BBA) Honours/ Honours with Research : 4 Years, Full Time, Residential programme**

Intake:

- **Bachelor of Business Administration (BBA) Honours/ Honours with Research : 120 Students**

Eligibility:

- **Bachelor of Business Administration (BBA) Honours/ Honours with Research**

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

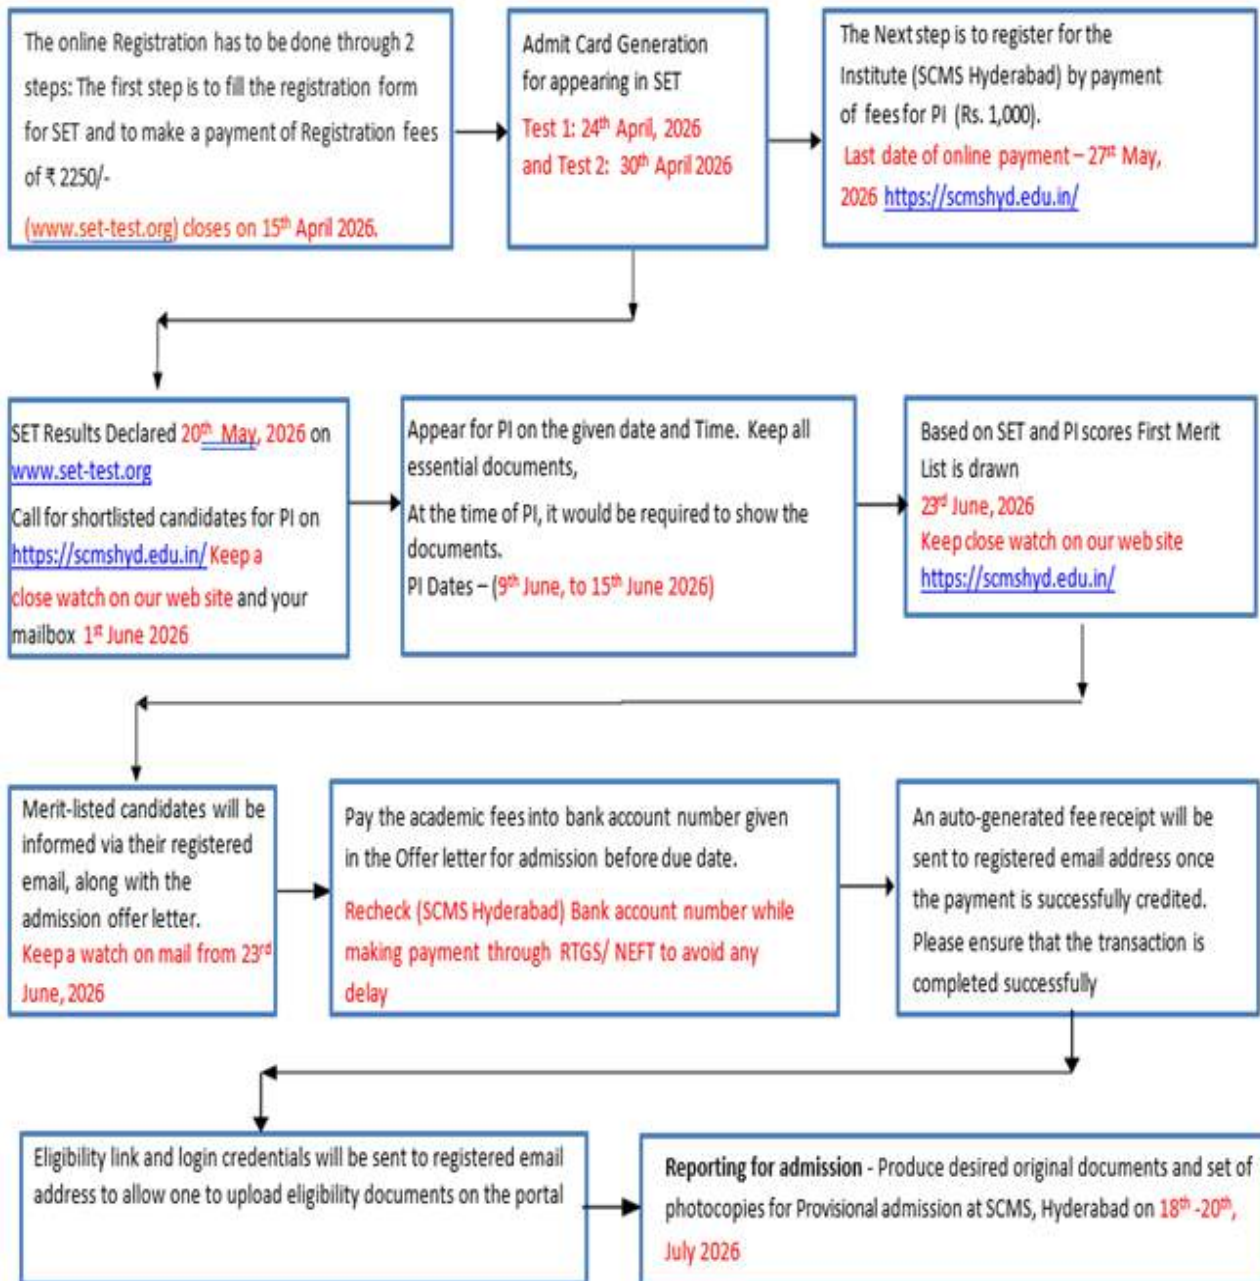

Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of Semester-6.

Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Prof. Dr. Jatinderkumar R. Saini

Director

Director's Profile:

Prof. Dr. Jatinderkumar R. Saini , Recipient of DAAD Fellowship (Germany), PhD (Computer Sci.), MCA [State Univ. 1st rank & Gold Medals in all 3 years], BSc (Computer Sci.) [Silver Medal], FIETE, FMASc, MISTE, MISG, MISCA, MISRS, Joint Secretary and Executive Committee Member, ISRS, Pune Chapter (2021-23) (2023-25), Executive Committee Member, IETE, Pune Centre (2024-26), Joint Treasurer & Executive Committee Member, IETE, Vadodara Centre (2016-18), Joint Secretary & Webmaster & Executive Committee Member, ISG, Vadodara Chapter (2014-19), Managing Committee Member, CSI, Vadodara Chapter (2016-17), IBM Certified Database Associate – DB2, IBM Certified Associate Developer – RAD, BULATS Certified [CEFR/ALTE C1/4], CPT Certified [CEFR/ALTE C1/4], NABET (QCI) Yellow Belt Certified.

A distinguished and established academician, researcher and administrator, Prof. Dr. Jatinderkumar R. Saini was awarded PhD in Computer Science in 2009. He has 340+ research publications including in journals published by Elsevier, Taylor & Francis, ACM, Springer, IEEE, Emerald, Hindawi and InderScience. He has papers with high Web of Science (WoS) Impact Factor journals, 190+ Scopus/WOS indexed papers, and several best paper awards within India and abroad. With 2830+ citations, h-index of 28 and i10 index of 77, his papers have been cited in 90+ countries by publications included in Elsevier, ACM, Springer, IEEE, Oxford Univ. Press, Cambridge Univ. Press, Sage, Wiley, ACL, IET, IOS Press, World Scientific, Palgrave Macmillan, IOP Publications, PubMed, etc. including by world's top-notch as well as 1st ranked International Journals with very high WoS Impact Factors. His papers have been cited by more than a dozen IITs/IIMs/NITs/IIITs, several thesis, and patents worldwide. His papers have also been cited by Wikipedia, WHO, Dept. of Atomic Energy (Govt. of India), DRDO (Govt. of India), Adobe, Microsoft, Oracle, IBM, LinkedIn, Siemens, Samsung, HCL, Nisshin, Handa, and Roche, just to name a few.

Dr. Saini has reviewed more than 1725+ papers (200+ papers alone for ACM Transactions / IEEE Transactions). In the capacity of Editor of different prestigious journals, he has also handled 100+ papers. He has also reviewed for esteemed and high WoS Impact Factor journals published by Elsevier, ACM, IEEE, Springer, Frontiers, Sage, Taylor and Francis, MDPI, Emerald, World Scientific, Oxford Univ. Press, Wiley, Hindawi, De Gruyter, IGI, ActaPress and InderScience, to name a few. He is also acting as an editorial board member for journals with high WoS Impact Factors published by ACM, SAGE, IGI Global, etc. Additionally, he has also reviewed papers and chaired sessions for various conferences, both in and outside India. He has been awarded four times with outstanding reviewer certificate by WoS Impact Factor bearing International Journal. Dr. Saini has been named among top 1% (and also in absolute top 50) Computer Science reviewers in the world by WoS continuously for two years, i.e, 2018 and 2019. 14 candidates have been awarded PhD and 7 more are currently pursuing their doctoral research work under his

guidance. He has visited various universities in Asia and Europe. He is Fellow of seven professional societies across the globe, and has completed the fully-residential and government-sponsored leadership program from IIM-N.

Prior to joining SICSR, Dr. Saini was working as a State Government University approved Full Professor (since 2013) and Head of Institution/Director (since 2010). His vast experience comprises of working also as Head of Department, University Coordinator, Director of AB Innovation Sankul and Zonal Exam Coordinator for entire South Gujarat under the State government's Gujarat Technological University, Ahmedabad. In the year 2005, he secured first position in the written test and later in the interview too at State level and had a distinct opportunity of working with Gujarat Secretariat, Gandhinagar for the ambitious e-governance project of Govt. of Gujarat as well as the privilege of working at one of the only four licensed certifying authorities under Ministry of Information Technology, Govt. of India. Dr. Saini is included in the Marquis Who's Who in the World, USA since 2012. His lectures have been live broadcasted at national level and available online as part of NCTEL too. He has completed 50+ international MOOC certifications, almost all with distinction, through various universities like Massachusetts Institute of Technology (MIT), University of Texas at Austin, Stanford University, Rice University, Johns Hopkins University, The Pennsylvania State University, Case Western Reserve University, The Ohio State University, University of Rochester, to name a few.

Institute Profile:

Symbiosis Institute of Computer Studies and Research (SICSR), a constituent of Symbiosis International (Deemed University), and established in 1985, aims at building future leaders for the Information Technology (IT) industry worldwide by imparting world class IT education to them. We offer state-of-art information technology education for building leading-edge and innovative IT applications. IT is a rapidly changing field where new concepts and technologies are constantly emerging and are leading to the development of new products and innovative applications. IT also plays a vital role in development of next generation technologies in other disciplines. IT has become a critical tool for economic, business and social development and will play a pivotal and catalytic role in a Nation's progress.

We are on the forefront in realizing the vision of our Founder and Chancellor, Honourable Prof. Dr. S. B. Mujumdar Sir, to be a true International University, promoting diversity with students from various countries in the Under Graduate and Post Graduate Programmes in IT and Management.

We offer a complete portfolio of IT education programs, including undergraduate programmes Bachelor of Business Administration (Information Technology) Honours / Honours with Research and Bachelor of Computer Applications Honours / Honours with Research, full-time post-graduate programmes Master of Business Administration (Information Technology), Master of Business Administration (Digital Transformation) and Master of Science (Computer Applications).

- **Ranked #7** Among Top 10 Emerging Colleges for BBA (India Today 2023)
- **Ranked #11** Among Best Colleges of India for BBA (India Today Rankings 2023)

Programme Profile:

- **Bachelor of Business Administration - Information Technology Honours / Honours with Research (B.B.A(IT) - Honours / Honours with Research)**

Objectives:

BBA (IT) Honours/Honours with Research is a perfect blend of Commerce, Management, and IT subjects heading for smart careers in Business Administration with IT flavour. The programme focuses on imparting IT and related methodologies for understanding and applying IT for business analysis. The Programme strikes a balance between business management courses, basic IT skill courses, application software and packages, which will enable and enhance business transformations.

BBA (IT) Honours/Honours with Research offers an opportunity for an early entry into the Management cadre, equipped with IT knowledge, to be trained appropriately by the companies for their requirements.

The graduating students will be suitable for the following roles:

1. Business analyst for areas like application software, requirement management, quality assurance, and process analysis.
2. Business administration under various Management functions like finance, marketing operations etc.
3. Preparing for PG programmes for higher studies in India or abroad in the IT and Management field
4. Entrepreneurship with a multidisciplinary approach.

Highlights of the Programme:

1. The Programme strikes balance between business management, essential IT skills, IT applications, which will enable and enhance business transformations.
2. The Programme also offers Choice Based Credit System (CBCS) in which Students can choose course/s (up to 10-15%) of their choice from different faculties/disciplines like Humanities, Management, Liberal Arts, and Computer Studies.
3. Holistic approach in designing the Programme structure focused on providing strong foundations for higher studies, smart careers in IT and Business Administration, and development of Entrepreneurial skills.
4. The Programme structure, the pedagogy used, the evaluation of learning outcomes is planned in such a way that it helps overall development of students.
5. It follows the guidelines of New Education Policy (NEP) with multiple entry and exit options.

● Bachelor of Computer Applications Honours / Honours with Research (BCA - Honours / Honours with Research)

Objectives:

BCA (Honours/Honours with Research) offers the prequalification for professionals heading for smart career in the IT field, which measures up to international standards. On completing this course one can do higher studies in any UGC recognized universities or in any other reputed institution in India or abroad. BCA (Honours/Honours with Research) with specialization will prepare students to progress their career in the software industry, academia, research, entrepreneurial pursuit and other Information technology enabled services in one of the areas in Data Science, Artificial Intelligence and Machine Learning, Cloud Computing, and Cyber security.

Highlights of the Programme:

1. This program is focused on emerging technologies in IT sector such as Data Analytics, Data Science, Generative AI, Big Data Analytics, Cyber Security, AI, ML, Smartphone Applications development, design, Networking, and database management systems.
2. This program gives student an ability to understand and apply knowledge of content management system, mobile computing and cloud computing in software development as well as the best software practices used in industry.
3. In this programme students will learn multidisciplinary courses, Value-Added courses and work effectively as an individual and as a member or leader in diverse teams.
4. The program will help students to develop professional skills that prepare them for immediate employment or for learning in advanced areas of computer science and related fields.
5. It follows the guidelines of New Education Policy (NEP) with multiple entry and exit options.

Duration:

- **Bachelor of Business Administration - Information Technology Honours / Honours with Research (B.B.A(IT) - Honours / Honours with Research)** : 4 Years, Full Time, Non-Residential programme
- **Bachelor of Computer Applications Honours / Honours with Research (BCA - Honours / Honours with Research)** : 4 Years, Full Time, Non-Residential programme

Intake:

- **Bachelor of Business Administration - Information Technology Honours / Honours with Research (B.B.A(IT) - Honours / Honours with Research)** : 120 Students
- **Bachelor of Computer Applications Honours / Honours with Research (BCA - Honours / Honours with Research)** : 180 Students

Eligibility:

- **Bachelor of Business Administration - Information Technology Honours / Honours with Research (B.B.A(IT) - Honours / Honours with Research)**

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Students who wish to opt for Honours with Research must earn 7.5 CGPA and above at the end of Semester-6

Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.

- **Bachelor of Computer Applications Honours / Honours with Research (BCA - Honours / Honours with Research)**

Passed Standard XII (10+2) or equivalent government approved Diploma in Engineering/ Technology from any recognised Board with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes).

Students who wish to opt for Honours with Research must earn 7.5 CGPA and above at the end of Semester-6.

Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

1. Fill up the Online SET Application Form available at www.set-test.org.
2. Make the SET Fees payment.
3. Register for the Institute (SICSR) and make the payment as per programme.
4. After registration and fee payment for SET it is important and mandate to pay Institute registration fees for SICSR.
5. Using the portal kindly verify that you have completed both the payment for SET and SICSR.
6. Download SET Admit Card.
7. Appear for the SET exam.
8. Check the SET Result.
9. Book your slot for Online Personal Interaction Round (PI) Process for SICSR.
10. Appear for the Online PI process.
11. Merit list will be displayed.
12. Admission will be confirmed after payment is made.

***Kindly refer to the important dates section for the necessary details regarding the admission process.**

SET Registration/Payment closes on	April 15,2026 (Wednesday)
Admit Card Live on (www.set-test.org)	SET/SITEEE Test 01: April 24,2026 (Friday)
	SET/SITEEE Test 02: April 30,2026 (Thursday)
SET / SITEEE Computer Based Test (CBT) 2026 (www.set-test.org)	
Test 01 - May 02,2026 (Saturday)	SET: 09.00 am to 10.00 am
Test 02 - May 10,2026 (Sunday)	SITEEE: 11.30 am to 12.30 pm
Announcement of Result	May 20,2026 (Wednesday)
SICSR Registration/Payment closes on	May 25, 2026 (Monday)
Declaration of shortlisting for PI	May 30, 2026 (Saturday)
Dates of Online PI Process	June 13, 2026 (Saturday) to June 15, 2026 (Monday)
	June 19, 2026 (Friday) to June 21, 2026 (Sunday)
Declaration of First Merit List	June 25, 2026 (Thursday)
Programme Commencement	July 15, 2026(Wednesday)

Disclaimer: These dates are tentative and are subject to change Any changes will be reflected on the institute website www.sicrs.ac.in

Orientation and Pedagogy:

SICSR's approach to teaching includes a combination of lectures, class discussion, group work, self-study for blended learning with continuous evaluation of students.

Assessment: As per SIU norms, there are two broad categories of evaluations, Continuous (Internal) and Term End (External). All internal courses will have 100% component as internal evaluation at the institute level. All external courses will have 40% internal component (continuous evaluation) and 60% component as external (University) examination. Continuous evaluation will be carried during the semester using multiple criteria such as written exam, Quizzes, presentations, practicals, projects, etc. At the end of each semester, term-end examination will be conducted by the university.

Dr. Sammita Jadhav

Director and Professor, Symbiosis Institute of Health Sciences

Director's Profile:

An accomplished professional with over two decades of experience in the healthcare industry, Dr. Sammita Jadhav holds an esteemed position as the Director of Symbiosis Institute of Health Sciences. She has made significant contributions to the field, serving as a resource person on the National Task Force of the National Initiative of Allied Health Services (NIAHS), under the Ministry of Health and Family Welfare, Government of India. Dr. Jadhav's exceptional qualifications include graduating from the renowned B.J. Medical College, Pune, where she excelled in her Doctor of Medicine degree with a specialization in Pathology, and obtained a Ph.D. in Healthcare Management from Symbiosis International (Deemed University) under the Faculty of Medical and Health Sciences.

Notably, Dr. Jadhav has been instrumental in the commissioning of the Symbiosis University Hospital and research Centre, a state-of-the-art healthcare facility comprising 900 beds, as well as the Symbiosis Medical College for Women in Pune.

As a respected Ph.D. supervisor, Dr. Jadhav currently guides eight Ph.D. scholars emphasizing her dedication to research. Her work has been recognized through numerous research publications in esteemed national and international journals indexed in Scopus and Web of Science. Notably, her paper on 'Clinico-pathological Correlation in Dengue Fever: A case study of 200 adult patients' earned her the prestigious Best Paper award at the Mapcon conference of the Indian Association of Pathologist and Microbiologist (IAPM).

With her vast expertise and leadership, Dr. Jadhav continues to elevate the Healthcare Management, Public Health, Paramedical Technology and the Behavioural Sciences departments at Symbiosis Institute of Health Sciences. She serves on the elite Board of Studies, Faculty of Medical and Health Sciences, Board of Examination, Academic Council and the Executive Council at Symbiosis International (Deemed University); Board of Studies at KLE University and is a member, Research Advisory Committee (RAC) for the doctoral programme at Datta Meghe Institute of Higher Education and Research (Deemed to be University).

During the COVID-19 pandemic Dr. Jadhav has taken leadership positions in Public Health advocacy, digitalization of the hospital processes, promotion of TeleHealth platforms and promoting online healthcare education.

Known for her exceptional talents in creating collaborations, teambuilding abilities, communication skills and leadership qualities, she is popular amongst healthcare professionals, healthcare industry and the academia for her expertise in Healthcare Management, Climate change in Healthcare, Nutrition and Dietetics, Paramedical Technology, Public Health, Allied Health Education, Biosafety and Bioethics, Laboratory Management, Quality Assurance and Accreditation. In recognition of her contributions, Dr. Jadhav was honoured as a 'Pioneering Leader

in Healthcare Management and Education' at the Education Excellence Awards & Summit 2024, organized by Academic Insights.

Dr. Jadhav has been invited as key note speaker at various conferences, and has given talks at various fora including NATHEALTH, MTal, AmRef, VIF, CII, FICCI, RESCARE, Indian Society of Radiographers and Technologists and at the Annual Best of Brussels Symposium on Intensive care & Emergency Medicine.

Dr. Jadhav has a keen interest in internationalization of Indian universities and is presently the regional representative-Africa; working in Allied health education advocacy and manpower training in Paramedical Technology in African countries; especially in Tanzania, Kenya, Rwanda, and Burundi and South Africa.

She has travelled widely to U.K., France, Italy, Netherlands, Czech Republic, Dubai, Oman, Singapore, Thailand, Austria, Belgium, Switzerland, Nepal and Sri Lanka as a result of her effort in Internationalization, education, skill training and Public Health initiative.

Symbiosis International (Deemed University) is based on the principles of the Vedic thoughts of "Vasudhaiva Kutumbakam- World is one Family" and Dr. Sammita Jadhav firmly believes in contributing towards this principle through various activities and initiatives at SIHS.

Institute Profile:

Symbiosis Institute of Health Sciences (SIHS) has conceptualized & implemented unique, innovative, career-oriented programmes to raise a cadre of industry-ready healthcare professionals. A conducive ecosystem of SIHS comprising experienced faculty, Symbiosis University Hospital & Research Centre (SUHRC) and Symbiosis Arogya Dham nurtures the teaching learning process. At SIHS, we encourage a symbiosis of thought, word & action of all such professionals who would address diverse issue of health in its totality. SIHS emphasizes on equipping the healthcare professionals with the appropriate skill sets required to survive this age of fierce competition and specialization. The institute carries a legacy of more than 20 years in healthcare management education. In recognition of the significant contribution of SIHS in healthcare education, Symbiosis Institute of Health Sciences (SIHS) has been ranked No. 14 among India's top 50 Non-IIMs B-schools in the prestigious Academic Insights survey 2023. The multi-disciplinary faculty representing various disciplines of healthcare education are drawn from the academia and industry. Their diverse backgrounds and immense experience provide valuable insights making the pedagogy practice oriented. SIHS is equipped with the finest infrastructure, the institute adopts latest technology to facilitate student learning. The state of the art classrooms are equipped with interactive displays and inbuilt audio systems. SIHS also provides ample opportunities for students who wish to participate in co-curricular and extra-curricular activities. Its in-house cricket ground, swimming pool, basketball court, gym, yoga/fitness centre and indoor badminton courts give students a chance to participate in sports activities beyond academics.

Programme Profile:

Program Overview

The Bachelor of Science (BSc) in Allied Health Sciences at Symbiosis International University is a premier undergraduate program designed to shape the next generation of healthcare technologists, innovators, and professionals. As the global healthcare landscape evolves, allied health professionals form the critical backbone of

diagnostic, therapeutic, and assistive medical services.

This program merges rigorous academic theory with intensive clinical exposure, preparing graduates to operate advanced medical equipment, manage complex diagnostic procedures, and contribute meaningfully to patient care teams. To cater to the diverse sectors of the healthcare industry, specialized programmes offered including:

Bachelor of Medical Radiology and Imaging Technology (B.MRIT)

Symbiosis Institute of Health Sciences (SIHS) offers a four-year full-time program — Bachelor of Medical Radiology & Imaging Technology — designed to prepare competent, ethical, and industry-ready imaging professionals aligned with national regulatory standards and evolving healthcare demands.

The program is designed in accordance with the competency-based curriculum prescribed by the National Commission for Allied and Healthcare Professions under the Ministry of Health & Family Welfare, ensuring standardized education, clinical proficiency, radiation safety awareness, ethical practice, and multidisciplinary collaboration. The curriculum integrates strong theoretical foundations with structured clinical training to develop skilled professionals capable of delivering high-quality, patient-centered imaging services across diverse healthcare settings.

Medical Radiology and Imaging Technology is a dynamic and technology-driven allied healthcare profession concerned with the safe and effective use of radiation and advanced imaging modalities for diagnosis and patient management. Medical Radiology & Imaging Technologists play a vital role in modern healthcare by performing radiographic and imaging procedures such as X-ray, CT, MRI, mammography, fluoroscopy, interventional radiology, and other specialized diagnostic techniques.

Bachelor in Cardiovascular Technology (B.CT)

The Bachelor in Cardiovascular Technology (B.CT). is a specialized undergraduate programme designed to develop competent cardiovascular technologists with strong scientific knowledge, clinical skills, and technical expertise in cardiac diagnostics and interventional procedures.

The programme focuses on training students in advanced cardiovascular diagnostic modalities such as Electrocardiography (ECG), Echocardiography, Treadmill Testing (TMT), Cardiac Catheterization, and Electrophysiology. With rapid advancements in cardiac care technology, the programme emphasizes hands-on clinical exposure, equipment handling, patient care, and procedural assistance in high-end cardiac settings.

Aligned with modern healthcare demands, the curriculum integrates theoretical knowledge, clinical training, and research orientation to prepare students to function efficiently in multidisciplinary cardiac care teams. Graduates are trained to assist cardiologists in both non-invasive and invasive procedures while ensuring patient safety, ethical practice, and quality care delivery.

BACHELOR OF RESPIRATORY TECHNOLOGY (B.RT)

The Bachelor of Respiratory Technology (B.RT) is an undergraduate allied health sciences program focused on the assessment, diagnosis support, and therapeutic management of patients with cardiopulmonary disorders. The

course integrates foundational medical sciences such as anatomy, physiology, microbiology, pharmacology, and pathology with specialized respiratory care subjects including pulmonary function testing, airway management, arterial blood gas analysis, and mechanical ventilation. The program is designed to develop clinically competent professionals capable of delivering safe, ethical, and evidence-based respiratory care.

A major strength of the B.RT program is its extensive clinical training component. Students undergo structured clinical postings in intensive care units (ICU), emergency departments, operation theatres, neonatal and pediatric ICUs, pulmonary function laboratories, and rehabilitation units. During this period, they gain hands-on experience in oxygen therapy, aerosol therapy, non-invasive and invasive ventilation, tracheostomy care, and cardiopulmonary resuscitation. The curriculum emphasizes critical thinking, patient safety, infection control, and interdisciplinary teamwork to prepare graduates for high-acuity healthcare environments.

Bachelor of Dialysis Therapy Technology (B.DTT)

The Bachelor of Dialysis Therapy Technology (B.DTT) program prepares students to become competent Dialysis Therapy Technologists and Dialysis Therapists who play a vital role in strengthening renal healthcare services in India. In the context of the increasing burden of chronic kidney disease (CKD) and end-stage renal disease (ESRD), the program equips graduates with the knowledge and skills required to meet the growing demand for timely, safe, and high-quality dialysis care.

The curriculum emphasizes hands-on proficiency in various dialysis modalities, including hemodialysis and peritoneal dialysis, along with the safe operation of advanced dialysis equipment and effective patient monitoring. In addition to technical competencies, the program focuses on patient education and support, enabling graduates to empower patients to actively participate in their own care.

B.DTT graduates are trained to work collaboratively with multidisciplinary healthcare teams to deliver individualized, holistic renal care, including services in critical care units and transplantation settings. By promoting up-to-date knowledge, quality improvement practices, and collaborative care models, the B.DTT program develops essential healthcare professionals who contribute significantly to improved patient outcomes and equitable access to high-quality dialysis services across India.

Bachelor of Medical Laboratory Science (B.MLS)

The Bachelor of Medical Laboratory Science (B.MLS) is an undergraduate program designed to develop skilled professionals capable of performing complex diagnostic procedures that are critical to patient care. Offered by Symbiosis Institute of Health Sciences, this program integrates academic excellence with practical experience to prepare students for a vital role in the healthcare system. Students receive in-depth training in Clinical Biochemistry, Microbiology, Haematology, Immunology, Pathology, and Molecular Diagnostics. The curriculum is supported by hands-on learning in advanced laboratories and clinical internships at affiliated hospitals, ensuring graduates are work-ready upon completion.

Rapid advances in medical technology have greatly improved healthcare but also increased its complexity. Effective healthcare now depends on a multidisciplinary team, including professionals beyond doctors and nurses. As technology and standardised protocols become central to diagnosis and treatment, trained healthcare service managers and specialists are essential to ensure efficiency, safety, and quality.

Medical Laboratory Professionals play a key role by working with physicians and technicians to diagnose and monitor diseases and evaluate treatment effectiveness. Trained in areas such as microbiology, clinical chemistry, haematology, immunology, transfusion medicine, toxicology, and molecular diagnostics, they provide accurate and timely laboratory results that guide clinical decision-making.

Bachelor of Anaesthesia & Operation Theatre Technology (B. AOTT)

Anesthesia and Operation Theatre Technology (B.AOTT) is a dynamic and technology-driven allied healthcare profession focused on the safe administration of anesthesia and the efficient management of operation theatre (OT) services. It plays a critical role in ensuring patient safety and smooth functioning of surgical and emergency procedures. Anaesthesia & Operation Theatre Technology Professionals are integral members of the surgical team, assisting anesthesiologists, preparing and maintaining OT equipment, ensuring strict aseptic protocols, monitoring patients during the perioperative period, and supporting advanced surgical interventions.

The program is designed in alignment with the competency-based curriculum prescribed by the National Commission for Allied and Healthcare Professions (NCAHP) under the Ministry of Health & Family Welfare. It emphasizes standardized education, clinical competence, patient safety, infection control, ethical practice, and effective multidisciplinary teamwork. The curriculum blends strong theoretical foundations with structured clinical training to develop skilled professionals capable of delivering high-quality anesthesia and perioperative care across diverse healthcare settings.

Symbiosis Institute of Health Sciences (SIHS) offers a four-year full-time program — Bachelor of Anesthesia and Operation Theatre Technology (AOTT) — aimed at preparing competent, ethical, and industry-ready professionals who meet national regulatory standards and cater to the growing demands of surgical and critical care services

Bachelor of Neuroscience Technology (B.NT)

Bachelor of Neuroscience Technology (B.NT) is an advanced allied healthcare programme focused on the study, assessment, monitoring, and rehabilitation of the human nervous system using modern neurodiagnostic and neurotechnological tools. Neuroscience Technologists play a critical role in the diagnosis and management of neurological disorders by assisting neurologists, neurosurgeons, neurophysiologists, and multidisciplinary healthcare teams in performing specialized neurodiagnostic investigations and neuro-monitoring procedures.

The programme is designed in accordance with the competency-based curriculum framework prescribed by the National Commission for Allied and Healthcare Professions (NCAHP), Ministry of Health & Family Welfare, Government of India. The curriculum integrates foundational neuroscience knowledge with extensive clinical and technological training in neurodiagnostic procedures, patient care, neuro-monitoring, neurorehabilitation support, research methodology, ethics, and healthcare technology.

Symbiosis Institute of Health Sciences (SIHS) offers a four-year full-time programme — Bachelor of Neuroscience Technology (B.NT) — aimed at developing competent, ethical, technologically skilled, and industry-ready neuroscience professionals capable of contributing effectively to modern neurological and neuroscientific healthcare services.

Bachelor of Endoscopy & Laparoscopy Technology (B.ELT)

Bachelor of Endoscopy & Laparoscopy Technology (B.ELT) is an advanced allied healthcare programme focused on the operation, management, maintenance, and clinical assistance involved in minimally invasive diagnostic and surgical procedures. Endoscopy & Laparoscopy Technologists play a critical role in supporting surgeons, gastroenterologists, gynecologists, urologists, and multidisciplinary surgical teams during endoscopic and laparoscopic interventions.

The programme is designed in accordance with the competency-based curriculum framework prescribed by the National Commission for Allied and Healthcare Professions (NCAHP), Ministry of Health & Family Welfare, Government of India. The curriculum integrates strong theoretical foundations with structured practical and clinical training in endoscopic procedures, laparoscopic surgeries, sterilization techniques, operation theatre protocols, patient safety, biomedical instrumentation, infection control, and healthcare ethics.

Symbiosis Institute of Health Sciences (SIHS) offers a four-year full-time programme — Bachelor of Endoscopy & Laparoscopy Technology (B.ELT) — aimed at developing competent, ethical, technologically skilled, and industry-ready professionals capable of supporting modern minimally invasive healthcare services.

Bachelor of Radiation Therapy Technology (B.RTT)

The Bachelor of Radiation Therapy Technology (B.RTT) programme is designed to develop a skilled workforce of radiation therapy technologists capable of supporting oncologists in delivering safe, precise, and effective cancer treatment. With the rising global burden of cancer, there is an increasing demand for well-trained professionals who can contribute to advanced radiotherapy practices. This programme focuses on building strong foundational knowledge in radiation physics, oncology, and radiotherapy techniques, along with intensive clinical exposure to ensure competency in real-world healthcare settings.

The curriculum follows a competency-based approach aligned with the National Commission for Allied and Healthcare Professions and integrates theoretical learning with hands-on training. Students gain practical expertise in modern radiotherapy techniques such as Three-Dimensional Conformal Radiation Therapy (3D-CRT), Image-Guided Radiation Therapy (IGRT), Intensity-Modulated Radiation Therapy (IMRT), Stereotactic Radiosurgery (SRS), Stereotactic Body Radiation Therapy (SBRT), and Total Body Irradiation (TBI). Training also includes Digitally Reconstructed Radiography (DRR) matching, dosimetry calculations, application of couch shifts, and the use of beam-modifying devices, ensuring precision in treatment delivery.

Additionally, the programme emphasizes competency in quality assurance procedures for linear accelerators (LINAC) and brachytherapy units, as well as exposure to Treatment Planning Systems (TPS). Through this synergistic blend of academic knowledge and practical skill development, graduates are prepared to function effectively within radiotherapy departments and assist physicians and clinicians across diverse healthcare settings globally.

Bachelor of Psychology

Symbiosis Institute of Health Sciences (SIHS) is a pioneer in Allied Healthcare education, offering a range of professional programs designed to equip students with the knowledge and skills required to excel in today's competitive world. Among the programs are the undergraduate program in Psychology, following the curriculum prescribed by the National Commission for Allied and Healthcare Professions (NCAHP) Act, 2021. The program

provides high-quality, multidisciplinary, and comprehensive education, enabling students to work in different sectors. The institute offers 9 specialisations, and the key feature of the program is the in-house training, observerships, and internships, making them ready for real-world settings.

Duration of the Programme: 4 years (3 years + 1 year Internship) As per NCAHP

Is Programme residential? No

Admission Process:

- STEP I: Online registration: Complete the registration by filling the registration form and making payment of registration charges of Rs.1500/-
- STEP II: Eligible candidates will submit a Statement of Purpose (SOP) and/or be called for Entrance Test and Personal Interaction (PI).
- STEP III: Selected candidates for provisional admission will be intimated through email.
- STEP IV: Provisional Admission process will be completed after the verification of all the submitted documents and payment of 1st instalment of the academic fees.

Important Dates:

Sr No	Description	Bachelor of Allied and Healthcare programmes Date(s)	Bachelor of Psychology programme Date(s)
1	Commencement of Registration	21st May, 2026	8th May, 2026
2	Closure of Registration	30th September, 2026	5th July 2026
3	Admit Card Generation	NA	NA
4	Entrance Test	Rolling Selection Process starting from, 2nd June, 2026 (Tuesday)	NA
5	Result Declaration	Twice a month (Rolling Selection)	NA
6	Shortlist Declaration	Twice a month (Rolling Selection)	After SOP evaluation
7	PI/GEPI/WAT Dates	Rolling Selection Process starting from, 2nd June, 2026 (Tuesday)	To be communicated to applicants after registration.
8	First Merit List Date	9th June, 2026 (Tuesday)	Rolling admission Process
9	Programme Commencement	11th August 2026 (Tuesday)	20th July 2026 (Monday)

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on the institute website www.sih.edu.in

Orientation and Pedagogy:

Core Pedagogy: The Experiential Learning Model SIHS employs a hybrid, competency-based instructional model that shifts the focus from rote memorization to active clinical problem-solving. Learning resources, case studies, and interactive presentations. Core medical sciences (Anatomy, Physiology, Pathology, and Pharmacology) are taught not in isolation, but in direct relation to how they manifest in diagnostic and therapeutic technology.

Simulation and Skills Laboratory Training

Before interacting with real patients, students practice critical procedural skills in controlled, high-fidelity simulation environments.

- **Hands-on Mock Setups:** Students learn machine calibration, patient positioning, error troubleshooting, and emergency responses using industry-grade diagnostic software and simulation kits.
- **Objective Structured Clinical Examination (OSCE):** Practical competencies are assessed using standardized checklists to ensure error-free performance in real-world scenarios.

Immersive Hospital Rotations (SUHRC Integration)

The cornerstone of the SIHS pedagogy is its direct affiliation with the Symbiosis University Hospital & Research Centre (SUHRC).

- **Structured Clinical Postings:** Students spend a significant portion of their program directly on the hospital floor (ICUs, Cath Labs, OT suites, Radiology departments, and Oncology wings).
- **Mentorship Model:** Learning is guided directly by senior consultants, chief technologists, and medical physicians, ensuring students absorb tacit clinical knowledge and real-time decision-making skills.

Evidence-Based Practice & Research Orientation

To foster critical thinking, the curriculum integrates research methodology and biostatistics. Students are encouraged to evaluate current clinical protocols, participate in quality assurance audits within their departments, and undertake capstone research projects during their final year.

Bachelor's in Psychology (B.Psy.) is a competency-based undergraduate programme approved under the NCAHP Act, 2021. It integrates psychological theory with practical training to address behavioural and mental health needs. The programme emphasizes assessment, communication skills, ethics, and multidisciplinary teamwork. Students are trained in evidence-based interventions, health promotion, and community mental health care. Graduates are prepared to work as allied healthcare professionals in clinical, educational, and community settings.

The course offers several specialisations as per the the NCAHP guidelines, including:

- School Psychology
- Military Psychology
- Forensic Psychology
- Neuropsychology
- Sports Psychology
- Investigative Psychology

- Cyber Psychology
- Child and adolescent Behavioural and Mental Health
- Organisational Behaviour and Industrial Psychology
- Alongside classroom lectures, students dedicate a significant portion of their training to hands-on experience at the Symbiosis Centre for Emotional Wellbeing (SCEW), a mental health service and support center of SIU. Additionally, students will get a chance to work in the 900 bedded Symbiosis University Hospital and Research Center with the Psychiatry OPD and IPD. These environments offer practical training opportunities that enhance their understanding of real-world applications. The institute also has a dedicated Child Learning Development Center (CLDC), along with collaborations with multiple NGOs and Rehabilitation Centers across Pune, ensuring that the students participate in diverse disciplines that are not just focused on psychiatry.
- The curriculum includes organized academic visits focusing on specialized areas of mental health, such as child and adolescent psychology, geriatrics, addiction, and more. Students also engage in experiential learning through observership and the Summer Internship Program (SIP) at hospitals, NGOs, rehabilitation centers, and healthcare organizations, providing them with diverse perspectives on mental health care systems.
- In addition to academics, students actively participate in co-curricular and extra-curricular activities, fostering self-confidence and enabling them to unlock their full potential. The program is further enriched by contributions from eminent guest faculty and incorporates service-learning components, where students undertake community-based initiatives. Innovative teaching methodologies and interactive sessions support holistic personality development, ensuring academic excellence and practical proficiency.

Mould Room Techniques workshop for Bachelor of Radiation Therapy Technology programme

Medical Laboratory Sciences Workshop on "Precision in Blood Diagnostics: Techniques, Trends, and Transformations", held on 02 December 2025 at SIHS, Pune.

International Conference on Mental Health and Behavioural Sciences, graced by Guest of Honour Dr. Mohan Agashe, Ms. Ira Khan, and other eminent experts in October 2025.

The 77th Republic Day celebrated at Symbiosis International University

Fee Structure**(Annexure I)****Approved Fee Structure for Batch 2026-2030 in the Academic Year 2026-2027-INDIAN STUDENTS**

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 12% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

The exiting students will have to complete the Additional 4 credit Vocational Course for the award of Certificate or Diploma by paying additional fees at the time of intimation of the exit. The additional fees of 4 credit Vocational course will be informed in due course of time.

Program Fees For Bachelors of Cardiovascular Technology Bachelor of Respiratory Technology Bachelor of Medical Radiology and Imaging Technology Bachelors of Dialysis Therapy Technology Bachelor of Medical Laboratory Science Bachelor of Anaesthesia & Operation Theatre Technology Bachelors of Neuroscience Technology Bachelors of Endoscopy & Laparoscopy Technology	1st Year Academic Year 2026-27 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 174,000
Institute Deposit (Refundable)	₹ 20,000

Installments for Bachelors of Cardiovascular Technology Bachelor of Respiratory Technology Bachelor of Medical Radiology and Imaging Technology Bachelors of Dialysis Therapy Technology Bachelor of Medical Laboratory Science Bachelor of Anaesthesia & Operation Theatre Technology Bachelors of Neuroscience Technology Bachelors of Endoscopy & Laparoscopy Technology	1st Year 2026-27 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 87,000	₹ 87,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 107,000	₹ 87,000
Last date of payment	At the time of Admission	25-Nov-2026

Program Fees For Bachelor of Radiation Therapy Technology Bachelor of Psychology	1st Year Academic Year 2026-27 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 221,000
Institute Deposit (Refundable)	₹ 20,000

Installments for Bachelor of Radiation Therapy Technology Bachelor of Psychology	1st Year 2026-27 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 110,500	₹ 110,500
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 130,500	₹ 110,500
Last date of payment	At the time of Admission	25-Nov-2026

**Hostel and Mess Fees (Subject to campus change/allotment and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Lavale Hill Base - Medical campus Only)	Amount in ₹ for 1st year 2026-27
	Total Fees
Mess Fees (Per Annum) *	₹ 104,000
Hostel Deposit (Refundable)	₹ 20,000
Hostel Fees (Different, Subject to Sharing, Per Annum) *	
Single Living - (Subject to availability)	₹ 381,200
Twin Sharing	₹ 254,100
Three Sharing	₹ 168,900
Dormitory	₹ 92,000
New Dormitory	₹ 119,800
Last date of payment	At the time of Admission

@Hostel Fees and Mess fees can be increased up to 15% each year. Government taxes would be additional as and when applicable.

**Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

*Few seats are reserved as Discretionary Quota Seats. Only students with good academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme. No donation or capitation fee is charged for admission to any program at any institute of SIU.

Students at the Service Learning Center - Y4D Foundation

Fee Structure

(Annexure II)

Approved Fee Structure for Batch 2026-2030 in the Academic Year 2026-2027-INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 12% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

@Hostel Fees and Mess fees can be increased up to 15% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Students attended a Guest Lecture on 'Gender sensitization session: Rising awareness among students about Dating Violence' in March 2026

Program Structure:

Bachelor of Science in Paramedical Technology Honours/ Honours with Research

Semester: 1

Discipline-Specific Courses / Major Courses

- Anatomy I
- Physiology I
- Basic Sciences
- Psychology and Sociology

Minor Courses

- Basics of MS Office
- Medical Physics

Ability Enhancement Course

- Creative Writing

Skill Enhancement Courses

- Personality Development for Allied Health Professionals

Common Value-Added Course

- Introduction to Culture & India

Semester: 2

Discipline-Specific Courses/ Major Courses

- Anatomy II
- Physiology II
- Basics of Epidemiology

Minor Course

- Hospital Information System
- Applied Mathematics

Ability Enhancement Course

- Communication Skills for Allied Health Professionals I

Skill Enhancement Courses

- Soft Skills for Allied Health Professionals

Common Value-Added Courses

- Nutrition and Dietetics

Mandatory Non-Credit Courses

- Health and Wellness Module I

Multidisciplinary Courses

(Choose Any One Course

from the University Basket of Multidisciplinary Courses)

- The list of Multidisciplinary courses offered will be updated every semester i.e., Semester: 2,3,4. The list will be shared on the MDC Registration Portal before the commencement of each semester, and students may choose a course of their choice.
- MD1

Semester: 3

Discipline-Specific Courses/ Major Courses

- Basic Biochemistry
- Basic Pharmacology

Major Courses (Choose Any One Specialization)

Specialization 1

(Cardiac Care Technology)

- Applied Clinical Sciences (Cardiac Care)
- Electrocardiography-I

Specialization 2

(Respiratory Therapy Technology)

- Applied Clinical Sciences (Respiratory Therapy)
- Respiratory Therapy

Technology

Specialization 3

(Medical Imaging Technology)

- Applied Clinical Sciences & Image Interpretation
- Conventional Radiographic Techniques, Procedures and Radiation Protection

Specialization 4

(Medical Laboratory Technology)

- Applied Clinical Sciences (Clinical Laboratory)
- General & Clinical Biochemistry

Specialization 5

(Dialysis Technology)

- Applied Clinical Sciences (Dialysis)
- Principles of Haemodialysis

Specialization 6

(Anaesthesia Technology)

- Applied Clinical Sciences (Operation Theatre & Anaesthesia)
- Fundamentals Concepts and Procedures Related to Operation Theatre

Specialization 7

(Endoscopy Technology)

- Applied Clinical Sciences (Laparoscopy & Endoscopy)
- Endoscopy Setup & Patient Preparation

Dr. Sonopant G Joshi

Director
Symbiosis College of Nursing (SCON)

Profile of the Director

Dr. Sonopant G Joshi graduated from prestigious Institute of Nursing Education, J J Hospital, Mumbai, he has two PG Degrees in Nursing and in Disaster Management and Ph.D. in Management. He is presently working as Professor & Director of Symbiosis College of Nursing, Pune. He has 25 years of Teaching, Research and Administrative experience. He has written many chapters and books. His book titled 'Disaster Management for Health Care Professionals', which is popular among Nursing and Management students. He has published 50 research papers in various National and International Journals of high repute among these his 28 papers are in SCOPUS indexed journals and 5 papers in Web of sciences indexed journals. Considering his research experience, he is nominated as Member Secretary of Institutional Ethics Committee of SIU since 2017. He has presented papers in International Conference at Dubai and London. He was invited speaker in International Conference at LONDON on topic 'Challenges of Higher Education in India' in Oct 2018. He was invited by Kent State University, USA to evaluate the workshop on Simulation Based Nursing Education in July 2019. He has completed funded research project in 2019. He is also a certified NAAC assessor. His research contribution was well appreciated by Trained Nurses Association of India and honored him with the 'Best Nurse Researcher' award by Pune city branch in 2012 & 2020. He is a life member of various professional organizations. Presently, he is a Ph.D. supervisor at Symbiosis International University under Public Health & Nursing domain and 3 Ph.D. scholars awarded PhD under his supervision.

Institute Profile

Symbiosis College of Nursing (SCON) was established in the year 2007 to create leaders in the nursing profession by providing unique, innovative Programme that are responsive to the market needs. SCON is recognized by the Indian Nursing Council, New Delhi and Maharashtra Nursing Council, Mumbai & affiliated to Symbiosis International (Deemed University), Pune. SCON runs programmes like Bachelor of Science (Nursing), Post Basic Bachelor of Science (Nursing), Master of Science (Nursing), Nurse Practitioner in Critical Care Post Graduate Residency Programme, Nursing Competency Enhancement Bridge Programme and Ph.D. (Nursing). SCON also runs a certificate programme called Advanced Certificate Course Critical Care Nursing (ACCCN). The programmes offered by SCON ensure numerous career avenues for a graduate and a postgraduate in the healthcare industry worldwide. Symbiosis College of Nursing (SCON) is attached to the parent hospital - Symbiosis University Hospital & Research Centre (SUHRC) to provide the necessary 'hands-on' clinical and para-clinical experience for the students pursuing hospital-based academic Programmes. Symbiosis College of Nursing thus aims to create a benchmark in nursing education in India. The nursing program aims to prepare nurses to work as frontline workers in the clinical, community areas, research facilities & educational arena. SCON is recognized as one of the top 10

promising Nursing Colleges by thehighereducationreview.com in the year 2018 and also is featured on Telegraph Online Edugraph as the best nursing institution in India in the year 2023. \

Programme Profile:

- **Bachelor of Science (Nursing)**
- **Post Basic Bachelor of Science (Nursing)**

Duration of the Programme:

- **Bachelor of Science (Nursing)** : 4 Years, Full Time, Non-Residential programme
- **Post Basic Bachelor of Science (Nursing)** : 2 Years, Full Time, Non-Residential programme

Intake:

- **Bachelor of Science (Nursing)** : 80 Students
- **Post Basic Bachelor of Science (Nursing)** : 60 Students

Note:

1. Prime Minister's Scholarship Scheme (PMSS) – 08 seats. This scholarship is available for B.Sc. Nursing students and the intake is 08 seats over and above the sanctioned intake.
2. For B.Sc. Nursing programme, as per the Indian Nursing Council (INC) Notification No.8 of 2022, supernumerary seats for foreign students is 25 % of total seats over and above the sanctioned intake.

Eligibility:

- **Bachelor of Science (Nursing)**

As per Indian Nursing Council requirements

1. The minimum age for admission shall be 17 years on 31st December of the year in which admission is sought. The maximum age limit for admission shall be 35 years.
2. Minimum Educational Qualification:
 - a) Candidate with Science who have passed the qualifying 12th Standard examination (10+2) and must have obtained a minimum of 45% marks in Physics, Chemistry and Biology taken together and passed in English individually.
 - b) Candidates are also eligible from State Open School recognized by State Government and National Institute of Open School (NIOS) recognized by Central Government having Science subjects and English only.
 - c) English is a compulsory subject in 10+2 for being eligible for admission.
3. Colour blind candidates are eligible provided that colour corrective contact lens and spectacles are worn by such candidates.
4. Candidate shall be medically fit.
5. Married candidates are also eligible for admission.

● Post Basic Bachelor of Science (Nursing)

As per Indian Nursing Council requirements

1. Passed the Higher Secondary or Senior Secondary or Intermediate or 10+2 or an equivalent examination recognized by the university for this purpose. Those who have done 10+1 in or before 1986 will be eligible for admission.

Orientation and Pedagogy:

Orientation to the programme is offered during Induction programme. The programme is divided into Theory and Clinical blocks.

Theory

It is mandatory for the students to attend the classes in the college as well as at clinical field as per the course structure.

- Lectures
- Lecture cum demonstration
- Seminars
- Discussions
- Panel discussion
- Field visits
- Research Projects
- Online lectures using Microsoft teams, Google meet, Zoom, Schoology etc.,
- Programme instructions is used in providing teaching learning experience.

Clinical Field

Students are expected to write patient oriented assignments as outlined in the Programme Structure. Teaching pedagogies used in the clinical area for training are:

- Simulation
- Bed side clinics
- Case presentations
- Case studies

- Procedure demonstrations
- Projects
- DOP
- OSCE

Teaching and learning Resources:

- ICT enabled classrooms
- Nursing Laboratories
- Advanced Skill lab: Skill based and competency driven centre to align with the National agenda of skill development for quality education and skill development.

Programme Structure:

Bachelor of Science (Nursing)

Semester I

• Generic Core Courses and Foundational Courses

• Communicative English	Theory
• Applied Anatomy & Applied Physiology	Theory
• Applied Sociology & Applied Psychology	Theory
• Vasudhaiva Kutumbakam*	Mandatory Non-Credit Course

Semester II

Generic Core Courses

• Applied Biochemistry & Applied Nutrition and Dietetics	Theory
• Nursing Foundation (I & II)	Theory
• Health/ Nursing Informatics & Technology	Theory
• Nursing Foundation (I & II)	Practical
• Health and Wellness Module - I	Mandatory Non-Credit Course

***Nursing Foundation I (Theory and Practical): 25 and 50 internal Marks will be added in Nursing Foundations II (Theory and Practical) respectively in semester II**

- * I Sem - 25 marks and II Sem - 25 marks (with average of both)
- **I Sem - 25 marks and II Sem - 25 marks = total 50 marks

Semester III

Generic Core Courses

• Applied Microbiology and Infection Control including Safety	Theory
• Adult Health Nursing I	Theory
• Adult Health Nursing I	Practical
• Health and Wellness Module II	Mandatory Non-Credit Course
• Health and Wellness Module*	Mandatory Non-Credit Course

***Pharmacology I & Pathology: 25 internal marks will be added in Pharmacology II and Pathology II & Genetics in the semester IV**

- ** III Sem - 25 marks and IV Sem - 25 marks (with average of both)

Semester IV

Generic Core Courses

• Pharmacology & Pathology (I & II) and Genetics	Theory
• Adult Health Nursing II	Theory

- Professionalism, Ethics, and Professional Values Theory
- Adult Health Nursing II Practical

Generic Elective Courses (Choose any one from the Electives)

- Human Values Theory
- Diabetes Care Theory
- Soft Skills Theory

Semester V

Generic Core Courses

- Community Health Nursing I including Environmental I Science & Epidemiology Theory
- Educational Technology /Nursing Education Theory
- Introduction to Forensic Nursing and Indian laws Theory
- Community Health Nursing I Practical

Semester VI

Generic Core Courses

- Child Health Nursing (I & II) Theory
- Mental Health Nursing (I & II) Theory
- Nursing Management & Leadership Theory
- Child Health Nursing (I & II) Practical
- Mental Health Nursing (I&II) Practical

***Child Health Nursing I & Mental Health Nursing I (Theory and Practical): 25 internal Marks will be added in Child Health Nursing II and Mental Health Nursing II in both theory and practical respectively in the VI semester**

- ****V Sem- 25 marks and VI Sem - 25 marks= 25 (with an average of both)**
- ****V Sem- 25 marks and VI Sem - 25 marks= 50 marks**

- Generic Elective Courses (Choose any one from the Electives)
- Personality Development Theory
- Sports Health Theory
- Cognitive Behavioural Therapy (CBT) Theory
- Health Economics Theory
- Adolescent Health Theory

Semester VII

Generic Core Courses

• Community Health Nursing II	Theory
• Nursing Research & Statistics	Theory
• Midwifery/Obstetrics and Gynecology (OBG) Nursing (I & II)	Theory
• Community Health Nursing II	Practical
• Midwifery/Obstetrics and Gynecology (OBG) Nursing (I & II)	Practical

*** Midwifery/Obstetrics and Gynecology I (Theory and Practical): 25 internal marks will be added to internal marks of Midwifery II theory and practical respectively in the VII semester**

- ****Sem VI-25 and Sem VII-25 (with average of both)**
- **** Sem VI - 25 marks and Sem VII - 25 marks = total 50 marks**

Generic Elective Courses (Choose any one from the Electives)

• Scientific writing skills	Theory
• Stress Management	Theory
• Job readiness & employability in health care setting	Theory
• Lactation Management	Theory
• Sexuality & Health	Theory

Semester VIII

Generic Core Courses

• Competency Assessment	Practical
•	Practical
•	Practical
•	Practical
•	Practical

• Post Basic Bachelor of Science (Nursing)

Semester: 1

Generic Core Courses

- Biochemistry and Biophysics
- Psychology
- English (Qualifying)
- Nutrition and Dietetics
- Nursing Foundation
- Microbiology
- Medical - Surgical Nursing (Theory)
- Medical - Surgical Nursing (Practical)
- Maternal Nursing (Theory)
- Maternal Nursing (Practical)
- Child Health Nursing (Theory)
- Child Health Nursing (Practical)

- Health and Wellness Module I #

- Vasudhaiva Kutumbakam *

Semester: 2

Generic Core Courses

- Sociology
- Community Health Nursing (Theory)
- Mental Health Nursing (Theory)
- Introduction to Nursing Education
- Introduction to Nursing Administration
- Introduction to Nursing Research and Statistics

(Theory)

- Introduction to Nursing Research and Statistics (Practical)
- Community Health Nursing (Practical)
- Mental Health Nursing (Practical)
- Service Learning
- Health and Wellness Module II #
- Health and Wellness *

Prof. Sanjeevani Ayachit
Director

Director Profile

Dr. Sanjeevani Ayachit is currently the Director at the Symbiosis Institute of Design and Dean of the Faculty of Architecture and Design at Symbiosis International (Deemed University). She holds a PhD from SIU, a Master's degree in Clothing and Textiles from M. S. University of Baroda and 24+ years of experience in the field of apparel design, design education and consultancy.

On completing her Masters' education, she worked at the prestigious men's apparel company Raymond Apparel Ltd. (RAL), Thane, where she oversaw their finishing and quality control department. After spending a few years at RAL, she took up a temporary teaching position at the S. N. D. T. College of Home Science, Pune. This was soon followed by a three-year period of teaching fashion design at a private fashion institute. She has also worked as Manager – Quality Control at a Pune based apparel brand, Sleepins Apparel Pvt. Ltd.

Dr. Sanjeevani headed the departments of Fashion Design and Fashion Communication at SID for several years and has also served as Deputy Director. She has completed her PhD at Symbiosis International (Deemed University) examining cross-cultural subtleties of costumes of the Peshwas of Pune. Her research interests lie in the areas of heritage Indian textiles and costumes, fashion design process, design thinking and inclusive design. An avid reader and researcher, Sanjeevani has co-authored a book documenting the historic textiles and costumes in the collection of the Kelkar Museum in Pune, India. She has presented research papers at several conferences and published her research in reputed journals. She is presently guiding 6 doctoral students across diverse areas like fashion forecasting, adaptive clothing, craft revival, sustainable fashion and enclothed cognition. She has been a panellist at several industry and academia forums, member of Board of Studies, PhD thesis examiner, and also reviewed research papers for international journals. Her robust industry connections and strong alumni connect keep her well in touch with design industry developments.

Institute Profile

Constituent of Symbiosis International (Deemed University), Symbiosis Institute of Design, Pune, is a premier institution that equips aspiring designers with the knowledge, skills, and experiences needed to succeed in the ever-evolving world of design. By creating an enabling atmosphere for students with the right bent of mind to hone their skills and capabilities to turn them into competitive professional designers, SID stands as a beacon of creativity and innovation in the realm of design education. We are dedicated to nurturing the next generation of designers through a blend of rigorous academics and hands-on experience. The institute offers programmes at both undergraduate as well as post graduate level. The four-year Bachelor of Design (B. Des.) programme is offered in four disciplines

like Communication Design, Industrial Design, Fashion Design and Fashion Communication. The Master of Design (M. Des.) programme is offered with a specialization in User Experience Design. Our multidisciplinary campus offers opportunities to students of different streams to share ideas, brainstorm solutions and catalyse each other's thinking. The work ambience enables one to build on one's conventional skills and complimented with modern tools and techniques allows the student to be on the cutting edge of Design.

The design curriculum at SID generates avenues to incubate original thoughts and implement design knowledge and skills on a creative platform. The simulative environment galvanizes students to imbibe contemporary skills while exploring non-conventional techniques to achieve design goals.

The curriculum aims at creating professionals who with their creative impulse and skillful ability participate and contribute to the highly dynamic and competitive world of design. This is ensured by a team of professional faculty who instruct, inspire and mentor students utilizing their technical and design expertise while also encouraging the development of individual style. The well-stocked library, access to latest research databases, state-of-the-art infrastructure, labs, studios and workshops ensure a conducive learning environment where students can nurture their creative ideas to fruition. This has ensured that SID holds a coveted position among the top design schools in the country. Several courses are supported by leading industry practitioners and many others have well known visiting lecturers. Internships and design projects are built into the curriculum to ensure industry exposure and field trips and industrial visits add on to the professional experience. An active Industry Interaction Cell ensures a continuous dialogue with the industry and assists students in securing internships and placement opportunities. SID is also a member of several national as well as international professional networks which benefit the students in terms of opportunities for participation in design competitions, design events, conferences and seminars thus enhancing their outlook towards the dynamic nature of the design field. This approach ensures that graduates are not only skilled designers but also adept at navigating the professional landscape. The vibrant campus life, combined with Pune's rich cultural heritage, makes SID a stimulating place to study and grow as a designer.

Programme Profile:

- **Bachelor of Design (B. Des)**

The institute offers four years full time degree programme, Bachelor of Design (B. Des) in following 8 specializations.

1. Graphic Design (GD)
2. Video Film Design (VFD)
3. Animation Film Design (AFD)
4. User Experience Design (UED)
5. Product Design (PD)
6. Interior Space Design (ISD)
7. Fashion Design (FD)
8. Fashion Communication (FC)

The specializations mentioned from 1 to 4 above fall under the discipline Communication Design (CD) and 5 to 6 falls under Industrial Design (ID).

The curriculum aims at creating professionals who with their creative impulse and skill full ability participate and contribute to the highly dynamic and competitive world of design. The institute puts high emphasis on evaluating the students based on continuous performance and projects.

Duration of the Programme:

- **Bachelor of Design (B. Des) : 4 Years, Full Time, Non-Residential programme**

Intake:

- **Bachelor of Design (B. Des) : 180 Students**

Eligibility:

- **Bachelor of Design (B. Des):**

Passed Standard XII (10+2) or equivalent examination from any recognised Board or 10+3 diploma approved by State Board of Technical Education with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

Admission to Bachelor of Design (B. Des) programme of SID will be according to the following process.

Level 1	Online Symbiosis Entrance Exam for Design (SEED). The result of SEED will be put up on the SID website as per the schedule. If a candidate qualifies SEED, he/she would be eligible to appear for SID's Portfolio Review and Personal Interaction (PRPI). Shortlisting for admission will be based only by specialization selected during online registration.
Level 2	Upload the Portfolio on the portal a day prior to the PRPI (Portfolio Review and Personal Interview).
Level 3	Complete the PRPI Task. This will be shared 3 days prior to the chosen date of online PRPI. Upload the PRPI Task on the portal a day prior to the PRPI.
Level 4	Appear for the online Portfolio Review and Personal Interaction (PRPI)

Final selection will be based on the cumulative performance of the candidate in Symbiosis Entrance Exam for Design (SEED), Portfolio Review, PRPI Task and Personal Interaction as well as on the basis of the information provided by the candidate in the application form and the chosen specialization.

Important Dates:

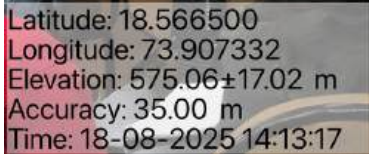

Sr No	Description	Date(s)	
		Round 1	Round 2
1	Commencement of Registration	August 06, 2025	January 12, 2026
2	Closure of Registration	December 28, 2025	March 15, 2026
3	Admit Card Generation	January 05, 2026	March 18, 2026
4	Entrance Test	January 11, 2026	March 22, 2026
5	Result Declaration	January 19, 2026	March 25, 2026
6	Shortlist Declaration	January 23, 2026	March 28, 2026
7	PRPI Dates	April 07 to 12, 2026	
8	First Merit List Date	April 21, 2026	
9	Programme Commencement	July 01, 2026	

Disclaimer: These dates are tentative and are subject to change Any changes will be reflected on the institute website www.sid.edu.in

Orientation and Pedagogy:

Design pedagogy or design education may be defined as the set of practices and systems for the training in the field of design; the ways and methods of teaching for the acquisition of necessary knowledge and skills in order to practice the design profession. Design pedagogy at SID follows a combination of techniques entrenched in 'Art and Design' as well as Engineering. The increasing diversification of the design domain and the introduction of specializations related to new technologies have introduced further complexity into the design education landscape.

SID uses a combination of Lecture, Studio and Practical sessions in combination with Demonstrations, Film Screenings, Industry Visits, Cultural Visits, Case Studies and Group Discussions. This variety of learning techniques enhances the learning experience of students making them better equipped to undertake design assignments and projects. Student's work and project-based assignments are continuously evaluated on the basis of daily performance as well as semester end juries.

Approved Fee Structure for Batch 2026-2030 in the Academic year 2026-2027 - INDIAN STUDENTS

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

Programme Fees For 1. Bachelor of Design (Fashion Design) 2. Bachelor of Design (Fashion Communication) 3. Bachelor of Design (Industrial Design) 4. Bachelor of Design (Communication Design)	1st Year Academic Year 2026-27 (Amount in ₹)

Programme Structure

Bachelor of Design (B. Des):

Semester: 1

Generic Core Courses

- Elements of Design
- Drawing for Design
- Culture and Design
- History of Art, Design and Technology
- Exploring Materials and Forms
- Creative Critical Thinking
- Core Environmental Studies *
- Vasudhaiva Kutumbakam *

Semester: 2

Generic Core Courses

- Health and Wellness Module I #

Generic Elective Courses Group - (Choose Any One Course)

- Expressions through Performing Arts
- Fashion Design and Accessories
- Innovative Craft and Painting Techniques
- Innovative Design Processes
- 3D Explorations and Material Handling

Specialisation Core Courses: Communication Design - Graphic Design

- Principles of Design
- Visualization and Concept Building
- Society, Environment and Design
- History of Graphic Design
- Introduction to Graphic Design

- Basic Typography
- Sketching and Drawing for Graphic Design

Specialisation Core Courses: Communication Design - Video Film Design

- Society, Environment and Design
- Introduction to Photography
- Visual Design Principles
- Cinema: Appreciation and Language
- Cinema Skills: Camera, Sound and Lighting
- Cinematography
- Production Art Design

Specialisation Core Courses: Communication Design - Animation Film Design

- Society, Environment and Design
- Introduction to Photography
- Visual Design Principles
- Cinema: Appreciation and Language
- Cinema Skills: Camera, Sound and Lighting
- Principles of Animation - 1
- Introduction to 2D and 3D Animation

Specialisation Core Courses: Communication Design - User Experience Design

- Principles of Design
- Visualization and Concept Building

- Society, Environment and Design
- Introduction to Photography
- Concept Based Illustrations
- Introduction to User Experience Design
- Ergonomics in Human Computer Interaction

Specialisation Core Courses: Industrial Design - Product Design

- Principles of Design
- Society, Environment and Design
- The Design Process
- Introduction to Product Design
- Material Studio
- Product Sketching
- Visualization and Engineering Drawing

Specialisation Core Courses: Industrial Design - Interior Space Design

- Principles of Design
- Society, Environment and Design
- Material Studio
- Graphic Techniques
- Introduction to Interior Design
- Interior Design Process
- Space and Form Studies

Specialisation Core Courses: Fashion Communication

- Visualization and Concept Building
- Society, Environment and

Design

- Introduction to Photography
- Principles of Design for Fashion
- Fashion Studies
- Fashion Styling
- Digital Design Tools - Visual Media

**Specialisation Core Courses:
Fashion Design**

- Visualization and Concept Building
- Society, Environment and Design
- Introduction to Photography
- Principles of Design for Fashion
- Digital Design Tools - Visual Media
- Introduction to Fashion Design
- Pattern Making and Garment Construction – 1

Semester: 3

Generic Core Courses

- Health and Wellness Module II #

**Generic Elective Courses Group -
(Choose Any One Course)**

- Introduction to Storytelling
- Fundamentals of Integrated Marketing Communication
- Essentials of Brand Management
- Introduction to Entrepreneurship
- Basic French I
- Introduction to Philosophy
- Fundamentals of Marketing
- Mass Communication Theories and Practices
- Content Marketing

- Creative Writing
- Learning and Creating Exhibition Display
- Introduction to Public Relations
- Introduction to Advertising Strategy
- Fundamentals of Event Management
- Introduction to Computer Game Design
- Introduction to Internet of Things
- Consumer Behaviour
- Visualisation in Photography
- My Nutrition Guide
- Basic German I

**Specialisation Core Courses:
Communication Design - Graphic Design**

- Design Processes and Thinking
- Information Collection and Analysis
- Graphic Design Digital Tools - Basic
- Introduction to Photography
- Elements of Graphic Design
- Typography and Publication Design
- Graphic Design Project - 1

**Specialisation Core Courses:
Communication Design - Video Film Design**

- Design Processes and Thinking
- Information Collection and Analysis
- Cinematic Storytelling - I
- Cinematic Storytelling - II
- Digital Design Tools - Animation and Video Film Design

- Advertising Film Production

**Specialisation Elective:
Communication Design
- Animation Film Design
(Specialisation Core Courses:
Communication Design -
Animation Film Design (Choose
Any One Group))**

- Specialisation Courses Group I - (Animation Film Design- 2D)
- Design Processes and Thinking
- Information Collection and Analysis
- Cinematic Storytelling - I
- Digital Design Tools - Animation and Video Film Design
- Principles of Animation - 2
- Drawing for Animation

**Specialisation Courses Group II -
(Animation Film Design- 3D)**

- Design Processes and Thinking
- Information Collection and Analysis
- Cinematic Storytelling - I
- Digital Design Tools - Animation and Video Film Design
- Principles of Animation - 2
- 3D Modeling and Texturing

**Specialisation Core Courses:
Communication Design - User
Experience Design**

- Design Processes and Thinking
- Graphic Design Basics
- Digital Design Tools for UX
- Information Visualization
- Data Collection Techniques
- Information Organization for

- WEB / Mobile Design
- Web Development Basics

Specialisation Core Courses:

Industrial Design - Product Design

- Introduction to Photography
- Graphic Design and Digital Tools
- Basic Materials and Manufacturing Processes
- 3D Visualization
- Basic Design Research
- Basic Form Studies
- Basic Ergonomics

Specialisation Core Courses:

Industrial Design - Interior Space Design

- Basic Design Research
- Space Planning and Layout
- Building Material and Techniques
- Human-Centric Interiors
- Digital Tools and Techniques - 1
- Joinery Details
- Interior Space Design Project - 1

Specialisation Core Courses:

Fashion Communication

- Design Processes and Thinking
- Information Collection and Analysis
- Materials and Processes for Fashion Retail
- Introduction to Graphic Design
- Textiles for Fashion - 1
- Visual Merchandising for Fashion Retail

Specialisation Core Courses:

Fashion Design

- Design Processes and Thinking
- Information Collection and Analysis
- Textiles for Fashion - 1
- Textiles and Surface Crafts
- Pattern Making And Garment Construction -2
- Fashion Rendering and Illustration

Semester: 4

Generic Elective Courses Group - (Choose Any One Course)

- Learning and Creating Exhibition Display
- Introduction to Storytelling
- Fundamentals of Integrated Marketing Communication
- Essentials of Brand Management
- Introduction to Entrepreneurship
- Basic French I
- Introduction to Philosophy
- Fundamentals of Marketing
- Introduction to Public Relations
- Introduction to Advertising Strategy
- Fundamentals of Event Management
- Introduction to Computer Game Design
- Creative Writing
- Introduction to Internet of Things
- Consumer Behaviour
- Visualisation in Photography
- Mass Communication Theories and Practices
- Content Marketing

- My Nutrition Guide
- Basic German I

Specialisation Core Courses:

Communication Design - Graphic Design

- Visual Concept Representation
- Photography for Graphic Design
- Basics of User Interface/ Experience Design
- Basics of Media and Film Design
- Graphic Design Digital Design
- Elements of Information Systems Design
- Graphic Design Project - 2

Specialisation Core Courses:

Communication Design - Video Film Design

- Sound Design
- Music for Cinema
- Acting
- Graphic Design - Animation and Video Film Design
- Editing
- Social Media Video Content Creation

Specialisation Courses Group I - (Animation Film Design - 2D)

- Graphic Design - Animation and Video Film Design
- Acting for Animation
- Storyboarding and Animatics
- Basic Character Design
- Art Assets Creation

Specialisation Courses Group II - (Animation Film Design- 3D)

- Acting for Animation

- Storyboarding and Animatics
- Basic Character Design
- 3D Rigging and Animation - 1
- 3D Lights and Camera – 1

Major: Group I - Communication Design - Animation Film Design - 2D

- Storyboarding and Animatics
- Basic Character Design
- Art Assets Creation

Major: Group II - Communication Design - Animation Film Design - 3D

- Storyboarding and Animatics
- Basic Character Design
- 3D Rigging and Animation - 1
- 3D Lights and Camera - 1

Specialisation Core Courses: Communication Design - User Experience Design

- UX Writing
- Web Semiotics
- User Studies and Design Research
- Information Architecture for UX
- Interaction Design
- Prototyping Techniques - Basic
- Usability Basic

Specialisation Core Courses: Industrial Design - Product Design

- Advanced Materials and Manufacturing Processes
- Advanced Product Design and Technology
- Digital Prototyping

- Product Analysis and Functional Design
- Product Design Project - 1
- Product Design Project - 2

Specialisation Core Courses: Industrial Design - Interior Space Design

- Building Systems 1
- Interior Materials and Techniques
- Working Drawing
- Digital tools and Techniques-2
- Parametric Design
- Interior Photography
- Interior Space Design Project - 2

Specialisation Core Courses: Fashion Communication

- Fashion Appreciation
- Fashion Branding
- FC Project - 1
- Fashion Journalism 1
- Elements of Typography and Publication Design
- Visual Identity Design

Specialisation Core Courses: Fashion Design

- Apparel Manufacturing and Merchandising
- Textiles for Fashion - 2
- Creative Surface Ornamentation
- Fashion Design Project - 1
- Draped Design
- Advanced Garment Finishing Technique

Semester: 5

Generic Elective Courses Group (Choose Any One Course)

- Advanced Studies in Form
- Motion Graphics and Compositing
- Experimental Typography
- Graphic Printing Technology
- Instructional Design
- Advanced Digital Design
- Interaction Design
- Mobile Applications Interface Design
- Game Design for UX
- Digital Video Communication
- Design Thinking and Innovation - Advanced
- Advanced Elements of Design
- Fashion Makeup
- Accessory Design
- Textile Appreciation
- Color and Trim Design
- Advanced Rendering Techniques
- Semantics and Semiotics
- Visual Narrative
- Product Interface Design
- Transportation Design
- Exhibition Design
- Interior Product Design
- Advanced Photography for Design
- Advertising Film Design
- Fundamentals of Visual Merchandising
- Creative Book Design
- Leather Accessory Design
- Sustainable Living
- Frugal Design
- Biomimicry in Design
- AI in Fashion: Trends and

- Transformations
- Design and AI
- Design with Light
- Experimental Design: Exploring Space, Materials and Forms
- Idea to Ignite: Design led Start-ups
- Introduction to AR and VR in Experience Design

Specialisation Core Courses:
Communication Design - Graphic Design

- Craft Internship
- Advertising Design
- Brand Communication Design
- Advanced Illustration Techniques
- User Interface Graphics
- Graphic Design Project - 3
- Indian Crafts Project - Graphic Design

Specialisation Core Courses:
Communication Design - Video Film Design

- Craft Internship
- Direction
- Video Film Project - 1
- Narrative Audio Project
- Experimental Project - 1
- Indian Craft Project

Specialisation Courses Group I - (Animation Film Design- 2D)

- Material Exploration
- Experimental Animation
- 2D Animation Film Project – 1

Specialisation Courses Group II - (Animation Film Design - 3D)

- Experimental Animation

- 3D Rigging and Animation - 2
- 3D Rendering
- 3D Animation Film Project – 1

Major: Group I - Communication Design - Animation Film Design - 2D

- 2D Animation Film Project – 1

Major: Group II - Communication Design - Animation Film Design - 3D

- 3D Rendering
- 3D Animation Film Project - 1

Specialisation Core Courses:
Communication Design - User Experience Design

- Craft Internship
- UI Design Systems
- Prototyping Techniques - Advanced
- Indian Crafts Project - User Experience Design
- Product Interface Design
- User Experience Design Project - 1

Specialisation Core Courses:
Industrial Design - Product Design

- Craft Internship
- Advanced Ergonomics
- Advanced Form Studies
- Indian Crafts Project - Industrial Design
- Packaging Design
- Product Design Project - 3

Specialisation Core Courses:
Industrial Design - Interior Space Design

- Craft Internship
- Indian Crafts Project - Industrial Design
- Building Systems-2
- Trends in Interiors
- Quantities, Estimation and Specifications
- Interior Space Design Project - 3

Specialisation Core Courses:
Fashion Communication

- Craft Internship
- Indian Craft Project
- Fashion Journalism 2
- Basics of Event Design and Planning
- Advanced Styling
- Styling Project

Specialisation Core Courses:
Fashion Design

- Craft Internship
- Indian Craft Project
- Advanced Illustration
- Fashion Design Project - 2

Fashion Design Project - 3

- Advanced Garment Construction

Semester: 6

Dr. Sreeram Gopalkrishnan
Director- SCMS, Pune

Director's Profile:

Dr. Sreeram Gopalkrishnan has over three decades of experience in the Corporate, Industrial and Education sectors. He is a PhD in Mass Communications, MS in Communications, MBA from NMIMS and has attended Executive Programmes at the IIM Ahmedabad and Indian Oil Institute of Petroleum, as well as Mudra Institute of Communications & Advertising (MICA). He has a UGC NET Lectureship qualification and published research papers in leading peer-reviewed and Scopus Indexed (Q1 & Q2) Management and Communications Research Journals.

Dr Sreeram started his career in the IT Industry in 1988 as a sales professional, during the initial days of the boom in the information technology sector in the country, before getting into the media industry as a Scriptwriter and Copywriter in companies like OS Studios & RK Swamy BBDO. Having worked in the industry, he moved to the corporate sector, joining Fortune 500 company Indian Oil. Recognised as a fast-tracked Probationary Officer, he rose to senior leadership positions in the conglomerate, pan India, handling major projects and pioneering several innovative initiatives in the organisation.

His shift to academics and educational sector was subsequent to his growing interest in academics & research and the completion of his research thesis on Image Management (Phd). Soon after, he received the prestigious Best MBA Faculty award in 2016, from the premier Bombay Management Association. In 2017, he joined Symbiosis International University and is presently the Director and Professor at Symbiosis Centre for Media and Communication and visiting faculty at the Symbiosis Institute of Business Management, Pune for Film Marketing. Dr. Sreeram's research interests are in Computational Propaganda, South Indian Cinema Studies, Film Marketing, Scientific Temper and Religion & Media.

Institute Profile:

Widely acclaimed as India's premier mass communication college, Symbiosis Centre for Media & Communication (SCMC) since its inception in 2008 has been successful in carving a niche for itself in the field of media and communication education. SCMC is a Department of Symbiosis International University (SIU), under the Faculty of Media & Communication (FoMC) and offers two programmes - in Mass Communication and Media Management Through our programme, Bachelor of Arts (Mass Communication) - Honours / Honours with Research (B.A.(Mass Communication) Honours / Honours with Research and Bachelor of Business Administration (Media Management) - Honours / Honours with Research B.B.A. (Media Management) Honours / Honours with Research, we offer a comprehensive learning experience through traditional academics & research, as well as cyber & experiential learning. We are the only media education institute in India to offer specialisation / courses at the undergraduate

level supported by extensive coursework, academic sessions by professionals with years of industry experience, immersive internships and projects.

Our intake process is highly competitive with a low acceptance rate through a screening procedure that includes an entrance test and personal interaction. Our mission is to nurture their natural talents and aptitudes; equip them with technical knowledge and skills; and prepares them for the media industry or further education, whichever they choose, post their graduation.

SCMC core faculty members possess several years of industry, academic and research experience, while our visiting and guest faculty are active media professionals. Together, they help the students gain an understanding of real-world scenarios of the changing demands of the industry, and to create networks within the media community. We also ensure resources and infrastructure to back up classroom learning with practical, hands-on experience needed for each of our programme specializations. Our classrooms are acoustically sealed mini-auditoriums, with state-of-art projection and sound systems. We have a professional-grade AV studio and pre and post-production audio and video laboratories, journalism labs, AV Labs along with a photo studio and computer lab equipped with the latest software. SCMC has a robust placement record and our alumni are spread across the media sector in India and around the world. Many have gone on to pursue higher education or research; and are excelling in their chosen fields.

The definition of media has undergone a radical change in recent times. The shift is not merely technological, but that of perception of society about media. The media industry needs leaders and change makers and we pride on ourselves as leaders in media education and our core mission is to create exceptional communicators and future ready professionals, capable of understanding, responding to and actively engaging with global issues that need attention.

Programme Profile:

SCMC offers two different four-year degree programmes with multiple entry and exit options as envisioned in the NEP 2020.

- **Bachelor of Arts (Mass Communication) - Honours / Honours with Research- (B.A. (Mass Communication) - Honours / Honours with Research)**

The programme offers three majors and minors in the following areas,

1. Film Studies
2. Film Production
3. Multimedia Journalism

- **Bachelor of Business Administration (Media Management) - Honours / Honours with Research- (B.B.A. (Media Management) - Honours / Honours with Research)**

The programme offers major in Media Management (Brand Communication) and minors in the following areas,

1. Public Relations and Corporate Communications
2. Digital Marketing and Advertising Management
3. Media Entrepreneurship

- The framework of the programmes allows exciting options to pursue major & minors, opportunity to pursue multidisciplinary, ability and skill enhancement courses.
- Offers a good blend of immersive learning, research and community engagement
- Includes opportunities for semester exchange programmes with foreign universities.
- Offers the following exit options:
 - a. A Certificate at the end of the first year of the programme with 44 credits
 - b. A Diploma at the end of the first two years of the programme with 84 credits
 - c. A UG Degree at the end of 3 years of the programme with 124 credits
 - d. A UG Degree with Honours / Honours with Research at the end of the 4 years of the programme with 164 credits

Offers option of Re-entry within 3 years of exit and 7 years as the maximum permissible period to complete the programme

Duration of the Programme:

- **Bachelor of Arts (Mass Communication) - Honours / Honours with Research- (B.A. (Mass Communication) - Honours / Honours with Research)** : 4 Years, Full Time, Non-Residential programme
- **Bachelor of Business Administration (Media Management) - Honours / Honours with Research- (B.B.A. (Media Management) - Honours / Honours with Research)** : 4 Years, Full Time, Non-Residential programme

Intake:

- **Bachelor of Arts (Mass Communication) - Honours / Honours with Research- (B.A. (Mass Communication) - Honours / Honours with Research): 120 Students**
- **Bachelor of Business Administration (Media Management) - Honours / Honours with Research- (B.B.A. (Media Management) - Honours / Honours with Research): 60 Students**

Eligibility:

- **Bachelor of Arts (Mass Communication) - Honours / Honours with Research- (B.A. (Mass Communication) - Honours / Honours with Research)**

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of Semester-6.

Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.

- **Bachelor of Business Administration (Media Management) - Honours / Honours with Research- (B.B.A. (Media Management) - Honours / Honours with Research)**

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of Semester-6.

Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes. Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

The Admission Process for both the programmes, Bachelor of Arts (Mass Communication) - Honours / Honours with Research and Bachelor of Business Administration (Media Management) - Honours / Honours with Research consists of two rounds:

First Round – A) The candidate has to register to appear for the Symbiosis Entrance Test (SET). B) As well as register for the programme/s at SCMC. SET is a common entrance test, conducted in computer-based mode which is held at several cities across India. For more details, visit www.set-test.org.

Second Round- After registering for SET, registering separately for programme/s at SCMC and appearing for the SET, the aspirant would need to appear for a Personal Interaction. The Personal Interaction (PI) would be conducted online. The relevant eligibility documents are verified during the personal interaction session.

Important Dates:

Particular	Date
SET Registration/Payment closes on	April 15,2026 (Wednesday)
Admit Card Live on (www.set-test.org)	SET Test 01: April 24,2026 (Friday)
	SET Test 02: April 30,2026 (Thursday)
SET Computer Based Test (CBT) 2026 (www.set-test.org)	
Test 01 - May 02,2026 (Saturday)	SET: 09.00 am to 10.00 am
Test 02 - May 10,2026 (Sunday)	
Announcement of Result	May 20,2026 (Wednesday)

Last date of payment	At the time of Admission

@Hostel fees and Mess fees can be increased up to 15% each year Government taxes would be additional as and when applicable.

**Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

*Few seats are reserved as Discretionary Quota Seats. Only students with good academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme. No donation or capitation fee is charged for admission to any program at any institute of SIU

Fee Structure

(Annexure II)

Approved Fee Structure for Batch 2026-2030 in the Academic Year 2026-2027-INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 12% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

The exiting students will have to complete the Additional 4 credit Vocational Course for the award of Certificate or Diploma by paying additional fees at the time of intimation of the exit. The additional fees of 4 credit Vocational course will be informed in due course of time.

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Note:

ONLY Foreign National Students taking Admission in the year 2026 for the Batch 2026-2030, will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

- (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.
- (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).
- (3) Concessional Hostel fees are applicable to Foreign National students @ 650\$ per annum.
- (4) Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.

**Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@Hostel fees and Mess Fees can be increased up to 15% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:

Bachelor of Arts (Mass Communication) - Honours / Honours with Research- (B.A. (Mass Communication) - Honours / Honours with Research)

Semester: 1

Basic Psychology

- Perspectives on Indian Media

Understanding Modern Theatre: In Theory, Performance and Practice

- Introduction to Better Language Skills
- Basic Communication Theories
- Writing Skills
- MD1

Semester: 2

Culture in Making

- Media Economics
- Fundamentals of Marketing
- Project (Regional Language Expression)
- Media Content Review I
- Foundation of Photography
- Health and Wellness Module I #
- MD2
- MD3

Semester: 3

Industry Project

- Cinema Appreciation
- Camera Techniques and Lighting

Major Course/s (Choose any one course)

- Introduction to Journalism
- Introduction to AV Radio and Television Media
- Sustainability and Environmental Awareness/Photography Workshop

- Health and Wellness Module II #

Semester: 4

Major Course/s (Choose any one course)

- Documentary Cinema and Non Fiction Films
- Specialised Reporting

Major Course/s (Choose any one Group)

- Group - 1 Film Studies
- Cinemas of India
- Key Concepts in Film Studies

Group - 2 Film Production

- Scriptwriting
- Film Production and Management

Group - 3 Multimedia Journalism

- Broadcast News Production
- Online Journalism and Website Tech CMS

Minor Course/s (Choose any one group other than the chosen Major)

- Group - 1 Film Studies
- Cinemas of India
- Key Concepts in Film Studies

Group - 2 Film Production

- Scriptwriting
- Film Production and Management

Group - 3 Multimedia Journalism

- Broadcast News Production
- Online Journalism and Website Tech CMS
- Vasudhaiva Kutumbakam *

Semester: 5

Major Course/s (Choose any one Group)

- Group - 1 Film Studies
- Television: History and Theory
- Cinema and Gender

Group - 2 Film Production

- AV Post Production and Animation
- Elements of Cinematography

Group - 3 Multimedia Journalism

- Business Journalism
- Media Law and Ethics

Minor Course/s (Choose any one group other than the chosen Major)

- Group - 1 Film Studies
- Television: History and Theory
- Cinema and Gender

Group - 2 Film Production

- AV Post Production and Animation
- Elements of Cinematography

Group - 3 Multimedia Journalism

- Business Journalism
- Media Law and Ethics

- Internship and Research Methodology Workshop
- Core Environmental Studies *
- Health and Wellness *

Semester: 6

Practical: Creation of a Newspaper/Film/Marketing/Communication-AD,PR Events with New Media

- Major Course/s (Choose any one Group)
- Group - 1 Film Studies
- Adaptation: Cinema and Literature
- Asian Cinema

Group - 2 Film Production

- Sound Design
- Film Marketing and Distribution Models

Group - 3 Multimedia Journalism

- Development Communication and Social Change
- Data Journalism and Visualisation

Minor Course/s (Choose any one group other than the chosen Major)

- Group - 1 Film Studies
- Adaptation: Cinema and Literature
- Asian Cinema

Group - 2 Film Production

- Sound Design
- Film Marketing and Distribution Models

Group - 3 Multimedia Journalism

- Development Communication and Social Change
- Data Journalism and Visualisation

Semester: 7

Media Industry Internship Project

- Research Methodology

Major Course/s (Choose any one Group)

Group 1 - Film Studies

- Screen: Industry and Economy

Group 2 - Film Production

- Computer Generated Imagery and Digital Effects

Group 3 - Multimedia Journalism

- Short News Production

Minor Course/s (Choose any one course from any one group other than the chosen Major)

Group 1 - Film Studies

- Screen: Industry and Economy

Group 2 - Film Production

- Computer Generated Imagery and Digital Effects

Group 3 - Multimedia Journalism

- Short News Production

Group 1 - Film Studies

- Screen: Industry and Economy

Group 2 - Film Production

- Computer Generated Imagery and Digital Effects

Group 3 - Multimedia Journalism

- Short News Production
- Media Industry Internship Project
- Research Methodology

Major Course/s (Choose any one course)

- Qualitative Research
- Quantitative Methods

Group 1 - Film Studies

- Indian Art House, Short Films and OTT

Dr. Ruchi Kher Jaggi
Director (Additional Charge)

DIRECTOR'S PROFILE:

Dr. Ruchi Kher Jaggi is Professor and Dean of the Faculty of Media and Communication, Symbiosis International (Deemed University), Pune, India. She completed her PhD at the Department of Media & Communication Studies, University of Pune. She has completed her post-graduation in Mass Communication from Panjab University, Chandigarh and is also UGC-NET qualified. She has been working in higher education for two decades now. Her research interests include media representations, popular culture analysis, media and children, television studies, journalism studies, media literacy, streaming platforms and emerging discourses of identity on the new media. Her research has been presented at national and international communication conferences and published in peer-reviewed international journals. She was awarded the SPARC research grant by the Ministry of Education, Govt. of India where she is working on a project in collaboration with University of Western Ontario, Canada. Dr. Jaggi is also a recipient of a research grant on a project on Interactive Documentaries in partnership with Salisbury University, Maryland, USA under USIEF's U.S.-India 21st Century Knowledge Initiative awards from September 2018 to August 2020. She has also been awarded the 'Woman Leadership Award' in 2017 and 2019, respectively. She has significant international experience having travelled for academic conferences and projects to different countries besides being the resource person on media studies for many international students who pursue short courses as part of the international student exchange programme at Symbiosis International (Deemed University), Pune.

Head Profile

Ms. Puneet Gupta, Head SSVAP

Ms. Puneet Gupta is an accomplished academic, researcher, and visual storyteller with over 20 years of extensive experience in photography, journalism, and education. Her expertise spans photojournalism, architectural photography, ethnographic research, and visual storytelling, making her a multifaceted professional in the field.

Her academic contributions include impactful research, such as a widely acclaimed article on manual sand miners in Bihar, published in prestigious Q1 Scopus-indexed journals. She has also garnered accolades for her scholarly work, including the Best Paper Award in Journalism Praxis at ICMAC 2023. As an educator, she specialises in teaching diverse genres of photography, including Photojournalism, Street, Documentary, Sports, and Architectural Photography. She has mentored students on transformative projects with esteemed organisations like Incredible India and Andhra Pradesh Tourism and has curated notable exhibitions such as Nature in Focus.

In her photojournalistic career, Puneet has contributed to leading publications such as Hindustan Times, The Indian Express, and DNA. Her coverage of significant events, including the Bharat Bandh, the 2011 Mumbai bomb blast, and the city's metro development, highlights her ability to document socio-political narratives with precision and depth. Her portfolio also extends to architectural photography and visual storytelling, earning her recognition with the National Photo Award, Mumbai Press Club Calendar Awards, and an international scholarship to the Angkor Photography Workshop.

Currently pursuing a PhD focused on visual narratives of COVID-19 in India, Puneet continues to be a passionate advocate for visual communication. Through her photography, writing, and mentoring, she inspires future creatives and remains committed to capturing photographs with purpose, precision, and impact.

Institute Profile:

Established in 2012, the Symbiosis School of Visual Arts and Photography (SSVAP), formerly known as Symbiosis School of Photography, is a premier institute under Symbiosis International University (SIU), Pune. Nestled on the scenic hilltop campus at Lavale, SSVAP offers an inspiring academic environment that blends creativity, technology, and professional excellence.

SSVAP is dedicated to nurturing future photographers, visual artists, and filmmakers through a practice-driven and industry-aligned education model. With state-of-the-art infrastructure, expansive studios, and an accomplished faculty of industry professionals, the institute prepares students to meet contemporary global standards in visual arts and photography.

The institute strongly believes in learning by doing, encouraging students to explore, experiment, and develop a strong visual voice through continuous hands-on engagement.

Programme Profile:

• Bachelor of Arts - Visual Arts & Photography (B.A. - Visual Arts & Photography)

The flagship Bachelor of Arts (B.A.) in Visual Arts and Photography programme is designed to equip students with technical mastery, creative thinking, and professional competence in photography and visual storytelling.

The programme covers a wide spectrum of photography genres and allied visual disciplines, enabling students to build both specialization and versatility. From foundational skills to advanced professional practices, the curriculum ensures holistic development aligned with industry requirements and emerging trends.

Key focus areas include:

- Technical and creative photography skills
- Lighting, composition, and visual aesthetics
- Digital and analog post-production workflows
- Printing, archiving, and presentation
- Digital-marketing, social media visuals
- Exposure to filmmaking, cinematography & sound design

Graduates of the programme are well-prepared for careers as professional photographers, visual artists, filmmakers, content creators, and creative entrepreneurs.

Duration of the Programme:

- **Bachelor of Arts - Visual Arts & Photography**
(B.A. - Visual Arts & Photography) : **3 Years, Full Time, Non-Residential programme**

Intake:

- **Bachelor of Arts - Visual Arts & Photography**
(B.A. - Visual Arts & Photography) : **30 Students**

Eligibility:

- **Bachelor of Arts - Visual Arts & Photography (B.A. - Visual Arts & Photography)**

Passed Standard XII (10+2) or equivalent examination from any recognised Board.

Orientation and Pedagogy:

At SSVAP, we believe in experiential learning, emphasizing hands-on practice over traditional textbooks and lectures. Our flagship programme, BA in Visual Arts and Photography, is designed to prepare students for the dynamic world of photography and visual storytelling.

Our pedagogy integrates:

1. Practical & Studio-Based Training

Students engage in intensive studio sessions focusing on camera techniques, lighting, composition, styling, and creative execution across multiple photography genres using in-house created studio sets.

2. On-Field Demonstrations & Live Projects

Real-world assignments, outdoor shoots, and live projects enable students to apply classroom learning to practical scenarios.

3. Study Tours & Workshops

Regular study tours and workshops expose students to diverse cultures, environments, and professional workflows, fostering visual sensitivity and adaptability.

4. Industry Visits & Internships

Students interact with established studios, agencies, brands, and professionals, gaining insights into industry practices and career pathways.

5. One-on-One Reviews & Mentorship

Personalized critique sessions with faculty, visiting photographers, and filmmakers help students refine their portfolios and creative direction.

6. Interdisciplinary Learning

Courses in foreign languages, film techniques, sound design, scripting, cinematography, and visual effects broaden students' creative horizons and employability.

We cover every aspect of photography, from technical skills, lighting, and post-production to printing and meta-marketing. Additionally, our interdisciplinary courses, such as foreign languages, film techniques, and visual effects, allow students to broaden their expertise.

The backbone of SSVAP Pune is its highly skilled faculty and their unique pedagogy. SSVAP Pune offers a holistic approach in training students as per the professional industry standards. The faculty are industry professionals – photographers, film-makers who orient their professional skills towards matching up with the policy of outcome based education offered at SIU.

Infrastructure

At SSVAP, we take pride in offering unparalleled facilities for photography education. Our unique selling point lies in our expansive and specialized studios, each designed to cater to specific aspects of photography:

- Studio 1: Dedicated to conceptual fashion shoots, complete with a green room for preparation.
- Studio 2: Exclusively designed for table top photography.
- Studio 3: A foundational space for learning film techniques.
- Studio 4: An automobile studio equipped for vehicle photography.
- Studio 5: A daylight studio leveraging natural light for shoots.
- Dark Room: A space for post-processing negative films.
- Mac Lab: Fully equipped for photo and video post-production and editing.

Beyond photography, our institute provides a holistic environment with access to a library, sports facilities, and a vibrant cafeteria, ensuring an enriching student experience.

SSVAP Pune provides the best available infrastructural support to ensure the all-round development of the students. The Central Library at SSVAP Pune has a collection of over 20000 books, journals, magazines, and other related texts. There are 3 boys' hostels and 3 girl's hostels at SSVAP Pune where the students are accommodated. The Campus also has a cafeteria and a sprawling sports arena for the facilities to be availed by the students and staff.

Post-production techniques in Adobe Photoshop, Light room, Topaz, ACDsee	
Social Media Visual Production	

Our comprehensive curriculum, supported by a robust visiting faculty, ensures students gain insights from practicing photographers excelling in diverse genres. Our faculty members collaborate with reputed fashion houses, product brands, wildlife organizations, and news agencies, enriching the learning experience.

In alignment with SIU's Outcome-Based Education model, SSVAP offers a practice-driven approach, perfect for students who thrive on exploration and hands-on experiences. For those who wish to learn beyond the confines of a classroom and see the world through a lens, SSVAP Photography Institute is your destination.

Dr. Jyoti Chandiramani

Director
Dean, Faculty of Humanities
and Social Sciences

Director's Profile:

Prof. Jyoti Chandiramani is a distinguished academican with over four decades of experience in teaching, research, and academic leadership. She currently serves as the Director of the Symbiosis School of Economics and Dean of the Faculty of Humanities and Social Sciences at Symbiosis International (Deemed University), Pune.

An accomplished teacher and mentor, Prof. Chandiramani teaches Urban Economic Development and Urban Mobility at the postgraduate level. Her academic work reflects a deep engagement with urban issues, development policy, and applied economics, combining rigorous scholarship with real-world relevance.

She has authored textbooks and has co-edited the book *Perspectives in Urban Development: Issues in Infrastructure, Planning, and Governance* (with Ramanath Jha), which brings together critical perspectives on urbanisation, infrastructure, planning, and governance in the Indian context. Her research interests include urban and city-level development challenges, with a current focus on Pune-centric case studies.

Prof. Chandiramani also closely studies and engages with themes in international development cooperation, tracking global development frameworks from the Millennium Development Goals (MDGs) to the Sustainable Development Goals (SDGs), alongside contemporary issues in the Indian economy.

A committed research guide, she has successfully supervised several Ph.D. scholars, many of whom have been awarded their doctoral degrees, and continues to mentor scholars across diverse areas of economics and public policy. Her professional engagements include research projects and consultancy assignments in collaboration with leading institutions such as the National Institute of Urban Affairs (NIUA), NABARD, Institute for Transportation and Development Policy (ITDP), the Sulochana Thapar Foundation, and other reputed think tanks in India.

Institute Profile:

Symbiosis School of Economics (SSE), established in 2008, is a distinguished constituent of Symbiosis International (Deemed University), a multi-disciplinary and multicultural institution committed to quality education. Symbiosis International (Deemed University) has been awarded the NAAC 'A++' grade and Category-I status by the UGC, reflecting its strong academic foundation. The University has consistently improved its standing in national and global rankings and is placed in the 601–800 band globally in the Times Higher Education World University Rankings 2025. It is also ranked in the 641–650 global band in the QS World University Rankings 2025 and stands 1st in India for Employer Reputation, highlighting its strong industry connect and employability outcomes. With over five decades of contribution to education, research, and development, Symbiosis has established itself as a leader in

higher education, fostering a diverse learning environment with students from across India and over 85 countries. Symbiosis School of Economics is dedicated to developing intellectual discipline, critical thinking, analytical reasoning, and an empirical understanding of economic principles. The School fosters an academic environment that integrates rigorous theory with real-world relevance across micro, macro, and global economic perspectives. SSE offers undergraduate and postgraduate programmes, including B.Sc. Economics and M.Sc. Economics, with curricula emphasizing quantitative methods, statistics, econometrics, and policy analysis. Through research-driven pedagogy, experiential learning, and student-led initiatives, SSE provides a fulfilling academic journey that prepares students for careers in research, analytics, policy, and related fields.

Programme Profile:

- **Bachelor of Science (Economics) - Honours/ Honours with Research**

At Symbiosis School of Economics, integrating research, academics, relevant opportunities, extracurricular activities, skill development programs, internationalisation, and enhanced engagement into the course, creates a unique programme that provides the students with the right skills. The well-designed course structure has an ever-evolving curriculum that includes continuous assessments in the form of term papers and reports. Specifically, the Research Methodology course teaches students the applications of various qualitative and quantitative research methods. The programme's pedagogy is diverse and includes classroom discussions, field visits, guest lectures, seminars, workshops, assignments, and internships

Duration of the Programme:

- **Bachelor of Science (Economics) - Honours/ Honours with Research** : 4 Years, Full Time, Non-Residential programme

Intake:

- **Bachelor of Science (Economics) - Honours/ Honours with Research** : 150 Students

Eligibility:

- **Bachelor of Science (Economics) - Honours/ Honours with Research**

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of Semester-6.

Dr. Shweta Sinha Deshpande

Director

Director Profile:

Dr. Shweta Sinha Deshpande has a Ph.D. in Archaeology and has contributed to archaeological and associated anthropological research through an interdisciplinary and multidisciplinary approach. She has been associated with Liberal Arts education for more than a decade and has an in-depth and a keen understanding of this model and the value addition this model offers to the world and India's growing population dividend, the globalized industry and the service sector. Her current research focus is on Globalization and its influence on the socio-cultural space including religion, trends in migration, education and development. The thrust of her research is on interactions between individuals and cultures, both modern and ancient. Her work has led her to conclude that the key to understanding current social issues is to recognize the often-unrealized cultural baggage that people carry.

She has authored many research articles and books and was the founding President of the India Big History Association and a founding Member of the Society for South Asia Archaeology (SOSAA). She currently serves on the Editorial Board of Migration Letters, an international journal on migration and is a member of the Executive Committee of the Nehru Science Centre, Mumbai under the Ministry of Culture, Government of India.

Institute Profile:

Symbiosis School for Liberal Arts (SSLA) is India's first liberal arts college to offer a four-year full-time degree in:

- **Bachelor of Arts/Bachelor of Science (Liberal Arts) Honours with Research / Bachelor of Arts/Bachelor of Science (Liberal Arts) Honours**

Established in 2011, SSLA offers a wide spectrum of 23 specialisations from diverse fields such as Social Sciences, Humanities, Natural Sciences, Media Studies, Business Studies and Performing Arts. The awarding degree is dependent on the student's major area of specialisation. Major specialisation implies that students have to pursue 10 papers in the chosen field, whereas minor specialisation requires students to study 6 papers in it.

Apart from the major and minor specialisations, SSLA's distinctive programme structure offers mandatory core courses which help students develop research, critical thinking and analytical skills. More than 150 elective courses are also present in the institute's bouquet of offerings. In order to ensure that the students avail themselves of the many academic opportunities at SSLA, Extra courses and Audit courses are also offered across specialisations (with specific minimum academic prerequisites/requirements). With an inter-multi and transdisciplinary approach, SSLA offers an education that weaves together various disciplines that are not traditionally or typically offered at the undergraduate level. SSLA thus provides a complete liberal arts education.

In the dynamic world that we live in, the demand for skill sets in the economy and employment sector is ever-changing. These skill sets outlined in the World Economic Forum, range from problem solving to working with people, self-management to using and developing technology. These are areas that SSLA has been nurturing its students in, over the past decade. SSLA's graduates become global citizens who possess multicultural world views, are open-minded and have been taught to appreciate the greater similarities and minor differences in people and cultures across the globe.

SSLA brings together its current students and its alumni along with the industry through events such as the Career Connect and the Alumni Meet. The Career Connect reimagines the traditional placement model to reinforce the individual's personal aspirations. Structured as a career exploration and relationship-building experience, it creates a professional bridge between current students and the industry professionals and alumni. It features an interdisciplinary mix of career pathways, from corporate and media roles to research, policy, development, and creative sectors. Through direct interaction with company representatives, students gained exposure to diverse job roles, internship opportunities, industry expectations, and potential career trajectories.

Through SIU, SSLA has strong international partnerships which lead to student and faculty exchanges. This not only leads to knowledge sharing, cultural exchanges, and exchange of ideas, but also provides an opportunity for students to gain immense confidence in themselves and the education system that they are a part of, as this exposure makes them realise that they are at par with the best in the world! Some of our international partners are:

Bournemouth University, UK

Deakin University, Australia

DePaul University, USA

Teesside University, UK

SSLA is a space which allows students to express themselves in constructive and creative ways. The various clubs at SSLA provide avenues to such expression.

Another pathway of expression are the various student publications at SSLA, which range across a variety of areas – from theatre, to music, news, politics, international relations – to name a few!

SSLA also has very active sports teams across various forms of games.

Apart from these, there are various annual events at SSLA. While some are academic in nature such as the International Gender Conference and a collaborative conference with the International/Asian and Indian Big History Association; some events on the other hand are cultural in nature. Theatre productions through SSLA Presents, or the Red Carpet, which is SSLA's very own version of the Oscars are two such major events! The Symbiosis Literary Festival is organized and hosted by SSLA, while ICE by SSLA is the student Inter Collegiate Event. With students, faculty and staff all working shoulder to shoulder to make these events a success, these too contribute to the learning curve for the students at SSLA.

Programme Profile:

The four-year full-time degree programme offered by SSLA, takes forward the ethos of NEP 2020, which helps students learn to make critical connections among diverse subjects, modes of thinking, and view major decisions within a broader social and historical perspective. It allows faculty and students to engage with, understand and reconcile a wide range of ideas, viewpoints, and perspectives within several disciplines. It seeks to provide a cultural orientation to the world in which we live, and equip students with ideas, analytical and communication skills, global perspectives, as well as the ability to synthesize knowledge and make informed value judgments.

The programme offers a comprehensive education. Courses at SSLA are broadly categorized into Core (Foundational and Skill Enhancement courses), Majors (where 10 courses have to be pursued within a specialisation along with a mandatory Internship), Minors (where 6 courses have to be pursued within a specialisation), and Electives that are inter-trans-multidisciplinary in nature.

Students have the flexibility to opt for their choice of Major and Minor specializations at the end of the first year. At SSLA, liberal arts courses are designed to evolve with the student. The curriculum encourages exploration first and specialization later, allowing them to make informed academic choices.

At SSLA flexibility is not about confusion. It is about choice with guidance.

Liberal arts programmes allow students to

- Explore multiple subjects before declaring a focus
- Combine disciplines that interest them
- Change direction as interests evolve
- Build a learning path that feels personal

This flexibility is especially valuable for students who are curious, reflective, and unsure about fitting into a single predefined box.

Along with this, focus on research together with the requisite components of internship and community engagement, enables students to prepare for higher studies, career advancement, and for the exercise of leadership in the corporate world and the communities we live in. It helps students develop essential 21st-century skills that allow them to seamlessly enter the workforce and gain meaningful career and life choices.

The highlights of the programme include:

- Internationally valued 4-year programme
- Strong academics and innovative learning
- Inter, multi and transdisciplinary academic engagement
- Co-constructive and collaborative environment
- Internationalization and strong community engagement
- 1:20 faculty to student ratio
- 370 courses across 20 disciplines
- Workshops, study trips and conferences integrated in the programme

- International exposure, semester exchange and summer trips
- Opportunity to pursue an accelerated master's with international partners

Students majoring in Anthropology, Business Studies, Education, Economics, English, History, International Relations, Media Studies, Philosophy, Political Science and Public Policy, Psychology or Sociology, together with the Research Project, will be awarded the degree of Bachelor of Arts (Liberal Arts) Honours with Research.

Those pursuing the majors mentioned above, but without the research project, have the option of pursuing an additional internship or two additional courses from the major area of specialization. The degree awarded will be Bachelor of Arts (Liberal Arts) Honours.

Similarly, students majoring in Applied Environment and Sustainability Science, Mathematics and Statistics or Computer Studies, along with the Research Project, will be awarded the degree of Bachelor of Science (Liberal Arts) Honours with Research.

Those pursuing the above-mentioned majors, but opting for an additional internship or two additional courses from the major area of specialization, will be awarded the Bachelor of Science (Liberal Arts) Honours degree.

Duration of the Programme:

- **Bachelor of Arts (Liberal Arts) - Honours/ Honours with Research/
Bachelor of Science (Liberal Arts) - Honours/ Honours with Research : 4 Years Full Time**

Intake:

- **Bachelor of Arts (Liberal Arts) - Honours/ Honours with Research/
Bachelor of Science (Liberal Arts) - Honours/ Honours with Research : 150 Students**

Eligibility:

- **Bachelor of Arts (Liberal Arts) - Honours/ Honours with Research/ Bachelor of Science (Liberal Arts) - Honours/ Honours with Research**

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

Register online on the website www.set-test.org (Registration closes on April 15, 2026 (Wednesday). Note: No changes shall be permitted after the registration under any circumstances.

A candidate can appear for SET on both the dates May 02, 2026 (Saturday) and May 10, 2026 (Sunday). If a candidate appears for more than one test, the higher score will be considered for the final percentile calculation. There will be no normalization. A rigorous process that has been statistically tested will be administered to ensure that unique types of questions are framed under a specific topic across the question papers. The normal spread will ensure that there is no unfair advantage to candidates who opt for any specific test / multiple tests. This will ensure the normalisation of the spread of questions across sections. Furthermore, the question papers will be normalised for the level of difficulty across all two tests. No correspondence regarding this will be entertained. Upload your latest colour passport size photo at the time of Online Registration. (Your photograph should not be more than 04 months old and should match the photo uploaded during registration).

The registration process is as follows:

1. Click on 'Register'.
2. Read all the 'Instructions' carefully and then click on the 'Continue' button to accept the 'Terms and Conditions'.
3. Fill in the details requested on the page displayed.
4. Click on 'Save and Continue'. An OTP will be sent to the mobile number and email id that you have entered.
5. Enter the 'OTP' and submit.
6. After successful registration, you will get an e-mail and SMS containing your SET ID and password.
7. Use this SET ID for all communications regarding the SET 2026 entrance test/admission procedure.
8. Pay the SET entrance test registration fee of INR 2250 per test (government taxes would be additional as and when applicable), non-transferable and non-refundable as per the instructions mentioned on the registration portal.
9. In addition to that, you are also expected to pay the non-refundable and non-transferable programme registration fee of INR 1000/- (government taxes would be additional as and when applicable) for each programme that you wish to apply for.
10. Please note that payment of only the SET entrance test registration fee will not make you eligible for short listing/ merit listing in any programme, regardless of your SET score. Both fees must be paid as per the instructions provided on the registration portal. Failure to pay the programme registration fee will result in your application not being considered for that programme. No communication will be entertained in this regard.
11. If you have any queries, please log in to your SET ID and click on "Raise A Query" and generate a ticket. Generating a ticket is essential to resolve your query.
12. The modes of payment for the programme(s) registration fee is same as that for SET/SITEEE.
13. Candidate must declare and maintain a valid and unique email account and a mobile phone number throughout

the admission process.

14. A candidate is required to fill in the correct information in the online registration form, which corresponds to her/his credentials.

15. Register online on the website www.set-test.org (up to April 15, 2026 (Wednesday)).

Note: No changes shall be permitted after the registration under any circumstances.

16. A candidate can appear for SET on both the dates May 02, 2026 (Saturday) and May 10, 2026 (Sunday). If a candidate appears for more than one test, the higher score will be considered for the final percentile calculation.

17. Please also note that if any information provided by a candidate is found to be incorrect, the University shall have the right to cancel the application.

Induction & Orientation Week	Sunday - 12th July 2026 to Saturday - 18th July 2026
Classes Begin	Monday - 20th July 2026
Please note SIU reserves the right to change these dates in view of any unavoidable circumstances.	
** Programme Commencement with compulsory attendance through the week of Induction & Orientation.	

Disclaimer: These dates are tentative and are subject to change Any changes will be reflected on the institute website www.ssla.edu.in

Orientation and Pedagogy:

SSLA aspires to form a learning community that integrates principles of social justice and responsibility as a necessary part of the academic environment that encourages freedom, respect and self-reliance.

SSLA strives to establish the institute as the preferred destination for students, faculty, larger fraternity and industry, to engage in interdisciplinary studies, rigorous research, community engagement, personal development, **growth and employability. It aims to equip the students with:**

- strong academic foundation
- sound ethical norms
- civic mindedness
- problem solving capability
- transferable skills

It seeks to assist the growth of future global citizens to:

- grow into critically conscious citizens
- find a healthy balance between personal and professional growth
- enhance their personal, professional and civic life

SSLA aims to fulfill the above aspirations by:

- Supporting and building a co-create an environment that lends itself to exploration, inquiry, investigation and analysis.
- Challenging students and faculty to question, learn and reflect. Fosters innovative pedagogies that are encountered in a co-constructed classroom environment. Facilitating unique student faculty interaction to engage in scholarly discourse.
- Developing competencies and values required for leadership and social justice in a dynamic global community.
- Developing models of innovative pedagogies for research and practice, that enhance participatory be it experiential activities or multifaceted learning modalities that engage different learning styles of students.
- As well as supporting communities to reach their potential.

In alignment with the above goals, SSLA aims to: “Develop models of innovative pedagogies for research and practice, that enhance participatory, experimental and experiential learning which caters to multifaceted learning modalities that engage different learning styles of students”. Our institutional distinctiveness is innovative pedagogy and experiential learning.

“Note:

ONLY Foreign National Students taking Admission in the year 2026 for the Batch 2026-2030, will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

- (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.
- (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).
- (3) Concessional Hostel fees are applicable to Foreign National students @ 650\$ per annum.
- (4) Concessional Mess fees are applicable to Foreign National students @560\$ mentioned above.”

**Academic,Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:

Bachelor of Arts (Liberal Arts) - Honours/ Honours with Research/ Bachelor of Science (Liberal Arts) - Honours/ Honours with Research

Semester: 1

Liberal Arts - Major Specialisation

- Writing across Genre: Freeing Creativity

Minor Course/s

- History of Ideas

Ability Enhancement Course/s

- Legal Awareness

Skill Enhancement Course/s

- Essentials of Information Technology

Common Value-Added Course/s

- Environmental Studies: Our Common Earth

Semester: 2

Liberal Arts - Major Specialisation

- Writing across Genre: Freeing Creativity

Minor Course/s

- History of Ideas

Ability Enhancement Course/s

- Legal Awareness

Skill Enhancement Course/s

- Essentials of Information Technology

Common Value-Added Course/s

- Environmental Studies: Our Common Earth

Semester: 3

A photograph of a modern, multi-story building with a curved facade. The building is primarily orange and red. The top section has a curved roofline and large windows. The text "SYMBIOSIS SCHOOL OF CULINARY ARTS" is visible on the upper part of the building. In the foreground, there is a green lawn with some small trees and a few people walking. The sky is blue with some clouds. A large green arrow graphic points from the left towards the text on the right.

Prof. Atul A. Gokhale

MBA, CHE, MIH
Director

Director's Profile:

Prof. Atul A Gokhale is a Chef and Academician with 33 years of experience in India and abroad in the field of teaching, administration, and food service industry. He specialises in European and Indian cuisine. Food Science and Food Art though has lot of areas for collaboration but he believes that beyond a certain limit culinary art, like any other art cannot and should not be well put to test of science every time.

He graduated from IHM Bhubaneswar and is an MBA graduate. He is nominated as member on American Hotel and Lodging Educational Institute (AHLEI) Education Certification Advisory Council. He is a Certified Hospitality Educator (CHE) and master trainer from the AHLEI, USA. He has experience in running Hotel Schools in India and the Gulf countries especially in Bahrain and Saudi Arabia. He was instrumental in designing the National Skills Qualification Framework for the Hospitality Skills trade in Bahrain.

As an Entrepreneur, he has done project consultancies for hotels and restaurants, owned, and operated "Pinch of Salt" a corporate catering & consultancy service firm.

He is a Member (MIH) of Institute of Hospitality (IoH, UK) since July 2005 and member faculty of AHLEI, Orlando, USA, since 2006.

He is a member of Toastmasters International since 2011 and is a certified Competent Communicator and Competent Leader.

Institute Profile:

Symbiosis School of Culinary Arts and Nutritional Sciences (SSCANS) is an institution that seamlessly blends the science of nutrition with the art of culinary practice, fostering a society-wide shift towards holistic wellness. We are committed to creating future leaders who are equipped to address the challenges of food security, public health, and sustainable nutrition.

SSCANS is a specialised school offering a range of skilled programmes in the food, health, nutrition and wellness sector.

Founded in 2016 we are the first school in the country to offer niche qualifications in culinary science and arts.

Over the period, we now have specialised programmes in post graduate, undergraduate and diploma levels in Nutrition and Dietetics, Food Technology and Food Enterprise Management, Culinary Arts and Hospitality Management.

With a state-of-the-art world class campus infrastructure equipped with modern practical learning labs and Asia's largest Studio Kitchen, the institute focuses on providing sustainable education in the areas of culinary arts and science, food processing and health and nutrition.

Symbiosis believes in industry and academia interaction at all stages of student development and as a part of our curricula, the students undergo well planned and monitored internship in collaboration with leading hotel and food industry organizations.

Innovation in culinary field, adaptability, business ethics and social responsibility are emphasized to develop students into becoming leaders as well as responsible citizen.

Going a step ahead we started with our first batch of two-year Master's Programme (Food Technology and Food Enterprise Management) and MSc (N&D) under the umbrella of SSCANS academic year 2024-25 onwards.

Programme Profile:

- MBA (Food Technology and Food Enterprise Management)
- Master of Science (Nutrition & Dietetics) programme
- B.Sc. (Culinary Arts)
- Bachelor of Science (Culinary Arts)
- Diploma in Bakery and Patisserie (DBPS)
- Diploma in Professional Culinary Skills programme

Duration of the Programme:

- **Bachelor of Science (Culinary Arts)** : 3 Years, Full Time, Non-Residential programme
- **Bachelor of Business Administration (Hospitality and Culinary Management)** : 4 Years, Full Time, Non-Residential programme

Non-Residential, hostel is recommended for the first year and is available on first come first serve basis

Intake:

- **Bachelor of Science (Culinary Arts)** : 60 Students
- **Bachelor of Business Administration (Hospitality and Culinary Management)** : 60 Students

Eligibility:

- **Bachelor of Science (Culinary Arts)**

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste /Scheduled Tribes)

- **Bachelor of Business Administration (Hospitality and Culinary Management)**

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Students who wish to opt for Honours with Research must earn a 7.5 CGPA and above at the end of the Semester-6.

Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility

Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

- **Bachelor of Science (Culinary Arts)**

The Entrance Test would be conducted separately for BSc (CA) programmes.

The online entrance test, Written Ability Test (WAT) the Personal Interview (PI) will be conducted on the same day.

The test will be offered through google form and it will be a time bound test for 60 minutes

- **Bachelor of Business Administration (Hospitality and Culinary Management)**

Candidates shortlisted through the Symbiosis Entrance Test (SET) will undergo a Personal Interaction (PI). Final selection will be determined based on a combined merit list, comprising 70% from the SET score and 30% from the PI.

Important Dates:

- **Bachelor of Science (Culinary Arts)**

Orientation and Pedagogy:

In cultivating culinary and hospitality professionals, mere theoretical knowledge isn't enough; practical exposure is essential.

At SSCANS, Pune, our pedagogical approach prioritizes hands-on learning, recognizing the need for students to witness and practice skills, processes, and ingredient handling. Our methodology extends beyond traditional teaching methods, incorporating interactive sessions with case studies and real-world culinary and hospitality developments. We focus on a balanced blend of art and science, utilizing state-of-the-art equipment and techniques for a comprehensive practical education. Students engage in hands-on projects to refine research and analytical skills, complemented by insightful guest lectures from industry leaders and celebrity chefs.

Field visits and opportunities to manage events, restaurant outlets, and pastry shops provide invaluable real-world experiences.

This pedagogical approach elevates the students' culinary and hospitality journey at SSCANS, where practical learning takes center stage for a successful and fulfilling career.

- Research Methodology
- Services Marketing

Generic Elective Course Group-I

(Choose any One Course)

- Culinary Tourism (Theory)
- Food Journalism

Generic Elective Course Group-II

(Choose any Two Course)

- Art of Gardemanger and Food Styling (Practical)
- Confectionary and Show-Piece Making Techniques (Practical)
- Gastronomy Trends
- Food Photography

BBA (Hospitality and Culinary Management)

Semester - 1

Discipline-Specific Courses/ Major Courses

- Indian and European Culinary Foundation (Theory)
- Indian and European Culinary Foundation (Practical)
- Food and Beverage Service Management (Theory)
- Food and Beverage Service Management (Practical)

Discipline Specific Minor Course

- Hospitality Today: An Introduction
- Hospitality Law

Ability Enhancement Course

- Hospitality Communication Skills

Skill Enhancement Courses

- Advanced Excel
- Hospitality Computing (Practical)

Common Value-Added Course

- Environmental Studies: Our Common Earth

Semester - 2

Discipline-Specific Courses/ Major Courses

- Rooms Division Management (Theory)
- Rooms Division Management- (Practical)
- Business Functions - A

Discipline Specific Minor Course

- Basic Hotel and Restaurant Accounting

Ability Enhancement Course (Choose Any One from the Following Courses)

- Basic Spanish 1
- Basic French 1
- Basic Japanese 1

Skill Enhancement Course

- Presentation Skills

Common Value-Added Course

- Sustainability Studies
- Health and Wellness Module - I

**Multidisciplinary Courses
(Choose Any One Course
from the University Basket of
Multidisciplinary Courses) The
list of Multidisciplinary courses
offered will be updated every
semester. The list will be shared
on the MDC Registration Portal
before the commencement of
each semester, and students may
choose a course of their choice.
MD1**

Vocational Courses (Summer)

- International Food Safety & Standards
- Event Management

Semester - 3

Discipline-Specific Courses/ Major Courses

- Internship

Semester - 4

Discipline-Specific Course/Major Course

- Catering Operations and Management
- Business Functions - B
- Services Marketing

Discipline Specific Minor Course

- Consumer Behaviour and Insights
- Service Learning

Ability Enhancement Courses (Choose Two from the Following Courses)

- Basic Spanish 2
- Basic French 2
- Basic Japanese 2
- Building Professional Competencies

Common Value-Added Course

- Indian Ethos and Values for Management

Mandatory Non-Credit Course

- Vasudhaiva Kutumbakam
- Core Environmental Studies
- Health and Wellness Module II

Multidisciplinary Courses
(Choose Any One Course from the University Basket of Multidisciplinary Courses) The list of Multidisciplinary courses offered will be updated every semester. The list will be shared on the MDC Registration Portal before the commencement of each semester, and students may choose a course of their choice.

- MD2

Vocational Courses (Summer)

- International Food Safety & Standards
- Event Management

Semester – 5 **Discipline-Specific Courses/** **Major Courses**

- Hospitality Revenue Management
- Contemporary Hospitality and Service Industry Operations
- Security and Loss Prevention

Minor Courses

- Supervision in the Hospitality Industry
- Entrepreneurship in the Service Industry
- Hospitality Facilities Management and Design

Skill Enhancement Course

- Bakery and Patisserie Fundamentals and Techniques

Summer Internship

- Internship with Service Leaders (Shadow)

Multidisciplinary Courses
(Choose Any One Course from the University Basket of Multidisciplinary Courses) The list of Multidisciplinary courses offered will be updated every semester. The list will be shared on the MDC Registration Portal before the commencement of each semester, and students may choose a course of their choice.

- MD3
- Health and Wellness *

Semester – 6 **Discipline-Specific Courses/** **Major Courses**

- Leadership and Management in the Hospitality Industry
- Event Management
- Application of Machine Learning and Artificial Intelligence in services

Minor Courses

- Managing Hospitality Human Resources
- Business Laws and Retail Legislations

Semester – 7 **(Honours / Honours with** **Research)**

- Discipline-Specific Courses/ Major Courses
- Planning and Control of Food

and Beverage Operations

- Dimensions of Entrepreneurship
- Total Quality Management

Minor Courses

- Organizational Behaviour
- Corporate Communications in Specialised Sectors
- Introduction to Financial Services

Semester – 8 **(Honours)**

Discipline-Specific Courses/ **Major Courses**

- International Human Resource Management
- Marketing Strategy and Implementation
- Managerial Economics
- Service Industry Project

Minor Courses

- Total Quality Management
- Entrepreneurial Project Management

(Honours with Research) **Major Courses**

- International Human Resource Management
- Management Strategy
- Managerial Economics

Research Project

- Research Project

***Courses are subject to change**

Director Profile

- Dean, Faculty of Engineering, Symbiosis International (Deemed University)
- Director, Symbiosis Institute of Technology, Pune
- Head, Symbiosis Centre for Applied AI (SCAAI)

Welcome to the dynamic world of engineering at SIT, Pune, where innovation is not just a goal but a way of life. At the forefront of technological advancements, we blend expertise, technology, and creativity to propel our community towards excellence. SIT, Pune stands as a centre for creativity, a beacon for learning, and a convergence point for ideas that shape the future. Our success is rooted in the unwavering commitment of our faculty members to academic rigour, ground-breaking research, and mentoring. Their dedication goes beyond the confines of classrooms, influencing the lives of our students in profound ways. Our overarching objective has always been to bring out the best in our students, moulding them into professionals with strong ethical and moral values. As you embark on your journey at SIT, you join a diverse community engaged in hands-on learning and cutting-edge research, paving the way for successful careers in business, government, or academia. Our faculty, involved in high-impact research across various domains, including Artificial Intelligence, Cyber Security, Blockchain, Data Science, Robotics, GIS, Nanoscience, Cloud Computing, Embedded Systems, Infrastructure Design and Building Information Modelling (BIM), ensures that our students are exposed to the latest advancements in their field. Through creative instruction, hands-on projects, and involvement in various student competition teams, our undergraduates and postgraduates receive an exceptional educational experience. Industry-sponsored capstone projects and internships further foster professional ties, laying the groundwork for post-graduation success. At SIT, Pune we strive to create an inclusive and dynamic environment where excellence in teaching, research, and service is paramount. I look forward to working with each one of you and contributing to the success and growth of our vibrant engineering community. Should you have any comments, questions, or ideas, please feel free to email me at director@sitpune.edu.in.

Welcome to SIT, Pune where your journey towards engineering excellence begins!

Expertise

Dr. Ketan Kotecha is a distinguished researcher and educator specialising in deep learning, artificial intelligence, computer algorithms, and machine learning. Passionate about fostering critical thinking skills, he has mentored over 25 PhD students to successful outcomes.

Experience

With over 30 years of experience at the forefront of AI and deep learning, Dr. Kotecha is globally recognised, ranking among the top 2% scientists worldwide, a distinction conferred by Stanford University. He boasts a prolific publication record, with over 516 Scopus-indexed papers and 24 patents to his name. His work, cited over 11,000 times, reflects his profound impact on the field.

Dr. Kotecha's expertise extends to securing prestigious research funding for Applied AI projects. Notable grants include a PURSE grant from DST worth INR 5.2 crores in AI for affordable Healthcare and a Ministry of Electronics and Information Technology grant worth INR 199.04 lakhs on Human Computer Interface, highlighting his leadership in impactful research.

Recognized for his contributions, Dr. Kotecha has received grants such as the Indo-Canadian Shastri grant SSTSG 2023-24 and SPARC projects worth INR 166 lakhs from MHRD. His accolades also include Erasmus Plus Faculty Mobility Grant, DUO-India Professors Fellowship, grants from the Royal Academy of Engineering and DST under Indo-Italy and Indo-Serbia schemes. He was also selected by MHRD Govt of India for a prestigious LEAP grant for leadership program at Cambridge University UK. He also received 3 projects from DRDO worth INR 30 lacs and 4 projects from UAEU university under 'AI for Sustainability' grant.

Dr. Kotecha has led consultancy projects with industry giants Philips, Avegen, ArcOne & Dassault System demonstrating his ability to bridge academia and industry. His leadership at SIT Pune has secured significant CSR grants and government funding for initiatives such as the Bajaj Engineering Skills Training Centre (worth INR 30 crores) and a 5G use case lab in AI+telemedicine (worth INR 50 lacs).

As an Adjunct Professor at Swinburne University, Australia, Honorary Professor at Aston University UK and a visiting professor at UCSI University Malaysia, Dr. Kotecha continues to expand his global footprint in academia.

A sought-after keynote speaker, Dr. Kotecha has addressed prestigious forums worldwide, including the Machine Intelligence Lab at USA, Imperial college of London UK, Swinburne University of Technology, Australia, Pretoria University, S Africa, RUDN university Russia and many more.

Exclusive interview of our Director & Dean Dr. Ketan Kotecha on fostering technovation at Symbiosis Institute of Technology Pune

Institute Profile:

Symbiosis Institute of Technology, Pune, a constituent of Symbiosis International (Deemed University), was established in the year 2008. Symbiosis International (Deemed University) is NAAC A++ accredited, and Symbiosis Institute of Technology, Pune is ranked 46th in the Engineering category by NIRF 2025 and 8th among India's Top Private Engineering Colleges by India Today 2025, reflecting its academic excellence and national standing. Symbiosis Institute of Technology, Pune a constituent of Symbiosis International University, offers B. Tech and M.Tech programmes.

B. Tech programmes in Civil Engineering, Computer Science and Engineering, Electronics and Telecommunication Engineering, Mechanical Engineering, Artificial Intelligence and Machine Learning, Robotics and Automation and Robotics and Artificial Intelligence

M. Tech programmes in Artificial Intelligence and Machine Learning, Automotive Technology, Engineering Design, Robotics and Artificial Intelligence, Geoinformatics

With NBA-accredited programmes and NEP-2020-aligned curriculum, SIT Pune emphasises both strong fundamental principles and advanced technological knowledge. The institute boasts high-quality infrastructure, including multimedia-enabled classrooms, state-of-the-art laboratories, high-end computing facilities with the latest software, a modern library with extensive digital resources and databases, auditoriums, seminar halls, separate hostels for boys and girls, and expansive playgrounds. The institute also offers structured academic mentoring, career guidance, internships, and experiential learning opportunities to support students throughout their academic and professional journey.

The Symbiosis Institute of Technology, Pune campus, hosts several centres of excellence such as the Bajaj Engineering Skills Training (BEST) Centre, a Telecommunications Consultants India Limited (TCIL)-funded 5G Lab, and the Infosys Makers Lab, which collectively focus on upskilling engineering graduates in contemporary and emerging technologies. The institute actively promotes research, innovation, and interdisciplinary problem-solving through funded projects, innovation challenges, hackathons, and close collaboration with industry and research organisations.

SIT Pune fosters a dynamic learning environment by facilitating strong industry collaborations, global immersion programmes, and honours courses, ensuring holistic student development through exposure to diverse disciplines and hands-on projects. The institute has established international collaborations for student and faculty exchange with esteemed universities worldwide, including the Institute Mines-Télécom Business School, University College Dublin, KTH Royal Institute of Technology, Sumy State Agrarian University, Ghent University, Kütahya Dumlupinar University, North China University of Technology, RUDN University, Leibniz University Hannover, and the University of Leeds. These partnerships provide rich opportunities for academic growth and global exposure. In addition, the institute offers dual-degree and international academic progression programmes in partnership with

renowned universities such as Loughborough University (UK), Aston University (UK), Deakin University (Australia), and the University of East Anglia (UK).

The institute's long-standing connections across academic and corporate sectors enable students to identify and pursue niche areas early in their careers, providing a competitive advantage in today's dynamic job market. SIT Pune's robust industry linkages with leading organisations have significantly strengthened collaborations, resulting in placement packages reaching an impressive 50 LPA.

The holistic curriculum at SIT Pune integrates courses such as Creative Thinking, Design Thinking, Critical Thinking, Liberal Arts, and Service Learning, alongside core engineering subjects, aligning with the vision of Prof. Dr. S. B. Mujumdar, Chancellor of Symbiosis International (Deemed University), to nurture globally competent engineers. The institute's technology-enabled pedagogy enhances students' familiarity with digital tools and platforms, strengthening their employability in today's hybrid and technology-driven work environment. SIT Pune also encourages students to grow as academics and entrepreneurs through platforms such as the Symbiosis Centre for Entrepreneurship & Innovation (SCEI), a government-recognized and funded business incubator. Students additionally benefit from special diplomas offered by SIBM Pune, interdisciplinary courses from other Symbiosis institutes, and access to online learning platforms such as Coursera, MOOCs, and SWAYAM to further enrich their educational experience.

With its holistic approach to education, industry-oriented curriculum, strong research and innovation ecosystem, global collaborations, and emphasis on entrepreneurship, Symbiosis Institute of Technology, Pune continues to shape future-ready engineers, empowering them to excel in their chosen fields and contribute meaningfully to the global technological landscape.

Programme Profile:

● Bachelor of Technology

- 1) Artificial Intelligence & Machine Learning: The primary aim of this department is to spearhead the advancement and novel developments in various application areas and promotion of the advanced research and education in the field of Artificial Intelligence.
- 2) Civil Engineering: The department aims at imparting high-quality education and producing industry ready professionals in Civil Engineering. Conducive environment, up-to-date course curriculum, latest laboratory equipment and software training is apt for all round development of a future Civil Engineer and ensuring the students are Industry ready by the end of their 4 years' program.
- 3) Computer Science and Engineering: The department endeavours to impart quality education to students in the areas of computer science and engineering. The department has very competent faculty to teach advanced topics of Cloud Computing, Internet of Things, Cyber Security, Artificial Intelligence and so on.
- 4) Electronics and Telecommunication Engineering: The department teaches core subjects of E&TC, offers a range of subjects as electives and facilitates industrial projects, all of which prepare the students for a career after their basic degree. Efforts are made to impart as much project-based learning as is feasible.
- 5) Mechanical Engineering: The department aims at imparting a high-quality education and producing industry ready professionals in Mechanical Engineering. The curriculum also includes multidisciplinary courses aimed at producing professionals with broader domain of knowledge.

6) **Robotics & Automation:** Robotics and automation are considered as one of the integral and significant parts of Industry 4.0. In the current era, automated machines like robots have turned out to be extremely beneficial for various sectors - starting from assisting humans around the house to industrial applications like assembling and packing products and helping doctors in performing complex surgeries. This new development has opened a door for enormous opportunities for the skilled and trained professionals.

7) **Robotics and Artificial Intelligence:** The world is entering an era where intelligent machines and autonomous systems are reshaping the way we live, work, and connect. The B. Tech program in Robotics and Artificial Intelligence (AI) at SIT, Pune is designed to prepare the next generation of innovators, engineers, and leaders who will define this transformation. This program blends the power of robotics, automation, and cognitive intelligence to create systems that can sense, learn, adapt, and act with precision and autonomy.

In this age of Industry 4.0 and beyond, Artificial Intelligence is the driving force behind smart manufacturing, autonomous vehicles, advanced healthcare systems, and connected cities. With AI augmenting robotic capabilities, the boundaries between physical and digital worlds are blurring—enabling smarter collaboration between humans and machines. The program at SIT, Pune empowers students to explore this frontier through a hands-on, interdisciplinary approach that integrates computer science, electronics, mechanical systems, and machine learning.

Duration:

- **Bachelor of Technology** : **4 Years Full Time, Non Residence Programme**

Intake:

Bachelor of Technology

- **Bachelor of Technology (Artificial Intelligence & Machine Learning)** : **180 Students**
- **Bachelor of Technology (Civil Engineering)** : **60 Students**
- **Bachelor of Technology (Computer Science and Engineering)** : **180 Students**
- **Bachelor of Technology (Electronics and Telecommunication Engineering)** : **180 Students**
- **Bachelor of Technology (Mechanical Engineering)** : **60 Students**
- **Bachelor of Technology (Robotics & Automation)** : **60 Students**
- **Bachelor of Technology (Robotics and Artificial Intelligence)** : **60 Students**

Eligibility:

- **Bachelor of Technology (Artificial Intelligence & Machine Learning):**

Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/ Computer Science/Electronics/ Information Technology/Biology/Informatics Practices/ Biotechnology/Technical Vocational subject/ Agriculture/ Engineering Graphics/Business Studies /Entrepreneurship. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

OR

Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme).

- **Bachelor of Technology (Civil Engineering):**

Passed 10+2 examination with Physics, Chemistry and Mathematics as compulsory subjects. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

OR

Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for the students coming from diverse backgrounds to

- prepare Level playing field and desired learning outcomes of the programme).

- **Bachelor of Technology (Computer Science and Engineering):**

Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/ Computer Science/Electronics/ Information Technology/Biology/Informatics Practices/ Biotechnology/Technical Vocational subject/ Agriculture/ Engineering Graphics/Business Studies

/Entrepreneurship. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

OR

Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme).

- **Bachelor of Technology (Electronics and Telecommunication Engineering):**

Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/ Computer Science/Electronics/ Information Technology/Biology/Informatics Practices/ Biotechnology/Technical Vocational subject/ Agriculture/ Engineering Graphics/Business Studies

/Entrepreneurship. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

OR

Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme).

- **Bachelor of Technology (Mechanical Engineering):**

Passed 10+2 examination with Physics, Chemistry and Mathematics as compulsory subjects. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

OR

Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for the students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme).

- **Bachelor of Technology (Robotics & Automation):**

Passed 10+2 examination with Physics, Chemistry and Mathematics as compulsory subjects. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

OR

Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for the students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme).

- **Bachelor of Technology (Robotics and Artificial Intelligence)**

Passed 10+2 examination with Physics, Chemistry and Mathematics as compulsory subjects. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.
OR

Passed D.Voc. Stream in the same or allied sector. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for the students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme).

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

1. Through Symbiosis Institute of Technology Engineering Entrance Examination (SITEEE)

A candidate seeking admission to the First Year B.Tech. programmes at Symbiosis Institute of Technology, Pune (SIU), can appear for the SITEEE 2026, which is conducted twice in CBT mode at multiple test centres across India.

Step 1: Paid Registration, Document Upload, and Preference Selection

- Registration is available online at: www.sitpune.edu.in | www.set-test.org
- Registration Link: <https://set2026.ishinfosys.com/SYM20-SET26/apply/>
- Registration includes:
 1. Basic candidate information
 2. Selection of SITEEE test date(s)
 3. Selection of preferred test centre(s)
 4. Institute selection
 5. Selection of branch preferences
 6. Upload of relevant documents:
 - Category Certificate (if applicable) — mandatory for SC / ST / PwD / KM candidates
 7. Payment of fees:
 - SITEEE Examination Fee: ₹2,250 per test (non-refundable and non-transferable)
 - SIT Pune Institute Charges: ₹1,000 (non-refundable and non-transferable)
- **Note:** Payment of the ₹1,000 institute charges for SIT Pune is mandatory for merit list consideration. Candidates failing to pay will not be included in the merit list or branch allocation.

Registration & Payment Deadline: April 15, 2026 (Wednesday)

Contact for queries:

Email: info@set-test.org | Mobile: 9071013499

Step 2: Admit Card Download

- Candidates must download their admit card from www.set-test.org.

Admit Card Availability:

- Test 01: April 24, 2026 (Friday)
- Test 02: April 30, 2026 (Thursday)

Step 3: SITEEE Examination

- Mode: Computer-Based Test (CBT)
- Cities: Across 68 cities in India

Exam Schedule:

- Test 01: May 2, 2026 (Saturday), 11:30 AM – 12:30 PM
- Test 02: May 10, 2026 (Sunday), 11:30 AM – 12:30 PM

Step 4: Result Declaration

- Results can be checked and scorecards downloaded from www.set-test.org.

Result Declaration Date: May 20, 2026 (Wednesday)

Step 5: Merit Listing (Branch Allocation)

- Candidates who have appeared for SITEEE and paid the ₹1,000 institute charges are eligible for merit listing.

Branch Allocation Process:

1. Based on entrance examination scores, branch preferences, and seat availability
2. Higher-scoring candidates are allotted higher-preference branches
3. Merit-listed candidates must confirm the allotted branch by paying the first instalment of academic fees within 5 days of merit list declaration
4. An email will be sent with branch allotment details, a link to download the offer letter, and instructions for fee payment

Step 6: Fees Payment (First Instalment)

- Payment modes: Online (NEFT/RTGS/Internet Banking/Credit Card/Debit Card or Demand Draft only)
- Cheque and cash payments are not accepted

Step 7: Document Verification (Category Candidates Only)

- Category certificates are verified for applicable candidates.
 - Discrepancies may result in removal from the current merit list; candidates will be considered in the next merit list.
 - Separate communication will be sent in such cases.
-

Step 8: Waitlist / Branch Change (If Applicable)

- Branch change options are available after payment of the first instalment.
- Candidates who fail to pay within 5 days of receiving the offer letter are automatically waitlisted for higher-preference branches in subsequent merit lists.

Step 9: Hostel Allocation

- Hostel is provided on a first-come, first-served basis.
- Candidates requesting hostel allocation must select the option while paying the first instalment.
- The hostel team will communicate availability.

For hostel queries: hostelallotment@sitpune.edu.in

Step 10: Eligibility Process for Admitted Candidates

- After paying the first instalment, candidates will receive an email from the SIU Eligibility Section.
- Candidates must complete and upload all required documents on the Eligibility Portal:
 - o Application for Confirmation of Eligibility
 - o Indemnification (Student & Parent)
 - o Medical Undertaking
 - o Anti-Ragging Undertaking
 - o Academic records, ID proof, certificates

Contact for queries:

Email: eligibility@sitpune.edu.in

Document Upload Guidelines:

- One PDF per mandatory document
- Both sides / all pages of documents should be clear and legible
- Save and submit after upload; otherwise, the candidate will not be included in the merit list.

2. Through JEE (Main-2026) / Any State Government Engineering Entrance Examination - 2026

- Candidates can also apply using JEE (Main-2026) or/ and Any State Government Engineering Entrance Examination-2026 scores.

Step 1: Paid Registration, Document Upload, and Branch Preference Selection

- Registration online at: www.sitpune.edu.in
- Registration link: <https://ezapp26.ishinfo.com/SIT2026/register/>
- Registration fee: ₹1,500
- Fee waiver: Candidates who have paid SITEEE + SIT Pune registration (₹2,250 + ₹1,000) are exempted

Documents to Upload:

- Aadhaar card
- Entrance Exam Scorecard (JEE (Main-2026) / Any State Engineering Entrance Exam-2026)
- Category Certificate (if applicable)
- Click Submit after uploading documents; failure will result in exclusion from merit listing

Step 2: Merit Listing (Branch Allocation)

- Branch allocation based on entrance scores, preferences, and seat availability
- Higher scores → higher-preference branch allocation
- Merit-listed candidates must confirm branch by paying first instalment within 5 days
- Email will be sent with allotment details and payment link

Step 3: Fees Payment (First Instalment)

- Payment modes: Online (NEFT/RTGS/Internet Banking/Credit Card/Debit Card or Demand Draft only)
- Cheque and cash not accepted

Step 4: Document Verification

- Verification of entrance scorecards and category certificates for first instalment paid candidates
- Discrepancies may result in removal from the current merit list; candidates will be considered in the next merit list.
- Separate communication will be sent in such cases _____

Step 5: Waitlist / Branch Change (If Required)

- Branch change options are available after payment of the first instalment.
- Candidates who fail to pay within 5 days of receiving the offer letter are automatically waitlisted for higher-preference branches in subsequent merit lists.

Step 6: Hostel Allocation

- Same as SITEEE route: first-come, first-served, request via portal
- Email: hostelallotment@sitpune.edu.in

Step 7: Eligibility Process for Admitted Candidates

- After paying the first instalment, candidates will receive an email from the SIU Eligibility Section.
- Candidates must complete and upload all required documents on the Eligibility Portal:
 - Application for Confirmation of Eligibility
 - Indemnification (Student & Parent)
 - Medical Undertaking
 - Anti-Ragging Undertaking
 - Academic records, ID proof, certificates

Contact for queries:

Email: eligibility@sitpune.edu.in

Document Upload Guidelines:

- One PDF per mandatory document
- Both sides / all pages of documents should be clear and legible
- Save and submit after upload; otherwise, the candidate will not be included in the merit list

Important Dates:

Schedule	Date
SITEEE Registration commences on	12th December 2025
SET/SITEEE Registration and Payment Closes	April 15, 2026 (Wednesday)
Admit Card Live on (www.set-test.org)	
SET/SITEEE Test 01: April 24, 2026 (Friday)	
SET/SITEEE Test 02: April 30, 2026 (Thursday)	
SITEEE Computer Based Test (CBT)	Test 01: 2nd May 2026 (Saturday) - 11:30 am to 12:30 pm
	Test 02: 10th May 2026 (Sunday) - 11:30 am to 12:30 pm
Announcement of SITEEE Exam Result	20th May 2026
Last Date of Institute Registration Fee for Merit Listing (Rs. 1000/-)	21st May, 202026
Declaration of the first merit list of SITEEE	25th May 202226
JEE(Main)/Any State Registration commenced on	3rd November 2025
Last date of online Registration	15th September 2026
Declaration of first merit list of JEE (Main)	20th April 2026 (tentative)
Declaration of first merit list of ASGEEE	14th May 2026 (tentative)
Programme Commencement	20th July 2026

Disclaimer: These dates are tentative and are subject to change Any changes will be reflected on the institute website www.sitpune.edu.in

Orientation and Pedagogy:**Method of Instruction**

The Institute employs a very effective and interactive teaching-learning process using the most recent teaching aids, including multimedia. The curriculum has been developed considering the present and future needs of industry and higher education. Teachers prepare a session and evaluation plan with rubrics wherever required of the course, learning material and detailed presentations, lab manuals. This is uploaded in Moodle as well as maintained as a course file to ensure the effectiveness of the teaching-learning process. A salient feature of the curriculum is a Dissertation Phase 1, Dissertation Phase 2 and Research Publication.

Industry Connect Cell

The Industry Connect Cell at Symbiosis Institute of Technology (SIT), Pune, is a pivotal institutional initiative designed to bridge the gap between academic learning and industry requirements. The Cell is committed to enhancing students' readiness for the professional world by embedding industry engagement across curriculum delivery, experiential learning, applied research, and employability skills.

Driven by a strong network of industry partners and guided by outcome-based education (OBE) principles, the Industry Connect Cell plays a strategic role in developing future-ready, industry-aligned graduates, while simultaneously strengthening faculty capability and institutional industry relevance.

Key Focus Areas

1. Industry Visits & Internships

Objective:

To provide students with first-hand exposure to industrial environments, operations, and professional practices.

Activities:

- Regularly organized industry visits to leading organizations across Electronics, Mechanical, Robotics, Manufacturing, IT, AI, Automotive, Construction, and emerging technology sectors
- Facilitation of structured, industry-embedded internships that offer practical exposure, domain understanding, and insights into real-world industry practices

Outcome:

Students gain experiential understanding of industrial workflows, quality systems, safety standards, and organizational culture, significantly improving workplace readiness.

2. Guest Lectures & Industry Workshops

Objective:

To keep students updated with the latest industry trends, technologies, and professional practices.

Activities:

- Expert lectures delivered by senior industry professionals, technologists, and business leaders
- Hands-on workshops on emerging technologies, tools, platforms, and standards
- Curriculum enrichment through real-world case studies, practitioner insights, and industry use cases

Outcome:

Academic learning is continuously complemented with current industry knowledge, ensuring relevance and application-oriented understanding.

3. Industry-Defined Projects & Research Collaboration

Objective:

To enhance practical learning, innovation, and applied research skills.

Activities:

- Industry-defined live projects, mini-projects, and capstone projects aligned with societal and industrial challenges
- Collaborative research initiatives and consultancy engagements with industry partners
- Support for student innovation, product development, proof-of-concepts (PoCs), and translational research

Outcome:

Students and faculty engage in real-world problem-solving, innovation, and research with measurable industrial and societal impact.

4. Industry Conclaves, InterACT, Seminars & Conferences

Objective:

To maintain strong industry connections, enable knowledge exchange, and enhance institutional visibility.

Activities:

- Organization of industry conclaves, InterACT forums, leadership roundtables, and corporate meets
- Networking platforms bringing together students, faculty, alumni, and industry leaders
- Active industry participation in national and international seminars and conferences

Outcome:

The institution strengthens long-term industry relationships and positions itself as a credible partner for industry-academia collaboration.

Industry Connect Cell – Objectives

Bridging the Academia-Industry Gap

- Alignment of academic learning outcomes with current and emerging industry expectations
- Collaboration with reputed organizations for skill development and industry engagement

Enhancing Student Employability

- Structured and focused enhancement on technical proficiency
- Industry-aligned certification and domain-specific skill development initiatives

Promoting Industry-Academia Collaboration

- Dynamic partnerships through MoUs, live projects, industrial visits, expert-led workshops, and technical sessions
- Faculty engagement through industry exposure, co-teaching, and applied research

Fostering Innovation & Leadership

- Industry Stalwart Series, launched on 10 March 2025, to expose students to visionary industry leadership
- Inaugural session delivered by Dr. Sudhir Mehta, Founder & Chairman, Pinnacle Industries & EKA Mobility
- Talk theme:

“Leadership in Technology: Transforming Challenges into Opportunities in the Automotive Industry”

Industry Collaborations – MoUs Signed

To strengthen industry integration and expand student opportunities, the Industry Connect Cell has signed MoUs with leading organizations across technology, manufacturing, AI, automotive, infrastructure, and research domains, including:

- Altair Engineering India, Pune
- Starkenn Technologies
- Pune Construction Engineering Research Foundation
- Cyber Secured India
- Builders Association of India

- Entuple Technologies Pvt. Ltd.
- Maven Tech
- Software Technology Parks of India (STPI)
- ARAI-AMIFT
- Telecommunications Consultants India Ltd. (TCIL)
- Dendrite AI LLC
- ARC ONE AI LLC (MoU shared by Ms. Meenakshi Gorel on 13 Jan 2025)
- ESBEE Electrotech LLP
- Cognavi India
- Innoplexus Consulting
- San Techno Mentors
- L&T Edutech
- IRAVAN Technologies
- Janatics Global Solutions Pvt. Ltd., Coimbatore
- Invictus Solutions Pvt. Ltd., Pune
- Mimic Infotech Pvt. Ltd., Pune
- Tesla EV Academy India Pvt. Ltd., Pune
- Aubotz Private Limited
- Bajaj Auto
- Bentley
- Intel
- Edunet
- H2E
- Posiview

Outcome Focus

Through structured and sustained industry engagement, the Industry Connect Cell at SIT Pune ensures that:

- Students graduate with industry-relevant skills, professional confidence, and real-world exposure
- Faculty remain aligned with evolving industry practices and applied research opportunities
- The institution strengthens its position as a future-ready, industry-integrated academic ecosystem

Research and Development

SIU started Ph.D programme in Engineering from the academic year 2010-2011. Presently 729 students are pursuing their Ph.D from faculty of Engineering. 150 students have been awarded Ph.D. till date. SIT, Pune has taken various initiatives to mobilize the available knowledge resources for research and innovative solutions. SIT, Pune operates in cooperation to identify and initiate applied as well as multi-disciplinary research projects, create and combine patentable Intellectual Property (IP) components, and work to deliver funded research projects.

Research equipment and facilities have been established at SIT, Pune to carry out high quality basic and applied research. Faculty members are motivated to send research proposals in emerging areas to funding agencies within India and abroad. They also have a large number of publications in referred journals (SCOPUS and Web of Science) and are actively engaged in publications. Many papers were presented by the faculty and students in conferences held in India and abroad. Faculty has published 704 papers in the year 2024, all of them are either in SCOPUS

indexed or Web of Science journals. The undergraduate and graduate students also get an opportunity to work on some sub-areas of larger research problems as their major or minor projects. They also have published papers in referred journals. The Institute is in the process of augmenting necessary equipment and facilities in the identified research areas. Currently working on nine externally funded research projects and three SIU funded projects.

Internationalization:

Internationalization at Symbiosis Institute of Technology (SIT), Pune aims to prepare students and expose faculty to become globally competent professionals. Symbiosis International University has agreements with more than 80 reputed foreign universities, of which, SIT,Pune is actively engaged with about 25 partner universities through various collaborative engagements. To facilitate a smooth transition to higher studies abroad, SIT,Pune has signed three agreements for Master's progression programs (4+1) with Loughborough University, UK, Aston University, UK and North Eastern University, USA. Dual degree programs -B.Tech (2+2) in collaboration with University of East Anglia, UK -for B Tech (Mechanical Engg.) and with Deakin University, Australia for B Tech (Computer Science Engg.) and B Tech (Civil Engg.) have been floated from academic year 2026-27. Students are encouraged to participate in the Global Immersion Programme which includes six months Semester Abroad Programme as well as short-duration programmes (2 – 3 weeks) such as Summer Schools, Winter Schools, Industrial visits, Internships etc. in the partner Universities. Over the last four years, about 160 students have participated in various short and long-term global immersion programs. SIT faculty is actively involved in research with their international counterparts leading to 3465 research articles in peer-reviewed international journals in past four years. The mobility of faculty is an important dimension of Internationalization. In the past four years, about 50 Foreign experts visited SIT,Pune for expert sessions, workshops, etc, while about 80 SIT,Pune faculty members travelled to associated foreign universities as a part of their research/academic pursuits. Bilateral research grants worth 3 crores is being actively pursued by SIT faculty. Research scholars at SIT,Pune get the opportunity to work with globally renowned faculty through an international co-supervisor. As of now, SIT, Pune has around 70 such international co-supervisors. Internationalization, thus, inculcates the spirit of 'Vasudhaiva Kutumbakam' in students and faculty alike.

Associated International Universities

University Name	Country	Type of Collaboration
Institute Mines- Telecom Business School	France	Study Tour
Swinburne University of Technology (Sarawak Campus)	Malaysia	Student Exchange
University College Dublin	Ireland	Research collaboration
Kebangsaan		
University, Malaysia	Malaysia	Student exchange programs
National Chung Hsing University, Taiwan	Taiwan	Student and faculty exchange programs
Technique Hochschule Ingolstadt	Germany	Student exchange programs
University of Adelaide	Australia	Student exchange programs
University of East Anglia	UK	Dual Degree
KU Luven, Belgium	Belgium	Student Exchange
Leeds Bekett University	UK	Student Exchange, Collaborative programs
Lancaster University	UK	Faculty Research, Student Exchange
Durham University	UK	Faculty Research,
HSE University	Russia	Faculty Research, Student Exchange

Library Sections

Circulation Section	Stacks books which can be issued to the students and staff.
Reference Section	The Library maintains a separate reference collection consisting of encyclopaedias, dictionaries, handbooks, CD-ROMs, etc.
Periodical Section	It's displays the latest volumes of International and National journals and Magazines.
Reading Hall	Spacious and well-lit reading hall with 180 seating capacity. The reading space has been provided where students are allowed to carry their personal books however they are not allowed with their personal books into the main reading area of the library.
IT Section	Updated computer systems and devices available to users to access SIT ,Pune and SIU Subscribed database, E-resources, Library WEBOPAC, and other online resources.

Sports @ SIT,Pune: Where Passion Meets Performance, and Teamwork Shapes Champions A Vibrant Culture of Sporting Excellence

At Symbiosis Institute of Technology (SIT), Pune sports form the heartbeat of campus life, nurturing discipline, leadership, and a spirit of excellence. Our flagship annual sports fest, PROTATHLITIS, stands as a grand celebration of athletic talent, teamwork, and competitive zeal.

SIT,Pune offers a dynamic range of sporting events spanning endurance athletics, strategic indoor games like chess, high-intensity team sports such as football, and fast-paced individual sports including badminton and table tennis. PROTATHLITIS brings together students from diverse academic programs and years, creating a unified platform where collaboration, camaraderie, and sportsmanship thrive.

PROTATHLITIS: Every Game, A New Opportunity to Rise

Each edition of PROTATHLITIS transforms the campus into a vibrant arena of energy, enthusiasm, and determination. For many, it marks the beginning of their competitive sporting journey at the university level; for others, it becomes a defining moment to showcase dedication, perseverance, and excellence.

More than a competition, PROTATHLITIS embodies the true spirit of sports—fair play, resilience, teamwork, and respect. Students are encouraged to challenge their limits, strengthen their mental and physical endurance, and cultivate a winning mindset. Through PROTATHLITIS, SIT,Pune reinforces its commitment to holistic development, preparing students to excel not only in academics but also in leadership and life beyond the classroom.

Fee Structure

(Annexure I)

Approved Fee Structure for Batch 2026-2030 in the Academic Year 2026-2027-INDIAN STUDENTS

*The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

Program Fees For Bachelor of Technology (Computer Science and Engineering)	1st Year Academic Year 2026-27 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 400,000
Institute Deposit (Refundable)	₹ 20,000

Program Fees For Bachelor of Technology (Electronics & Tele-Communication Engineering)	1st Year Academic Year 2026-27 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 375,000
Institute Deposit (Refundable)	₹ 20,000

Program Fees For Bachelor of Technology (Mechanical Engineering)	1st Year Academic Year 2026-27 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 300,000
Institute Deposit (Refundable)	₹ 20,000

Program Fees For Bachelor of Technology (Civil Engineering)	1st Year Academic Year 2026-27 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 300,000
Institute Deposit (Refundable)	₹ 20,000

Program Fees For Bachelor of Technology (Robotics and Automation)	1st Year Academic Year 2026-27 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 300,000
Institute Deposit (Refundable)	₹ 20,000

Program Fees For Bachelor of Technology (Artificial Intelligence and Machine Learning)	1st Year Academic Year 2026-27 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 400,000
Institute Deposit (Refundable)	₹ 20,000

Installments for Bachelor of Technology (Computer Science and Engineering)	1st Year 2026-27 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 150,000	₹ 250,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 170,000	₹ 250,000
Last date of payment	At the time of Admission	25-Nov-2026

Installments for Bachelor of Technology (Electronics & Tele-Communication Engineering)	1st Year 2026-27 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 150,000	₹ 225,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 170,000	₹ 225,000
Last date of payment	At the time of Admission	25-Nov-2026

Installments for Bachelor of Technology (Mechanical Engineering)	1st Year 2026-27 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 150,000	₹ 150,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 170,000	₹ 150,000
Last date of payment	At the time of Admission	25-Nov-2026

Installments for Bachelor of Technology (Civil Engineering)	1st Year 2026-27 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 150,000	₹ 150,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 170,000	₹ 150,000
Last date of payment	At the time of Admission	25-Nov-2026

Installments for Bachelor of Technology (Robotics and Automation)	1st Year 2026-27 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 150,000	₹ 150,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 170,000	₹ 150,000
Last date of payment	At the time of Admission	25-Nov-2026

Installments for Bachelor of Technology (Artificial Intelligence and Machine Learning)	1st Year 2026-27 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 150,000	₹ 250,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 170,000	₹ 250,000
Last date of payment	At the time of Admission	25-Nov-2026

**Hostel and Mess Fees (Subject to campus change/allotment and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Lavale Hill Base Campus Only)	Amount in ₹ for 1st year 2026-27
	Total Fee
Mess Fees (Per Annum) @	₹ 119,600
Hostel Deposit (Refundable)	₹ 20,000
Hostel Fees (Different, Subject to Sharing, Per Annum) @	
Single Living - (Subject to availability)	₹ 295,600
Three Sharing	₹ 168,900
Four Sharing	₹ 124,100
Last date of payment	At the time of Admission

@Hostel fees and Mess fees can be increased up to 15% each year. Government taxes would be additional as and when applicable.

**Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

*Few seats are reserved as Discretionary Quota Seats. Only students with reasonable academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of the open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Approved Fee Structure for Batch 2026-2030 in the Academic Year 2026-2027-INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Program Fees For Bachelor of Technology (Computer Science and Engineering)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2026-27 Amount in US\$
Academic Fees (per Annum) to be paid (A)	\$7,000
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable)	\$550
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$7,825

Program Fees For Bachelor of Technology (Electronics & Tele-Communication Engineering)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2026-27 Amount in US\$
Academic Fees (per Annum) to be paid (A)	\$6,600
Institute Deposit (Refundable) (B)	\$275

Installments	\$1,365	\$240	\$245
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2025

(b) Installments for Bachelor of Technology (Electronics & Tele-Communication Engineering) students taking Admission in Foreign National Category	1st Year 2026-27 (Amount in \$)		
	1st Installment	2nd Installment	3rd Installment
Administrative Fees (Non Refundable) # #	\$275	-	-
Academic Fees (Per Annum)*	\$815	\$240	\$245
Institute Deposit (Refundable)	\$275	-	-
Installments	\$1,365	\$240	\$245
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2026

(b) Installments for Bachelor of Technology (Mechanical Engineering) students taking Admission in Foreign National Category	1st Year 2026-27 (Amount in \$)		
	1st Installment	2nd Installment	3rd Installment
Administrative Fees (Non Refundable) # #	\$275	-	-
Academic Fees (Per Annum)*	\$815	\$240	\$245
Institute Deposit (Refundable)	\$275	-	-
Installments	\$1,365	\$240	\$245
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2026

(b) Installments for Bachelor of Technology (Civil Engineering)students taking Admission in Foreign National Category	1st Year 2026-27 (Amount in \$)		
	1st Installment	2nd Installment	3rd Installment
Administrative Fees (Non Refundable) # #	\$275	-	-
Academic Fees (Per Annum)*	\$815	\$240	\$245
Institute Deposit (Refundable)	\$275	-	-
Installments	\$1,365	\$240	\$245
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2026

(b) Installments for Bachelor of Technology (Robotics and Automation)students taking Admission in Foreign National Category	1st Year 2026-27 (Amount in \$)		
	1st Installment	2nd Installment	3rd Installment
Administrative Fees (Non Refundable) # #	\$275	-	-
Academic Fees (Per Annum)*	\$815	\$240	\$245
Institute Deposit (Refundable)	\$275	-	-
Installments	\$1,365	\$240	\$245
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2026

(b) Installments for Bachelor of Technology (Artificial Intelligence and Machine Learning) students taking Admission in Foreign National Category	Student taking Admission in Foreign National Category 1st Year 2026-27 Amount in US\$		
	1st Installment	2nd Installment	3rd Installment
Administrative Fees (Non Refundable) # #	\$275	-	-
Academic Fees (Per Annum)*	\$815	\$240	\$245
Institute Deposit (Refundable)	\$275	-	-
Installments	\$1,365	\$240	\$245
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2026

(b) **Hostel and Mess Fees (Subject to campus change/allotment and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Lavale Hill Base Campus Only)	Student taking Admission in Foreign National Category 1st Year 2026-27 Amount in US\$
	Total Fee
Mess Fees (Per Annum) @	\$700
Hostel Deposit (Refundable)	\$200
Hostel Fees (Different, Subject to Sharing, Per Annum) @	
Three Sharing	\$650
Four Sharing	\$650
Last date of payment	At the time of Reporting to SCIE

Note:

ONLY Foreign National Students taking Admission in the year 2026 for the Batch 2026-2030, will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

(1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.

(2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).

(3) Concessional Hostel fees are applicable to Foreign National students @ 650\$ per annum.

(4) Concessional Mess fees are applicable to Foreign National students @560\$ as mentioned above."

**Academic,Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

The Department of Computer Science and Engineering, SIT Pune, proudly announced the inauguration of the Centre of Excellence in Cybersecurity in collaboration with DeepCytes Cyber Labs (UK), in the presence of Shubham Pareek Global Alliance Head and Symbiosis Leadership on 30th October 2025.

Department of AI and Machine Learning SIT Pune has achieved two remarkable accomplishments MoU with Yagy Tech Pvt. Ltd.: SIT Pune signed an MoU with Yagy Tech Pvt. Ltd. to strengthen industry-academia collaboration in AI research, innovation, and skill development Recognition as an Apple Training Centre: SIT Pune has been officially recognised as an Apple Training Centre, integrating Apple's Develop in Swift curriculum and certified learning modules into its programs.

Symbiosis Institute of Technology (SIT), Pune, has signed a Memorandum of Understanding (MoU) with SAE India on October 30, 2025. SAE India's Off-Highway Technical Conference 2025 (OffTeCON2025) would be hosted at SIT, Pune, on November 6th and 7th. The Title Partner for this prestigious event is John Deere

Sneha Padgaonkar, student of SIT, Pune CS dept, has been selected for the prestigious 8-week Summer Research Program at the University of Liverpool, where she will undertake research on the development of an affordable, high-precision corneal topography device under the expert mentorship of Dr. Ahmed Elsheikh, Professor of Biomedical Engineering.

Second Year AIML students of SIT Pune had the enriching opportunity to participate in the Global Immersion Program hosted by the Asian Institute of Technology, Thailand, in collaboration with SYMBIOSIS INTERNATIONAL UNIVERSITY

Malay Doshi and Gauri Deoghare, students of the CS dept, SIT, Pune attended the SCI 2025 conference in person and received the Best Paper Award at Sunway University, Malaysia

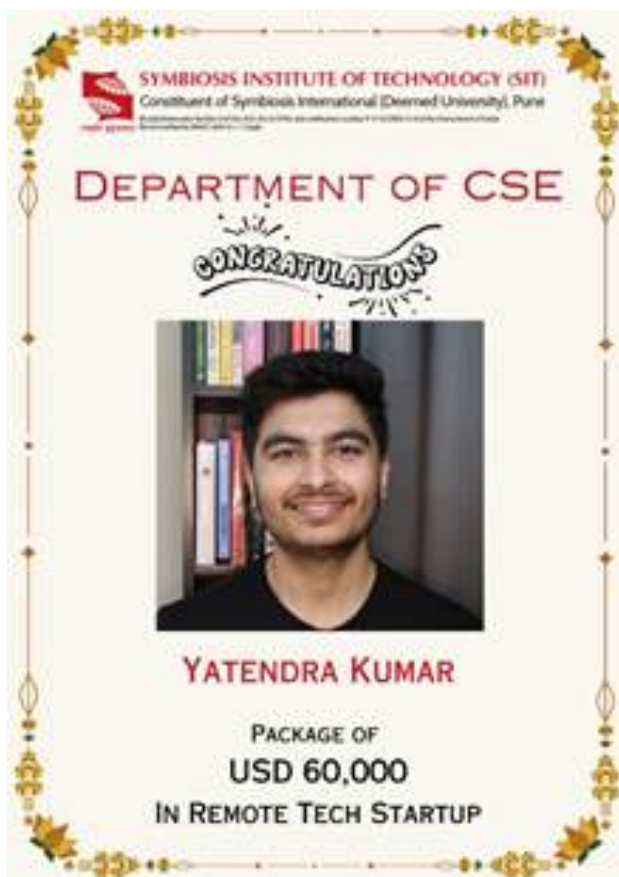

Dr. Pooja Bagane faculty of CS dept,SIT,Pune completed the prestigious InteRussia Fellowship in Information Technologies, held from June 1–29, 2025, at Novosibirsk State University, Russian Federation.

Yatendra Kumar student of the CS dept, SIT, Pune, secured an impressive package of USD 60,000 at a Remote Tech Startup, where he will apply his computer science expertise to enhance organisational efficiency.

Archisha Yadav and Reeti Agarwal students of the CS Dept, SIT, Pune, secured 2nd place at the All-Women CTF competition organised by IIT Bombay Trust Lab, earning a cash prize of INR 75,000.

Rithwik Satya student of the CS department, SIT, Pune, secured placement at Palo Alto Networks with an impressive package of 50 LPA as part of the B.Tech Placements (2020-24).

Team Psy Technologies—Tanisha Vyas, Satviki Budhia, Armaan Jeswan, and Yash Parkhi, students of CS dept, SIT, Pune were selected among the top 8 teams from over 2,000 participants at Smart Ideathon 2024, organised by GITAM University, Bengaluru. The team received the Leben Johnson People's Choice Award along with a cash prize of ₹50,000, in recognition of their exceptional innovation and impact

Yash Parkhi, Satviki Budhia, Tanisha Vyas, Sneha Padgaonkar, and Armaan Jeswani students of SIT , Pune secured the First Runner-Up Prize with a cash award of ₹50,000 at the CiiA-3 Innovations Exhibition, held at Nehru Science Centre, Mumbai, and were selected among the top 100 teams across India. The team showcased their innovative projects Physio-Mize and Pocket-Bound, demonstrating strong innovation and real-world impact.

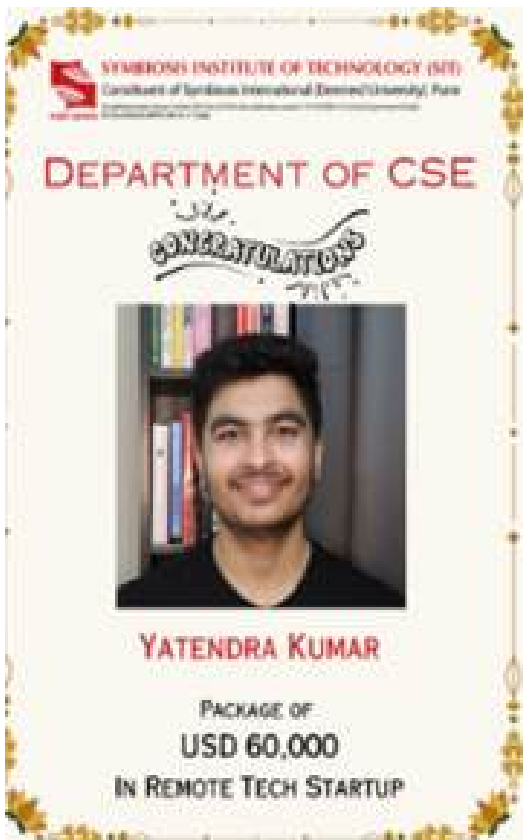

SYMBIOSIS INSTITUTE OF TECHNOLOGY (SIT)
Constituent of SYMBIOSIS INTERNATIONAL (DEEMED UNIVERSITY)

CONGRATULATIONS

**SIT students bag First Runner Up Award
 at CiiA-3 Innovation Exhibition**

Mr. Yatendra Kumar, student of CSE (Batch 2020-24), SIT, Pune secured an impressive package of USD 60,000 at Remote Tech Startup

Mr. Sangeet Agrawal, B.Tech CSE (2021-25) has been recognised as an "India Book of Records Achiever" for performing 207 rope skips in 1 minute.

SYMBIOSIS INSTITUTE OF TECHNOLOGY, PUNE

DEPARTMENT OF CSE

STUDENT ACHIEVEMENT

Congratulations

KAILASH, HARASIMHA, GURU AND DIPESH

COMPLETED RESEARCH INTERNSHIP AT IIT MANDI

SYMBIOSIS INTERNATIONAL (DEEMED UNIVERSITY)

Recognized under Section 3 of the UGC Act, 1956 / Not accredited by NAAC with A++ grade / Awarded Category - 4 by UGC

635

WASH Synergetic Alliance: Conducted an enriching 4-day workshop on "Sustainable Sanitation and Water Management" for the students of Civil Engineering, SIT, Pune, from 18th to 22nd August 24.

Team PRAMANA: students of CS dept, SIT, Pune Aryan Bachute and Manasi Karmarkar won the INNOSOLVE Hackathon hosted by IEEE Vardhaman College of Engineering Student Branch in collaboration with IEEE Education Society YP AdHoc Committee.

A team of students of B.Tech R&A SIT,Pune, Yash Pund, Saachi Parmar, Rahul Kumar, and Utkarsh Kumar achieved a notable milestone by securing the second round victory in the prestigious ROBOFEST competition. The team has been awarded a cash prize of INR 2 Lakhs.

Programme Structure:

Bachelor of Technology (Artificial Intelligence & Machine Learning)

Semester : I

Generic Core Courses

- Calculus
- Fundamentals of Quantum Physics
- Python Programming and Logic
- Foundation of Artificial Intelligence
- Microcontrollers and Sensors
- Critical Thinking
- Technical and Professional Communication Skills
- Indian Knowledge Systems

Semester: II

Generic Core Courses

- Linear Algebra
- Statistics for Data Science
- Practical Programming in C
- Introduction to Environment and Sustainability
- Tinker and IDEA Lab
- Creative Thinking
- Data Preprocessing and EDA Lab
- Software Tools for Artificial Intelligence and Machine Learning
- AI System Engineering and Ethics
- Career Essentials - I *

Semester : III

Generic Core Courses

- Discrete Mathematics
- Operating Systems
- Supervised Machine Learning
- Database Concepts for Data Science
- Cloud Computing Essentials
- Data Structures

- Career Essentials - II *
- Health and Wellness Module I #

Semester : 4

Generic Core Courses

- Probability and Random Processes
- Flexi-Credit Course
- Unsupervised Machine Learning
- Data Engineering
- Design and Analysis of Algorithms
- Design Thinking
- Project Based Learning -I
- Career Essentials - III *
- Health and Wellness Module II #

Multidisciplinary Open Elective (Choose any one course)

- Quantum Computing for Engineers
- Mathematics for Data Science
- Smart Cities Planning and Management
- Intelligent Waste Management Techniques
- Web Technologies
- Data Science
- Engineering Simulation and Modeling Tools
- Medical Electronics
- 3D Printing and Prototyping
- Battery Management Systems
- Fundamentals of Robotics and Automation
- Robotic Process Automation

Semester :V

Generic Core Courses

- Flexi-Credit Course

- Deep Learning in Practice
- Natural Language Processing and Linguistics
- Computer Networks and Advances
- Time Series Analysis and Forecasting
- Service Learning
- Entrepreneurship Venture
- Career Essentials - IV *
- Vasudhaiva Kutumbakam *

Multidisciplinary Open Elective (Choose any one course)

- Financial Mathematics
- Advanced Materials
- Sustainability Engineering- Design and Innovation
- Occupational Health and Safety Management
- Introduction to Cloud Computing
- Agile Methodologies
- Electric and Hybrid Vehicles
- Introduction to 5G Technology
- Six Sigma
- Embedded System and IoT
- Industrial Robotics
- PLC and SCADA
- Semester : VI
- Generic Core Courses
- Computer Vision and Image Processing
- Reinforcement Learning
- Foundations of GEN AI and LLM
- Human AI Interaction
- Project Based Learning-II
- Organizational Behaviour
- Career Essentials - V *

Programme Elective-I (Choose any one course)

- Advances in AI
- ML Optimization Techniques
- AI Hardware and Systems
- AI System Testing

Programme Elective-II (Choose any one course)

- Speech Systems
- Web and Mobile Application Development
- Graph Neural Networks and Applications

Multidisciplinary Open Elective (Choose any one course)

- Bioinformatics
- Introduction to Space Science
- GIS and Remote Sensing Analytics
- Environmental Impact Assessment
- Software Testing and Quality Assurance
- Introduction to AR-VR
- Renewable Energy Systems
- Semiconductor Technology

Trends

- Supply Chain Management
- Smart Manufacturing and Introduction of Industry 5.0
- Mobile Robotics
- Introduction to Aerial Robotics and Drone Technology

Semester : VII

- Track 1
- Project
- Multimodal Artificial Intelligence
- Big Data Management and Analytics
- Flexi-Credit Course
- Health and Wellness *

Programme Elective-I (Choose any one course)

- AI in Healthcare Informatics
- AI in Energy and Sustainability
- AI in Cyber Forensics
- AI in Pharma and Life Science

Programme Elective-II (Choose any one course)

- AI in Business Management and

Analytics

- AI for Robotics
- AI in AR/VR
- AI in Agriculture

Programme Elective-III (Choose any one course)

- AI in LegalTech
- AI in Predictive Maintenance
- AI for Banking and Finance
- AI in Operations and Supply Chain Management
- Track 2
- Project
- Flexi-Credit Course
- Health and Wellness *

Generic Elective courses Group (Choose any one Course)

- Startup Internship
- Research Internship
- Industry Internship

Semester :VIII

Generic Core Courses

- Internship
- Seminar

Bachelor of Technology (Mechanical Engineering) Dual Degree in collaboration with University of East Anglia, United Kingdom

Semester : I

Generic Core Courses

- Matrices and Calculus
- Applied Chemistry
- Workshop Practice
- Engineering Drawing
- Computer Aided Drafting
- Programming in C Lab
- Tinker and IDEA Lab
- Introduction to Environment and Sustainability
- Manufacturing Processes
- Creative Thinking

Semester : II

Generic Core Courses

- Advanced Calculus
- Fundamentals of Mechanics
- Foundations of Mechanical Engineering
- Elements of Electrical and Electronics Engineering
- Introduction to Python Programming Lab
- Technical and Professional Communication Skills
- Critical Thinking
- Indian Knowledge Systems
- Career Essentials - I *
- Vasudhaiva Kutumbakam *

Semester : III

Generic Core Courses

- PDE, Probability and Statistics
- Design Thinking
- Principles of Economics
- Strength of Materials and Testing

- Fluid Mechanics
- Engineering Thermodynamics
- Career Essentials - II *
- Health and Wellness Module I #
- Programme Elective Courses Group- I (Choose any one course)
- Composite Materials
- Engineering Materials and Metallurgy
- Smart Materials

Semester : IV

Generic Core Courses

- Computer Aided Design and Machine Drawing
- Kinematics and Dynamics of Machines
- Mechatronics
- Mechatronics Lab
- Hydraulic and Pneumatic Systems
- Total Productive Maintenance
- Service Learning
- Foundations of Entrepreneurship
- Career Essentials - III *
- Health and Wellness *
- Health and Wellness Module II #

Programme Elective Courses

Group - I (Choose Any One Course)

- Finite Element Methods
- Computational Fluid Dynamics
- IC Engine

Multi-Disciplinary Open Elective Courses I (Choose Any One Course)

- Quantum Computing for Engineers
- Mathematics for Data Science
- Smart Cities Planning and Management
- Intelligent Waste Management Techniques
- Web Technologies
- Data Science
- Engineering Simulation and Modeling Tools
- Medical Electronics
- Fundamentals of Machine Learning
- AI System Development
- Fundamentals of Robotics and Automation
- Robotic Process Automation

Bachelor of Technology (Robotics and Artificial Intelligence)

Semester : I

Generic Core Courses

- Calculus
- Programming for Engineers
- Fundamentals of AI
- Principles of Electrical and Electronics Engineering
- Introduction to Robotics
- Biophysics and Mechanics
- Introduction to Environment and Sustainability
- Tinker and IDEA Lab
- Creative Thinking

Semester : II

Generic Core Courses

- Linear Algebra
- Statistics for Data Science
- Robotics Sensors and Actuators
- Python Essentials
- Data Preprocessing and EDA Lab
- Technical and Professional Communication Skills
- Critical Thinking
- Indian Knowledge Systems
- Career Essentials - I *

Semester : III

Generic Core Courses

- Elements of Discrete Mathematics
- Supervised and Unsupervised Machine Learning
- Robotic Control Systems
- Data Structures and Algorithmic Techniques
- Hydraulic and Pneumatic Systems

- Total Productive Maintenance
- Mechatronics
- Mechatronics Lab
- Principles of Economics
- Career Essentials - II *
- Health and Wellness Module I *

Semester : IV

Generic Core Courses

- Probability and Random Processes
- Robot Kinematics and Dynamics
- Servo Motors and Drives
- Servo Motors and Drives Lab
- Process Control and Instrumentation
- Programmable Logic Controller and Human Machine Interface
- Service Learning
- Entrepreneurship Venture
- Career Essentials - III *
- Health and Wellness Module II *

Open Elective Course Group

- Quantum Computing for Engineers
- Mathematics for Data Science
- Smart Cities Planning and Management
- Intelligent Waste Management Techniques
- Web Technologies
- Data Science
- Engineering Simulation and Modeling Tools
- Medical Electronics
- 3D Printing and Prototyping
- Battery Management Systems
- Fundamentals of Machine Learning
- AI System Development

Generic Elective Course Group

- Robotic Perception and

Actuation

- Cloud Computing Essentials
- Unmanned Aerial Vehicles

Semester : V

Generic Core Courses

- Design Thinking
- Deep Learning
- Microcontroller and Embedded Systems
- Industrial Internet of Things
- AI for Manufacturing
- Applied ARVR
- Manufacturing Systems
- Career Essentials - IV *
- Vasudhaiva Kutumbakam *

Semester : VI

Generic Core Courses

- Computer Networks and Advances
- Computer Vision and Image Processing
- Robot Operating System
- Responsible AI
- Project Based Learning
- Career Essentials - V *
- Data Engineering and Applications

Semester : VII

Generic Core Courses

- Flexi-Credit Course
- Flexi-Credit Course
- Project
- Health and Wellness *
- Reinforcement Learning

Semester : VIII

Generic Core Courses

- Internship
- Seminar

Bachelor of Technology (Artificial Intelligence and Machine Learning)

Semester : I

Generic Core Courses

- Calculus
- Fundamentals of Quantum Physics
- Python Programming and Logic
- Foundation of Artificial Intelligence
- Microcontrollers and Sensors
- Critical Thinking
- Technical and Professional Communication Skills
- Indian Knowledge Systems

Semester : II

Generic Core Courses

- Linear Algebra
- Statistics for Data Science
- Practical Programming in C
- Introduction to Environment and Sustainability
- Tinker and IDEA Lab
- Creative Thinking
- Data Preprocessing and EDA Lab
- Software Tools for Artificial Intelligence and Machine Learning
- AI System Engineering and Ethics
- Career Essentials - I *

Semester : III

Generic Core Courses

- Discrete Mathematics
- Operating Systems
- Supervised Machine Learning
- Database Concepts for Data Science
- Cloud Computing Essentials

- Data Structures
- Career Essentials - II *
- Health and Wellness Module I #

Semester : IV

Generic Core Courses

- Probability and Random Processes
- Flexi-Credit Course
- Unsupervised Machine Learning
- Data Engineering
- Design and Analysis of Algorithms
- Design Thinking
- Project Based Learning -I
- Career Essentials - III *
- Health and Wellness Module II #

Multidisciplinary Open Elective (Choose any one course)

- Quantum Computing for Engineers
- Mathematics for Data Science
- Smart Cities Planning and Management
- Intelligent Waste Management Techniques
- Web Technologies
- Data Science
- Engineering Simulation and Modeling Tools
- Medical Electronics
- 3D Printing and Prototyping
- Battery Management Systems
- Fundamentals of Robotics and Automation
- Robotic Process Automation

Semester : V

Generic Core Courses

- Flexi-Credit Course
- Deep Learning in Practice
- Natural Language Processing and Linguistics
- Computer Networks and Advances
- Time Series Analysis and Forecasting
- Service Learning
- Entrepreneurship Venture
- Career Essentials - IV *
- Vasudhaiva Kutumbakam *

Multidisciplinary Open Elective (Choose any one course)

- Financial Mathematics
- Advanced Materials
- Sustainability Engineering- Design and Innovation
- Occupational Health and Safety Management
- Introduction to Cloud Computing
- Agile Methodologies
- Electric and Hybrid Vehicles
- Introduction to 5G Technology
- Six Sigma
- Embedded System and IoT
- Industrial Robotics
- PLC and SCADA

Semester : VI

Generic Core Courses

- Computer Vision and Image Processing
- Reinforcement Learning
- Foundations of GEN AI and LLM
- Human AI Interaction

- Project Based Learning-II
- Organizational Behaviour
- Career Essentials - V *

Programme Elective-I (Choose any one course)

- Advances in AI
- ML Optimization Techniques
- AI Hardware and Systems
- AI System Testing

Programme Elective-II (Choose any one course)

- Speech Systems
- Web and Mobile Application Development
- Graph Neural Networks and Applications

Multidisciplinary Open Elective (Choose any one course)

- Bioinformatics
- Introduction to Space Science
- GIS and Remote Sensing Analytics
- Environmental Impact Assessment
- Software Testing and Quality Assurance
- Introduction to AR-VR

- Renewable Energy Systems
- Semiconductor Technology Trends
- Supply Chain Management
- Smart Manufacturing and Introduction of Industry 5.0
- Mobile Robotics
- Introduction to Aerial Robotics and Drone Technology

Semester : VII

- Track 1
- Project
- Multimodal Artificial Intelligence
- Big Data Management and Analytics
- Flexi-Credit Course
- Health and Wellness *

Programme Elective-I (Choose any one course)

- AI in Healthcare Informatics
- AI in Energy and Sustainability
- AI in Cyber Forensics
- AI in Pharma and Life Science

Programme Elective-II (Choose any one course)

- AI in Business Management and Analytics
- AI for Robotics
- AI in AR/VR
- AI in Agriculture

Programme Elective-III (Choose any one course)

- AI in LegalTech
- AI in Predictive Maintenance
- AI for Banking and Finance
- AI in Operations and Supply Chain Management
- Track 2
- Project
- Flexi-Credit Course
- Health and Wellness *

Generic Elective courses Group (Choose any one Course)

- Startup Internship
- Research Internship
- Industry Internship

Semester : VIII

Generic Core Courses

- Internship
- Seminar

Bachelor of Technology (Civil Engineering)

Semester : I

Generic Core Courses

- Matrices and Calculus
- Applied Physics for Civil Engineering
- Applied Mechanics
- Engineering Graphics
- Introduction to Python Programming
- Introduction to Environment and Sustainability
- Tinker and IDEA Lab
- Civil Engineering- Societal and Global Impact
- Creative Thinking
- Technical and Professional Communication Skills
-

• Semester : II

• Generic Core Courses

- Multivariable Calculus and Differential Equations
- Chemistry for Civil Engineers
- Introduction to Sensors and Microcontrollers
- Software Tools for Civil Engineers
- Digital Land Surveying and Mapping
- Concrete Technology
- Critical Thinking
- Indian Knowledge Systems
- Career Essentials - I *
-

• Semester : III

• Generic Core Courses

- Statistics and Probability
- Building Construction Technology
- Cyber Security Essentials

- Strength of Materials
- Introduction to Fluid Mechanics
- Formwork Engineering Practices
- Computer Aided Building Design and Drawing Lab
- Service Learning
- Career Essentials - II *
- Health and Wellness Module I #

• Semester : IV

• Generic Core Courses

- Numerical Methods
- Geotechnical Engineering
- Open Channel Flow
- Theory of Structures
- Entrepreneurship Venture
- Project Based Learning -I
- Career Essentials - III *
- Health and Wellness Module II #

• Multidisciplinary Open Elective

• (Choose any one course)

- Quantum Computing for Engineers
- Mathematics for Data Science
- Web Technologies
- Data Science
- Engineering Simulation and Modeling Tools
- Medical Electronics
- 3D Printing and Prototyping
- Battery Management Systems
- Fundamentals of Machine Learning
- AI System Development
- Fundamentals of Robotics and Automation
- Robotic Process Automation

• Semester : V

• Generic Core Courses

- Design Thinking
- Design of RCC Structures
- Static and Dynamic Analysis of Structures
- Water Treatment and Supply System
- Construction Project Management for Professionals
- Flexi-Credit Course
- Project Based Learning-II
- Career Essentials - IV *
- Vasudhaiva Kutumbakam *

• Programme Elective

• (Choose any one course)

- Energy Efficient Buildings
- Storm Water Management
- Occupational Health and Safety
- Professional Practices in Construction
- Precast Construction
- Traffic Engineering
- Hydrology and Water Resource Engineering

• Multidisciplinary Open Elective

• (Choose any one course)

- Financial Mathematics
- Advanced Materials
- Introduction to Cloud Computing
- Agile Methodologies
- Embedded System and IoT
- Basics of 5G Technology
- Six Sigma
- Electric and Hybrid Vehicles
- Optimization for ML Systems
- Deep Learning Essentials
- Industrial Robotics
- PLC and SCADA

Semester : VI

Generic Core Courses

- Financial Management in Civil Engineering
- Practical Design of Structural Steel Members
- Highway Planning, Design and Construction
- Advanced Surveying Lab
- Water and Waste Water Analysis Lab
- Career Essentials - V *

Programme Elective-I

(Choose any one course)

- Waste Water Treatment and Recycling
- Physico-chemical Processes for Water and Waste Water Treatment

Programme Elective-II

(Choose any one course)

- Foundation Engineering
- Construction Equipment Planning and Management
- Green Building Technology
- Prestressed Concrete
- Design of Hydraulic Structures
- Sustainable Engineering and Technology
- Introduction to Remote Sensing and GIS
- Pavement Design

Multidisciplinary Open Elective

(Choose any one course)

- Bioinformatics
- Introduction to Space Science
- Software Testing and Quality Assurance

- Introduction to AR-VR
- Semiconductor Technology Trends
- Renewable Energy Systems
- Supply Chain Management
- Smart Manufacturing and Introduction of Industry 5.0
- Gen AI Tools and Techniques
- Data Engineering and Applications
- Mobile Robotics
- Introduction to Aerial Robotics and Drone Technology

Semester : VII

- Track 1
- Generic Core Courses
- Building Information Modelling in Construction
- Project Estimation, Costing and Valuation
- Organizational Behaviour
- Project
- Health and Wellness *

Programme Elective-I

(Choose any one course)

- Design of Pre-engineered Buildings
- Modular Construction

Programme Elective-II

(Choose any one course)

- 3D Printing in Construction
- Smart Cities Design and Management
- Integrated Water Resource Management
- Advanced Structural Analysis
- Railway and Tunnel Engineering
- Glass Facade Engineering
- Bridge Engineering
- Solid and Hazardous Waste Management

Programme Elective-III

(Choose any one course)

- Advanced Concrete Technology
- Harbour and Airport Engineering
- Optimization in Civil Engineering
- Intelligent Transportation Systems
- Structural Health Monitoring
- Water Distribution Network Design
- Soil Structure Interaction
- Environmental Impact and Life Cycle Assessment

Track - 2

Generic Core Courses

- Building Information Modelling in Construction
- Health and Wellness *
- Pre-Engineered Buildings
- Programme Elective -II
- (Choose any one course)
- 3D Printing in Construction
- Smart Cities Design and Management
- Integrated Water Resource Management
- Advanced Structural Analysis
- Railway and Tunnel Engineering
- Glass Facade Engineering
- Bridge Engineering
- Solid and Hazardous Waste Management

Generic Elective courses Group

(Choose any one Course)

- Startup Internship
- Research Internship
- Industry Internship

Semester : VIII

Generic Core Courses

- Internship
- Seminar

Bachelor of Technology (Computer Science and Engineering)

Semester : I

Generic Core Courses

- Calculus
- Fundamentals of Quantum Physics
- Programming Paradigm and Problem Solving
- Software and Generative AI Tools
- Digital Electronics and Logic Design
- Object Oriented Programming
- Technical and Professional Communication Skills
- Critical Thinking
- Indian Knowledge Systems

Semester : II

Generic Core Courses

- Linear Algebra
- Microcontrollers and Sensors
- Cyber Security
- Introduction to Environment and Sustainability
- Tinker and IDEA Lab
- Python Programming
- Computer Architecture and Organization
- Software Engineering
- Creative Thinking
- Career Essentials - I *

Semester : III

Generic Core Courses

- Discrete Mathematics
- Data Structures
- Operating Systems
- Database Management Systems
- Flexi-Credit Course
- Programming with JAVA

- Web Application Development
- Career Essentials - II *
- Health and Wellness Module I #

Semester : IV

Generic Core Courses

- Statistics and Probability
- Design Thinking
- Computer Networks
- Design and Analysis of Algorithms
- Data Management and Visualization
- Advanced Python Lab
- Project Based Learning -I
- Career Essentials - III *
- Health and Wellness Module II #

Multidisciplinary Open Elective Courses (Choose Any One Course)

- Quantum Computing for Engineers
- Mathematics for Data Science
- Smart Cities Planning and Management
- Intelligent Waste Management Techniques
- Engineering Simulation and Modeling Tools
- Medical Electronics
- 3D Printing and Prototyping
- Battery Management Systems
- Fundamentals of Machine Learning
- AI System Development
- Fundamentals of Robotics and Automation
- Robotic Process Automation

Semester : V

Generic Core Courses

- Theory of Computation
- Cryptography and Information Security
- Data Science and Business Intelligence
- Cloud Computing
- Entrepreneurship Venture
- Career Essentials - IV *
- Vasudhaiva Kutumbakam *
- Service Learning

Programme Elective (Choose any one course)

- Cloud Computing Tools and Techniques
- Advanced Computer Networks
- Advances in Machine Learning
- Data Warehousing and Mining
- Essentials of Augmented and Virtual Reality
- IoT Data Analytics

Multidisciplinary Open Elective Courses (Choose Any One Course)

- Financial Mathematics
- Advanced Materials
- Sustainability Engineering- Design and Innovation
- Occupational Health and Safety Management
- Embedded System and IoT
- Basics of 5G Technology
- Electric and Hybrid Vehicles
- Six Sigma
- Optimization for ML Systems
- Deep Learning Essentials
- Industrial Robotics

- PLC and SCADA

Semester : VI

Generic Core Courses

- Flexi-Credit Course
- Compiler Design
- Distributed System
- Blockchain Technology
- Organizational Behaviour
- Project Based Learning-II
- Career Essentials - V *

Programme Elective (Choose any one course)

- DevOps
- Malware Analysis and Secure Coding
- Computer Vision Applications
- Pattern Recognition
- Advanced Databases
- AR and VR Applications
- IoT Security

Multidisciplinary Open Elective Courses (Choose any one course)

- Bioinformatics
- Introduction to Space Science
- GIS and Remote Sensing Analytics
- Environmental Impact Assessment
- Renewable Energy Systems

- Semiconductor Technology Trends
- Supply Chain Management
- Smart Manufacturing and Introduction of Industry 5.0
- Gen AI Tools and Techniques
- Data Engineering and Applications
- Mobile Robotics
- Introduction to Aerial Robotics and Drone Technology

Semester : VII

(Track 1)

- Generic Core Courses
- Flexi-Credit Course
- Big Data Analytics
- Project Management and Practices
- Flexi-Credit Course
- Project
- Health and Wellness *

Programme Elective - I (Choose any one course)

- IoT in Smart Cities
- Building and Training Large Language Models
- Human Computer Interface
- Distributed Databases
- Cloud Security and Privacy
- Business and Finance Analytics

Programme Elective - II (Choose any one course)

- Robotics and AI
- IT Infrastructure and Automation
- Digital Forensics
- Information Storage & Retrieval
- High Performance Computing
- Soft Computing

(Track 2)

Generic Core Courses

- Flexi-Credit Course
- Project
- Health and Wellness *
- Technical Writing and Seminars

Generic Elective courses Group - (Choose any one Course)

- Startup Internship
- Research Internship
- Industry Internship

Semester : VIII

- Generic Core Courses
- Internship
- Seminar

- Teaching Faculty including educational qualification(s) and teaching experience
- Learning Resources
- Physical and Academic Infrastructure Facilities
- Co-Curricular and Extra Curricular Activities
- Hostel Accommodation
- Health Care Services

The image features a large, classical-style building with a prominent portico supported by numerous white columns. The building is light-colored, possibly white or light grey. In the background, another similar building is under construction, with its framework visible. The foreground shows a dirt area with some parked cars and a few people. The sky is clear and blue. A large, stylized graphic element is overlaid on the right side of the image, consisting of a white triangle pointing right, set against a magenta background. The text "Symbiosis Institute Technology, Nagpur (SIT, Nagpur)" is written in white, sans-serif font within this graphic.

Prof. (Dr.) Nitin Rakesh

Director and Professor

Director Profile

Dr. Nitin is a professionally acclaimed leader in AI, Policy, and Governance in Higher Education, and a widely respected Keynote Speaker and Higher Education Leader with extensive experience in academic leadership, research excellence, teaching innovation, institutional governance, and industry-academia collaboration. He is recognized for his strategic contributions to policy-driven education reforms, technology-enabled governance frameworks, and the integration of artificial intelligence in academic planning, quality assurance, and outcome-based education.

He is a proud recipient of the IBM Drona Award, a prestigious honor recognizing excellence in teaching, academic leadership, and impactful contributions to education and research. Dr. Nitin is an active member of several internationally reputed professional societies. He is a Senior Member of IEEE (USA) and a professional member of ACM and SIAM (USA). He also holds Life Membership of the Computer Society of India (CSI) and is associated with multiple national and international professional bodies, contributing to academic governance, research dissemination, curriculum design, and professional development initiatives.

Dr. Nitin serves as a reviewer, expert evaluator, and editorial contributor for several high-impact international journals and transactions, reflecting his strong research credentials and subject-matter expertise. His reviewing portfolio includes IEEE Transactions on Vehicular Technology, The Computer Journal published by Oxford University Press, along with numerous Springer, Elsevier, and other Scopus- and SCI-indexed international journals. Through these roles, he actively contributes to maintaining scholarly rigor, ethical research practices, and global publication standards. His research, innovation, and policy-oriented work focuses on Network Coding, Interconnection Networks and Architectures, Online Phantom Transactions, and the application of AI-driven frameworks in governance, accreditation, and academic quality assurance. His work combines strong theoretical foundations with real-world applicability, addressing critical challenges related to network efficiency, secure digital transactions, intelligent systems, and evidence-based higher education governance.

Dr. Nitin's sustained contributions to research, policy development, and academic mentorship have earned him numerous national and international recognitions, including Best Paper Awards, invitations as a Keynote Speaker and Session Chair at reputed international conferences, recognition as a Highest Cited Author, and awards for Best Student Thesis Supervised at undergraduate, postgraduate, and doctoral levels.

As a Higher Education Leader and Policy Advisor, Dr. Nitin has been instrumental in strengthening industry-academia collaboration, promoting AI-enabled academic governance, and supporting institutions in strategic planning and digital transformation. Dr. Nitin has an exceptional intellectual property and research output portfolio,

with more than 250 research publications in Scopus-indexed, SCI, and other high-impact journals and conferences, along with over 100 patents filed, published, and/or granted, demonstrating strong innovation capacity, translational research impact, and industry relevance. He has also demonstrated strong global academic leadership in research dissemination, having hosted and organized more than 14 international conferences under the banners of IEEE and Springer, providing international platforms for researchers, academicians, and industry experts to exchange knowledge, foster collaboration, and promote cutting-edge research.

A dedicated mentor, research guide, and academic leader, Dr. Nitin has successfully guided 12 Ph.D. scholars to completion, affiliated with various universities and industry research environments. He has also guided a large number of M.Tech and B.Tech students, fostering research ethics, innovation, leadership skills, and professional excellence among future technologists and scholars. Beyond teaching and research, Dr. Nitin has played a significant leadership role in institutional governance, quality assurance, and accreditation frameworks. He has actively contributed to strategic planning, compliance, academic audits, peer-team interactions, and outcome-based education implementation for major national and international accreditation and regulatory bodies, including NAAC, NBA, QAA, WASC, UGC, IAU, IET, and others.

In addition to his academic and leadership roles, Dr. Nitin has been an invited Keynote Speaker and Panelist at numerous national and international academic, industry, and policy-driven forums. He has actively contributed to panel discussions, expert forums, leadership conclaves, faculty development programs (FDPs), and international conferences, sharing insights on AI in Higher Education, Policy and Governance, Quality Assurance, Research Innovation, Industry–Academia Collaboration, and Future-Ready Educational Ecosystems.

Institute Profile:

Symbiosis Institute of Technology (SIT), Nagpur, a constituent of the Symbiosis International (Deemed University), Pune. The Institute is nurtured by the visionary leadership of Dr. S. B. Mujumdar, Chancellor of Symbiosis International (Deemed University), Pune, and is founded on the timeless Vedic philosophy of “Vasudhaiva Kutumbakam”—The World is One Family. SIT Nagpur is located in the city Nagpur (Orange City and Tiger Capital of India). To know more about SIT Nagpur please visit our website: www.sitnagpur.edu.in

Accreditation and Rankings:

1. Recognised by AICTE
2. NAAC A++ grade
3. NIRF 46th in Engineering Category & 24th in University Category (2025)
4. QS World University Rankings 2026 (22nd in India)
 - 3rd In India for Employer Reputation
 - 5th In India for Student Diversity
 - 8th In India for International Faculty
 - 18th In India for Faculty-Student Ratio

Programme Profile:

- **Bachelor of Technology (Computer Science and Engineering)**

The B.Tech in Computer Science and Engineering at Symbiosis Institute of Technology (SIT), Nagpur is a future-ready, industry-aligned programme designed to nurture technically competent, innovative, and socially responsible engineering professionals. The curriculum is structured under the framework of NEP 2020, offering strong foundational courses along with advanced elective and honours/specializations in cutting-edge domains such as Artificial Intelligence & Machine Learning, Data Science & Analytics, Cyber Security, Artificial Intelligence of Things), and Cloud Computing.

- **Dual Degree Programme with Deakin University, Australia Dual Degree at SIT Nagpur**

SIT Nagpur offers a Dual Degree Programme in collaboration with Deakin University, Australia, providing students with an exceptional global academic expertise.

This programme offers:

- B.Tech. CSE (2 years at SIT Nagpur + 2 years at Deakin University Australia)
- Earns a Bachelor of Technology in Computer Science and Engineering from SIT, Nagpur, alongside a Bachelor of Data Science (Honours)/Bachelor of Cyber security (Honours) from Deakin University, Australia
- Provides advantage of a potential two-year post-study work visa in Australia (subject to changes in government policy), enhancing their prospects for International careers.

- **Pathway Programme at SIT, Nagpur**

The pathway programme to Master's with Iowa State University (ISU), USA provides SIT Nagpur students a valuable international academic progression route into one of the top research universities in the United States.

In this programme:

- Student after 7th semesters at SIT, Nagpur, 8th semester at Iowa
- B.Tech. CSE from (SIT) + M.S. (ISU, USA)
- Enables students to achieve B.Tech. and MS in 5-year
- Access to world-class research, assistantships, and 3-year STEM OPT opportunities.

- **Global Immersion Programme (GIP)**

The Global Immersion programme is designed to provide students with meaningful international exposure, helping them develop a global outlook and cross-cultural competencies essential for today's interconnected world.

- **B.Tech. + Special Diploma in Management**

Duration of the Programme:

- **Bachelor of Technology (Computer Science and Engineering)** : 4-year full-time,
Residential as well as Non-Residential

Intake:

- **Bachelor of Technology (Computer Science and Engineering):**

Eligibility:

- **Bachelor of Technology (Computer Science and Engineering)**

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

Indian students can get admission via

1. SITEEE 2026
2. JEE (Main) / ASGEEE 2026

Online Admission Procedure**1. Paid Registration**

- Through SITEEE exam registration and institute registration link
- Through JEE (Main) / ASGEEE registration link

JEE (Mains) / ASGEEE registration fee is exempted for candidates who have registered and paid for SITEEE.

2. Documents Uploading and Branch Preference Selection

- Through SITEEE Upload Document link
- Through JEE (Main) / ASGEEE Upload Document link

3. Documents Verification

- Uploaded documents will be verified by SIT experts

4. Merit listing (Branch Allocation)

- Branch will be allocated based on entrance examination score.

5. Fees payment

- First instalment to be paid at the time of admission confirmation.

6. Waitlist (if required)

- Wait for next merit list if branch not allotted.

7. Hostel Allocation

- Hostel accommodation is mandatory for all first-year students, except those admitted under the Nagpur Domiciled Category / Resident of Nagpur City.

Important Dates:

1. For SITEEE 2026:

Particular	Date
SET Registration/Payment closes on	April 15,2026 (Wednesday)
Admit Card Live on (www.set-test.org)	SITEEE Test 01: April 24,2026 (Friday)
	SITEEE Test 02: April 30,2026 (Thursday)
SITEEE Computer Based Test (CBT) 2026 (www.set-test.org)	
Test 01 - May 02,2026 (Saturday)	SITEEE: 11.30 am to 12.30 pm
Test 02 - May 10,2026 (Sunday)	
Announcement of Result	May 20,2026 (Wednesday)
SIT, Nagpur Registration/Payment closes on	May 24, 2026 (Sunday)
Declaration of shortlisting for PI	NA
Dates of PI Process	NA
Declaration of First Merit List	May 25, 2026 (Monday)
Programme Commencement	August 03, 2026 (Monday)

2. For JEE (MAIN) / ASGEEE 2026

Particular	Date
JEE(Main) / ASGEEE Registration & Payment closes on	September 30, 2026 (Wednesday)
Last date to apply for Institute	September 30, 2026 (Wednesday)
Declaration of shortlisting for PI	NA
Dates of PI Process	NA
Declaration of JEE(Main) / ASGEEE First Merit List	May 25, 2026 (Monday)
Programme Commencement	August 03, 2026 (Monday)

Disclaimer: These dates are tentative and are subject to change Any changes will be reflected on the institute website <https://sitnagpur.edu.in/>

Orientation and Pedagogy:

Orientation

● Introduction to the Course:

- Overview of computer science and its real-world applications.
- Insights into emerging technologies like AI & ML, Data Science, AIOT, Cloud Computing and Cybersecurity.

● Curriculum Structure Description:

- The semester-wise distribution of core and elective courses will be explained through Program structure.
- Interdisciplinary opportunities and industry-aligned subjects will be highlighted.

● Skills and Competencies:

- Skill development of students will be focused through problem-solving, coding, system design, and critical thinking.
- Collaboration, communication, and professional ethics will be emphasized.

● Career Opportunities:

- Career paths such as software development, data analysis, AI engineering, and research will be highlighted
- An overview of higher studies and entrepreneurial opportunities will be provided.

● Academic Support:

- Mentoring programs, tutorials, and peer support groups will be outlined.
- Access to labs, libraries, and online learning resources will be discussed.

● Extracurricular Activities:

- Participation in hackathons, coding competitions, and tech clubs will be encouraged.
- Community-building events will be organized.

Pedagogy

- **Interactive Learning:**

- Use of flipped classrooms, group discussions, and peer learning.
- Emphasize problem-based learning through case studies and real-world problems.

- **Hands-On Approach:**

- Focus on practical implementation via lab sessions and projects.
- Encourage the use of simulation tools and industry-standard software.

- **Technology-Enabled Learning:**

- Integration of e-learning platforms, coding simulators, and virtual labs.
- Use of multimedia resources for enhanced understanding.

- **Industry-Academic Collaboration:**

- Industry internships, live projects, and guest lectures by professionals.
- Collaborative projects with industry sponsors for real-world exposure.
- Flexi/Specialization courses delivery by industry experts.

- **Evaluation Methods:**

- Continuous assessment through quizzes, assignments, presentations, group activities, etc.
- Emphasis on project-based evaluation and open-book tests for conceptual clarity.

- **Focus on Research and Innovation:**

- Encourage innovation through research, project-based learning, hackathons, and start-ups.

- **Soft Skills Development:**

- Communication, teamwork, and leadership training.
- Focus on resume building, interview preparation, and career counselling.

Fee Structure

(Annexure I)

Approved Fee Structure for Batch 2026-2030 in the Academic Year 2026-2027-INDIAN STUDENTS

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

Program Fees For Bachelor of Technology (Computer Science and Engineering)	1st Year Academic Year 2026-27 Other Than Nagpur Domicile	1st Year Academic Year 2026-27 Nagpur Domicile
	Amount in ₹	Amount in ₹
Academic Fees (Per Annum) *	₹ 300,000	₹ 300,000
Less: 15 % Fee Concession to the Nagpur Domicile students	-	₹ 45,000
Academic Fees (Per Annum) to be paid	₹ 300,000	₹ 255,000
Institute Deposit (Refundable)	₹ 20,000	₹ 20,000

Installments for Bachelor of Technology (Computer Science and Engineering)	Other Than Nagpur Domicile		Nagpur Domicile	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 150,000	₹ 150,000	₹ 127,500	₹ 127,500
Institute Deposit (Refundable)	₹ 20,000	-	₹ 20,000	-
Installments	₹ 170,000	₹ 150,000	₹ 147,500	₹ 127,500
Last date of payment	At the time of Admission	25-Nov-2026	At the time of Admission	25-Nov-2026

**Hostel and Mess Fees (Subject to change in campus and accomodation type wise, e.g. Twin Sharing, Triple Sharing etc) (The fees indicated herein are for Nagpur Campus)	Amount in ₹ for 1st year 2026-27
	Total Fees
Mess Fees (Per Annum) @	₹ 153,000
Hostel Deposit (Refundable)	₹ 20,000
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Single Living - Air Conditioned (Subject to availability)	₹ 363,000
Twin Sharing - Air Conditioned	₹ 242,000
Three Sharing - Air Conditioned	₹ 213,600
Four Sharing - Air Conditioned	₹ 178,500
Last date of payment	At the time of Admission

@Hostel fees and Mess fees can be increased up to 15% each year. Government taxes would be additional as and when applicable.

**Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

*Few seats are reserved as Discretionary Quota Seats. Only students with reasonable academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of the open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Fee Structure

(Annexure II)

Approved Fee Structure for Batch 2026-2030 in the Academic Year 2026-2027-INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Program Fees For Bachelor of Technology (Computer Science and Engineering)		Student taking Admission in
		(a) NRI, PIO, OCI Category 1st Year 2026-27 Amount in US\$
Academic Fees (per Annum) to be paid *	(A)	\$5,300
Institute Deposit (Refundable)	(B)	\$275
Administrative Fees (Non Refundable) to be paid	(C)	\$550
Total Fees to be paid	(D)=(A+B+C)	\$6,125

(a) Installments for Bachelor of Technology (Computer Science and Engineering) students taking Admission in NRI, PIO, OCI, FN Category	1st Year 2026-27 (Amount in \$)		
	1st Installment	2nd Installment	3rd Installment

(a) **Hostel and Mess Fees (Subject to campus change/allotment and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Nagpur Campus Only)	Student taking Admission in NRI, PIO, OCI Category 1st Year 2026-27 Amount in US\$
	Total Fees
Mess Fees (Per Annum) @	\$560
Hostel Deposit (Refundable)	\$250
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Twin Sharing - Air Conditioned	\$650
Three Sharing - Air Conditioned	\$650
Four Sharing - Air Conditioned	\$650
Last date of payment	At the time of Reporting to SCIE

Note:

ONLY Foreign National Students taking Admission in the year 2026-2027 for the Batch 2026-2030, will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

- (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.
- (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).
- (3) Concessional Hostel fees are applicable to Foreign National students @ 650\$ per annum.
- (4) Concessional Mess fees are applicable to Foreign National students @560\$ as mentioned above.

**Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@Hostel fees and Mess fees can be increased up to 15% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Prof. Rajanikanth Aluvalu

Director

Director Profile

Prof. Rajanikanth Aluvalu is an accomplished professor with a wealth of 21 + years of experience and contributions in the field of Computer Science engineering and academia. His extensive tenure as a professor, coupled with his leadership roles in reputed academic institutions and professional organizations, reflects his commitment to education and research. Holds Ph.D. in Computer Science and Engineering specializing in cloud computing. He holds IGIP international Engineering educator certification. Practises OBE and believes in Interactive Learning through use of Technology and Innovations in pedagogical practices. He is serving as Member, Board of studies for various institutions. He has strong understanding on NBA, NAAC Accreditation processes. Prof. Aluvalu demonstrates a strong foundation in both theoretical knowledge and practical expertise. His significant publication record, comprising over 150 research articles in various peer-reviewed journals and conferences. He edited 7 books for springer, De Gruyter, CRC, IGI Global, AAP publishers. He edited Special issues for Springer soft computing, Inderscience IJDATS, SPCE journals. He is the recipient of the Best faculty Advisor Award from IEEE Hyderabad Section as well as the IUCEE Faculty Fellow Award (2018). He is Life Member of ISTE and Member of ACM and MIR Labs. Served as resource person for various technical programs, FDPS etc. He has organized various international conferences and delivered keynote addresses.

Institute Profile:

Symbiosis Institute of Technology (SIT) Hyderabad is one of the best engineering colleges in Hyderabad established in 2024 inheriting splendid novelty, dynamism, and excellence in education. It is nurtured by the visionary ideas of Dr. S.B. Mujumdar, Chancellor (Symbiosis International University) on the principles of vedic thought 'Vasudhaiva Kutumbakam' which means 'The world is one family.' Symbiosis Institute of Technology, Hyderabad is a member of Symbiosis International University, Pune.

Hyderabad is one of the best places in central India for technical engineering education, topping livability, biodiversity, public transportation, and health care indexes. SIT, Hyderabad currently offers B. Tech Programmes in Computer Science and Engineering, Computer Science and Technology, Computer Engineering and Artificial Intelligence and Machine Learning Being among the league of the best engineering colleges in Hyderabad, SIT strives to deliver high-quality technical education that meets the needs of today's competitive industry while utilizing cutting-edge technologies. The Institute's curriculum emphasizes fundamentals and current advancements. Recognizing the importance of faculty, particular efforts have been made to employ highly qualified and competent professors.

SIT Hyderabad has emerged with a “state-of-the-art infrastructure” with outstanding amenities for its students. Its pollution-free campus features plenty of open space as well as a diverse range of academic, sporting, and cultural amenities. Through systematic and effective planning and supervision of the teaching-learning process, both inside and outside the classroom, the Institute will create an atmosphere favorable to maximizing the potential of both teachers and students. Techfests, cultural programs, sports contests, industry-institute meetings, guest lectures by recognized individuals, and student exchange programs with international institutions will complement the fundamental teaching learning process.

Students will be trained in liberal arts, performing arts, industrial history, human values and ethics, and offered the opportunity to qualify for a special diploma from SIBM and courses from other Symbiosis Institutes in order to realize the dream of Prof. Dr. S. B. Mujumdar Sir, Chancellor of SIU and founder of Symbiosis, of creating Global Engineers. The Institute will encourage students to complement their regular education by completing technological projects, competing in competitions, and organizing events, among other things.

SIT Hyderabad offers admission to their B.Tech Programmes on the basis of SITEEE , JEE (Main), and Any State Government Engineering Entrance Exam. The institute takes pride in the expertise of delivering first-class engineering education to the students.

Programme Profile:

- **Bachelor of Technology (Computer Engineering)**
- **Bachelor of Technology (Computer Science and Engineering)**
- **Bachelor of Technology (Computer Science and Technology)**
- **Bachelor of Technology (Artificial Intelligence Machine Learning)**

Bachelor of Data Science (Honours) (CSE with DS Honours) & Bachelor of Cyber Security (Honours) (CSE with CS Honours) program is a full-time four-year graduation programme, which aims at transforming a student into a professional with academic excellence and research aptitude. The programme has industry oriented curriculum and a wide range of value addition courses from the areas of liberal arts, performing arts and inter-institutional courses from law, media and management. The program aims to develop holistic personality of students including domain knowledge and soft skills and makes them not only complete technologists but also good human beings with respect for human and national values. The programme also offers the students with a unique opportunity to pursue honors in to very specialized domains of Computer science which has been carefully chosen keeping in mind the industry demands of a global engineer.

Duration of the Programme:

- Bachelor of Technology (Computer Engineering) : 4 Years Full time, Non residential
- Bachelor of Technology (Computer Science and Engineering) : 4 Years Full time, Non residential
- Bachelor of Technology (Computer Science and Technology) : 4 Years Full time, Non residential
- Bachelor of Technology (Artificial Intelligence Machine Learning) : 4 Years Full time, Non residential

Intake:

- Bachelor of Technology (Computer Engineering) : 30 Students
- Bachelor of Technology (Computer Science and Engineering) : 120 Students
- Bachelor of Technology (Computer Science and Technology) : 30 Students
- Bachelor of Technology (Artificial Intelligence Machine Learning) :

Eligibility:

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:**Important Dates:**

Disclaimer: These dates are tentative and are subject to change Any changes will be reflected on the institute website (kindly mentioned your institute website)

Orientation and Pedagogy:

Fee Structure

(Annexure I)

Approved Fee Structure for Batch 2026-2030 in the Academic Year 2026-2027-INDIAN STUDENTS

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

Program Fees for 1)Bachelor of Technology (Computer Science and Engineering) 2)Bachelor of Technology (Computer Science and Technology) 3)Bachelor of Technology (Computer Engineering)	1st Year Academic Year 2026-27 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 330,000
Less: 10% Scholarship	₹ 33,000
Academic Fees (Per Annum) to be paid	₹ 297,000
Institute Deposit (Refundable)	₹ 20,000

Program Fees for Bachelor of Technology Computer Science and Engineering (Artificial Intelligence and Machine Learning)	1st Year Academic Year 2026-27 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 355,000
Less: 10% Scholarship	₹ 35,500
Academic Fees (Per Annum) to be paid	₹ 319,500
Institute Deposit (Refundable)	₹ 20,000

Program Fees For 1)Bachelor of Technology (Computer Science and Engineering) at SIT Hyderabad - Bachelor of Data Science (Honours) with Deakin University, Australia-Dual Degree 2)Bachelor of Technology (Computer Science and Engineering) at SIT Hyderabad- Bachelor of Cyber Security (Honours) with Deakin University, Australia-Dual Degree	1st Year Academic Year 2026-27 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 4,95,000
Less: 10% Scholarship	49,500
Academic Fees (Per Annum) to be paid	₹ 4,45,500
Institute Deposit (Refundable)	₹ 20,000

* 2 years at SIT Nagpur & 2 years at University of Deakin University, Australia

** The fee for 1st and 2nd year will be as per approved fee structure of Symbiosis Institute of Technology, Nagpur. The fees for 3rd & 4th year will follow the fee structure of Deakin University, Australia.

Installments for 1)Bachelor of Technology (Computer Science and Engineering) 2)Bachelor of Technology (Computer Science and Technology) 3)Bachelor of Technology (Computer Engineering)	1st Year 2026-27 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 148,500	₹ 148,500
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 168,500	₹ 148,500
Last date of payment	At the time of Admission	25-Nov-2026

Installments for Bachelor of Technology Computer Science and Engineering (Artificial Intelligence and Machine Learning)	1st Year 2026-27 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 159,750	₹ 159,750
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 179,750	₹ 159,750
Last date of payment	At the time of Admission	25-Nov-2026

Installment For - 1) Bachelor of Technology (Computer Science and Engineering) at SIT Hyderabad- Bachelor of Data Science (Honours) with Deakin University, Australia-Dual Degree 2) Bachelor of Technology (Computer Science and Engineering) at SIT Hyderabad- Bachelor of Cyber Security (Honours) with Deakin University, Australia-Dual Degree	1st Year 2026-27 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 2,47,500	₹ 2,47,500
Less:Scholarship	₹ 24,750	24,750
Academic Fees Payable after scholarship	₹ 2,22,750	₹ 2,22,750
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 2,42,750	₹ 2,22,750
Last date of payment	At the time of Admission	25-Nov-2026

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Triple Sharing)(The fees indicated herein are for Hyderabad Campus Only)	1st Year 2026-27 (Amount in ₹)
	Total Fees
Mess Fees (Per Annum) @	₹ 144,200
Hostel Deposit (Refundable)	₹ 20,000
Hostel Fees (Different, Subject to Sharing, Per Annum) @	
Single Living - (Subject to availability)	₹ 299,800
Three Sharing	₹ 171,300
Last date of payment	At the time of Admission

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Triple Sharing) (The fees indicated here in are for Hyderabad Campus Only)	1st Year 2026-27 (Amount in ₹)
	Total Fees
Mess Fees (Per Annum) @	₹ 1,44,200
Hostel Deposit (Refundable)	₹ 20,000
Hostel Fees (Different, Subject to Sharing, Per Annum) @	
Single Living - (Subject to availability)	₹ 2,99,800
Three Sharing	₹ 1,71,300

@Hostel fees and Mess fees can be increased up to 15% each year. Government taxes would be additional as and when applicable.

**Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

*Few seats are reserved as Discretionary Quota Seats. Only students with reasonable academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of the open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Fee Structure

(Annexure II)

Approved Fee Structure for Batch 2026-2030 in the Academic Year 2026-2027-INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

*The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Program Fees for 1)Bachelor of Technology (Computer Science and Engineering) 2)Bachelor of Technology (Computer Science and Technology) 3)Bachelor of Technology (Computer Engineering)	Student taking Admission in (a) NRI, PIO, OCI Category 1st Year 2026-27 Amount in US\$
Academic Fees (per Annum)	\$6,300
Less: Scholarship	\$2,100
Academic Fees (per Annum) to be paid * (A)	\$4,200
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$5,025

Program Fees For 1)Bachelor of Technology (Computer Science and Engineering) at SIT Hyderabad - Bachelor of Data Science (Honours) with Deakin University, Australia-Dual Degree 2)Bachelor of Technology (Computer Science and Engineering) at SIT Hyderabad- Bachelor of Cyber Security (Honours) with Deakin University, Australia-Dual Degree	Student taking Admission in (a) NRI, PIO, OCI & FN Category 1st Year 2026-27 Amount in US\$
Academic Fees (per Annum)	\$6,300
Less: Scholarship	\$2,100
Academic Fees (per Annum) to be paid * (A)	\$4,200
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$5,025

* 2 years at SIT Nagpur & 2 years at University of Deakin University, Australia

** The fee for 1st and 2nd year will be as per approved fee structure of Symbiosis Institute of Technology, Nagpur.
The fees for 2nd & 4th year will follow the fee structure of Deakin University, Australia.

(a) Installments for 1. Bachelor of Technology (Computer Science and Engineering) 2. Bachelor of Technology (Computer Science and Technology) 3. Bachelor of Technology (Computer Engineering) students taking Admission in NRI, PIO, OCI Category	1st Year 2026-27 (Amount in \$)

“Note:

ONLY Foreign National Students taking Admission in the year 2025 for the Batch 2025-2029, will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

- (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.
- (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).
- (3) Concessional Hostel fees are applicable to Foreign National students @ 650\$ per annum.
- (4) Concessional Mess fees are applicable to Foreign National students @560\$ as mentioned above.”

**Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@Hostel fees can be increased up to 15% each year and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:**Bachelor of Technology in Computer Science and Engineering (Artificial Intelligence and Machine Learning)****Semester : I****Generic Core Courses**

- Linear Algebra
- Chemistry
- Chemistry Lab
- Digital Electronics and Logic Design
- Programming in C
- Programming in C Lab
- Introduction to Environment and Sustainability
- Tinker Lab for Computer Science
- Entrepreneurship Venture
- Critical Thinking
- Indian Knowledge Systems

Semester : II**Generic Core Courses**

- Calculus
- Statistics for Data Science
- Physics Lab
- Physics for Computer Engineers
- Introduction to Artificial Intelligence and Python Programming
- Introduction to Artificial Intelligence and Python Programming Lab
- Object Oriented Programming
- Self Management I
- Creative Thinking
- Technical and Professional Communication Skills
- Career Essentials - I *
- Health and Wellness Module I #

Semester : III**Generic Core Courses**

- Probability and random processes
- Data Structures and Algorithms
- Data Structures and Algorithms Lab
- Data Base Management Systems
- Data Base Management Systems Lab
- Data Preprocessing and EDA Lab
- Flexi-Credit Course
- Design Thinking
- Career Essentials - II *
- Health and Wellness Module II #

Semester : IV**Generic Core Courses**

- Discrete Mathematics
- Operating Systems
- Operating Systems Lab
- Machine Learning
- Machine Learning Lab
- Principles of Economics
- Project Based Learning - I
- Integrated Disaster Management *
- Health and Wellness *
- Career Essentials - III *

Multidisciplinary Open Elective Courses**(Choose any one course)**

- Object Oriented Analysis and Design

- Data Science
- Basics of Linux System for Cloud Computing
- Theory of Computation
- Computer Graphics
- Software Product Line Management
- Web Technologies
- Engineering Simulation and Modeling Tools
- Artificial Intelligence for IoT
- 3D Printing and Prototyping
- Battery Management Systems
- Java
- Robotic Process Automation

Semester : V**Generic Core Courses**

- Service Learning
- Deep Learning
- Deep Learning Lab
- Natural Language Processing
- Natural Language Processing Lab
- Data Visualization Lab
- Computer Organization
- AI Ethics
- Vasudhaiva Kutumbakam *
- Career Essentials - IV *

**Programme Elective Courses
(Choose any one course)**

- Cyber Security, Data Privacy and Forensics for Banks
- Wireless Sensor Networks
- Introduction to IOT
- Data Warehousing and Mining
- Fog Computing and Edge

- Computing
- Image Processing

Multi-disciplinary Open Elective Courses

(Choose any one course)

- Financial Mathematics
- Smart Materials
- Smart Urban Planning
- Water Resource Planning and Management
- Cryptography and Network Security
- Web Application Development
- Network and Cyber Forensics
- Six Sigma
- Industrial Revolution and Introduction of Industry 5.0

Semester : VI

Generic Core Courses

- Computer Vision
- Computer Vision Lab
- Big Data Analytics
- Big Data Analytics Lab
- Flexi-Credit Course
- Computer Networks
- Project Based Learning-II
- Career Essentials - V *

Programme Elective Courses (Choose any one course)

- Generative Adversarial Networks
- Reinforcement Learning
- Internet of Things
- Optimization Techniques for

- Machine Learning
- Speech Systems
- Full Stack Development
- Embedded AI

Multi-disciplinary Open Elective Courses

(Choose any one course)

- Nanotechnology
- Executive Corporate Communication For Impact
- GIS Applications
- Intelligent Transportation Management
- Software Testing Tools
- Open Source Technologies
- Printed Circuit Board (PCB) Design
- Introduction to Mechatronics
- Design Optimization Techniques
- 3D Printing and Prototyping
- Statistics and Numerical Methods in Robotics
- Large Language Models
- AI System Engineering and Ethics

Semester : VII

Track-1

- Generic Core Courses
- Introduction to Cloud Computing
- Introduction to Cloud Computing Lab
- Software Project
- Flexi-Credit Course
- Flexi-Credit Course

- B.Tech Project

Programme Elective Courses Group - I

(Choose any one course)

- Healthcare informatics
- Graph Neural Networks
- Drones in IoT
- Robotic Process Automation
- Smart Society
- AI for Banking and Finance

Programme Elective Courses Group - II

(Choose any one course)

- Health Care Analytics
- Advanced Computing
- Blockchain Technologies
- Natural Language and Responsive AI
- Big Data Stores
- Human Computer Interaction

Track-2

Generic Core Courses

- Flexi-Credit Course
- B.Tech Project
- Seminar
- Internship

Semester : VIII

Generic Core Courses

- Internship
- Seminar

***Courses are subject to change**

Please visit <https://sitnagpur.edu.in/> for information related to:

- Teaching Faculty including educational qualification(s) and teaching experience
- Learning Resources
- Physical and Academic Infrastructure Facilities
- Co-Curricular and Extra Curricular Activities
- Hostel Accommodation
- Health Care Services

Dr. Purva Mange

Deputy Director

DIRECTOR'S PROFILE:

Dr. Purva Mange is the Deputy Director, Symbiosis Institute of Design, Nagpur - Symbiosis International (Deemed) University with additional responsibility of Officiating Director. She holds a Bachelor's degree in Architecture (VNIT), a Master's degree in Industrial Design from the School of Planning and Architecture (SPA), New Delhi, and a Ph.D. in Innovation Method to give a creative thrust in the architecture design studio from Visvesvaraya National Institute of Technology (VNIT), Nagpur.

With over 19 years of combined academic and industry experience, Dr. Mange has contributed to design, architecture, product development, and academic leadership across diverse domains. Her professional experience includes serving as Design and Promotion Head at GO Mobile (Delhi), architectural projects with Ar. Siddharth Garimalla and The Audi Group. Other Industry exposure encompasses engagements with VIP Industries Limited, Mahindra and Mahindra Limited, OK Play – Delhi.

Her academic career spans five reputed institutions, including VNIT Nagpur, PIADS, SMMCA, SDMCA (Officiating Principal), and Symbiosis School of Planning, Architecture and Design (SSPAD), now Symbiosis Institute of Design (SID), Nagpur.

Dr Mange was the Conference Chair for ICORD 2025 at IIIT Hyderabad and a Speaker at COA TRC, VNIT, and STLRC. She also conducts Design Thinking, Creativity, and Innovation workshops for school students, university learners, faculty members, and professionals. Her research profile includes Scopus publications, book chapters, patents, Ph.D. supervision, and funded research projects.

She served as Co-Principal Investigator for the ICSSR-funded project (2024–25) titled 'Social, Economic and Cultural Perspectives of the Godhadi Craft Community of Gujarat and Rajasthan' and is currently Principal Investigator of an ongoing Minor Research Project titled 'Empowering Melghat Artisans through Design-Driven Promotion of Bamboo Crafts for Local and Global Markets.'

Her contributions have been recognised through several awards, including the Academic Excellence Award (VNIT), selection for the Indo-Korean Youth Exchange Programme by the Government of India (SPA Delhi), awards for Innovation and Sustainable Living at (SIU), and Best Paper Presentation honours.

Her areas of expertise include Design Thinking, Creativity and Innovation, Research Design, Experiential Learning Pedagogies, Design Education, Behavioural Research using Eye-Tracking and EEG Technologies, and Product Innovation, with a strong commitment to bridging academia, industry, and research.

Institute Profile:

The Bachelor of Design (B. Des) is a four-year undergraduate program offered by Symbiosis Institute of Design, Nagpur, with the degree awarded by Symbiosis International University (SIU), Pune. This program prepares students to thrive in the dynamic and competitive world of design, integrating traditional skills, cutting-edge digital tools, and essential soft skills to ensure a holistic learning experience.

Design is a field where you use your creative abilities to conceptualize most of the things that you see around you. From the clothes that you are wearing to the bag that you are carrying, this booklet that you are reading, and the frames of the glasses that you are using if you are wearing specs, the furniture that you see around you, the material that you see in movies, all is 'designed'. It's a lifetime commitment.

Programme Profile:

● **Bachelor of Design (B. Des)**

Bachelor of Design programme is aimed at sculpting professionals who:

- Contribute to the highly dynamic world of design
- Develop basic know-how of visual perception
- Pertain professional attitudes
- Spread awareness in the historical and modern aspects of design

The first year (Foundation) comprises Semesters 1 is common for all disciplines of the B. Des Programme

SID, Nagpur offers the Four-year Degree Program of Bachelor of Design in following streams-

- a. Communication Design- Graphic Design
- b. Communication Design- User Experience Design
- c. Communication Design- Game Design
- d. Communication Design- Animation Film Design
- e. Industrial Design- Interior Space Design
- f. Industrial Design- Product Design
- g. Fashion Design

Duration of the Programme:

- **Bachelor of Design (B. Des)** : 4 Years, Full Time, Non-Residential programme

Intake:

- **Bachelor of Design (B. Des)** : 105 Students

Eligibility:

- **Bachelor of Design (B. Des)**

Passed Standard XII (10+2) or equivalent examination from any recognised Board or 10+3 diploma approved by State Board of Technical Education with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes)

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

About Symbiosis Entrance Exam for Design (SEED)

Mode of SEED Exam: Online Proctored (PC/Laptop based exam)

Exam timings: One hour between 10:00 am to 5:00 pm on the test day.

SEED Exam test structure: The SEED will be a 60 minutes exam having 60 questions. The questions could be MCQ, Match the Columns, fill in the blanks, image-based and comprehension based. The paper will contain a mix of questions related to Visual Sensitivity and Judgement, Observational, Perceptual and Reasoning abilities, Problem Solving, Basic knowledge of Logic of Science and Mathematics, Art, Craft and Culture, Design and Environment.

Level 1	Online Symbiosis Entrance Exam for Design (SEED). The result of SEED will be put up on the SSPAD website as per the schedule. If a candidate qualifies SEED, he/she would be eligible to appear for SSPAD's Portfolio Review and Personal Interaction (PRPI). Shortlisting for admission will be based only by specialization selected during online registration.
Level 2	Upload the Portfolio on the portal a day prior to the PRPI. For portfolio specifications
Level 3	Perform the PRPI Task. This will be shared 3 days prior to the chosen date of online PRPI. Upload the PRPI Task on the portal a day prior to the PRPI.
Level 4	Appear for the online Portfolio Review and Personal Interaction (PRPI)

Final selection would be based on the cumulative performance of the candidate in Symbiosis Entrance Exam for Design (SEED), Portfolio Review, PRPI Task and Personal Interaction as well as on the basis of the information provided by the candidate in the application form and the chosen specialization.

Important Dates:

Particular	SEED Round 1	SEED Round 2
SET/ SEED Registration/Payment closes on	December 28th, 2025, Sunday	March 15th, 2026, Sunday
Admit Card Live on	From: January 5th, 2026 (Monday) To: January 11th, 2026 (Sunday)	From: March 18th, 2026 (Wednesday) To: March 22nd, 2026 (Sunday)
Symbiosis Entrance Exam for Design (SEED)	January 11th, 2026 (Sunday)	March 22nd, 2026 (Sunday)
Declaration of SEED Result	January 19th, 2026 (Monday)	March 25th, 2026 (Wednesday)
Declaration of SEED Shortlist for PRPI	January 23rd, 2026 (Friday)	March 28th, 2026 (Saturday)
Slot Booking for Personal Interaction	From: March 28th, 2026 (Saturday)	
	To: March 31st, 2026 (Tuesday)	
PRPI Admit Card	From: April 3rd, 2026 (Friday)	
	To: April 12th, 2026 (Sunday)	
Portfolio Review and Personal Interaction (PRPI)	From: April 12th, 2026 (Sunday) To April 15th 2026 (Wednesday)	
Declaration of First Merit List	April 21st, 2026 (Tuesday)	
Period for fees payment and online registration for the programme (First Merit List Candidates)	From: April 21st, 2026 (Tuesday)	
	To: April 30th, 2026 (Thursday)	
Programme Commencement	July 2026 (Wednesday) – Tentative	

Disclaimer: These dates are tentative and are subject to change Any changes will be reflected on the institute website www.sspad.edu.in

Orientation and Pedagogy:

Orientation in a design institute is crucial for acclimating new students to the academic environment and creative community. It introduces them to the institution's values, curriculum, and resources, providing essential information on faculty, facilities, and tools available for learning. Pedagogy in a design institute focuses on a hands-on, interdisciplinary approach, encouraging students to explore their creative potential while grounding them in theory and technical skills. This blend of practical experience and conceptual understanding fosters critical thinking and innovation, preparing students to tackle real-world design challenges. Collaborative projects and industry exposure further enhance their learning journey.

Fee Structure

(Annexure I)

Approved Fee Structure for Batch 2026-2030 in the Academic Year 2026-2027-INDIAN STUDENTS

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

Hostel Deposit (Refundable)	₹ 20,000
Hostel Fees (Different, subject to Sharing, Per Annum)@	
"Single Living (Subject to availability)	₹ 363,000
Twin Sharing - Air Conditioned	₹ 242,000
Three Sharing - Air Conditioned	₹ 213,600
Four Sharing - Air Conditioned	₹ 178,500
Last date of payment	At the time of Admission

@Hostel fees and Mess fees can be increased up to 15% each year. Government taxes would be additional as and when applicable.

**Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

*Few seats are reserved as Discretionary Quota Seats. Only students with reasonable academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of the open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Fee Structure

(Annexure II)

Approved Fee Structure for Batch 2026-2030 in the Academic Year 2026-2027-INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Program Fees For - 1. Bachelor of Design (Communication Design) 2. Bachelor of Design (Industrial Design)	Student taking Admission in (a) NRI, PIO, OCI Category 1st Year 2026-27 Amount in US\$
Academic Fees (Per Annum) *	\$5,875
Academic Fees (per Annum) to be paid (A)	\$5,875
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable)	\$550
Administrative Fees (Non Refundable) to be paid (C)	\$550
Total Fees to be paid (D)=(A+B+C)	\$6,700

(a) Installment For - 1. Bachelor of Design (Communication Design) 2. Bachelor of Design (Industrial Design)	1st Year 2026-27 (Amount in \$)		
	1st Installment	2nd Installment	3rd Installment
Administrative Fees (Non Refundable)	\$550	-	-
Academic Fees (Per Annum)*	\$540	\$2,670	\$2,665
Institute Deposit (Refundable)	\$275	-	-
Installments	\$1,365	\$2,670	\$2,665
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2026

(a) **Hostel and Mess Fees (Subject to campus change/allotment and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Nagpur Campus Only)	Student taking Admission in NRI, PIO, OCI Category 1st Year 2026-27 Amount in US\$
	Total Fees
Mess Fees (Per Annum) @	\$1,800
Hostel Deposit (Refundable)	\$250
Hostel Fees (Different, subject to Sharing, Per Annum)@	
"Single Living (Subject to availability)	\$4,200
Twin Sharing - Air Conditioned	\$2,800
Three Sharing - Air Conditioned	\$2,470
Four Sharing - Air Conditioned	\$2,070
Last date of payment	At the time of Reporting to SCIE

(b) Fees Payable by the students taking admission in Foreign National Category.

Program Fees For - 1. Bachelor of Design (Communication Design) 2. Bachelor of Design (Industrial Design)	Student taking Admission in (b) Foreign National Category 1st Year 2026-27 Amount in US\$
Academic Fees (Per Annum) *	\$5,875
Less: Symbiosis Golden Jubilee Scholarship to Foreign National Students #	\$4,575
Academic Fees (per Annum) to be paid (A)	\$1,300
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable)	\$550
Less: 50% Fee Concession on Administrative Fees	\$275
Administrative Fees (Non Refundable) to be paid (C)	\$275
Total Fees to be paid (D)=(A+B+C)	\$1,850

(b) Installment For - 1. Bachelor of Design (Communication Design) 2. Bachelor of Design (Industrial Design)	1st Year 2026-27 (Amount in \$)		
	1st Installment	2nd Installment	3rd Installment
2. Bachelor of Design (Industrial Design)	\$275	-	-
3. Bachelor of Design (Game Design)	\$815	\$240	\$245
4. Bachelor of Design (Animation Film Design)	\$275	-	-
Installments	\$1,365	\$240	\$245
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2026

(b) **Hostel and Mess Fees (Subject to campus change/allotment and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Nagpur Campus Only)	Student taking Admission in Foreign National Category 1st Year 2026-27 Amount in US\$
	Total Fees
Mess Fees (Per Annum) @	\$560
Hostel Deposit (Refundable)	\$250
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Twin Sharing - Air Conditioned	\$650
Three Sharing - Air Conditioned	\$650
Four Sharing - Air Conditioned	\$650
Last date of payment	At the time of Reporting to SCIE

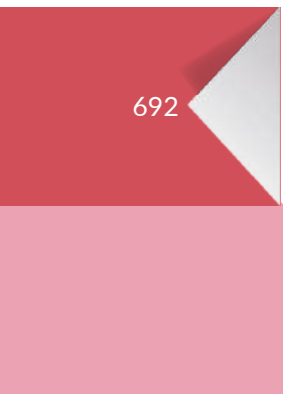

Note:

ONLY Foreign National Students taking Admission in the year 2026 for the Batch 2026-2030, will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

- (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.
- (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).
- (3) Concessional Hostel fees are applicable to Foreign National students @ 650\$ per annum.
- (4) Concessional Mess fees are applicable to Foreign National students @560\$ as mentioned above.

**Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@Hostel fees and Mess fees can be increased up to 15% each year. Government taxes would be additional as and when applicable.

Programme Structure:

Bachelor of Design (B. Des)

Semester: 1

Generic Core Courses

- Design Fundamentals - 1
- Sketching and Drawing - 1
- Culture and Design
- Craft Design Studies - 1
- History of Art and Design

Semester: 2

Generic Core Courses

- Basics of Media and Film Design
- Introduction to Photography
- Vasudhaiva Kutumbakam *
- Health and Wellness Module I #

Specialisation Core Courses: Communication Design - Graphic Design

- Introduction to Graphic Design
- Elements of Graphic Design
- Illustration Techniques and Exploration

Specialisation Elective: Communication Design - Graphic Design (Choose Any Two Courses)

- Introduction to Fashion Communication
- Introduction to User Experience Design
- Introduction to Typography

Specialisation Core Courses: Communication Design - User Experience Design

- Introduction to User Experience Design

- Digital Design Tools for UX
- Visual Ergonomics and HCI – Basic

Specialisation Elective: Communication Design - User Experience Design (Choose Any One Course)

- Introduction to Augmented reality and Virtual Reality Design
- Introduction to Product Design

Specialisation Core Courses: Communication Design - Game Design

- Introduction to the Game
- Digital Tools for Game Design - I
- Game Analysis Centipede
- Programming in C for Pre Rendering
- Visual Design and Character Composition

Specialisation Core Courses: Communication Design - Animation Film Design

- Elements of Graphic Design
- Illustration Techniques and Exploration
- Visual Design and Character Composition
- Cinema Appreciation
- Film Language
- Fundamentals of Camera, Sound and Lighting

Specialisation Core Courses:

Industrial Design - Interior Space Design

- Introduction to Interior Design
- Material Studio
- Space and Form Studies
- Process of Design, Visualization and Rendering Techniques

Specialisation Elective: Industrial Design - Interior Space Design (Choose Any One Course)

- Introduction to Product Design
- Introduction to Retail Design
- Interior Design History

Specialisation Core Courses: Industrial Design - Product Design

- Introduction to Product Design
- Material Studio
- Materials and Processes for Industrial Design - 1
- Product Engineering Drawing
- Visualization Techniques

Semester: 3

Generic Core Courses

- Design Processes and Thinking
- Information Collection and Analysis
- Health and Wellness Module II #

Specialisation Core Courses:
Communication Design - Graphic Design

- Visual Concept Representation
- Typography and Publication Design

Specialisation Elective:
Communication Design - Graphic Design

- Basics of User Interface / Experience Design
- Graphic Design Digital Tools - Basic
- Media and Advertising for Fashion

Specialisation Core Courses:
Communication Design - User Experience Design

- Visual Ergonomics and HCI - Advance
- User Interface Design
- UED Project - 1

Specialisation Elective:
Communication Design - User Experience Design (Choose Any One Course)

- Ergonomics Immersive Technology Design
- Ergonomics for Retail Design

Specialisation Core Courses:
Communication Design - Game Design

- Game Programming Language
- Creative Game Writing and Visual Narration
- Digital Tools for Game Design- II
- UX and UI Design of Games

Specialisation Core Courses:
Communication Design - Animation Film Design

- Basics of Classical Animation
- Digital Design Tools - Film Media
- Elements of Direction
- Anatomy and Drawing Studio

Specialisation Core Courses:
Industrial Design - Interior Space Design

- Digital Tools and Techniques - 1
- Interior Design Materials and Methods - 1
- ISD Project - 1

Specialisation Elective: Industrial Design - Interior Space Design (Choose Any One Course)

- Ergonomics for Retail Design
- Interior Space Planning and Layout
- Ergonomics for Space Design

Specialisation Core Courses:
Industrial Design - Product Design

- Advanced Rendering Techniques
- Materials and Processes for Industrial Design - 2
- Product Design Project - 1
- Studies in Form

Semester: 4
Generic Elective Courses Group (Choose Any One Course)

- Accessory Design
- Advanced Digital Design
- Advanced Elements of Design
- Advanced Photography for

Design

- Advanced Rendering Techniques
- Communication for Creative Industry
- Design Thinking and Innovation - Advanced
- e-Learning Design
- Exhibition and Ramp Design
- Exhibition Design
- Experimental Typography
- Game Design for UX
- Graphic Printing Technology
- Information Design
- Instructional Design
- Interior Product Design
- Mobile Applications Interface Design
- Product Interface Design
- Semantics and Semiotics
- Sustainable Design
- Transportation Design
- Visual Narrative
- Advertising Film Design
- Digital Video Communication
- Motion Graphics and Compositing
- Advanced PR Writing Skills
- Clay Animation
- Digital Design Mockups
- Vehicle Concept Styling
- Product Concept Styling

Specialisation Core Courses:
Communication Design - Graphic Design

- Graphic Design Project - 1
- Brand Communication Design
- Visual Identity Design for HCI

Specialisation Elective:
Communication Design - Graphic Design (Choose Any Two Courses)

- Forecasting in Fashion Communication
- Graphic Design Digital Design
- User Interface Graphics

Specialisation Core Courses:
Communication Design - User Experience Design

- Prototyping Techniques for UX
- Information Organization for WEB / Mobile Design
- UED Project – 2

Specialisation Elective:
Communication Design - User Experience Design (Choose Any Two Courses)

- Introduction Mixed Reality
- Virtual Reality Application Design
- Studies in Form
- Simple Product Design
- Visual Identity Design
- Visualization of Narrative Structure for Human Computer Interface

Specialisation Core Courses:
Communication Design - Game Design

- Introduction to 3D Computer Generated Imagery
- Game Design Project- I
- 2D and 3D Animation for Games
- Sound for Game Design
- Game Engine Concept- I
- Digital Sculpting

Specialisation Core Courses:
Communication Design - Animation Film Design

- 3D Animation Film Production - 1
- Animation Drawing
- Digital Rendering Techniques for Animation
- Elements of Editing
- Pre-Production Design

Specialisation Core Courses:
Industrial Design - Interior Space Design

- ISD Project - 2
- Services in Interior Design - 1
- Digital tools and Techniques-2
- Interior Design Materials and Methods – 2

Specialisation Elective: Industrial Design - Interior Space Design (Choose Any Two Courses)

- Simple Product Design
- Joinery Details
- Game Programming Language
- Basic Interior Design Project 1

Specialisation Core Courses:
Industrial Design - Product Design

- Introduction to Computer Aided Drafting
- Introduction to Graphics and Packaging Design
- Product Analysis and Functional Design
- Product Ergonomics - 1
- Advanced Studies in Form

Semester: 5

Generic Core Courses

- Core Environmental Studies *

Generic Elective Courses Group (Choose Any One Course)

- Accessory Design
- Advanced Digital Design
- Advanced Elements of Design
- Advanced Rendering Techniques
- Advertising Film Design
- Creative Book Design
- Design Thinking and Innovation - Advanced
- Digital Video Communication
- e-Learning Design
- Exhibition and Ramp Design
- Experimental Typography
- Game Design for UX
- Graphic Printing Technology
- Information Design
- Interior Product Design
- Mobile Applications Interface Design
- Motion Graphics and Compositing
- Product Interface Design
- Puppetry and Theatre
- Semantics and Semiotics
- Sustainable Design
- Transportation Design
- Visual Narrative
- Advanced Photography for Design
- Research Paper Writing
- Clay Animation
- Digital Design Mockups
- Vehicle Concept Styling
- Product Concept Styling

Specialisation Core Courses:
Communication Design - Graphic Design

- Graphic Design Project - 2
- Packaging Design and Printing Technology
- Environmental Graphic Design

Specialisation Elective:
Communication Design - Graphic Design (Choose Any Two Courses)

- Visual Merchandising in Fashion
- Fashion Branding
- Materials and Processes for Graphic Design
- Photography for Graphic Design
- Visual Identity Design

Specialisation Core Courses:
Communication Design - User Experience Design

- UED Project - 3
- User Studies and Design Research
- Information Architecture for UX

Specialisation Elective:
Communication Design - User Experience Design (Choose Any Two Courses)

- Augmented Reality Application Development
- Product Ergonomics - 1
- Future Trends in Immersive Technology
- Interface Design for Immersive Technology
- Augmented Product Design

Specialisation Core Courses:
Communication Design - Game Design

- Game Design Project- II
- Background for Game Design
- Game Engine Concept- II
- Advanced 3D Computer Generated Imagery
- Advanced Digital Sculpting

Specialisation Core Courses:
Communication Design - Animation Film Design

- Advanced Classical Animation
- 3D Animation Film Production - 2
- Post Production
- Animation Film Production: Stop Motion
- Graphic Design - Film Media

Specialisation Core Courses:
Industrial Design - Interior Space Design

- ISD Project - 3
- Garden and Landscape Design
- Working Drawing
- Extended Reality

Specialisation Elective: Industrial Design - Interior Space Design (Choose Any Two Courses)

- Product Ergonomics - 1
- Parametric Design
- Materials and Processes for Industrial Design - 1
- UX and UI Design of Games
- Manufacturing Process for Interior Design
- Exhibition Design

Specialisation Core Courses:
Industrial Design - Product Design

- Packaging Design and Printing Technology
- Exhibition Design
- Computer Aided Industrial Design - 1
- Materials and Processes for Industrial Design - 3
- Product Ergonomics – 2

Semester: 6

-

Generic Core Courses

- Craft Documentation Presentation

Specialisation Core Courses:
Communication Design - Graphic Design

- Graphic Design Project - 3
- Graphic Printing Technology
- Advanced Illustration Techniques

Specialisation Elective:
Communication Design - Graphic Design

- Advanced Digital Design
- Styling for Fashion and Lifestyle
- Digital Design Portfolio

Specialisation Core Courses:
Communication Design - User Experience Design

- UED Project - 4
- UX Writing
- UI Design Systems
- Usability Testing

Specialisation Elective:
Communication Design - User Experience Design (Choose Any Two Courses)

- Virtual Space Design
- Mixed Reality Application Development
- Game Design for UX
- Materials and Processes for Industrial Design - 2
- Complex Product Design

Specialisation Core Courses:
Communication Design - Game Design

- Portfolio Making
- Design Management
- Visual Scripting for Game Design
- Game Design Project- III

Specialisation Core Courses:
Communication Design - Animation Film Design

- Design Management
- Animation Film Project - 1
- Scriptwriting
- Elements of Cinematography
- Portfolio Making

Specialisation Core Courses:
Industrial Design - Interior Space Design

- ISD Project - 4
- Lighting Design
- Services in Interior Design – 2

Specialisation Elective: Industrial Design - Interior Space Design (Choose Any Two Courses)

- Materials and Processes for Industrial Design - 2

- Complex Product Design
- Background for Game Design
- Design Detailing

Specialisation Core Courses:
Industrial Design - Product Design

- Portfolio Making
- **Computer Aided Industrial Design - 2**
- Product Design Project - 2
- Semantics and Semiotics
- Design Thinking and Innovation - Advanced
- Product Interface Design

Semester: 7

Generic Core Courses

- Summer Internship
- Health and Wellness *

Specialisation Core Courses:
Communication Design - Graphic Design

- Graphic Design Project - 4
- Advertising Design
- User Studies and Design Research

Specialisation Elective:
Communication Design - Graphic Design (Choose Any One Course)

- Fashion Communication for Event Management
- Advanced Event Design and Planning

Specialisation Core Courses:
Communication Design - User Experience Design

- UED Project - 5
- Portfolio Making

- Contemporary Trend in User Experience Design

Specialisation Elective:
Communication Design - User Experience Design (Choose Any Two Courses)

- Extended Reality Application Designing
- Instructional Design
- Micro Interactions and Animation
- Technical Product Design
- Materials and Processes for Industrial Design - 3

Specialisation Core Courses:
Communication Design - Game Design

- Design Internship Presentation
- Animation VFX
- Game Design Project- IV
- Game Analysis

Specialisation Core Courses:
Communication Design - Animation Film Design

- Design Internship Presentation
- Animation Film Project - 2
- Animation Film Project - 3

Specialisation Core Courses:
Industrial Design - Interior Space Design

- ISD Project - 5
- Graphic Design in Interiors
- Quantities, Estimation and Specifications

Specialisation Elective: Industrial Design - Interior Space Design (Choose Any Two Courses)

- Technical Product Design
- Materials and Processes for Industrial Design - 3
- Trends in Interiors
- Advanced 3D Computer Generated Imagery

Specialisation Core Courses: Industrial Design - Product Design

- Design Internship Presentation
- Product Design Project - 3
- Product Design Project - 4
- Design Detailing
- Mobility Design

**Semester: 8
Generic Core Courses**

- Intellectual Property Rights
- Research Paper Writing
- Strategic Brand Management
- Service Learning

Specialisation Core Courses: Communication Design - Graphic Design

- Degree Project - GD

Specialisation Core Courses: Communication Design - User Experience Design

- Degree Project - UED

Specialisation Core Courses: Communication Design - Game Design

- Degree Project - Game Design

Specialisation Core Courses: Communication Design - Animation Film Design

- Degree Project - AFD

Specialisation Core Courses: Industrial Design - Interior Space Design

- Degree Project - ISD

Specialisation Core Courses: Industrial Design - Product Design

- Degree Project - PD

Symbiosis Medical
College for
Women, Pune
(SMCW, Pune)

Contact Details:

Symbiosis Medical College for Women

Gram: Lavale, Tal: Mulshi, Dist: Pune, Maharashtra, India Pin: 412115

Telephone number: +91 20-61930003.

Email: dean@smcw.siu.edu.in

Website: <https://smcw.edu.in/>

Dr. V. K. Sashindran
Dean SMCW

Director's Profile:

Dr. V. K. Sashindran assumed office as Dean of Symbiosis Medical College for Women and Symbiosis University Hospital and Research Centre on 4 August 2025. He is an alumnus of the Armed Forces Medical College, Pune, where he did his MBBS (1986) and MD in General Medicine (1993), Pune University, followed by a DNB in General Medicine (1995). He was awarded an NIH-Fogarty Fellowship in Advanced AIDS Research at UCLA (2004-06) and completed an M.Sc. in Infectious Diseases at the London School of Hygiene & Tropical Medicine (2007).

Over a 35-year career in the Indian Air Force, Dr. Sashindran served as Staff Surgeon to the Chief of Air Staff, Principal Medical Officer of the Central Air Command in Prayagraj, and Air Officer Commanding of the 7 Air Force Hospital in Kanpur.

At AFMC, Pune, he was Professor and Head of Internal Medicine. He also established the first Geriatric Medicine unit and introduced multidisciplinary teaching models. Transitioning to civilian academia, he directed postgraduate studies at KS Hegde Medical Academy, NITTE University, and served as Dean of DY Patil School of Medicine, Navi Mumbai.

As principal investigator or co-investigator on more than a dozen externally funded studies, Dr. Sashindran leads research on accelerated ageing in prediabetes, sarcopenia, assessment via point-of-care diagnostics and digital therapeutics in palliative care. He has authored over 150 peer-reviewed articles, book chapters and conference presentations on HIV-TB co-infection, immunosenescence, metabolic complications of antiretroviral therapy, geriatric frailty, polypharmacy, and community-based WASH and child-nutrition interventions.

His distinguished service has been honoured with the Vishisht Seva Medal for Distinguished Service (2018), two Chief of the Air Staff Commendation Medals (2009, 2013) and Fellowship of the Royal College of Physicians, Edinburgh (2019). He contributed to National Health Policy by being a member of the TRG for Adult & Adolescent Anti-Retroviral Therapy Guidelines forecasting committee of the National AIDS Control Organisation and by being a member of Drug Forecasting Committee of the National AIDS Control Organisation. A life member of multiple professional societies, he is an avid mountaineer and certified outdoor leader (NOLS, USA) with expeditions across the Himalaya, Karakoram, Atlas and Alps, and a dedicated philatelist specializing in mountain-themed stamps.

Institute Profile:

The Symbiosis Medical College for Women is the brainchild of Prof. Dr. S.B. Mujumdar, the Founder and Chancellor of the Symbiosis International (Deemed University). After seeing the biographic movie about India's first lady doctor,

Ms. Anandibai Joshi, the idea of creating a medical college exclusively for women was born. With an objective of women empowerment and contributing to nation building by increasing the number of female doctors, Symbiosis has established this exclusive Medical college for Women under the Faculty of Health Sciences.

The medical college is located in the scenic campus of the Symbiosis International (Deemed University) at Lavale, Pune. The annual intake will be 150 students. The medical college and its attached Symbiosis University Hospital and Research Centre have state-of-the-art infrastructure and facilities. Sister Institutes in the Lavale campus like the Symbiosis Institute of Business Management, Pune, Symbiosis Institute of Digital and Telecom Management, Symbiosis Institute of Media & Communication, Symbiosis School of Biological Sciences, Symbiosis School of Photography, Symbiosis School of Culinary Arts, Symbiosis School of Sports Sciences, Symbiosis Institute of Technology, Symbiosis School of Banking and Finance & research centers like Symbiosis Centre for Waste Resource Management, Symbiosis Centre for Stem Cell Research, Symbiosis Centre for Behavioural Studies, Symbiosis Centre for Nanoscience and Nanotechnology and Symbiosis Centre for Medical Image Analysis will assist in the strong focus on academics and research.

In addition to the academic infrastructure, excellent residential facilities for residents and staff are available within the campus. The college has a fully air-conditioned library with the requisite array of national and international textbooks and medical journals which form a vital part of the college facilities. Our highly experienced and senior staff will ensure the best of training to produce skilled women doctors who are empathetic, ethical and compassionate. As has been the culture of Symbiosis, we believe it is our responsibility to contribute to nation building by providing excellent training and creating the next generation as qualified and ethical human beings.

Programme Profile:

- **Bachelor of Medicine & Bachelor of Surgery (MBBS):**

Duration of the Programme:

- **Bachelor of Medicine & Bachelor of Surgery (MBBS) : 4.5 Year + 1 Year Internship, Full Time, Non-Residential programme**

Intake:

- **Bachelor of Medicine & Bachelor of Surgery (MBBS) : 150 Candidates**

Eligibility:

- **Bachelor of Medicine & Bachelor of Surgery (MBBS)**
 1. A candidate must have passed standard XII in subjects of PCB
 2. National Eligibility cum Entrance Test (NEET-UG) on merit basis in the form of a rank obtained in NEET by MCC

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

Admission will be as per NEET regulations for the academic year 2025-2026. All admissions are being made based on the NEET eligibility and counselling by the Directorate General of Health Services (DGHS)/ Medical Counselling Committee (MCC), the admission policy is formulated based on the guidelines as given by MCI/ NMC, DGHS, MCC and Hon'ble Supreme Court of India as notified from time to time. For enquiries and information about admission Visit at SMCW.

Important Dates:

Sr No	Description	Date(s)
1	Commencement of Registration	As per National Testing Agency (NTA) notifications
2	Closure of Registration	
3	Admit Card Generation	
4	Entrance Test	Usually on the first Sunday of May
5	Result Declaration	As per National Testing Agency (NTA) notifications
6	Shortlist Declaration	
8	First Merit List Date	As per the Medical Counselling Committee (MCC) notifications
9	Programme Commencement	

Disclaimer: These dates are tentative and are subject to change Any changes will be reflected on the institute website <https://smcw.edu.in/>

Orientation and Pedagogy:

As per NMC & SIU Guidelines

Fee Structure:

Please visit Institute web site <https://smcw.edu.in>

Program Structure:

Bachelor of Medicine & Bachelor of Surgery (MBBS)

Phase: I

Medical-AN	Human Anatomy
Medical-PY	Physiology
Medical- BI	Biochemistry

Phase: II

Catalog	Course Code	Subjects
Medical-PH		Pharmacology
Medical-PA		Pathology
Medical-MI		Microbiology
Vasudhaiva Kutumbakam*		Mandatory Non-Credit Course

Phase: III (Part-I)

Catalog	Course Code	Subjects
Medical-FM		Forensic Medicine and Toxicology
Medical-OP		Ophthalmology
Medical- EN		Otorhinolaryngology
Medical-CM		Community Medicine

Phase: III (Part-II)

Medical-IM	General medicine & Allied
Medical-SU	General Surgery & Allied
Medical-PE	Pediatrics
Medical-OG	Obstetrics & Gynaecology

Guidelines for Next Examinations issued by NMC are attached.
The final guidelines duly approved are yet to be received

Prof. Sharvari Shukla

Director

Director's Profile:

Prof. Dr. Sharvari Shukla has been a Bio-statistician at various research institutes and advisor for pharmaceutical companies and hospitals. Her interest in translating research into practice led her to undergo training in epidemiology, epigenetics and clinical trials. She handles various national and international funded projects. Recently she received grant from DST ICIMPACT, also big data analytics grant under DST/EDA scheme and SERB under METRICS rapid response call on COVID-19 data.

Sharvari Shukla works with a team of epidemiologists and clinical scientists investigating the fetal origins of cardiovascular disease and Type 2 diabetes. Her fields of expertise include longitudinal data analysis, modelling-simulation, big data analysis and artificial intelligence, clinical trials and research methodology. She has more than 70 research papers to her credits and 5 students are working under her guidance on their doctoral thesis.

Institute Profile:

Symbiosis Statistical Institute (SSI) is recognized as one of the premier institutions in India. SSI Pune is also among the top B. Sc Applied Statistics and Data Science colleges in India, offering an undergraduate program for Data Science enthusiasts who want to learn about applied statistics and data science with inter-disciplinary approach for Business Studies as per NEP2020 implementations along with post graduate programme focusing on advanced statistical techniques required for industry. In today's world, data science has emerged as one of the most demanding fields, and SSI recognizes this trend. As a result, the institute's programs have been designed to equip students with the necessary skills and knowledge to succeed in this ever-growing industry. By offering a comprehensive curriculum SSI prepares students to tackle real-world problems and make informed data driven decisions.

The major focus of the Symbiosis Statistical Institute (SSI) is to provide quality education and train students to translate and apply statistical knowledge to address real-world problems in diverse inter-disciplinary domains.

BSc (Applied Statistics and Data Science with Business Studies as Minor) and MSc (Applied Statistics with Data Science, Industrial Statistics, Bio-statistics and Actuarial Statistics as specializations) programmes are uniquely designed to offer syllabus that facilitates learning of application-oriented modules that focuses on statistical methodologies and best practices in statistical analysis. Its educational standards are exceptional as it focuses developing 20th century skills among students with analytical mind-sets, critical thinking along with data-driven decision-making ability, creative learning with data science related proficiency transforming students into a skilled professional.

As statisticians, data scientists and analysts, the experts here at SSI recognise that uncertainty is an inherent aspect and advocate embracing uncertainty as a fundamental element in the quest for knowledge which is getting reflected in tag line #Interpreting Uncertainty.

Programme Profile:

- **Bachelor of Science (Applied Statistics and Data Science) Honours/Honours with Research**

Our institution proudly offers a comprehensive four-year Bachelor of Science (B.Sc.) Applied Statistics and Data Science program. This innovative curriculum encompasses Applied Statistics and Data Science as the major subjects, complemented by Business Studies as a minor, aligning seamlessly with the vision outlined in the National Education Policy (NEP) of 2020.

Bachelor of Science in Applied Statistics and Data Science is four-year full time Honours programme designed in the spirit of implementing National Education Policy 2020. The primary focus of this programme is to provide a thriving ecosystem to develop data driven technological solutions based on statistical techniques.

The aim of the programme is to develop a critical awareness of the state-of-the-art in applied statistics and data science field along with business studies understanding and demonstrate the applications with practical skills necessary to critically think and develop solutions which can address short-term and long-term industry business and societal needs.

The four-year B.Sc. (Applied Statistics and Data Science) Honours programme, shall offer major as 'Applied Statistics and Data Science' subjects along with minor as 'Business Studies. All modules included are application oriented that facilitates learning statistical methodologies and best practices in statistical analysis. This programme is designed towards lifelong learning by imbibing our ancient and prominent knowledge system in education through the type of courses as- multi-disciplinary, Value-Added, vocational, ability and skill enhancement courses etc. Internships and Industry projects are important components included in this honours programme which will cater for advanced industry required 21st century analytical skills.

Trained human resource development in the areas of applied Statistics and Data Science along with 'Business Studies' who can be further trained expeditiously for advanced applied statistical techniques for data analytics is a major goal of this programme. Programme will enable students for better employability in industries like IT, manufacturing, education, finance, healthcare, legal and governance, academics etc.

Duration of the Programme:

- **Bachelor of Science (Applied Statistics and Data Science)
Honours/Honours with Research** : **4 Years, Full Time, Non-Residential programme**

Intake:

- **Bachelor of Science (Applied Statistics and Data Science)
Honours/Honours with Research** : **60 Students**

- **Eligibility:**

- **Bachelor of Science (Applied Statistics and Data Science) Honours/Honours with Research**

Std. XII (10 + 2) pass or equivalent examination from any recognized Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes), with Mathematics/ Applied Mathematics/Statistics/Applied Statistics as one of the subjects.

Students who wish to opt for Honours with Research must earn 7.5 CGPA and above at the end of Semester-6.

Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

1. It is mandatory to appear for the Symbiosis Entrance Test (SET) for admission to BSc Applied Statistics and Data Science programme at SSI. For more details about SET, kindly visit www.set-test.org
2. For more details regarding Registration and Payment follow the link: <https://www.set-test.org/register.html>
3. Admission is against qualifying the Symbiosis Entrance Test (SET) and Personal Interaction (PI). Personal Interaction (PI) will be conducted only for the shortlisted candidates.

Important Dates:

Particular	Date
SET Registration/Payment closes on	April 15,2026 (Wednesday)
Admit Card Live on (www.set-test.org)	SET/SITEEE Test 01: April 24,2026 (Friday)
	SET/SITEEE Test 02: April 30,2026 (Thursday)
SET / SITEEE Computer Based Test (CBT) 2026 (www.set-test.org)	
Test 01 - May 02,2026 (Saturday)	SET: 09.00 am to 10.00 am
Test 02 - May 10,2026 (Sunday)	SITEEE: 11.30 am to 12.30 pm
Announcement of Result	May 20,2026 (Wednesday)
Symbiosis Statistical Institute Registration/Payment closes on	May 30, 2026 (Saturday)
Declaration of shortlisting for PI	June 4, 2026 (Thursday)
Dates of PI Process	June 10, 2026 (Wednesday) to June 11, 2026 (Thursday)
Declaration of First Merit List	June 17, 2026 (Wednesday)
Programme Commencement	July 21, 2026 (Tuesday)

Disclaimer: These dates are tentative and are subject to change Any changes will be reflected on the institute website <https://www.ssi.edu.in/>

Orientation and Pedagogy:

Classroom sessions, experiential learning, Mind-maps, hands-on session, Group and individual projects, Practical and lab sessions, research paper writing.

Fee Structure

(Annexure I)

Approved Fee Structure for Batch 2026-2030 in the Academic Year 2025-2026-INDIAN STUDENTS

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 12% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

The exiting students will have to complete the Additional 4 credit Vocational Course for the award of Certificate or Diploma by paying additional fees at the time of intimation of the exit. The additional fees of 4 credit Vocational course will be informed in due course of time.

Program Fees For Bachelor of Science (Applied Statistics and Data Science) - Honours / Honours with Research	1st Year Academic Year 2026-27 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 2,53,000
Institute Deposit (Refundable)	₹ 20,000

Installments for Bachelor of Science (Applied Statistics and Data Science) - Honours / Honours with Research	1st Year 2026-27 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 1,26,500	₹ 1,26,500
Institute Deposit (Refundable)	₹ 20,000	-
Installments	₹ 1,46,500	₹ 1,26,500
Last date of payment	At the time of Admission	25-Nov-2026

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Triple Sharing)(The fees indicated herein are for S.B road Campus Only)	Amount in ₹ for 1st year 2026-27		
	1st Installment	2nd Installment	Total Fees
Mess Fees (Per Annum) @	₹ 59,800	₹ 59,800	₹ 1,19,600
Hostel Deposit (Refundable)	₹ 20,000	-	₹ 20,000

The background image shows the Symbiosis School of Sports Sciences (SSSS) building, a two-story structure with red brick walls and large windows. A prominent sign on the roof reads "SYMBIOSIS SCHOOL OF SPORTS SCIENCES (SSSS)". To the right, another building features a wall with silhouettes of athletes in various sports poses. The sky is blue with scattered white clouds. A large, semi-transparent geometric overlay, consisting of a white triangle pointing right and a maroon triangle pointing left, is positioned in the upper right quadrant of the image.

Mr. Siddharth Deshmukh

Director – SSSS & DSRW

Director's Profile:

A visionary builder of sports ecosystems and a passionate advocate of the philosophy “Empowering Indian Sport, Inspiring Vibrant Bharat,” he brings with him over two decades of global experience across Sports, Technology, Education, and Strategic Advisory. Widely respected as a sports industry professional, entrepreneur, educator, and thought leader, he has consistently worked at the intersection of sports commerce, grassroots development, athlete management, fan engagement, and sports education. His journey reflects a rare blend of strategic leadership and purpose-driven impact — from managing iconic cricketer MS Dhoni to launching India’s largest franchise-based cricket esports league (GEPL), and advising leading global sports and technology platforms.

Most recently serving as Executive Director – Sports Advisory at Grant Thornton Bharat LLP, he has played a pivotal role in shaping India’s evolving sports and esports ecosystem. Through his entrepreneurial ventures and advisory engagements, he has partnered with global brands and sporting organizations including NBA, IPL, ISL, PKL, and CPL, driving innovation, fan engagement, and sustainable growth.

As the founder of Rising Pune FC, one of Pune’s most successful youth football clubs, he has demonstrated a deep commitment to nurturing young talent and building strong grassroots foundations for Indian sport. A TEDx speaker and a firm believer in the transformative power of sport, his work is anchored on three foundational pillars — Sports Commerce, Sports Development, and Sports Education. His long-standing association with Symbiosis School of Sports Sciences since its inception in 2016 reflects his commitment to building “Sport-as-a-Lifestyle” and creating meaningful pathways for the next generation of sports professionals and athletes.

At Symbiosis, we believe that sport is not just play — it is a powerful medium for life-building, leadership, wellness, and national progress. With his leadership, vision, and industry expertise, we look forward to strengthening our commitment towards creating a vibrant, inclusive, and future-ready sports ecosystem.

Sid’s industry experience is backed by his strong educational background as BCS from University of Pune, followed by MBA IT from SICSIR under University of Pune along with PGDHR from SIBM and PDG Sports Management from CEOM. Siddharth has diploma certification from IIT Mumbai Corporate Strategy and Business Policies. Currently he is pursuing in Phd from Chitkara University in Sports Development and Sports Commerce stream.

Institute Profile:

Symbiosis has embarked into a niche area, that of Sports Sciences by establishing the Symbiosis School of Sports Sciences (SSSS) in 2016. SSSS offers a two years full-time MBA programme in Sports Management, the options being specialization in Sports Marketing, Event Management (Sports) and Sports Technology. The objective of Symbiosis School of Sports Sciences is to impart skills and knowledge to create future managers, leaders and entrepreneurs in the Sports Industry. Till date it has already created a force of managers and leaders ready to take on leading positions in the sporting industry and many of them are making their way wonderfully through this upcoming industry.

The main reasons for so many success stories of students from SSSS within such short span of time are the multitude of unique activities conducted by SSSS which are the key differentiators between SSSS and other education institutions, which include the following –

- 1. SSSS Sports Science Conference:** This has been conducted every year since the inception of the institute, the main objective of which is to provide a platform for students to interact with the stalwarts of the sports industry, exposure to recent scientific research and developments and a solid networking platform for students, faculties and management of the institute.
- 2. Global Immersion Program:** SSSS has collaborated with premier global sports management institutes to provide a global exposure to SSSS students in the field of sports through education and peer interaction. Developed countries are ahead of the Indian curve in the field of sports and this global exposure creates a certain level of awareness of best global practices in the sports industry to the budding managers at SSSS.
- 3. World Football Summit, Spain:** SSSS has in the past facilitated their students to attend the World Football Summit held in Spain to not only give a true fan moment to the football follower but also help them provide a glimpse at the economics behind the operation of such a global summit, to explore new sports ventures and startups, the sporting culture and the consumer behaviour of a hardcore sporting fan of a developed nation like Spain.
- 4. Collaboration with Global Sports Wearable Technology Provider:** SSSS has tied up with the topmost technology provider of sports wearable technology which provides a real-time generation of player performance data to the analysts, who can then understand the effectiveness of data-based decisions-making instead of traditional/biased methods.
- 5. Prestigious Internships:** SSSS has been able to provide its students work-experience in the form of internships at the best places in the sports industry like Khelo India, Sports Authority of India, Under-19 FIFA World Cup, Sports Interactive et al to learn and enhance their practical knowledge and provide them insights into the qualities and skill sets required in addition to the knowledge to be an effective contributor to the sports world.
- 6. Social Responsibility Initiatives:** Sports in India is still at a nascent stage and a lot of grassroot development initiatives are required to bring to surface the talent in the country. Many times in the past such talent has come to the forefront from the humble backgrounds of small villages. SSSS understands the importance and potential of this and thus encourages its students to conduct projects in nearby villages to help and create awareness about sports and also provide sporting facilities for encouraging local talent to greater heights.
- 7. Other initiatives:** Apart from the above SSSS also conducts Sporting Events at University level, Mock Auctions and Business Plan Competitions to prepare the students not just for sports but in general develop an all-round management perspective and personality of the students over a period of two years, to take on the top-most jobs

or even to be smart, tech-savvy and dynamic entrepreneurs for the coming times.

8. Internationalization: SSSS promotes sharing of academic and research best practices through interactions with the diverse education systems. The school conducts Master Classes by Leeds Beckett University which is the leading University in the field of Sport in UK. The exchange of ideas and knowledge acquisition help the students develop into global citizens.

9. Industry Connect: SSSS regularly conducts sessions by the stalwarts in the sports industry who share their experiences on the global sports ecosystem, discuss new opportunities and innovations that are improving data collection, fan experience, and athletic performance and training. Apart from this, SSSS also invites alumni to interact with the students and share their learnings in the industry.

Programme Profile:

• **Bachelor of Science (Sport & Exercise Science) Honours/Honours with Research**

Explore the new exciting degree ('where passion meets the profession') at Symbiosis School of Sports Sciences and contribute towards making India a SPORTING NATION. An opportunity to study the science behind Sports Performance, Exercise, Health and Physical activity at a Health Promoting International University. The course is delivered by distinguished professionals specializing in strength and conditioning, exercise physiology, and biomechanics, ensuring a comprehensive and integrative approach to the sporting ecosystem. Further, multidisciplinary nature of sports will be addressed by experts from the fields of Medical Sciences, Nutrition, Psychology, and Engineering to provide you with the latest knowledge across all allied sciences and cutting-edge technology as applied in Sports. The program provides for a unique blend of theory and on-field practical. Besides, research is an integral part of our curriculum, and you will have the opportunity to make your own contribution to the field of Sports Science under the mentorship of eminent researchers.

This program would lay the foundation for a deeper understanding and application of the science behind Sport performance, Exercise, Health and Physical activity. This is a four-year full-time application-based program with a unique blend of theory and practical components. The program will help you develop your knowledge and gain a scientific understanding of subjects such as Anatomy and Physiology, Sports Biomechanics, Sports Psychology, Nutrition, Strength and Conditioning, and Sports Coaching. Furthermore, the course offers students the opportunity to undertake internships with pioneering academies, providing valuable exposure to industry practices and professional experience in sports science.

The four-year programme offers multiple entry/exit options and has been designed in line with UGC Guidelines as per the NEP 2020. The School provides flexible degree options with Single Major, Minor, Multi/Interdisciplinary choices, and a curriculum built with employability skills in addition to academic subjects.

Highlights of the program:

- Benchmarking against Global sports education programs around the world.
- Major (Sport and Exercise Science) will be the discipline of main focus and the degree will be awarded in this discipline.
- In-built flexibility in the program through Minors (Strength and Conditioning/ Sports Coaching) which helps a student to gain a broader understanding beyond the major discipline.

- Emphasis on interdisciplinary sports science courses like Talent Identification & Development, Injury and recovery in Sport, Sports Technology, Exercise Testing & Prescription, Research and Statistics.
- Emphasis on experiential learning through applied practice in sport and exercise domain.
- Specially designed courses to develop vocational, employability and entrepreneurial skills.
- Novel program with emphasis on Sports technology.

Duration of the Programme:

- **Bachelor of Science (Sport & Exercise Science)**
Honours/Honours with Research : **4 Years, Full Time, Non-Residential programme**

Intake:

- **Bachelor of Science (Sport & Exercise Science)**
Honours/Honours with Research : **40 Students**

Eligibility:

- **Bachelor of Science (Sport & Exercise Science) Honours/Honours with Research**

Passed Standard XII (10+2) or equivalent examination from any recognized Board with a minimum of 50% marks of equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes). Participation in sports at the International/National/State/District level (in games recognized by School Games Federation of India- SGFI) desirable.

Students who wish to opt for Honours with Research must earn 7.5 CGPA and above at the end of Semester-6

Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

Symbiosis Entrance Test (SET) and Personal Interaction

- It is mandatory to appear for the Symbiosis Entrance Test (SET) for admission to BSc (Sport & Exercise Science) programme at SSSS.

Four Sharing	₹ 124,100
Last date of payment	At the time of Admission

@Hostel and Mess Fees can be increased up to 15% each year. Government taxes would be additional as and when applicable.

**Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

*Few seats are reserved as Discretionary Quota Seats. Only students with reasonable academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of the open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. No donation or capitation fee is charged for admission to any program at any institute of SIU. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme.

Fee Structure

(Annexure II)

Approved Fee Structure for Batch 2026-2030 in the Academic Year 2026-2027 -INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 12% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

The exiting students will have to complete the Additional 4 credit Vocational Course for the award of Certificate or Diploma by paying additional fees at the time of intimation of the exit. The additional fees of 4 credit Vocational course will be informed in due course of time.

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Program Fees For Bachelor of Science (Sport and Exercise Science) Honours/Honours with Research	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2026-27 Amount in US\$
Academic Fees (Per Annum) *	\$3,725
Academic Fees (per Annum) to be paid (A)	\$3,725
Institute Deposit (Refundable) (B)	\$275
Administrative Fees (Non Refundable)	\$550
Administrative Fees (Non Refundable) to be paid (C)	\$550

Dr. Anita Patankar

Director

Director's Profile:

Dr. Anita Patankar is a distinguished academic leader with over four decades of experience in higher education. She is the founder of the Symbiosis School for Liberal Arts, India's first liberal arts program, and has played a pivotal role in shaping the academic landscape at Symbiosis University. Her leadership and dedication have been instrumental in fostering a progressive, inclusive, and student-centric environment at the institution that continues to inspire excellence in education.

Dr. Patankar's commitment to the Vedic principle of Vasudhaiva Kutumbakam (the world is one family) is evident in her efforts to expand Symbiosis International University to Dubai, marking a significant milestone in her illustrious career. She is passionate about creating educational opportunities that transcend borders and believes in nurturing a global and inclusive mindset among students.

Currently, Dr. Patankar is the Executive Director of the first international campus of Symbiosis - Symbiosis Dubai. Her dedication to education and her efforts to bridge cultural and academic divides exemplify her enduring influence on students, faculty, and colleagues. Dr. Patankar's contributions continue to drive Symbiosis' mission of fostering academic excellence with a global perspective.

Institute Profile:

Symbiosis Dubai is the first Indian university in the UAE to launch with full accreditation from the Commission for Academic Accreditation (CAA) and the Knowledge and Human Development Authority (KHDA), under the Ministry of Higher Education and Scientific Research (MOHESR), UAE. Located in the heart of Dubai Knowledge Park, it is one of only five universities selected under the India-UAE E33 Bilateral Education Agreement. Backed by over 50+ years of academic excellence, Symbiosis brings its legacy of trust, innovation, and quality education to the UAE.

Programme Profile:

The university offers a diverse range of industry-aligned programs - including BA, BBA Honors/ BBA, Dual Degree BBA with Aston University, BCA, B. Com Hons + ACCA prep/ B.com + ACCA Prep, B. Sc Honors/ B. Sc, B. Tech, and MBA powered by SIBM Pune - designed to equip students with the skills and knowledge to excel in today's competitive global landscape.

- Bachelor of Technology in Computer Engineering:
- Equip graduates with a strong foundation in computing principles, programming, data management, and system design to address complex engineering challenges.
- Develop expertise in specialized areas such as intelligent systems, computational intelligence, gaming development, and emerging technologies to meet industry-specific demands.
- Foster innovative thinking and analytical skills to create sustainable solutions for global challenges, including smart cities, healthcare, and climate resilience.
- Prepare a workforce capable of supporting the UAE's vision for economic diversification and sustainable development.
- Encourage entrepreneurial approaches to technology development.

• **Bachelor of Arts (Mass Communication)**

Students can choose from one of the options below to complete the B.A. (M.C.) degree requirements (120 credits):

- a) Major in Digital Marketing and Advertising and Minor in Public Relations and Corporate Communication - in addition to General Education, Internship, Service Learning and Project OR
 - b) Major in Public Relations and Corporate Communication and Minor in Digital Marketing and Advertising - in addition to General Education, Internship, Service Learning, and Project
- Equip students with the necessary skills and knowledge to excel in public relations, corporate communication, and the dynamic world of digital marketing and advertising.
 - Provide strategic communication expertise and ethical communication practices.
 - Train students to manage the reputation of clients, engage stakeholders, and navigate the complex landscape of corporate communication in various industries.
 - Foster creativity, critical thinking, and ethical practices, enabling graduates to effectively strategize, execute, and measure digital marketing campaigns and contribute to the industry as ethical and innovative professionals
 - Enable students to gain the capability for higher and continuous learning.

• **Bachelor of Business Administration**

- a) Major in Accounting and Finance
 - b) Minor in Business Studies OR Entrepreneurship and Innovation
- Provide students an understanding of business principles and functions, management, and entrepreneurship.
 - Train students in essential skills such as critical thinking, problem-solving, and effective communication through a comprehensive curriculum.
 - Prepare students for leadership positions in various industries by offering hands-on learning experiences and exposure to real-world challenges, which will help them succeed in different business environments.
 - Promote an understanding of business ethics, business dynamics, and global perspectives.

- **Bachelor of Business Administration (Accounting and Finance)**

- Provides students with an understanding of Accounting and finance principles and practices.
- Develop essential skills such as critical thinking, problem-solving, and effective communication through a comprehensive curriculum.
- Prepare students for leadership positions in various industries by offering hands-on learning experiences and exposure to real-world challenges, which will help them succeed in different business environments.
- Promote an understanding of business ethics, business dynamics, and global perspectives.

- **Bachelor of Computer Applications**

Students can choose from one of the options below to complete the B.C.A. degree requirements (120 credits):

- a) Major in Artificial Intelligence & Machine Learning (AIML) and Minor in Cloud Computing (CC) OR Data Science and Data Analytics (DSDA)- in addition to General Education, Internship, Service Learning and Project

OR

- b) Major in Cloud Computing and Minor in Artificial Intelligence and Machine Learning OR Data Science and Data Analytics in addition to General Education, Internship, Service Learning, and Project or
 - c) Major in Data Science and Data Analytics and Minor in Artificial Intelligence and Machine Learning OR Cloud Computing in addition to General Education, Internship, Service Learning, and Project.
- Provide students with a strong foundation in data analytics, cloud technologies, and cutting-edge knowledge in AI and ML.
 - Equip students with skills to process, analyze, and interpret vast datasets, enabling them to solve complex problems and make informed decisions across diverse industries.
 - Encourage lifelong learning and advancement, including pursuing graduate studies in related fields by enabling innovation, entrepreneurship, and technical proficiency.
 - Prepare students for careers as data scientists, analysts, and decision-makers who rely on data in today's rapidly evolving, data-driven world.

- **Bachelor of Commerce (Honors)**

The B.Com. (Honors) program aims to equip students with a strong foundation in commerce, finance, and business management, integrating professional certifications to enhance their industry relevance and career prospects. The B. Com program is designed to align with dynamic professional standards and regional economic demands, ensuring graduates are industry-ready.

The key objectives of the program are as follows:

- Comprehensive understanding of commerce and finance.
- Integration with professional knowledge.
- Practical exposure and industry readiness through internships and live projects.

- Enhancing employability skills, including communication, leadership, and presentation.
- Promotion of ethics and sustainable business practices.
- Development of research and analytical skills.

Global perspective with local relevance.

• **Bachelor of Business Administration Dual Degree (BBA Dual Degree)**

The BBA Dual degree program aims to:

- Provide students an understanding of business principles and functions, management, and entrepreneurship.
- Train students in essential skills such as critical thinking, problem-solving, and effective communication through a comprehensive curriculum.
- Prepare students for leadership positions in various industries by offering hands-on learning experiences and exposure to real-world challenges, which will help them succeed in different business environments.
- Promote an understanding of business ethics, business dynamics, and global perspectives.

• **Bachelor of Science (Psychology) -Honours**

Specialization/ Focus areas Organisational Psychology, Counselling Psychology

The B.Sc. (Psychology) - Honours program aims to

- Provide students with a strong foundation in developmental, health, and organizational psychology.
- Equip students with the skills of research-based approaches and evidence-based assessment using ethical practices.
- Enhance students' ability to independently apply psychological knowledge to work effectively with diverse individuals and groups through interdisciplinary collaborations, including assessments and diagnosis.
- Prepare students for counseling services in various fields.

Duration of the Programme:

- **Bachelor of Technology in Computer Engineering** : 4 Years, Full Time, Non-Residential programme
- **Bachelor of Arts (Mass Communication)** : 4 Years, Full Time, Non-Residential programme
- **Bachelor of Business Administration** : 4 Years, Full Time, Non-Residential programme
- **Bachelor of Business Administration (Accounting and Finance)** : 4 Years, Full Time, Non-Residential programme
- **Bachelor of Computer Applications** : 4 Years, Full Time, Non-Residential programme
- **Bachelor of Commerce (Honors)** : 4 Years, Full Time, Non-Residential programme
- **Bachelor of Business Administration Dual Degree (BBA Dual Degree)** : 4 Years, Full Time, Non-Residential programme
- **Bachelor of Science (Psychology) -Honours** : 4 Years, Full Time, Non-Residential programme

Intake:

- Bachelor of Technology in Computer Engineering :
- Bachelor of Arts (Mass Communication) :
- Bachelor of Business Administration :
- Bachelor of Business Administration (Accounting and Finance) :
- Bachelor of Computer Applications :
- Bachelor of Commerce (Honors) :
- Bachelor of Business Administration Dual Degree (BBA Dual Degree) :
- Bachelor of Science (Psychology) -Honours :

Eligibility:

- Bachelor of Technology in Computer Engineering

Academic Eligibility: A minimum of 50% marks or equivalent grade in Standard XII (10+2) or an equivalent examination from a recognized High School Board.

Lateral Entry Students: Lateral entry into the 2nd year of the Bachelor of Technology in Computer Engineering program is permitted for students who have completed a (minimum) three-year diploma or equivalent in any branch of engineering or technology with at least 50% marks. This will be applicable from September 2026.

English Proficiency:

- UAE MOE High School English Score or equivalent: 80%
- Students who have studied non-MOE curriculum, not instructed in English, are required to submit international standardized test scores.
- Students who have studied non-MOE curriculum and instructed in English are not required to prove English proficiency or not required to obtain scores from international standardized tests.
- Those who do not fulfil the above (1/2/3) or the minimum high school English language requirement of 80% (or equivalent) have to submit a minimum score of an international standardized test: IELTS (Academic) 5.0 / Paper-based TOEFL 500 / Internet-based (iBT) TOEFL 61 / Computer-based (CBT) TOEFL 173

Subject-Specific Requirements (Maths, Physics, and Chemistry or Biology): For the Bachelor of Technology in Computer Engineering program, it is compulsory for students to have studied Mathematics, Physics, and one of either Chemistry/ Biology at the high school (10-12th grade) with a Passing Score as per MOE curriculum or equivalent (High School Subject Score: 80 in Math and Physics and 1 of Chem/Bio). The overall requirement, as per academic eligibility, is that students must have scored a minimum of 80 or equivalent in all three subjects mentioned above.

Undergraduate Conditional Admission:

English Proficiency: Those who have appeared for an English Proficiency Test and did not fulfil the minimum

English language proficiency score in the Test can apply for a Symbiosis English Language Bridge Course and will receive conditional admission.

Moreover, in case proof of English may be inconclusive or when it is not possible to contact any test score signatory, the University, at its discretion, reserves the right to ask undergraduate applicants to take an in-house Symbiosis English Language Bridge course at SIU, Dubai. An additional fee is applicable for students undertaking these bridge course/s.

Subject-Specific Requirements (Mathematics, Physics, and Chemistry / Biology) - Those who did not fulfil MOE requirements in Mathematics, Physics, and Chemistry or Biology in High School can apply for the following bridge courses at Symbiosis International University - Dubai to meet the MOE equivalent requirements within the first semester. An additional fee is applicable for student undertaking bridge course/s.

- **Symbiosis Maths Bridge Course**
- **Symbiosis Physics Bridge Course**
- **Symbiosis Chemistry Bridge Course**
- **Symbiosis Biology Bridge Course**
- **Bachelor of Arts (Mass Communication)**
- **Bachelor of Business Administration**
- **Bachelor of Business Administration (Accounting and Finance)**
- **Bachelor of Computer Applications**

A minimum of 60% marks or equivalent grade in Standard XII (10+2) or an equivalent examination from a recognized Board.

Conditional Admission:

Students may be conditionally admitted if they have deficiencies in English language proficiency as stipulated in the entry requirements, or if they have not submitted a Ministry of Education (MoE) Equivalency certificate for their Grade 12 or equivalent certificate.

Conditional Admission Requirements:

- Conditionally admitted students are allowed to enroll in upto 12 semester credits (or equivalent) in Semester 1 of appropriate General Education courses that contribute towards an undergraduate degree.
- These students must fulfil the requirements for progression from conditional or provisional status to full academic program enrollment.

Progression Requirements: To advance into the full academic program, conditionally admitted students must:

- Meet the English language proficiency requirements as specified in the entry criteria.
- Submit the Ministry of Education Equivalency certificate for their Grade 12 or equivalent certificate.

Failure to meet these conditions may result in dismissal from the program.

English Proficiency: A minimum score of 1100 on the English language portion of the EmSAT examination or its equivalent on other national or internationally-recognized tests that are approved by the CAA, such as a TOEFL score of 500 (173 CBT, 61 iBT), or a 5.0 IELTS academic.

- **Bachelor of Commerce (Honors)**
- **Bachelor of Science (Psychology) -Honours**

Academic Eligibility:

A minimum of 50% marks or equivalent grade in Standard XII (10+2) or an equivalent examination from a recognized High School Board.

English Proficiency:

- UAE MOE High School English Score or equivalent: 80%
- Students who have studied non-MOE curriculum, not instructed in English, are required to submit international standardized test scores.
- Students who have studied non-MOE curriculum, instructed in English, are not required to prove English proficiency or not required to obtain scores from international standardized tests. Those who do not fulfil the minimum high school English language requirement of 80% have to submit a minimum score of an international standardized test: IELTS (Academic) 5.0 / Paper-based TOEFL 500 / Internet-based (iBT) TOEFL 61 / Computer-based (CBT) TOEFL 173

Undergraduate Conditional Admission:

Those who have appeared for an English Proficiency Test and did not fulfill the minimum English language proficiency score in Test can apply for a Symbiosis English Language Bridge Course and will receive a conditional admission.

Moreover, in case proof of English may be inconclusive or when it is not possible to contact the signatory, the University, at its discretion, reserves the right to ask undergraduate applicants to take an in-house Symbiosis English Language Bridge course at SIU, Dubai.

- **Bachelor of Business Administration Dual Degree (BBA Dual Degree)**

Academic Eligibility:

A minimum of 50% marks or equivalent grade in Standard XII (10+2) or an equivalent examination from a recognized High School Board.

English Proficiency:

- UAE MOE High School English Score or equivalent: 80%
- Students who have studied non-MOE curriculum, not instructed in English, are required to submit international standardized test scores.
- Students who have studied non-MOE curriculum, instructed in English, are not required to prove English proficiency or not required to obtain scores from international standardized tests. Those who do not fulfil the minimum high school English language requirement of 80% have to submit a minimum score of an international standardized test: IELTS (Academic) 5.0 / Paper-based TOEFL 500 / Internet-based (iBT) TOEFL 61 / Computer-

based (CBT) TOEFL 173

Undergraduate Conditional Admission:

Those who have appeared for an English Proficiency Test and did not fulfill the minimum English language proficiency score in Test can apply for a Symbiosis English Language Bridge Course and will receive a conditional admission.

Moreover, in case proof of English may be inconclusive or when it is not possible to contact the signatory, the University, at its discretion, reserves the right to ask undergraduate applicants to take an in-house Symbiosis English Language Bridge course at SIU, Dubai.

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission Having been admitted provisionally does not mean acceptance of eligibility Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Reservation of Seats: As per University norms

Admission Process:

- **Bachelor of Technology in Computer Engineering**
- **Bachelor of Arts (Mass Communication)**
- **Bachelor of Business Administration**
- **Bachelor of Business Administration (Accounting and Finance)**
- **Bachelor of Computer Applications**
- **Bachelor of Commerce (Honors)**
- **Bachelor of Business Administration Dual Degree (BBA Dual Degree)**
- **Bachelor of Science (Psychology) -Honours**

The Admissions Committee will shortlist the applications based on the student's previous academic track record, English Proficiency Test, Subject Specific Requirements, Passport copy or valid Emirates ID. SIU Dubai will then issue an admission offer letter to the selected candidates. Upon acceptance of the admissions offer, the student shall complete the document and fee submission formalities within a prescribed time frame to secure admission.

Orientation and Pedagogy:

- **Bachelor of Technology in Computer Engineering**

The institution utilizes multiple pedagogies to cater to student diversity and different learning styles, including lectures, presentations, case-based learning, Lab-based learning, open-source software tools, experiential learning, projects, assignments, and outcome-based learning. Presentations, simulations, take-home assignments, and projects encourage students to participate actively in their own learning process. SIU, Dubai, has a learner diversity policy to support students of different abilities. In order to provide additional support to those who may require it, we will offer remedial classes to help individuals meet the program requirements. Since SIU, Dubai, follows a continuous assessment policy, students can improve their learning and grades throughout the semester. The course structure and program delivery are designed to appeal to students with a variety of skill sets and aptitudes. SIUD also explored its existing industry partnership with CISCO, IEEE, and is intended to establish Center for Applied Artificial Intelligence to maximum student learning experiences.

- **Bachelor of Arts (Mass Communication)**

- **Bachelor of Business Administration**

- **Bachelor of Business Administration (Accounting and Finance)**

- **Bachelor of Computer Applications**

The institution utilizes multiple pedagogies to cater to student diversity and different learning styles, including lectures, presentations, case-based learning, experiential learning, projects, assignments, computer laboratories, etc. Presentations, simulations, take-home assignments, and projects encourage students to participate actively in their own learning process. The course structure and program delivery are designed to appeal to students with a variety of skill sets and aptitudes.

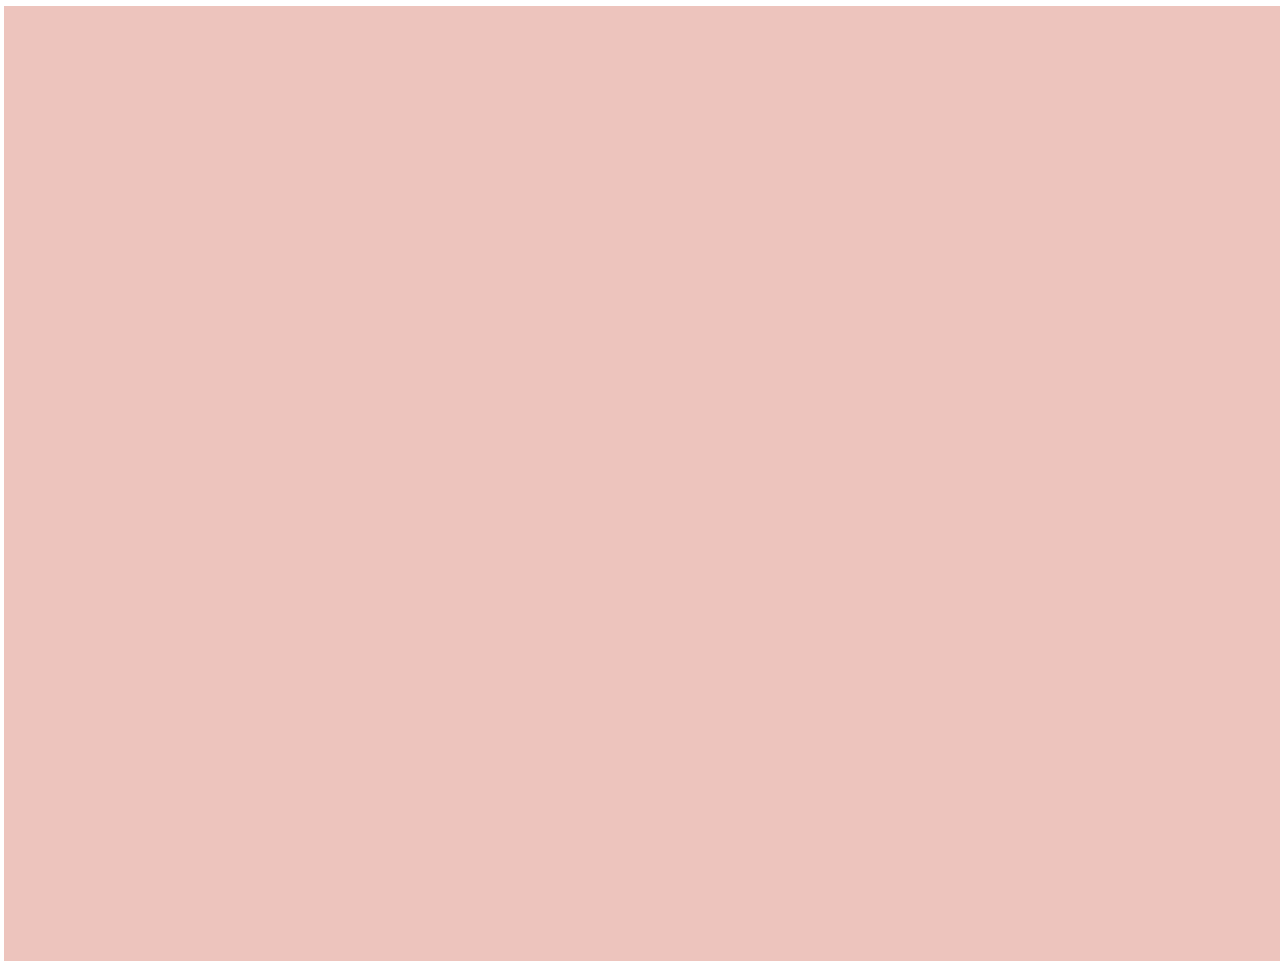

- **Bachelor of Commerce (Honors)**

The B. Com program adopts a student-focused approach, combining traditional lectures with dynamic and engaging teaching techniques to promote a thorough understanding of commerce and finance. The curriculum is designed to emphasize hands-on learning through case studies, simulations, and practical assignments, allowing students to apply theoretical knowledge to practical situations. Activities such as group discussions, presentations, and workshops are used to enhance students' communication and leadership capabilities. Digital platforms and e-learning resources are integrated into the teaching process, offering access to study materials, virtual labs, and online evaluations. Additionally, the program fosters industry engagement through guest speakers, internships, and real-world projects, providing students with valuable insights into current industry practices.

- **Bachelor of Business Administration Dual Degree (BBA Dual Degree)**

The BBA Dual Degree program adopts a student-focused approach, combining traditional lectures with dynamic and engaging teaching techniques to promote a thorough understanding of commerce and finance. The curriculum is designed to emphasize hands-on learning through case studies, simulations, and practical assignments, allowing students to apply theoretical knowledge to practical situations. Activities such as group discussions, presentations, and workshops are used to enhance students' communication and leadership capabilities. Programme Structure:

Bachelor of Technology in Computer Engineering

Semester I

- Mathematics – I Core-MS
- Physics I* Core-MS
- Programming and Problem-Solving* Core
- Academic English Education General
- Basic Electrical and Electronics Engineering Core

Semester II

- Mathematics – II Core-MS
- Engineering Graphics Lab* Core
- UAE: History and Culture Education General
- Programming in C Core
- Physics II* Core-MS
- Statistics and Probability Core-MS
- Environmental Science Core-MS

Summer

- Software Tools for Computer Engineering* Core
- Chemistry* Core-MS

Semester III

- Mathematics -III Core-MS
- Digital System Design* Core
- Sensors and Microcontrollers* Core
- Computer Organization Core
- Data Structure Core

Semester IV

- Discrete Mathematics and Graph Theory Core
- Database Management Systems Core
- Operating Systems* Core
- Software Engineering Principles Core
- Embedded System Design* Core

Summer

- Programming Paradigms Core
- Computer Networks Core

Semester V

- Introduction to Artificial Intelligence Core
- Design and Analysis of Algorithms Core
- Open Source Technologies* Core
- Compiler Construction* Core
- Theory of Computation Core

Semester VI

- Optimization Techniques and Algorithms Core
- Principles and Practices of Management Professional
- Data Science Core
- Principles of Game Design Core
- Machine Learning Core
- Design Thinking Professional

Summer

- Cyber security Core
- Computer Engineering Internship 12-weeks (480 hrs.) Practical

Semester VII

- Research Methodology Core
- Technical Elective 1 Technical
- Technical Elective 2 Technical
- Technical Elective 3 Technical
- Entrepreneurship Venture Professional
- Capstone Project Phase – I Project

Semester VIII

- Capstone Project Phase – II Project
- Ethics in Computer Engineering Professional
- Technical Elective 4 Technical

- Elective
- Technical Elective 5
- Technical Elective
- Technical Communication & Report Writing
- Professional

Annexure – A

Technical Electives: 5 courses required in Semesters VII and VIII. Students can choose to select five courses from all four technical areas or from only one technical area.

Technical Elective Areas

- Intelligent Systems
- Natural Language Processing and Responsive AI
- Deep Learning
- Multimodal Machine Learning
- Computer Vision
- AI Applications in social media
- Augmented Reality/ Virtual Reality
- Computational Intelligence**
 - Power BI
 - R Programming
 - Data Warehousing and Data Mining
 - Python for Data Science
 - Open-Source Tools for Data Science
 - Data Visualization
- Gaming Design and Development**
 - Introduction to Game Development
- Computer Graphics
- Modern Platform for Gaming Development
- Animation in Game Design
- Mobile App Development
- Entrepreneurship in Gaming Development
- Emerging Technologies**
 - Blockchain Technology
 - Quantum Computing Foundations
 - Renewable Energy Systems for Computing
 - Introduction to Cloud Computing
 - Cryptography and Data Protection
 - IoT System Design

Bachelor of Arts (Mass Communication)

Semester I

• Academic English	General Education	General Education 1
• Arabic I*	General Education	General Education 2
• UAE- History and Culture	General Education	General Education 3
• Basic Psychology	Major Core	Major Course 1 (DMA)/ Major Course 1 (PRCC)
• Media Theories with Culture and Communication		Major Core Major Course 2 (DMA)/ Major Course 2 (PRCC)

* Note: This course is exempted for students proficient in Arabic. They can choose an English course based on their level.

Semester II

• Entrepreneurship, Innovation, and Sustainability	General Education	General Education 4
• Cross Cultural Management	General Education	General Education 5
• Islamic Studies	General Education	General Education 6
• Media Economics	Major Core	Major Course 3 (DMA)/ Major Course 3 (PRCC)
• Fundamentals of Marketing	Major Core	Major Course 4 (DMA)/ Major Course 4 (PRCC)

Semester III*

• Design Thinking	General Education	General Education 7
• Business and Managerial Communication		General Education General Education 8
• Introduction to Advertising	Major/ Minor in Digital Marketing and Advertising	Major Course 5 (DMA)

• Introduction to Public Relations Practice	Major/ Minor in PRCC	Major Course 5 (PRCC)
• Retail Marketing	Major/ Minor in PRCC	Major Course 6 (PRCC)
• Digital Branding Strategy	Major/ Minor in Digital Marketing and Advertising	Major Course 6 (DMA)
• Introduction to Advertising	Major/ Minor in Digital Marketing and Advertising	Minor Course 1 (DMA)
• Introduction to Public Relations Practice	Major/ Minor in PRCC	Minor Course 1 (PRCC)
• Retail Marketing	Major/ Minor in PRCC	Minor Course 2 (PRCC)
• Digital Branding Strategy	Major/ Minor in Digital Marketing and Advertising	Minor Course 2 (DMA)

*Note: In Semester III, students have to choose one major and one minor area of study (which is different from their major). They have to complete two courses in their chosen major and two courses in their chosen minor.

Semester IV*

• Consumer Behaviour	Major/ Minor in PRCC	Major Course 7 (PRCC)
• Digital Marketing	Major/ Minor in Digital Marketing and Advertising	Major Course 7 (DMA)
• Business Statistics	Major in PRCC	Major Course 8 (PRCC)
• Data Analytics using MS Excel	Major in Digital Marketing and Advertising	Major Course 8 (DMA)
• Corporate Communications in Specialized Sectors	Major in PRCC	Major Course 9 (PRCC)
• Advertising Strategy	Major in Digital Marketing and Advertising	Major Course 9 (DMA)
• Consumer Behaviour	Major/ Minor in PRCC	Minor Course 3 (PRCC)
• Digital Marketing	Major/ Minor in Digital Marketing and Advertising	Minor Course 3 (DMA)
• Service Learning	Social Responsibility Project	

*Note: In Semester IV, students have to complete 3 courses in the major and one course in the minor areas of study they chose in Semester III.

Semester V*

• Corporate Communication Strategy	Major/ Minor in PRCC	Major Course 10 (PRCC)
• Social Media Marketing	Major/ Minor in Digital Marketing and Advertising	Major Course 10 (DMA)
• Crisis Management in Public Relations	Major/ Minor in PRCC	Major Course 11 (PRCC)
• Advertising Film Making	Major/ Minor in Digital Marketing and Advertising	Major Course 11 (DMA)

• Event Management	Major/ Minor in PRCC	Major Course 12 (PRCC)
• Influencer and Content Marketing	Major/ Minor in Digital Marketing and Advertising	Major Course 12 (DMA)
• Corporate Communication Strategy	Major/ Minor in PRCC	Minor Course 4 (PRCC)
• Social Media Marketing	Major/ Minor in Digital Marketing and Advertising	Minor Course 4 (DMA)
• Crisis Management in Public Relations	Major/ Minor in PRCC	Minor Course 5 (PRCC)
• Advertising Film Making	Major/ Minor in Digital Marketing and Advertising	Minor Course 5 (DMA)
• Event Management	Major/ Minor in PRCC	Minor Course 6 (PRCC)
• Influencer and Content Marketing	Major/ Minor in Digital Marketing and Advertising	Minor Course 6 (DMA)

Note: * In Semester V, students have to complete 3 courses in the major and 3 courses in the minor areas of study they chose in Semester III.

Semester VI*

• Practical: Creation of a Newspaper/Film/Marketing/ Communication-AD, PR	Major Core	Major Course 13 (PRCC)/ Major Course 13 (DMA)
• Corporate Film Production	Major Core	Major Course 14 (PRCC)/ Major Course 14 (DMA)
• Corporate Governance and CSR	Major/ Minor in PRCC	Major Course 15 (PRCC)
• User Interface Design and No Code App Development	Major/ Minor in Digital Marketing and Advertising	Major Course 15 (DMA)
• Global Public Relations	Major in PRCC	Major Course 16 (PRCC)
• Sustainable Marketing	Major in Digital Marketing and Advertising	Major Course 16 (DMA)
• Corporate Governance and CSR	Major/ Minor in PRCC	Minor Course 7 (PRCC)
• User Interface Design and No Code App Development"	Major/ Minor in Digital Marketing and Advertising	Minor Course 7 (DMA)

Note: * In Semester VI, students have to complete 4 courses in the major and one course in the minor areas of study they chose in Semester III.

Semester VII*

• Research Methodology	Major Core	Major Course 17 (DMA)/ Major Course 17 (PRCC)
• Strategic PR and Campaign Planning	Major/ Minor in PRCC	Major Course 18 (PRCC)

• Advertising Design and Creatives	Major/ Minor in Digital Marketing and Advertising	Major Course 18 (DMA)
• Strategic PR and Campaign Planning	Major/ Minor in PRCC	Minor Course 8 (PRCC)
• Advertising Design and Creatives	Major/ Minor in Digital Marketing and Advertising	Minor Course 8 (DMA)
• Internship	Internship	

Note: * In Semester VII, students have to complete two courses in the major and one course in the minor areas of study they chose in Semester III

Semester VIII*

• Project 19 (PRCC)	Project	Major Course 19 (DMA)/ Major Course
• Advertising and Contemporary Culture	Major Core	Major Course 20 (PRCC)
• Political and Advocacy Communication	Major in PRCC	Major Course 20 (DMA)
• Global Business Environment	Major in Digital Marketing and Advertising	

Note: * In Semester VIII, students have to complete two courses in the major area of study they chose in Semester III

Bachelor of Business Administration

Semester I

• Business Accounting	General BBA Course 1
• Principles and Practices of Management	General BBA Course 2
• Academic English	General Education 1
• Arabic I*	General Education 2
• UAE: History and Culture	General Education 3
• * Note: This course is exempted for students proficient in Arabic. They can choose an English course based on their level.	

Semester II

• Business Functions – A	General BBA Course 3
• Business Functions – B	General BBA Course 4
• Entrepreneurship, Innovation, and Sustainability	General Education 4
• Basic Psychology	General Education 5
• Islamic Studies	General Education 6

Semester III

• Principles of Microeconomics	General BBA Course 5
• Business Mathematics	General BBA Course 6
• Organizational Behaviour	General BBA Course 7
• Corporate Accounting*	Elective Course 1*

Creativity and Innovation*

- Data Visualization
- Cross Cultural Management
- Design Thinking
- *In Semester III, Students pursuing General BBA must choose one elective course from the list

General Education 7

General Education 8

Semester IV

- Business Laws
- Business Statistics
- Introduction to Digital Marketing*
- Risk Management in Entrepreneurship*
- Consumer Behaviour and Insights*
- Social Entrepreneurship*
- Service Learning

General BBA Course 8

General BBA Course 9

Elective courses 2 and 3*

Social Responsibility Project

* In Semester IV, Students pursuing General BBA must choose two elective courses from the list

Semester V

- Analytics Foundation
- Training and Development
- Performance Management
- Fundamentals of Services Marketing
- Financial Management*
- Fundamentals of Brand Management*
- Corporate Entrepreneurship*
- Company Law*
- Technological Entrepreneurship*
- Auditing*
- Working Capital Management*
- Sales and Distribution Management*
- * In Semester V, students pursuing General BBA must choose two elective courses from the list

General BBA Course 10

General BBA Course 11

General BBA Course 12

General BBA Course 13

Elective courses 4 and 5*

Semester VI

- Research Methodology
- Operations Research
- Fundamentals of Quality Management
- Emotional Intelligence for Personal Growth
- Financial Reporting and Standards*
- Financial Services*
- MSME and Family Managed Business*
- Funding for Entrepreneurs*

General BBA Course 14

General BBA Course 15

General BBA Course 16

General BBA Course 17

Elective course 6*

* In Semester VI, Students must choose one elective course from the list.

Semester VII

• Corporate Governance and Ethics	General BBA Course 18
• Workforce Planning	General BBA Major Course 19
• Managerial Competencies and Career Development*	Elective course 7*
• Business Modelling and Business Plan*	
• Corporate Internship	Internship

* In Semester VII, Students pursuing General BBA must choose one elective course from the list

Semester VIII

• Project	Project
• Global Business Environment	General BBA Course 20
• Advanced Topics in Accounts	Elective Course 8*
• Building Lean Start-up	

*Elective Students pursuing General BBA must choose one elective course from the list

Bachelor of Business Administration (Accounting and Finance)

Semester I

• Business Accounting	Major Course 1
• Principles and Practices of Management	Major Course 2
• Academic English	General Education 1
• Arabic I*	General Education 2
• UAE: History and Culture	General Education 3

* Note: This course is exempted for students proficient in Arabic. They can choose an English course based on their level.

Semester II

• Business Functions – A	Major Course 3
• Business Functions – B	Major Course 4
• Entrepreneurship, Innovation, and Sustainability	General Education 4
• Basic Psychology	General Education 5
• Islamic Studies	General Education 6

Semester III

• Principles of Microeconomics	Major Course 5
• Business Mathematics	Major Course 6
• Corporate Accounting	Major Course 7
• Creativity and Innovation*	Minor in Entrepreneurship and Innovation 1*
• Data Visualization*	Minor in Business Studies 1*
• Cross Cultural Management	General Education 7
• Design Thinking	General Education 8

* In Semester III, students pursuing a major in Accounting and Finance must choose a minor – either Business Studies or Entrepreneurship and Innovation – and complete the related course.

Semester IV

- Business Laws
- Business Statistics
- Introduction to Digital Marketing
- Risk Management in Entrepreneurship
- Consumer Behaviour and Insights
- Social Entrepreneurship
- Service Learning

Major Course 8
Major Course 9
Minor Course 2 in Business Studies*
Minor Course 2 in Entrepreneurship and Innovation*
Minor Course 3 in Business Studies*
Minor Course 3 in Entrepreneurship and Innovation*
Social Responsibility Project

Note: In Semester IV, students pursuing a major in Accounting and Finance must complete courses from the same minor as chosen in Semester III

Semester V

- Financial Management
- Company Law
- Auditing
- Working Capital Management
- Fundamentals of Brand Management*
- Technological Entrepreneurship*
- Sales and Distribution Management*
- Corporate Entrepreneurship*

Major Course 10
Major Course 11
Major Course 12
Major Course 13
Minor Course 4 in Business Studies*
Minor Course 4 in Entrepreneurship and Innovation*
Minor Course 5 in Business Studies*
Minor Course 5 in Entrepreneurship and Innovation*

* In Semester V, students pursuing a major in Accounting and Finance must complete courses from the same minor as chosen in Semester III

Semester VI

- Research Methodology
- Financial Reporting and Standards
- Financial Analytics
- Financial Services
- Fundamentals of Quality Management*
- MSME and Family Managed Business*
- Emotional Intelligence for Personal Growth*
- Funding for Entrepreneurs*

Major Course 14
Major Course 15
Major Course 16
Major Course 17
Minor Course 6 in Business Studies*
Minor Course 6 in Entrepreneurship and Innovation*
Minor Course 6 in Business Studies*
Minor Course 6 in Entrepreneurship and Innovation*

Note: In Semester VI, students pursuing a major in Accounting and Finance must choose one course from the same minor as chosen in Semester III

Semester VII

- Corporate Governance and Ethics
- Mergers and Acquisitions
- Managerial Competencies and Career Development*
- Business Modelling and Business Plan*
- Corporate Internship

Major Course 18
Major Course 19
Minor Course 7 in Business Studies*
Minor Course 7 in Entrepreneurship and Innovation*
Internship

* In Semester VII, students pursuing a major in Accounting and Finance must complete courses from the same minor as chosen in Semester III

Semester VIII

• Project	Project
• Advanced Topics in Accounts	Major Course 20
• Global Business Environment*	Minor Course 8 in Business Studies*
• Building Lean Start-up*	Minor Course 8 in Entrepreneurship and Innovation*

* In Semester VIII, students pursuing a major in Accounting and Finance must complete courses from the minor chosen in Semester III

Bachelor of Computer Applications

Semester I

• Academic English	General Education	General Education 1
• Arabic I*	General Education	General Education 2
• UAE: History and Culture	General Education	General Education 3
• Web Technologies	Major Core	Major Course 1 (AIML) / Major Course 1 (CC) / Major Course 1 (DSDA)
• Introduction to Python Programming	Major Core	Major Course 2 (AIML) / Major Course 2 (CC) / Major Course 2 (DSDA)

* Note: This course is exempted for students proficient in Arabic. They can choose an English course based on their level.

Semester II

• Entrepreneurship, Innovation, and Sustainability	General Education	General Education 4
• Cross Cultural Management	General Education	General Education 5
• Islamic Studies	General Education	General Education 6
• Relational Database Management System	Major Core	Major Course 3 (AIML)/
Major Course 3 (CC)/ Major Course 3 (DSDA)		
• Data Structures and Algorithms	Major Core	Major Course 4 (AIML)/ Major Course 4 (CC)/
Major Course 4 (DSDA)		

Semester III

• Design Thinking	General Education	General Education 7
• Business Statistics and Mathematics	General Education	General Education 8
• Operating Systems	Major Core	Major Course 5 (AIML)/ Major Course 5 (CC)/
Major Course 5 (DSDA)		
• Structured Query Language	Major Core	Major Course 6 (AIML)/ Major Course 6 (CC)/
Major Course 6 (DSDA)		
• Network Essentials	Major Core	Major Course 7 (AIML) / Major Course 7 (CC) /
Major Course 7 (DSDA)		
• Introduction to Cloud Computing	Major Core	Major Course 8 (AIML) / Major Course 8 (CC) /
Major Course 8 (DSDA)		

Semester IV*

• Web Performance Analysis	Major in AIML	Major Course 9 (AIML)
• Internet of Things	Major in CC	Major Course 9 (CC)
• Text Mining	Major in DSDA	Major Course 9 (DSDA)
• Foundations of Data Warehousing and Data Mining	Major Core	Major Course 10 (AIML)/ Major Course 10 (CC)/ Major Course 10 (DSDA)
• Introduction to Artificial Intelligence	Major/ Minor in AIML	Major Course 11 (AIML)
• Cloud Applications for Business Processes	Major/ Minor in CC	Major Course 11 (CC)
• Data Science I	Major/ Minor in DSDA	Major Course 11 (DSDA)
• Introduction to Artificial Intelligence	Major/ Minor in AIML	Minor Course 1 (AIML)
• Cloud Applications for Business Processes	Major/ Minor in CC	Minor Course 1 (CC)
• Data Science I	Major/ Minor in DSDA	Minor Course 1 (DSDA)
• Service Learning	Social Responsibility Project	

Note: * During Semester IV, students have to choose one major and one minor area of study (which is different from their major). They have to complete three courses in their chosen major and one course in their chosen minor.

Semester V*

• Machine Learning	Major/ Minor in AIML	Major Course 12 (AIML)
• Cloud Architectures and Security	Major/ Minor in CC	Major Course 12 (CC)
• Essentials of Business Intelligence	Major/ Minor in DSDA	Major Course 12 (DSDA)
• Natural Language and Responsive AI	Major/ Minor in AIML	Major Course 13 (AIML)
• Cloud Administration and Management	Major/ Minor in CC	Major Course 13 (CC)
• Data Preparation and Data Management	Major/ Minor in DSDA	Major Course 13 (DSDA)
• Predictive Analytics	Major/ Minor in AIML	Major Course 14 (AIML)
• Fog Computing and Edge Computing	Major/ Minor in CC	Major Course 14 (CC)
• Big Data: Storage and Analytics	Major/ Minor in DSDA	Major Course 14 (DSDA)
• Machine Learning	Major/ Minor in AIML	Minor Course 2 (AIML)
• Cloud Architectures and Security	Major/ Minor in CC	Minor Course 2 (CC)
• Essentials of Business Intelligence	Major/ Minor in DSDA	Minor Course 2 (DSDA)
• Natural Language and Responsive AI	Major/ Minor in AIML	Minor Course 3 (AIML)
• Cloud Administration and Management	Major/ Minor in CC	Minor Course 3 (CC)
• Data Preparation and Data Management	Major/ Minor in DSDA	Minor Course 3 (DSDA)
• Predictive Analytics	Major/ Minor in AIML	Minor Course 4 (AIML)
• Fog Computing and Edge Computing	Major/ Minor in CC	Minor Course 4 (CC)
• Big Data: Storage and Analytics	Major/ Minor in DSDA	Minor Course 4 (DSDA)

Note: * During Semester V, students have to complete 3 courses each in the major and minor areas of study they chose in Semester IV.

Semester VI*

• Research Methodology	Major Core	Major Course 15 (AIML) / Major Course 15 (CC) / Major Course 15 (DSDA)
• Neural Network	Major in AIML	Major Course 16 in AIML
• Virtualization and Security	Major in CC	Major Course 16 in CC
• Advanced Big Data Analytics	Major in DSDA	Major Course 16 in DSDA
• Multimodal Machine Learning	Major/ Minor in AIML	Major Course 17 (AIML)
• Grid Computing and Utility computing	Major/ Minor in CC	Major Course 17 (CC)
• Open Source Tools for Data Science	Major/ Minor in DSDA	Major Course 17 (DSDA)
• AI Applications in Social Media	Major/ Minor in AIML	Major Course 18 (AIML)
• Cloud and AI	Major/ Minor in CC	Major Course 18 (CC)
• Python for Data Science	Major/ Minor in DSDA	Major Course 18 (DSDA)
• Multimodal Machine Learning	Major/ Minor in AIML	Minor Course 5 (AIML)
• Grid Computing and Utility computing	Major/ Minor in CC	Minor Course 5 (CC)
• Open Source Tools for Data Science	Major/ Minor in DSDA	Minor Course 5 (DSDA)
• AI Applications in Social Media	Major/ Minor in AIML	Minor Course 6 (AIML)
• Cloud and AI	Major/ Minor in CC	Minor Course 6 (CC)
• Python for Data Science	Major/ Minor in DSDA	Minor Course 6 (DSDA)

Note: * During Semester VI, students have to complete 4 courses in the major and 2 courses in the minor they chose in Semester IV.

Semester VII*

• Supervised Machine Learning and Advances	Major/ Minor in AIML	Major Course 19 (AIML)
• Cloud based solution architecture	Major/ Minor in CC	Major Course 19 (CC)
• Data Visualization	Major/ Minor in DSDA	Major Course 19 (DSDA)
• Deep Learning	Major/ Minor in AIML	Major Course 20 (AIML)
• Cloud data Centre management	Major/ Minor in CC	Major Course 20 (CC)
• Statistical Machine Learning	Major/ Minor in DSDA	Major Course 20 (DSDA)
• Supervised Machine Learning and Advances	Major/ Minor in AIML	Minor Course 7 (AIML)
• Cloud-based solution architecture	Major/ Minor in CC	Minor Course 7 (CC)
• Data Visualization	Major/ Minor in DSDA	Minor Course 7 (DSDA)
• Deep Learning	Major/ Minor in AIML	Minor Course 8 (AIML)
• Cloud Data Centre management	Major/ Minor in CC	Minor Course 8 (CC)
• Statistical Machine Learning	Major/ Minor in DSDA	Minor Course 8 (DSDA)

*Note: * During Semester VII, students have to complete 2 courses each in the major and minor areas of study they chose in Semester IV.

Semester VIII*

- Internship Internship

Bachelor of Commerce (Honors)

Semester I

- Financial Accounting Core
- Business and Technology Core
- Business Economics Core
- Academic English General Education
- Arabic I* General Education

Note: This* course is exempted for students proficient in Arabic. They can choose an English course based on their level.

Summer Program

- Islamic Studies/ General Education
- Human Values & Ethics in Society
- UAE History and Culture General Education

Semester II

- Taxation Core
- Cost and Management Accounting Core
- Legal Aspects of Business Core
- Basic Psychology General Education
- Entrepreneurship, Innovation, and Sustainability General Education

Semester III

- Financial Reporting Core
- Audit and Assurance Core
- Research Methodology Core
- Cross Cultural Management General Education
- Design Thinking General Education

Semester IV

- Elective 1* Elective
- Statistical Analysis and Visualization Core
- Governance and Ethics Core
- Elective 2* Elective
- Sustainable Development Project Report Social Responsibility Project
- *Choose any two courses from the list of electives from annexure 'A'

Semester V

- Financial Management Core
- Elective 3* Elective

- Performance Management Core
- Elective 4* Elective
- Financial Derivatives Core
- *Choose any two courses from the list of electives annexure 'A'

Summer Program

- Project

Semester VI

- Business Valuation Core
- Smart Accounting Solutions & Reporting Core
- Security Analysis & Portfolio Management Core
- Internship Internship

Semester VII (For B.Com. Honors)

- Systematic Review and Ethics Core
- Data Analysis Tools and Techniques for Researchers Core
- Elective for Honors Advanced Elective 1 ** Elective
- Elective for Honors Advanced Elective 2 ** Elective
- Note: Choose any two from the list of Advanced electives annexure 'B'.

Semester VIII (For B.Com. Honors)

- Dissertation Dissertation

Annexure A: Elective Courses (Choose any 4) *

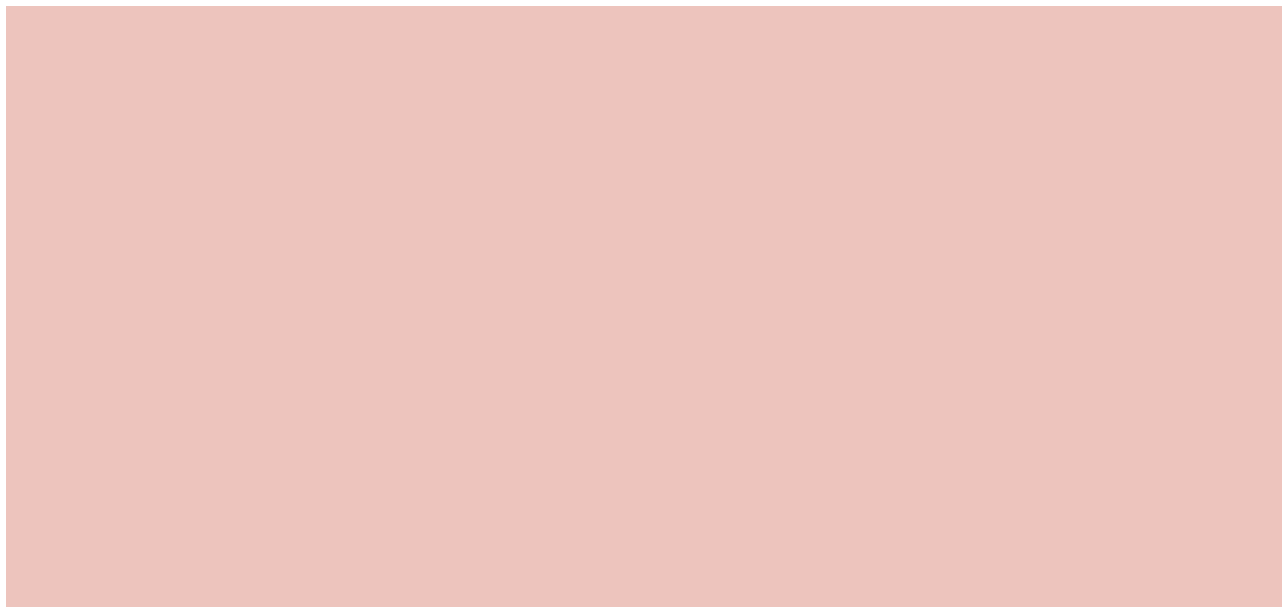

- Risk Management Elective
- Foreign Exchange Management Elective
- Digital Marketing Elective
- Islamic Banking and Finance Elective
- Google Analytics Elective
- Creativity and Innovation Elective
- Blockchain Technology Elective
- Python Programming Elective
- Advanced Excel: Tools for Business and Analytics Elective

Annexure B: Advanced Elective Courses for Honors (Choose any 2) **

- Behavioural Finance Elective
- Research Trends in Banking and Insurance Elective
- Developmental Economics Elective
- Research in Financial Markets and Derivatives Elective
- International Business Research Elective
- *The courses will be delivered according to SIU-Dubai's timetable and offered if there are at least 5 enrolments for the course.

Bachelor of Business Administration Dual Degree (BBA Dual Degree)

Bachelor of Science (Psychology) -Honours

Dr. Apurv Prabhakar Shimpi (PT)

Director

Director's Profile:

Dr. Apurv Prabhakar Shimpi (PT) is a senior physiotherapy academician, clinician, and researcher with over two decades of experience in physiotherapy education, clinical practice, research, and community health initiatives. He holds a Master's degree in Community and Sports Physiotherapy and a Ph.D. in Physiotherapy, with doctoral work focusing on the application of Surya Namaskar for enhancing adolescent fitness and health outcomes. He is also a Fellow in Orthopaedics and Sports Physiotherapy from Spalding University, Louisville, USA and has completed advanced training in Health Sciences Education Technology.

He is currently serving as Director and Professor at Symbiosis College of Physiotherapy, Symbiosis International University, Pune, and has previously served as Principal and Professor at a leading physiotherapy institution. He continues to contribute to professional leadership as Chairperson of the Indian Association of Physiotherapists (IAP) Research Committee (West Zone) and Convenor of the IAP Pune District. Dr. Shimpi has authored over 30 research publications with more than 300 citations, is internationally recognised for the "Shimpi Test" for sacroiliac joint dysfunction, and has contributed to competency-based curriculum reforms and globally recognised textbooks published by Springer, Elsevier, and Jaypee Brothers.

He has been a part of the Functioning and Disability Reference Group (FDRG) meetings of the WHO Family of International Classifications (WHO-FIC) and has represented India at the International Classification of Functioning, Disability and Health (ICF) International Congress in Kuwait. He was also invited as a speaker for the Idobata Session at the World Physiotherapy Congress in Tokyo. In addition, he has led extensive occupational health, wellness, and ergonomic initiatives across IT, automobile, and educational sectors.

A certified ICF Facilitator (WHO-FIC Netherlands) and TEDx speaker, Dr. Shimpi is a recipient of several prestigious honours, including the Best Academician Award, the Physio Ratan (Gem of Physiotherapy) Award by AIIMS, New Delhi, the IAP Oration Award, and the Innovation Award by the Nehru Science Centre, Mumbai.

Institute Profile:

Symbiosis College of Physiotherapy (SCOP), a distinguished constituent of Symbiosis International (Deemed University) [SIU], functions under the esteemed Faculty of Medical and Health Sciences (FoMHS). Conceived with the vision of elevating the standards of Physiotherapy education in India, SCOP is a strategic initiative that reflects SIU's commitment to excellence in health sciences education, innovation, and community well-being.

Strategically situated on the verdant and serene Lavale Hilltop Campus in Pune, SCOP offers a unique academic

environment that fosters intellectual growth, personal development, and professional competence. The institution is academically and clinically affiliated with the Symbiosis University Hospital and Research Centre (SUHRC)—a state-of-the-art, 900-bedded, NABH and NABL accredited multi-speciality teaching hospital that serves as a hub for real-time clinical exposure and interprofessional learning.

At SCOP, the academic framework is meticulously designed to blend theoretical foundations with practical applications, enabling students to master the art and science of Physiotherapy. The curriculum encompasses the latest developments in rehabilitation sciences, movement therapy, evidence-based practice, and patient-centred care, supported by continuous hands-on training through supervised clinical postings.

In addition to academic and clinical excellence, SCOP places a strong emphasis on research and innovation, cultivating a culture of inquiry and critical thinking. The institution encourages students to engage in research activities, contribute to the scientific community, and explore collaborative projects within the broader ecosystem of SIU's health sciences programs.

Guided by the core values of holistic education, global engagement, ethical practice, and community service, SCOP aims to develop compassionate, competent, and globally relevant Physiotherapy professionals who are equipped to meet the evolving demands of modern healthcare systems in India and beyond.

Programme Profile:

- **Bachelor of Physiotherapy (BPT)**

Duration of the Programme:

- **Bachelor of Physiotherapy (BPT)** : **4 years + 1-year rotational internship (Competency Based Curriculum for Physiotherapy by the National Commission for Allied and Healthcare Professionals)**

Intake:

- **Bachelor of Physiotherapy (BPT)** : **100 Students**

Eligibility:

A] Eligibility for 85% National Quota:

Indian Citizen, NRI, OCI, PIO: Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology (or Botany & Zoology) with 50% aggregate with English pass. However, in respect of the candidates belonging to Scheduled Castes, Scheduled Tribes, or Other Backward Classes (NCL), the minimum marks obtained in Physics, Chemistry, and Biology are taken together in the qualifying examination shall be 40% marks instead of 50% marks for Unreserved and General-EWS Candidates. In respect of PwBD/ PwD candidates the minimum marks in the qualifying examination in Physics, Chemistry, and Biology (or Botany & Zoology) taken together shall be 40% instead of 50%. English pass required for all categories.

For He/she has completed 17 years of age at the time of admission or will complete that age on or before 31

December of the year of his/her admission to the first year of the Undergraduate Allied and Healthcare Course.

Medical fitness certificate is mandatory to submit and it is to be endorsed by Government medical officer.

Reservation policy for admission in under graduate programs shall be as per the State/Centre Government norms.

B] Eligibility for 15% Institutional Quota:

a. Foreign National, NRI, OCI, PIO or Indian Citizen

Foreign students' admission process in Under Graduate(UG):

- i. Foreign national students intending to study UG program in India, shall have to take equivalence certificate of eligibility certificate from respective State Allied and Healthcare Council.
- ii. For Under Graduate admission of foreign national students, merit list will be based on University Entrance Exam.
- iii. Verification of Valid Visa and its duration of foreign national students, to be verified by respective institution & University before enrolling students for program

Admission process shall be conducted by State/ Union Territory/ University

Reservation of Seats: As per University norms.

Is Programme residential? No

Admission Process:

The selection and merit listing criteria for admissions will be as follows:

1. Applications will be received from eligible candidates through the online portal displayed on the Symbiosis College of Physiotherapy website within the specified time period.
2. Only the paid registered candidates will be considered for the merit listing.
3. Candidates may choose to apply on the merit category or the institutional/ discretionary category as per their choice based on their scores. There are no additional reservations.
4. Merit list shall be displayed based on the Aggregate of Physics, Chemistry and Biology marks for 12th standard exams (minimum 50% aggregate marks in PCB for open category and 40% for reserved categories of SC, ST, OBC, PwBD and PWD). These categories are only considered for eligibility purposes and not for reservation of seats.
5. In case of tie, the overall scores (percentage) of the 12th standard will be considered.
6. In case of further tie, the overall scores (percentage) of the 10th standard will be considered.
7. In case of further tie, the older amongst them will be considered depending on the date of birth on the 10th mark sheet.
8. Merit list shall be displayed based on the AIR achieved through the NEET scores for the national 85% quota as per general list, category wise list, merit wise list.

9. Admissions shall be processed post completion of the required formalities of original document submission and payment of fees as per the quota.
10. Second merit list shall be displayed, if any vacant seats available, based on merit for the registered candidates of the first list as per general and category wise quota. Similar process shall be followed for the further lists, if applicable.
11. Confirmation of admissions post verification of the eligibility of the candidates as per SIU norms.

Important Dates:

Sr No	Description	Date(s)
1	Commencement of Registration	15th May 2026
2	Closure of Registration	16th July 2026
3	Shortlist Declaration	18th July 2026
4	Merit List Date	20th July 2026
5	Last Date for payment of fees	31st July 2026
6	Programme Commencement	3rd August 2026

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on the institute website <https://scop.siu.edu.in/>

Orientation and Pedagogy:

At Symbiosis College of Physiotherapy (SCOP), the educational philosophy is firmly rooted in a learner-centric, experiential, and immersive approach to teaching and learning. The institution recognizes that the evolving landscape of healthcare demands physiotherapists who are not only academically sound but also clinically competent, critically reflective, and technologically adept. To achieve this, SCOP emphasizes the integration of modern teaching-learning (TL) methodologies that align with global educational best practices and healthcare advancements.

SCOP adopts a dynamic blend of teaching strategies that cater to diverse learning styles and promote active engagement. Among these, Case-Based Learning (CBL) plays a pivotal role by placing students in simulated real-world clinical scenarios, thereby encouraging clinical reasoning, diagnostic thinking, and patient-centred decision-making. This is complemented by structured skills training sessions, where learners acquire hands-on expertise in manual therapy, therapeutic modalities, assessment techniques, and patient handling under expert guidance and supervision.

A key strength of SCOP's pedagogy lies in its emphasis on early and continuous clinical exposure. Students participate in clinical education postings at the Symbiosis University Hospital and Research Centre (SUHRC), allowing them to interact with patients across a spectrum of specialties including orthopaedics, neurology, cardio-pulmonary care, sports rehabilitation, intensive care, and community health. This not only enhances their clinical proficiency but also instils empathy, communication skills, and professional ethics.

In addition, SCOP is committed to promoting evidence-based practice (EBP) as a cornerstone of clinical reasoning and intervention planning. Through guided literature reviews, journal clubs, and mentorship, students are trained to critically appraise scientific research and incorporate the latest findings into their clinical practice. The use of digital platforms, learning management systems, and simulation technologies further enriches the learning experience, fostering 21st-century competencies such as problem-solving, collaboration, adaptability, and lifelong learning.

By combining academic rigour with practical relevance, SCOP creates a transformative educational environment that nurtures confident, competent, and compassionate physiotherapists ready to contribute meaningfully to global health and rehabilitation sciences.

● **Program Structure and Highlights**

The Bachelor of Physiotherapy (BPT) is a professional, full-time undergraduate degree program of 4 years duration, with a 1-year compulsory clinical internship, as per the framework outlined by the National Commission for Allied and Healthcare Professions (NCAHP), 2021.

The program aims to equip students with the knowledge, clinical skills, and ethical grounding necessary to assess, diagnose, and treat a wide range of physical impairments, disabilities, and movement disorders. It fosters holistic development with a strong focus on community-based rehabilitation, clinical reasoning, communication skills, and evidence-based practice.

Program Duration

Total Duration: 4 years of academic coursework + 12 months of compulsory clinical internship

Curriculum Structure

The BPT curriculum follows a competency-based modular structure, which includes:

● **Year 1: Basic Medical Sciences**

- o Human Anatomy, Physiology, Biochemistry, Psychology and Sociology
- o Fundamentals of Physiotherapy
- o Introduction to Kinesiotherapy, Electrotherapy, Healthcare Delivery systems and Information technology as related to Physiotherapy

● **Year 2: Applied Medical and Allied Sciences**

- o Pathology, Microbiology, Pharmacology
- o Exercise Therapy, Electrotherapy, Biomechanics and Kinesiology
- o Health promotion, Public health, Yoga and Emergency care

- **Year 3: Core Physiotherapy Subjects**

- Orthopaedics, General medicine and Paediatrics, General Surgery
- Clinical Assessment and Functional Diagnosis
- Physiotherapy in adult and paediatric general medical and surgical conditions and Orthopaedic conditions
- Research Methodology, Biostatistics and Evidence Based Physiotherapy

- **Year 4: Advanced Clinical and Community Physiotherapy**

- Neurology, Psychiatry, Cardiothoracic diseases and surgeries
- Community Physiotherapy and Rehabilitation (CBR)
- Physiotherapy in neurological and cardiothoracic medical and surgical conditions
- Physiotherapy in Sports and exercise prescription
- Clinical Decision Making
- Professional Ethics and Health Systems, management and administration
- Project Work and Seminars

- **Internship (12 months):**

- Rotations across Orthopaedics, Neurology, Cardio-Pulmonary, ICU, Women's Health, and Community Health.
- Hands-on patient care under clinical supervision at affiliated hospitals.

- **Teaching–Learning Methodologies**

- Case-based and problem-based learning
- Practical labs and simulation-based training
- Interprofessional education modules
- Community engagement and field postings
- Journal clubs and research projects

- **Examination & Assessment Pattern**

- Internal Assessment: Periodic tests, assignments, practicals, and viva (minimum 50% required to be eligible for university exam)
- University Examinations: Conducted annually as per SIU guidelines
- Passing Criteria:
 - Minimum 50% in theory and practical separately
 - Mandatory clinical logbook completion
- Internship Completion Certificate: Issued only after satisfactory performance in all postings and final case presentations.

- **Award of Degree**

Upon successful completion of all academic, clinical, and examination requirements, students are conferred the Bachelor of Physiotherapy (BPT) degree, which qualifies them as Registered Physiotherapy Professionals under the NCAHP and respective State Councils.

Fee Structure:

Please visit Institute web site <https://symbiosis-scop.edu.in/>

Programme Structure:

The Bachelor of Physiotherapy (BPT)

Year 1

- Human Anatomy (HA)
- Human Physiology
- Biochemistry
- Fundamentals of Exercise Modalities
- Fundamentals of Electro Physical Agents
- Psychology and Sociology
- Fundamentals of Healthcare Delivery Systems
- English, Communication, and Soft Skills
- Computers and Information Science (IT)
- Clinical Orientation and Visit
- Vasudhaiva Kutumbakam*

Year 2

- Pathology and Microbiology
- Pharmacology
- Public Health and Health Promotion
- Emergency care and Life support skills
- Exercise therapy
- Electrotherapy
- Biomechanics and Kinesiology
- Yoga and Systems of Medicine
- Clinical Observation

Year 3

- General Medicine and Pediatrics
- General Surgery
- Orthopedics
- Physiotherapy in adult and pediatric Medical and Surgical Conditions
- Physiotherapy in Adult and Pediatric Orthopedic Conditions
- Physical and functional diagnosis and prescription
- Research Methodology, Biostatistics, and Evidence-Based Practice
- Clinical Education

Year 4

- Neurology, Psychiatry and Neurosurgery
- Physiotherapy in adult and pediatric Neurological and Neuro Surgical Conditions
- Cardiothoracic diseases and surgeries
- Physiotherapy in adult and pediatric Cardiothoracic and Surgical Conditions

- Sports Physiotherapy and Exercise Prescription
- Ethics, Medico legal aspects, management and administration
- Community Physiotherapy and Rehabilitation
- Project work
- Clinical Rotation

Year 5 (Internship)

- Musculoskeletal / Orthopaedic Physiotherapy
- Neurological Physiotherapy
- Community Physiotherapy/ Rural posting
- Cardiology ICU/NICU
- Pulmonology/ TB Hospital/ Medicine
- Sports Physiotherapy
- Obstetrics and gynecological Physiotherapy
- Pediatric
- Surgery/ Oncology
- Burns and Plastic Surgery

*** Courses are subject to change**
